Director's Message

The Indian Institute of Technology with a legacy of over 165 years has a tradition for excellence. The mission of our institution is 'To create an environment that shall foster the growth of intellectually capable, innovative and entrepreneurial professionals, who shall contribute to the growth of Science and Technology in partnership with Industry and develop and harness it for the welfare of the nation and mankind.'

The Department of Management Studies, entering its 15th year of existence was started with the goal of developing competent management professionals committed to pursue excellence. Increasing recognition and constant support from the industry bears testimony to the fact that the department has been successful in achieving this goal.

The synergistic relationship that this department enjoys with the science and engineering departments of IIT Roorkee helps it in creating managers equipped with unique skill sets and enhanced competencies. Our students are an eclectic mix of ambition, creativity, enthusiasm, persistence and integrity. They understand that progress is possible with hard work, commitment as well as lateral thinking. This is what distinguishes our students from others. We hereby invite you to avail our talent pool and we definitely look forward for an enriching and an everlasting association with your esteemed organisation.

HOD'S Message

It gives me a great pleasure in inviting you for the Executive Placements 2013 for the 2011-2013 batch of MBA at the Department of Management Studies, IIT Roorkee.

The environment at Department of Management Studies is highly conducive to preparing management professionals well trained to handle the rigors of the corporate responsibilities as well as the society. They are talented, sincere, committed, and have skill attributes that are meticulously nurtured during their stay at the department.

The two year intensive MBA program is designed to produce a skill-set that has optimal compatibility with the competency set desired by employers and are suited for today's business world. In addition to academics, we encourage a good number of co-curricular activities that are managed by the students themselves with due support. They are also encouraged to participate in various competitions and have been bringing laurels to the department.

Through diverse approaches, we constantly endeavour to shape our students for higher responsibilities. I am happy to present the current batch of DoMS. They are highly motivated, talented and academically robust. Their diverse educational background and professional work experience will give you varied options as you seek bright young men and women to join your organisation. I am sure that the students selected from this department will perform as per the expectation and satisfaction of the employers.

प्रबंध अध्ययन MANAGEMENT STUDIES

Department

In this emerging global competitive environment, there is a never ending need for providing management discipline support to deserving students and rightly so, this need was felt in the first technical university of India. Recognizing this, IIT Roorkee established the Department of Management Studies in 1998 to impart high quality formal education in management through a comprehensive two year full time residential MBA program. In a short period, DoMS has acquired and developed adequate infrastructure, expertise and resources for imparting quality management education.

About MBA Program

The very essence of business is creating profitable opportunities through a team of managerial talent adept at applying quantitative techniques along with astute knowledge of commerce and industry. The need of the hour is to produce managers with high academic integrity and accountability as well as ability to identify issues of global relevance. DoMS, IIT Roorkee provides its students with an opportunity to explore beyond their limits and enrich their thought processes through a rigorous academic course combining an exhaustive curriculum and cutting edge pedagogy. The two year MBA program at the Department of Management Studies, IIT Roorkee develops and nurtures managerial talent in its students so that they enter the corporate world equipped with all the necessary prerequisites for a successful management career.

Pedagogy

In order to empower students to develop a globalized view of economical, technological, cultural and political environment of business, the Department overhauled the entire curriculum from 2012 batch onwards.
