

2012

# Sir Padampat Singhanian University

## Admission Brochure, Session 2012-13

This brochure presents a synoptic view of Sir Padampat Singhanian University. Specifics and detailed information on each aspect can be gleaned from our website:

[www.spsu.ac.in](http://www.spsu.ac.in)

### Overview

Sir Padampat Singhania University has been established by an Act of the State Government of Rajasthan in 2007, under the aegis of the JK Cement Group of companies just outside of Udaipur, Rajasthan. SPSU is a private fully residential University dedicated to provide a unique environment & opportunity for its students and scholars to whet their personalities in a robust academic system and to enjoy a first class experience of campus life.

### Our Ethos

SPSU has a vision to be a leader among peer educational institutions by building a tradition of innovation, inculcate problem solving skills and interdisciplinary collaboration. SPSU imparts education through creative course content, modern education methodologies and learning processes. The curriculum is contemporary and is reviewed annually. The faculty is hand-picked and has further distinguished themselves with various academic attainments and recognition from Indian and foreign universities. Conferences and workshops are organised regularly by the different departments to keep abreast of the developments in their chosen fields of interest. Our academic curriculum necessitates that students opt for electives in their chosen area for a wider perspective and in-depth understanding of the subjects. Students also undertake internships, projects and accreditation programmes of their own volition.

### Extra – Curricular Activities

At SPSU, students work and play hard. All extra and co-curricular activities are organised under Clubs at the University. SPSU prides itself in having a student driven culture on campus. Students are exposed to real life experiences when they conduct the University admissions, design and create our website and manage various clubs and cells. The clubs' activities range from drama, writing, debates, dancing, computer programming, machine-designing to sports like cricket, football, volleyball, badminton and table tennis. organisational skills, ingenuity and innovation of the students are tested when they arrange the University's signature event "Panache" -our annual tech-management and cultural festival.

### Industry Accredited Programmes

SPSU has academic arrangements with several multinational companies who have industry accredited offerings. These programmes, though not part of our regular curriculum, is brought to selected students in addition to their degree programme. Some

of the industry accredited programmes are in conjunction with IBM, Oracle, Sun Microsystems and PTC.

### International Academic Network

The University has comprehensive academic collaborations, which includes student and faculty exchange, with the following universities worldwide:

- University of Goteborg, Sweden
- Asian Institute of Technology, Thailand
- Association of International Accountants, United Kingdom
- University of Nebraska at Omaha, USA
- Chiba University of Commerce, Japan

Selected SPSU students spend between ten days up to one full semester in our partner institutions.

### Placement & Training

#### Placements

Training and Placements are an integral part of the degree programmes (B.Tech & MBA) at SPSU. The University places very high importance on the student's employability and thus has a Training and Placement Cell in place which networks with the Industry on a regular basis. The cell has successfully forged ties with the some of the reputed companies in various sectors from Telecommunications, IT-Software, Retailing, Manufacturing, Consulting and FMCG to Non-Banking financial services and the Indian Army.

The cell also organizes personality development programmes, workshops and Interview skills for students. This is done in association with some of the leading HR professionals in the country.

In the placement process all the students who had not opted out of the placement have been successfully placed from the School of Engineering and the School of Management.

Two students have got International Placements. They have been appointed by a Swedish organisation and will be based out of Gothenborg, Sweden.

Recruiters for B.Tech :

- Geometric Ltd.
- E-infochips

- Webtek Labs Pvt. Ltd.
- Secure Meters Ltd.
- JK Technosoft
- Region Archives, Sweden
- Seed Infotech Ltd.
- Collebera IT Solutions
- Servitium IT Solutions
- Net Prophet
- Alston Technologies Pvt. Ltd.
- Mindfire Solutions
- IRIS Software Solutions
- Indian Army
- Spanco India
- Aviva Life
- Arcgate
- Sheetal Life Sciences
- Lark Laboratories

Recruiters for MBA:

- Indcen Resor AB Sweden
- Trade India
- Collabera IT Solutions
- Ericsson
- SREI
- Alston Technologies Pvt. Ltd.
- India Mart
- Timesjob.com
- Oyster Learning Ltd.
- Kotak Mahindra Old Mutual Life Insurance
- Market Scope
- Linx Mart
- FCS
- Mewar Hi-Tech Engineering Ltd.
- Vikra Infotech
- Impact Research
- Fusion Land
- E-Connect Solutions Pvt. Ltd.
- Arcgate

- Intas Pharmaceuticals
- Advaiya Solutions Pvt. Ltd.
- Chetak Enterprises

### Summer Internship

List of recruiters for Summer Projects (B.Tech):

- Associated Talents & Allied Services Pvt. Ltd., Chennai
- Prescient Technologies Pvt. Ltd., Pune
- Travancore Analytics, Trivandrum
- Servitium IT Solutions Pvt. Ltd., Noida
- Resource Point AB, Sweden
- Micro Marketing AB, Sweden
- Cardell Creative AB, Sweden
- Ehrenborg Teknikutveckling AB, Sweden
- Amerium IT Solutions, Sweden
- Indepesca Overseas Pvt. Ltd., Maharashtra
- Tirmala Milk Products Pvt. Ltd, A.P
- K N Biosciences (India) Pvt Ltd, Hyderabad
- Torrent Pharmaceuticals, Gujarat
- Ranbaxy Laboratories, Gurgaon
- Bhagwan Mahaveer Cancer Hospital, Jaipur

List of recruiters for Summer Projects (MBA) :

- ONGC
- BPCL
- Future Eye International
- Kotak Bank
- Force Motors
- Redington
- 1 touch Solutions
- Religare
- NJ Invest
- Sharp Business Solutions
- Shalimar Paints
- Welspun Retail Ltd

- Greenply
- Bentwood Seating Systems
- Salora International
- Big Animation
- Inalsa
- Trinity Reinsurance Brokers
- Via Media Communications
- Ceat Ltd
- Rajasthan Patrika
- Kotak Mahindra
- Asset Mgmt. Co. Ltd
- Indian Rayons
- Hitachi

The Placement office is equipped to handle and support the placement process at every stage. Arrangements for pre-placement talks, group discussions and interviews are organised by the placement office and student volunteers. Facilities to aid the placement and training process include: Illustratively, there are air-conditioned furnished rooms for interviews and group discussions, computerised offices with Wi-Fi connectivity and reprographic aids, auditoriums close to the office to conduct pre-placement talks and tests and student volunteers to assist on the day of visit and through the selection process.

### Excellence & Scholarship

Excellence is central to the ethos of the University. It is merit which determines admission, classifies students into sections and allocates hostel accommodation. SPSU offers scholarships to students based on their excellence in academics. The norms for tuition fee waiver for the students are:

1. Overall topper of the University in the semester - 100%
2. Students securing (in the semester) GPA of 9.0 and above - 70%.
3. Student who stand first in their branch in the semester - 60%

### University Infrastructure

The SPSU campus has wireless connectivity in all the academic areas which encourages students for continuous improvement of their knowledge and resources. The University has 325 Mbps internet connectivity which comprises 300 Mbps Fibre

Optic connectivity from BSNL, 25Mbps radio link connectivity from Tata Teleservice. Each student at the University has a separate email ID with dedicated 7 GB space.

All laboratories in the University are state-of-the-art. Each laboratory is equipped with modern and sophisticated equipment to facilitate practical learning.

All classrooms are spacious and equipped with modern furniture, green boards and LCD projectors.

The Library is well stocked with books and magazines. It has access to important national and international journals – both as hard copies and as e-journals, the library remains open for 12 hours every day. The library is fully computerised

Being a residential university all the students are required to stay in the hostels. The campus has separate hostels for boys and girls, equipped with modern amenities like geysers and high speed internet connectivity. Internet connectivity is available to each student in the hostels.

The campus has two separate messes – one vegetarian and the other non-vegetarian, each with completely separate contractors, cooking utensils, cutlery and dining halls. In addition, there is a canteen and a US Pizza outlet on the campus.

### **Mentorship Initiative**

The University has a very successful mentorship programme to foster the culture of strong bonding between students and academia. Mentorship is a helping relationship in which an individual with more experience lends knowledge, advice and encouragement to a person with less experience. Students in the University are divided into small groups and each group is looked after by a mentor. The basic aim of the mentorship programme is to provide a holistic environment where prospective engineers develop as socially responsible human beings.

### **Environment Friendly campus**

We are moving to a green campus. We use recycled water for all our horticultural requirements. We have sewage treatment plants to treat our waste. The university has a garbage segregation and disposal system in place. Each building has a reverse osmosis water treatment commercial plant to provide clean and safe water across the campus.

**How to Apply**

For each programme there is a separate admission application form which you can download from this website [www.spsu.ac.in](http://www.spsu.ac.in)

Please fill in the relevant admission application form, attach a demand draft favouring Sir Padampat Singhanian University, Udaipur of Rs 1000/- only and hand deliver or mail to

C/o J K Cement Ltd  
Hill Villa Annex, Ambavgarh  
Udaipur – 313001**

# School of Engineering

## ACADEMIC PROGRAMMES

The University has two schools - School of Engineering and School of Management. The programme offerings at SPSU follow a contemporary curriculum, taught by a competent faculty and are underpinned by an outstanding educational infrastructure.. The University offers programmes leading to undergraduate, post-graduate and doctoral degrees in the areas of engineering and management.

Each academic programme has a different eligibility criteria and a well-defined course structure.

### Under Graduate

#### B.Sc Biotechnology (Honours)

**Duration:** 3 Years

**Residential:** Yes

#### Eligibility for admission

- 50 % in aggregate in class 12th or equivalent in science stream of any recognized Secondary Board in any discipline of any state. Candidates must have cleared 12th examination on the day of admission.
- **Interview:** All candidates have to appear for an interview entrance to be conducted by the university. Final selection will be based on academic records (12<sup>th</sup> Standard) and score at the interview.

**Scholarship:** If you top the university examinations, there is provision for scholarship (waiving off of tuition fee depending on the grade points)

#### Fee Structure – 2012-13

Break-up	Per Semester Amount (Rs.)
Tuition fees	17500
Internet charges	6000
Library charges	3000
Examination fees	3000
Sports fees	3000

Educational activity fees	3000
Caution Money (refundable)	12000
Hostel and Mess charges	39500
<b>Total</b>	<b>87000</b>

Note: 1. For the remaining semesters the fees will be Rs 75000/- only per semester.

### **B Tech Degree**

- Biotechnology
- Chemical
- Computer Science
- Civil
- Electrical
- Electronics & Communication
- Mechanical
- Pharmaceutical Biotechnology

**Duration:** 4 Years

**Residential:** Yes

### **Eligibility for admission**

- Pass in 10+2 Science or its equivalent examination from a recognized board
- Valid AIEEE/ UJAT\* Score

\* UJAT - Admission test conducted by Association of self-financing Universities of Rajasthan

Admissions will be based on AIEEE Rank.

**Scholarship:** If you top the university examinations, there is provision for scholarship (waiving off of tuition fee depending on the grade points)

### **Fee Structure – 2012-13**

**Break-up**

**Per Semester  
Amount (Rs.)**

Tuition fees	48500
Lab fees	11500
Internet charges	6000
Library charges	3000
Examination fees	3000
Sports fees	3000
Educational activity fees	3000
Caution Money (refundable)	12000
Hostel and Mess charges	39500
<b>Total</b>	<b>129500</b>

Note: 1. For the remaining semesters the fees will be Rs 1,17,500/- only per semester.

## Post Graduate

### M Tech Integrated (B.Tech. + M.Tech.) Degree

- Biotechnology
- Chemical
- Computer Science
- Civil
- Electrical
- Electronics & Communication
- Mechanical

**Duration:** 5 years

**Residential:** Yes

### **Eligibility for admission**

- Pass in 10+2 Science or its equivalent examination from a recognized board
- Valid AIEEE/ UJAT\* Score

\* UJAT - Admission test conducted by Association of self-financing Universities of Rajasthan

**Scholarship:** If you top the university examinations, there is provision for scholarship (waiving off of tuition fee depending on the grade points)

### Fee Structure – 2012-13

Break-up	Per Semester Amount (Rs.)
Tuition fees	48500
Lab fees	11500
Internet charges	6000
Library charges	3000
Examination fees	3000
Sports fees	3000
Educational activity fees	3000
Hostel fee (including mess charges)	39500
Caution Money (refundable)	12000
Hostel and Mess charges	39500
<b>Total</b>	<b>129500</b>

Note: 1. For the remaining semesters the fees will be Rs 1,17,500/- only per semester.

### M Tech Degree (Full time)

- Biotechnology
- Computer Science
- Electronics & Communication
- Mechanical

**Duration:** 2 years

**Residential:** Yes

## Eligibility for admission

### Biotechnology

- Bachelor's degree in Biotechnology or equivalent/ M.Sc. in Biotechnology/ Biology/ Zoology/ Botany/ Microbiology/ Biochemistry/ Life Sciences as a regular student from recognized University.

Specialisations:

- ✓ Biochemical Engineering

### Computer Science & Engineering

- Bachelor's degree in Computer Science & Engineering or Electronics & Communication or equivalent/ M.Sc. in Electronics or Computer Science or Physics or Mathematics/ M.C.A. as a regular student from recognized University.

Specialisations:

- ✓ Data Mining
- ✓ Computer Networking

### Electronics and Communication Engineering

- Bachelor's degree in Electronics and Communication Engineering or equivalent/ M.Sc. in Electronics or Physics as a regular student from recognized University.

Specialisations:

- ✓ VLSI and Embedded Systems

### Mechanical Engineering

- Bachelor's degree in Mechanical/ Production Engineering or equivalent as a regular student from a recognized University.

Specialisations:

- ✓ Machine Design
- ✓ Manufacturing

## Selection Criteria

- At least 50% aggregate marks or equivalent at the qualifying degree.
- Preference will be given to candidate having valid GATE score.
- Objective type entrance test of 1 hour duration for 100 marks.
- Syllabus for Entrance Test: Under-Graduate degree syllabus of relevant discipline.

**Note:** Provisional admission will be given based on previous exam result, for candidates those who are waiting for final examination. Candidates have to submit their final examination document before 30<sup>th</sup> November 2012.

**Scholarship:** if you top the university examinations, there is provision for scholarship (waiving off of tuition fee depending on the grade points)

### Fee Structure – 2012 - 13

Break-up	Per Semester Amount (Rs.)
Tuition fees	20000
Lab fees	2500
Internet charges	6000
Library charges	3000
Examination fees	3000
Sports fees	3000
Educational activity fees	3000
Caution Money (refundable)	12000
Hostel and Mess charges	39500
<b>Total</b>	<b>92000</b>

Note:1. For the remaining semesters the fees will be Rs 80000/- only per semester.

### M Tech Degree (Full time) Weekend Classes

- Biotechnology
- Computer Science
- Electronics & Communication
- Mechanical

**Duration:** 2 years

**Residential:** No

**Classes:** Classes will be held on Saturday & Sunday

## Eligibility for admission

### Biotechnology

- Bachelor's degree in Biotechnology or equivalent/ M.Sc. in Biotechnology/ Biology/ Zoology/ Botany/ Microbiology/ Biochemistry/ Life Sciences as a regular student from recognized University.

Specialisations:

- ✓ Biochemical Engineering

### Computer Science & Engineering

- Bachelor's degree in Computer Science & Engineering or Electronics & Communication or equivalent/ M.Sc. in Electronics or Computer Science or Physics or Mathematics/ M.C.A. as a regular student from recognized University.

Specialisations:

- ✓ Data Mining
- ✓ Computer Networking

### Electronics and Communication Engineering

- Bachelor's degree in Electronics and Communication Engineering or equivalent/ M.Sc. in Electronics or Physics as a regular student from recognized University.

Specialisations:

- ✓ VLSI and Embedded Systems

### Mechanical Engineering

- Bachelor's degree in Mechanical/ Production Engineering or equivalent as a regular student from a recognized University.

Specialisations:

- ✓ Machine Design
- ✓ Manufacturing

## Selection Criteria

- At least 50% aggregate marks or equivalent at the qualifying degree.
- Preference will be given to candidate having valid GATE score.
- Objective type entrance test of 1 hour duration for 100 marks.
- Syllabus for Entrance Test: Under-Graduate degree syllabus of relevant discipline.

**Note:** Provisional admission will be given based on previous exam result, for candidates those who are waiting for final examination. Candidates have to submit their final examination document before 30<sup>th</sup> November 2012.

**Scholarship:** if you top the university examinations, there is provision for scholarship (waiving off of tuition fee depending on the grade points)

### Fee Structure – 2012 - 13

Break-up	Per Semester Amount (Rs.)
Tuition fees	20000
Lab fees	2500
Internet charges	6000
Library charges	3000
Examination fees	3000
Sports fees	3000
Educational activity fees	3000
Caution Money (refundable)	12000
<b>Total</b>	<b>52500</b>

Note:1. For the remaining semesters the fees will be Rs 40500/- only per semester.  
2. M.Tech Full time (weekend classes) candidates: Rs. 400/- per weekend (Saturday & Sunday, one night stay). This includes accommodation and mess charges.

### M Tech Degree (Part time)

- Biotechnology
- Computer Science
- Electronics & Communication
- Mechanical

**Duration:** 3 years

**Residential:** Yes

### Eligibility for admission

#### Biotechnology

- Bachelor's degree in Biotechnology or equivalent/ M.Sc. in Biotechnology/ Biology/ Zoology/ Botany/ Microbiology/ Biochemistry/ Life Sciences as a regular student from recognized University.

Specialisations:

- ✓ Biochemical Engineering

#### Computer Science & Engineering

- Bachelor's degree in Computer Science & Engineering or Electronics & Communication or equivalent/ M.Sc. in Electronics or Computer Science or Physics or Mathematics/ M.C.A. as a regular student from recognized University.

Specialisations:

Specialisations:

- ✓ VLSI and Embedded Systems

#### Mechanical Engineering

- Bachelor's degree in Mechanical/ Production Engineering or equivalent as a regular student from a recognized University.

Specialisations:

- ✓ Machine Design
- ✓ Manufacturing

### Selection Criteria

- At least 50% aggregate marks or equivalent at the qualifying degree.
- Preference will be given to candidate having valid GATE score.
- Objective type entrance test of 1 hour duration for 100 marks.
- Syllabus for Entrance Test: Under-Graduate degree syllabus of relevant discipline.

**Note:** Provisional admission will be given based on previous exam result, for candidates those who are waiting for final examination. Candidates have to submit their final examination document before 30<sup>th</sup> November 2012.

**Scholarship:** if you top the university examinations, there is provision for scholarship (waiving off of tuition fee depending on the grade points)

### Fee Structure – 2012 - 13

Break-up	Per Semester Amount (Rs.)
Tuition & other fee	40500
Caution money (refundable)	12000
<b>Total</b>	<b>52500</b>

Note: 1. For the remaining semesters the fees will be Rs 40500/- only per semester.

#### 2. Hostel Fee

- a. M.Tech (Part time) modular or vacation classes: Rs. 10000/- for the full module of 45 days.

These candidates may bring their family for the duration of 45 days. Only mess charges will be charged extra

1. Rs. 5000/- per person for adults.
2. Rs. 2500/- for children below 12 years of age.

**Class Schedule:** Programme is structured into three modules of 45 days (May 15-June 30) each, during this time classes and examination will be conducted on regular basis.

### M Sc Degree

- Biotechnology
- Physics
- Mathematics

**Duration:** 2 Years

**Residential:** Yes

**Eligibility for admission**

At least 50% aggregate marks or equivalent at the qualifying degree. The qualifying degrees for various M.Sc. degree programmes are as follows:

- M.Sc. Biotechnology: A Bachelor's degree in Biotechnology/ Biology/ Zoology/ Botany/ Microbiology/ Biochemistry/ Life Sciences.

Specialisations:

- ✓ Microbial Biotechnology

- M.Sc. Mathematics: A Bachelor's degree in Science with Mathematics as one of the subject.

Specialisations:

- ✓ Computational Mathematics

- M.Sc. Physics: B.Sc. (Hons.) in Physics/ Three year B.Sc. with Physics and Mathematics.

Specialisations:

- ✓ Nonlinear Dynamics
- ✓ Theoretical Atomic and Molecular Physics

### Selection Criteria

- At least 50% aggregate marks or equivalent at the qualifying degree.
- Objective type entrance test of 1 hour duration for 100 marks.
- Syllabus for Entrance Test: Under-Graduate degree syllabus of relevant discipline.

**Note:** Provisional admission will be given based on previous exam result, for candidates those who are waiting for final examination. Candidates have to submit their final examination document before 30<sup>th</sup> November 2012.

**Scholarship:** If you top the university examinations, there is provision for scholarship (waiving off of tuition fee depending on the grade points)

<b>Total</b>	<b>102000</b>

Note: For the remaining semesters the fees will be Rs 90000/- only per semester

### Advance Diploma in Accounting (AIA LONDON)

The programme is structured in such a manner that the course content prescribed by the Association of International Accountants is covered substantially.

The programme blends the three module of AIA study with SPSU curriculum. While studying, the student can appear and clear each of the three modules along with this programme.

The three AIA modules are:

- Module 1 - Foundation Course
- Module 2 - Professional Level – I
- Module 3 - Professional Level – II

Students with commerce degree, CAs, CSs and Cost Accountant will get exemption from Module 1, while others will have to clear the Foundation Course.

Substantively, students with commerce background will do the following:

- After first semester they will appear for the SPSU exam and Module 2 – Professional Level – I.
- After the second semester, they will appear for SPSU exam and Module 3 – Professional Level – II.

Students pursuing this programme and who do not have a commerce background will, in addition to the above, have to clear the Module 1 – Foundation Course.

### Diploma

This programme in accounting will result in the following:

1. Advanced Diploma in Accounting from SPSU.
2. One gets upto three qualifications from AIA
  - i. Certificate at the end of Module 1
  - ii. Advance Diploma at the end of Module 2
  - iii. Membership of AIA at the end of Module 3

### Duration

1 year
