Jain International Residential School is a truly international school, where our faculty and the wider school community proudly reflect the shared vision, commitment, and energy necessary to ensure the educational success of every student. Hence we discover real treasures without a map & we know that we are better off without one.

We believe that each of our students is a unique individual with equal potential to make a positive contribution to our school and society. We aim to provide the direction, counsel, and support that each student needs to reach his/her full potential. While we have established high standards for academic achievement and performance, our educational programme has been created with an emphasis on the development of the whole person.

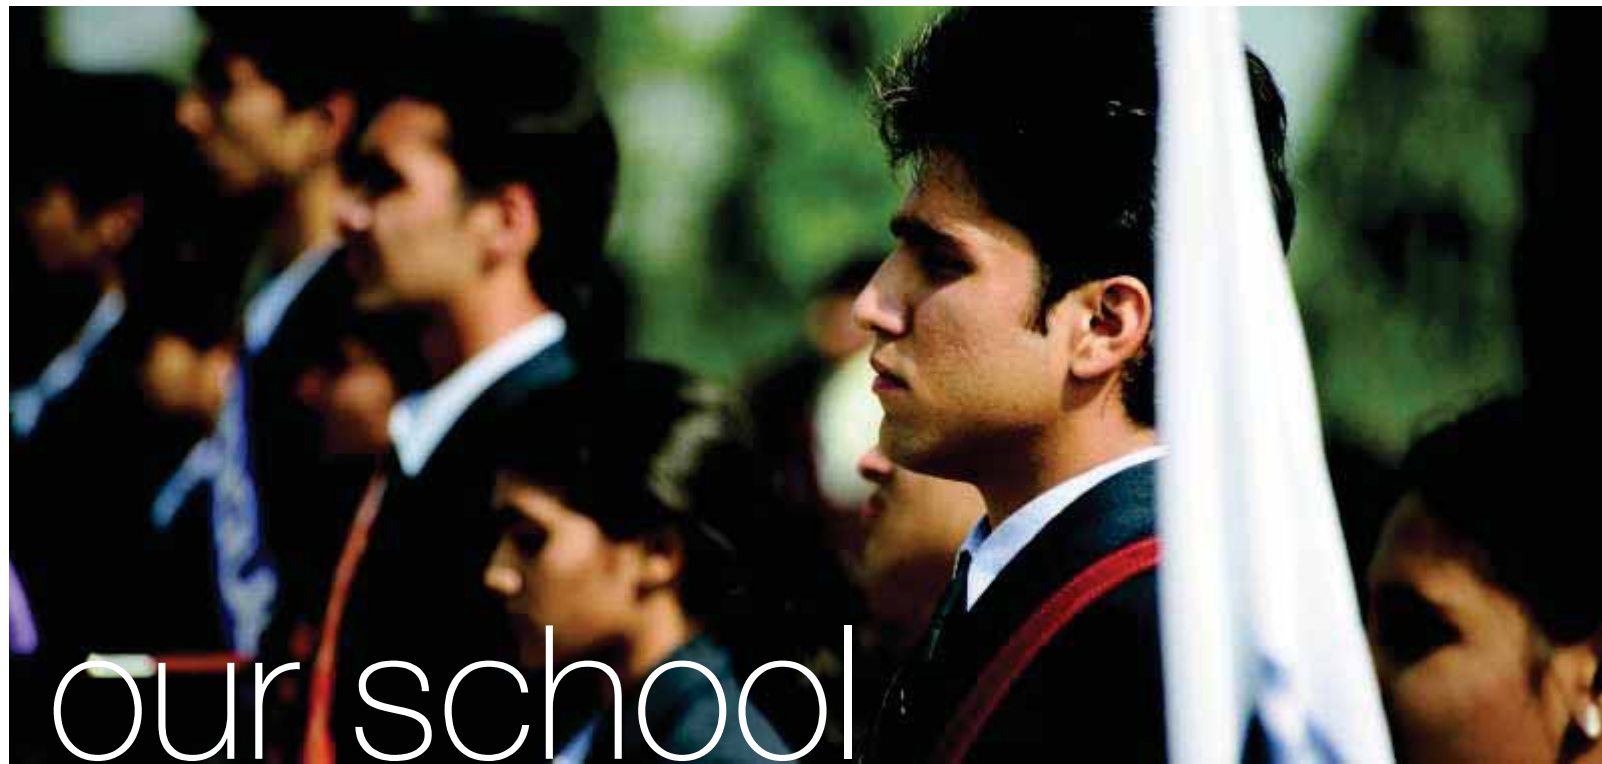

The curriculum at JIRS is designed to support a developmental, student-centered approach, where teaching for understanding is coupled with a stimulating and varied curriculum. Frequent positive and constructive feedback to students characterizes our learning environment. This is an essential ingredient for a programme that seeks to nurture in every student a love for learning, a strong sense of self-esteem, personal integrity, and a respectful, caring attitude towards others. Likewise, sports education is also a distinctive feature at JIRS.

At JIRS, parents, students, faculty and staff work together as a community to solve problems within a framework of fairness and shared values. With 25 nationalities represented on campus, each of us has an exceptional opportunity to develop an understanding of, and appreciation for, the philosophies of people from many different cultures.

We hope to have the opportunity to welcome you and your child to JIRS in future. And, of course, we hope that you can visit us to learn at firsthand what sets us apart in the world of international education.

Dr. R Chenraj Jain  
Founder Chairman  
The JGI Group

our school

Jain International Residential School is a co-educational, residential school with an enrollment of more than 750 students.

JIRS offers education from **Grade 4 to Grade 12**

## Cambridge IGCSE Integrated Curriculum from Grade 8 - 10

The International General Certificate of Secondary Education (IGCSE) is recognized by universities and institutes of higher education around the world. It is equivalent in standard to the British IGCSE and International IGCSE 'O' Level examinations. The curriculum consists of a three year course of study leading to an examination which is taken at the end of Grade 10.

The Cambridge IGCSE provides a foundation for higher level courses, including A and AS levels and AICE Diploma. There are five subject grounds in IGCSE with several subjects to choose from, in each group viz., Languages, Humanities and Social Sciences, Sciences, Mathematics, Creative, Technical & Vocational. In addition, the prestigious International Certificate of Education (ICE) is awarded to some IGCSE students who attempt and complete seven or more papers.

The first batch of class 10 appeared for board exams 2001- 02. The first acid test for our educators leaving a residue of cent percent result. The reputation of which is maintained till date!!

# schooling levels

JIRS is a co-educational, residential school with an enrollment of more than 750 students. We offer education to students from Grade IV to Grade XII in CBSE and IGCSE levels. All classes have 25 students per class & the staff - student ratio is 1:8. We extend two rigorous curriculum options - CBSE (Central Board of Secondary Education) and CIE (Cambridge International Examination).

## The Exploratory Years (Grade 4 - 7)

We believe that young children are powerful learners who bring their own ideas and interpretations of their experiences to their learning. With their natural curiosity and developing communication skills, they are eager to inquire about the world around them.

At JIRS children join a community of learners in which each will have a place to belong and a way to contribute in his or her own individual way. Each child has a unique pattern of growth and development. Our educators are responsive to individual differences in ability and interest. A range of levels of development, learning style and intelligence among children are expected and accepted and are used to design experiences for learning.

## The Expanding Horizon Years (Grade 8 - 12)

The JIRS "Expanding Horizons Years" programme addresses each student's varied levels of emotional, physical, and intellectual development. Subjects are integrated to create authentic experiences for students while providing rigorous training for future success. Our curriculum enables students to establish links between the topics, themselves, and the "real world".

As students at this stage often become deeply engaged with special interests and pursuits, they will have new opportunities to share their growing skills and understanding. Students in the "Expanding Horizons Years" are able to discuss their growing understanding of themselves as a learner in an ongoing and reflective manner. Included in this developing understanding is the facility to experience and grow in leadership. A strong emphasis is placed on developing an understanding of strengths, areas of growth, and building confidence. This is a time of self-exploration, self discovery, and understanding of who I am and who I can be.

Incorporation of the **International curriculum IGCSE** in partnership with Cambridge University went on to see 3 of its student's top India in its very first year 2004 - 05 !!!

# boarding life

The boarding community is at the very heart of JIRS life, giving the school its special flavour.

We aim to make the boarding experience safe, secure, purposeful and fun. The student houses create the right resources for both study and leisure. The time spent by a student at JIRS is not just the gathering of memories for a lifetime, but also a genuine cycle of growth physically, mentally and spiritually.

**Phone facilities and internet connectivity** are provided to enable effective communication possibilities for our students. These state – of – art facilities are installed to keep up the line of communication live, stable and constant between our students and their parents.

**A neat and tidy school attire** facilitates learning, besides inculcating a habit of being well dressed and presentable.

**Aarti, bhajan, yoga, meditation** and an overall influence of Indian spirituality provide the much needed food for the soul. Human values, strength of character and virtuous conduct are assimilated by

students, just as a sapling would soak up warm sunlight.

Once a week students visit **Munchies - JIRS Cafe** to enjoy various delicacies along with music and TV programmes for an hour. Varieties of fresh juices, softdrinks and snacks are available.

The students **unwind with movie** shows during weekends that are carefully selected by the film committee.

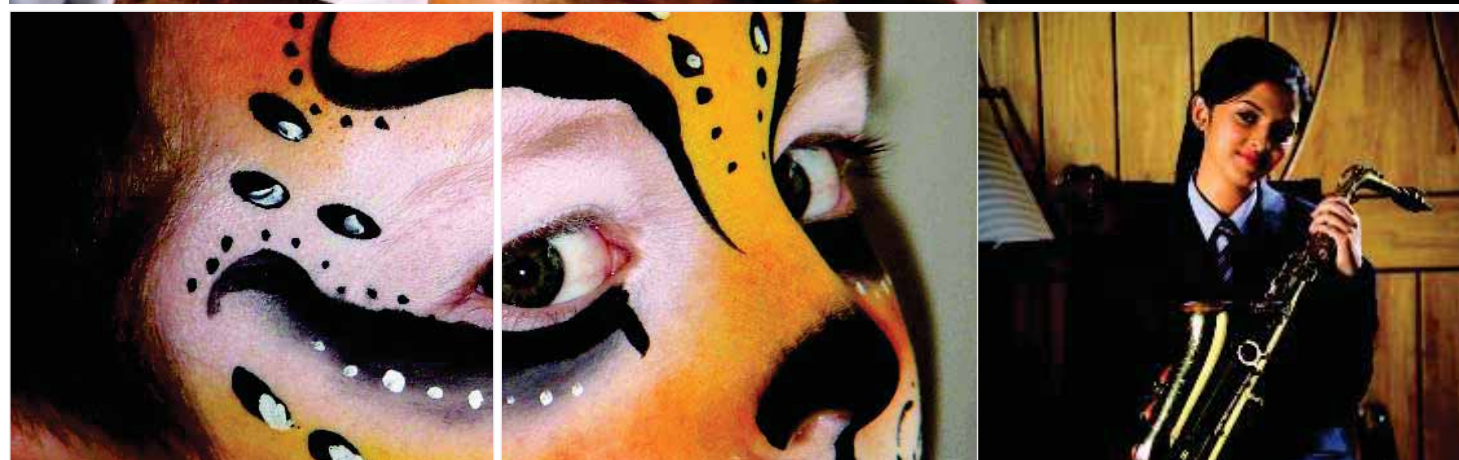

**We celebrate various festivals of our culture.** Every care is taken to provide joyous and festive moods to various celebrations like Raksha Bandhan, Independence Day, Ganesh Chaturthi, Onam,

Krishna Janmashtami, Ramzan, Teacher's Day, Children's Day, Christmas, New Year and Pongal. The climaxes are Universal brotherhood and Unity in Diversity. Religion is not differential; it is a Unifying cord, a reason for celebration.

**Dorm Nights** are celebrated in the amphi-theatre of the boys and girls dorms. Students exhibit their talent in mono-acting, singing, dancing, acting etc. The dorm nights are organised by the students themselves under the guidance of matrons / wardens. Thus they learn to take up responsibility of organising events in a disciplined and orderly manner.

# clubs & activities

A broad education cannot be confined within the walls of a classroom. Our excellence in academic study is complemented by an extensive range of innovative sessions & extra-curricular activities in order to involve students and channelize their energy & enterprise.

## Hobby Classes

To the positive mindset created by the academic curriculum and sports, an added boost is provided through fun – filled hobby classes. All students are encouraged to pursue and develop their talent, may it be in the arts, music, dance, drama or craft.

Students have a vast panorama to choose from:

- Classical Dance
- Vocal Music
- Table
- Sitar
- Painting
- Drawing
- Sculpture
- Clay Modeling
- Wire Frame Models
- Western & Indian Percussion

## National Cadet Corps

JIRS has 11 Division cadets, 4 junior wing cadets. They are imparted training in range firing and Micro Lite flying. Regular activities like parade, health run, lecture classes, campus tidiness, weapon training classes, games and cultural activities are also conducted.

## Appreciation of world cultures

JIRS encourages the student community to learn more about other cultures through various events during the school year. Our school has a wonderful mixture of diverse cultures and backgrounds that provides both students, and their families with many exciting ways to grow and learn.

## Associations

The Student Association, headed by the faculty, organizes all scholastic activities with students assuming responsibility. The Histrionics Club, Painters Gallery, Raman's Team, curiosity Corner, Adventure Club (Sahasi), Hobby Club and Eco Club are entirely student driven.

Gold and Silver Stars are awarded to selected students on the basis of talent and merit. Students selected as 'Stars of the Week' spend five days as orators and speakers, which in turn enhances their confidence level.

## The Science Club

JIRS provides year round opportunities for students to explore science. Every month, members participate in an activity, project, or volunteer activity related to science. At the end of each year, a Science Exhibition is held where students exhibit their imagination at their best.

## Excursions and field trips

Excursions and field trips to places of historical importance, cultural richness and religious significance, are organized every year. Materials collected during these trips are shared with others in the form of presentations.

JIRS strike again! This time in the field of arts as the painting of our students adorned the walls of exhibition at the **Indian Consulate, New York** in the year 2006 - 07.

# The Enrichment Programme

## Guest Lectures

We also conduct various guest lectures on campus to give students an opportunity to interact and learn from people from various walks of life.

School and education is a preparation for real life. With the view to reinforce students' formal learning through exposure to the world we introduced the "Enrichment Programme" designed to teach students 21<sup>st</sup> century skills. Some of them include:

## Community Outreach

Community Outreach Programme is an off campus programme conducted for the students to help understand the local community and provide a learning experience that engage and reflect their ideas.

## Adventure Learning

JIRS offers many exciting activities to encourage & develop a spirit of adventure. The activities are carefully devised to discover the powers of determination & sensitise young minds to appreciate the beauty & power of nature. No chalk and talk, participants walk. Walk the wild side, camp, sail, and climb to hone their life skills. The wilderness provides great opportunities to learn basic skills like communication, leadership, crisis management & team building in a conducive & challenging environment. 'Nature is the Best Teacher' - on a Nature trail, one can observe many forms of life flora & fauna and learn a lot more by sheer observation. A flight of ducks can teach 'Synergy', an autumn tree can teach 'perseverance', flowing water can teach 'Transparency', ants can teach 'Team work' & a weaverbird can teach 'Precision'.

'Laksha Vriksha Moment' set a novel paradigm in the year 2000 - 01 which witnessed a green revolution, as one lakh saplings were rooted in the global campus.

# Support Services

## Student Mentoring and Counseling Service

A teacher is assigned as a 'mentor' for every 8 children as a guardian away from home. Apart from teachers, JIRS has the guidance of trained counselors to help students in personal, academic and career guidance.

## Reinforcement Classes

We at JIRS believe every child possesses special intelligence, which he/she exhibits in either academics or sports or co-curricular activities. Every child in the school is given additional help in academics under the supervision of a teacher.

## Competitive Examination Coaching

SAT is a basic requirement for admission into US Colleges & SAT coaching provides vocabulary building, practice sessions complete with interactive feedback and tutorial session in which the student is taught about the basic techniques for answering various types of questions. Each student's course will be individualised so that students see only questions best suited for their current levels of ability.

The IIT coaching is imparted to students of grades XI & XII by the professors of Vidya Ashram, a professional IIT coaching centre in Bangalore.

## Parents Web

We at JIRS have introduced software which benefits the teachers, parents and students. Parents can now view lesson plans, homework and grades under password protection on the unique Parents Web Services. Parents can also check their student's progress from any location via the Web.

## Progress Monitoring System

The school has a special system of monitoring each child progress in sports. The progress of each child is meticulously recorded and monitored periodically to assess the progress or regress of each individual. The quarterly reports and annual reports of each child's activity, performance and achievements are being updated and posted on website so that the parents can keep track of their child activities in sports and academics.

# outstanding facilities

The global campus obtained a divine touch in the year 2005 - 06 as **Vasu Ganapathi temple** was consecrated.

## Library

The library is unrivaled with more than 9000 books, digital media, latest periodicals and journals. We have links with the British Council Library and other major libraries in addition to an easy access facility. An innovative "Library-on-wheels" feature adds imagination to an already stimulating experience. Students are also marked on books presentations.

## Laboratories

An area of 25,000 sq. ft houses the library and laboratories, fulfilling and exceeding requirements of the curriculum. Self-explanatory models and associations with other science laboratories are highlights.

Computer Labs: Computer Labs with Internet Access are constantly updated with the latest software and hardware. A dedicated VSAT internet connection, educational materials and supervision by experts and a 24-hour supply of hot water leave no necessity to be desired.

## Paraphernalia

JIRS has ventilated, spacious and aesthetically designed classrooms, staff rooms and air conditioned AV rooms. All Classrooms of 850 sq. ft. each are equipped with E-Boards, Audio Visual learning aids, High-precision projection systems and an individualized seating arrangement.

From educational films and slide shows to live demonstrations and presentations, the vastness of the entire universe can be experienced within the walls of these learning rooms.

## Arts & Fine Arts Studio

We believe that students should have extensive exposure to their cultural heritage and should be provided with an opportunity to develop their talents in a creative atmosphere through study of art, music, drama and speech. With this in view, JIRS has constructed the Arts and Fine Arts studio that enables students to find a new meaning of expression in an environment that challenges them to develop their artistic senses.

## Dormitories

Each Dormitory block accommodates 32 students with 4 students sharing one room with separate dormitories for boys & girls. In addition, it houses a lounge, a game room, a laundry room and recreation room.

## Staff Quarters

The entire fraternity of staff at JIRS resides at the furnished staff quarters at JIRS. Separate accommodation for housekeeping staff, families and bachelors is also provided.

## Hygienic refectory

JIRS has a sterile vegetarian hygienic refectory with specialist chefs catering to nutritional needs of the students. Students are served with a bewildering assortment of dishes – Pan Indian, Chinese, Italian, Mexican & other Continental Cuisines.

## Vasu Maha Ganapathi Temple

The campus has a temple of Vasu Maha Ganapathi built in Cholas style. The temple complex is built over an area 5,400 Sq.ft in highest elevated location of the campus. Facing East, it has 4 Garbha Gudis and the main idol is Pancha Mukhi Ganapathi. Since the temple has 8 Ganapathis, the temple is named as "Vasu Maha Ganapathi".

## Health Centre

Health Centre comprises of well qualified doctors & nurses along with consultation room, minor OT, ICU and separate male and female wards with equipped pathology lab and dental clinic.

## Laundry Services

Laundry Services including steam washing, drying and pressing in sanitized conditions are extended to the students and members of staff.

## Safety & Security

Safety & Security A reliable security system with professional security personnel, a completely fenced campus, 24/7 guard duty and watch dogs are in place to safeguard the sprawling campus.

## Softener Plant and Reverse Osmosis Plant

Softener Plant and Reverse Osmosis Plant helps in providing safe and non contaminated water to the residents on campus.

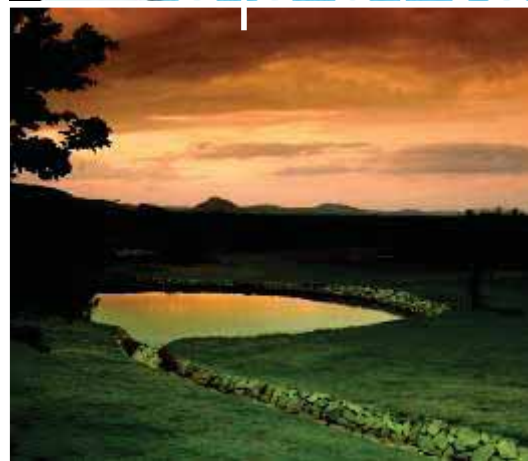

## Uninterrupted power supply

With a total captive power of 1760 KVA, the residents enjoy a 24 hour uninterrupted power supply.

# Sports Activities

## Annual Sports Day

Inter house sports competitions are held in every sporting discipline. Students are grouped into 4 houses. Competitions are held for sub – junior, senior, junior, and super – senior categories separately for boys and girls. The competition culminates into the annual sports day. The houses system is encouraged to develop competitive spirit and fair play, and leadership qualities emerge from such competitions. All students are encouraged to participate in various completions held throughout the year. This system ensures that no student is left without an opportunity for participation. Medals and certificates for various events and shields and certificates for team events are awarded. The house that secures the maximum number of points emerges as the champion house and is awarded the overall championship trophy.

## Inter School Tournament

The School Selects students on the basis of their merit for to participation in National / State / District / Zonal sports tournaments in various sports disciplines. Selection proceedings are conducted in all the games for students in age categories under 12, 14, 16 and 19. Individuals & school teams participating in tournaments under various categories are given special training in the morning between 05:45 hrs and 08:30 hrs under the special supervision of resident coaches.

## Awards and Honours

The School identifies excellent performers in each discipline with best sports man award and honours them during the annual sports day. To encourage budding talents, promising player in each discipline is awarded with trophies. Individual champion in each category in the annual sports meet is awarded with a trophy.

## Tournaments conducted by JIRS
