Bharath UNIVERSITY

பாரத் பல்கலைக்கழகம்

Bharath Advantage

The mission of Bharath University is to create a world-class environment and state-of-the-art facilities for a promising future

Accreditation by NAAC (UGC, Govt. of India)

State-of-the-art computing center, research labs & Wi-Fi Campus

Smart classrooms with advanced technological facilities

World-class library facilities

Advanced robotics training center, Hotel management & catering science

More than one third of the students are women

Inspiring record of placements every year by MNCs

PLACEMENT

YEAR 2012

092%

Bharath University was established under the aegis of Sri Lakshmi Ammal Educational Trust to foster higher education in science & technology and in the medical field. The Bharath Institute of Science and Technology has always been in pursuit of excellence in preparing undergraduate and post-graduate students for careers in engineering and management using a blend of theory and practice to create world-class professionals.

Bharath University consists of:

Bharath Institute of Science and Technology (BIST)

Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry

Sree Balaji College of Nursing

Sree Balaji Dental College and Hospital

Sree Balaji Medical College and Hospital

Sree Balaji College of Physiotherapy

Bharath University established under Section 3 of University Grants Commission (UGC) Act 1956, was founded in 1984 as a self-financing Institution called Bharath Institute of Science and Technology. The Union Ministry of Human Resource Development conferred University status on Bharath Institute of Science and Technology in 2003.

International Computer Lab

This 'classroom of the future' has DELL workstations with all the latest computing software, smart boards and video conferencing facilities.

GLOBAL INPUTS INDUSTRY-INSTITUTE INTERACTION

INDUSTRY- INSTITUTE INTERACTION

To make sure your knowledge is current and international, Bharath University has tied up with several academic institutions as well as corporates.

Each department goes to great lengths to organize guest lectures and arrange visits to various industries. These industries are chosen to bring alive the technical aspects of your course through practical application.

TOURISM & HOSPITALITY RESEARCH

(Declared u/s 3 of UGC Act, 1956)

We have signed MOU's with some leading educational and technical institutions including:

Northampton University, UK | Hiyoshi Corporation, Japan | Western Michigan, USA | Thomas J Watson School of Engineering and Applied Science of Binghamton University | All Nations University, Ghana | University of Mexico | IBM | NOKIA | CISCO | SAP | DATA64 | EASB, Singapore | University of California | Berkeley | Texas A&M University | Minnesota State University | Cornell State University | Iowa State University | Nebraska University USA | University of Saskatchewan, Canada | University of Nanitoba, Winnipeg, Canada | McGill University, Toronto, Canada | Melbourne University, Australia.

DYNAMIC LEARNING ENVIRONMENT

Edu Sat Classrooms

Access the best tutorials from around the world, through satellite TV. Our edu-sat classes are equipped with interactive video and computer-based instructional units to create a global ambience for your learning.

Wi-Fi Campus

Our campus is Wi-Fi enabled. Enjoy easy internet access from anywhere, 24X7.

IT Facilities

The computer lab houses the latest configuration in computers and is available anytime during and after working hours to all students and faculty. Each Department has its own lab with software that caters to specific academic programs. The computer labs provide a mix of the newest software platforms. Training programs are conducted in these labs to give you a feel of the up-to-date software platforms currently used by industry.

You will have access to first class study resources and learning aids from libraries to computing facilities to symposia, to help you develop complete understanding of your subject.

Labs and Workshops

Every department comes with fully equipped labs and workshops to give you practical knowledge.

Language Lab

Communication is the key to personality development. Language Lab hones your communication skills using international techniques. And prepares you for a world outside campus by ensuring impressive language skills.

Intellectual Stimulus:

Symposiums, Seminars and Conferences

Each department conducts and participates in technical symposiums, workshops, seminars, contests and conferences, both national and international.

TREASURE HOUSE OF KNOWLEDGE

- 7 libraries for UG and PG, more than 100000 volumes of books
- Thousands of journals which are online too
- Video conference facility, E-Library facilities with 4000 NPTLS and 11,000 DVDs
- Technology exchange center for faculty and students
- AV center with plenty of video and audio CD's
- The library is an institutional member of British Council, MALIBET, IIT

Bharath Research School of Tourism & Hospitality is part of the 29 year old Bharath Group of Educational Institutions. The BRSTH at the Chennai & Puducherry campuses offer students the benefit of five star hotels attached to each of the institutes. The Group promotes the hospitality educational research field.

Bharath Research School of Tourism & Hospitality is the leading hospitality Institute in South India. BRSTH operates in association with Accord Metropolitan Hotel, Chennai, and offer B.Sc. (Hotel Management & Catering Science), Diploma in Hotel & Catering Administration & MBA Hospitality & Tourism Management. During their course period, students get part-time job facilities from hotels. BRSTH has collaborated with foreign universities through (CTH) Confederation of Tourism & Hospitality.

Objectives: To develop and promote Hospitality education of international standard.

To conduct PG, UG & Research programmes in hospitality management.

Deliver high quality academic, research and communication strategies to fill gaps in knowledge of hospitality & tourism

Our Vision: To be an internationally recognized portal for the hospitality industry by developing professionals for the future. To be a centre of excellence in a professional environment.

Our Mission: BRSTH is committed to creating potential leaders for an expanding hospitality industry who will be capable of competing for senior positions in the international market. BRSTH is dedicated exclusively to the field of research in hospitality.

Salient Features: Affordable Fees ■ Contemporary course structure for global employability ■ Experienced & overseas trained faculty from the Industry ■ World class infrastructure and Wi-Fi enabled campus ■ Separate Hostels for girls & boys ■ State-of-the-art library with books, journals, magazines ■ Special attention on overall personality development ■ Facility for extracurricular activities like music, sports etc ■ Placement facility and assistance ■ 100% Assured job placement for all students.

Win the world by innovation

In Bharath University you arrive as a student and you leave
as a student

With an open mind, ready to learn from the University of Life
as a leader

Capable of vision and the will to achieve
as an explorer

With the confidence to leave the safe and a curiosity for the new
as an innovator

With the will to create and the hunger to innovate

Win the world!
