## SUMMER VACATION ASSIGNMENT 2014

CLASS - II
ENGLISH

Dear Manavites,
summer vacations are synonymous with fun, frolic, getting up late in the morning, playing for longer hours with friends, going for pionics, exploring new places and watching fun filled shows on television. But there is a lot more you can do to make your vacations more interesting, meaningful and full of fun while still doing all your favourite things. Here is a "Summer vacation Activity Treasure Box" just for you. So get ready for your treasure hunt, along with your parents.

* Encourage your child to cultivate the reading habit. Here are lists of sites you can use to encourage reading.
http://www.bookadventure.com http://www.magickeys.com/books
* "A Healthy Mind lives in a Healthy Body". Encourage your child to go outdoors rather than being a couch potato, sitting in front of the computer or Television all day.
* Communication skills play a pivotal role in grooming the overall personality. Converse regularly with your child, preferably in English. Encourage your child to read Children's magazines.
* Encourage your child to play board games e.g. Chess, Ludo, Carrom and Scrabble etc.
