APPENDIX - I

FORMULA FOR FIXATION OF PAY IN THE REVISED SCALES

- I. The pay of teachers in Technical education and Engineering colleges, Physical Education teachers and Librarians shall be fixed in the revised scales of pay in the following manner.
1. The pay in the pay band/pay scale will be determined by multiplying the basic pay as on 1.1.2006 by a factor 1.86 and rounding off the resulting figure to the next multiple of 10.
 2. If the minimum of the revised pay band/pay scale is more than the amount arrived as per (1) above, the pay shall be fixed at the minimum of the revised pay band/pay scale
 3. Where, in the fixation of pay, the pay a teacher drawing pay at two or more consecutive stages in an existing scale gets bunched, that is to say, gets fixed in the revised pay structure at the same stage in the pay band, then, for every two stages so bunched, benefit of one increment shall be given so as avoid bunching of more than two stages in the running pay bands. For this purpose, the increment will be calculated on the pay in the pay band. Grade pay would not be taken in to account for the purpose of granting increments to alleviate bunching.
 4. If by stepping up of the pay as above, the pay of a teacher gets fixed at stage in the revised pay band/pay scale (where applicable) which is higher than the stage in the revised pay band at which the pay of a teacher who was drawing pay at the next higher stage or stages in the same existing scale is fixed, the pay of the latter shall be stepped up only to the extent by which it falls short of that of the former.
 5. The pay in the pay band will be determined in the above manner. In addition to the pay in the pay band, academic grade pay corresponding to the existing scale will be applicable.
 6. **Rate of increment in the pay structure:** The rate of increment in the pay structure will be 3% of the sum of the pay in the pay band and academic grade pay applicable, which will be rounded off to the next multiple of 10. The amount of increment will be added to the existing pay in the pay band.
 7. **Date of next increment in the revised pay structure:** There will be a uniform date of annual increment, namely, 1st July of every year. Teachers completing 6 months and above in the revised pay structure as on 1st of July will be

eligible to be granted the increment. The first increment after fixation of pay on 1.1.2006 in the revised pay structure will be granted on 1.7.2006 to those teachers, for whom the date of next increment was between 1st of July 2006 to 1st January, 2007.

8. In case of persons who had been drawing maximum of the existing scale for more than a year as on the 1st day of January, 2006, the next increment in the revised pay structure shall be allowed on the first day of January, 2006. There after the provisions of rule (7) above would apply.
9. In cases where an employee reaches the maximum of his/her pay band, shall be placed in the next higher pay band after one year of reaching such a maximum. At the time of placement in the next higher pay band, benefit of one increment will be provided. Thereafter, he/she will continue to move in the higher pay band till his pay in the pay band reaches the maximum of pay band 4, after which no further increments will be granted.
10. **Fixation of pay on placement/promotion on or after 1.1.2006:** In case of placement/promotion from one academic grade pay to another in the revised pay structure, the fixation will be done as follows.

One increment equal to 3% of the sum of the pay in the pay band and the existing academic grade pay will be computed and rounded off to the next multiple of 10. This will be added to the existing pay in the pay band. The academic grade pay corresponding to the promotion post will thereafter be granted in addition to this pay in the pay band. In cases where promotion involves change in the pay band also the same methodology will be followed. However, if the pay in the pay band after adding the increment is less than the minimum of the higher pay band to which promotion is taking place, the pay in the pay band will be stepped to such minimum. In view of the considerable raise in effective pay between the two pay bands, there shall be no additional increment on movement from the pay band 3 to pay band 4.

11. **Exercise of option:** The employees who are eligible to come under the revised AICTE Scheme have an opportunity of exercising option to come over to the revised scale on a later date other than 1.1.2006, provided that the option should be exercised within three months from the date of this order. The option should be submitted in writing in the form prescribed in Appendix III to Accountant General in the case of Government Engineering college teachers, Director of Technical Education concerned in case aided college teachers.

Provided that-

- (i) In case of an employee, on the date of order, out of India or on leave or deputation or foreign service, the said option shall be exercised in writing so as to reach the said authority within three months of the date of taking charge of post
- (ii) Where an employee is under suspension on the first day of January 2006, the option may be exercised within three months of the date of return to duty if that date is later than the date prescribed in this rule
- (iii) If the intimation regarding option is not received within the time mentioned in sub-rule (i), the employee shall be deemed to have elected to be governed by the revised pay structure with effect from the 1st day of January, 2006.
- (iv) The option once exercised shall be final.

Note -1 Persons whose services are terminated on or after 1st January,2006 and who could not exercise the option within the prescribed time limit, on account of discharge on the expiry of the sanctioned posts, resignation, dismissal or discharge on disciplinary grounds, are entitled to the benefit of this rule

Note-2 Persons who have died on or after the 1st of January, 2006 and could not exercise option within the prescribed time limit are deemed to have been opted the revised pay structure from the 1st of January, 2006 or such date as is most beneficial to their dependents.
