

Job Profile: Business Intelligence & Web Analyst

About iXIGO:

iXIGO.com is South Asia's leading online and mobile travel search engine. iXIGO.com's vision is to develop products to ease and simplify the life of travelers and to make traveling a happy and wholesome experience. Their key products like the TripPlanner, FareMapper, FlightPlanner amongst others help a traveler in planning a trip and searching the best travel solution suited to an individual's needs.

Launched in 2007 by IIT, INSEAD and Amadeus alumni as the first travel meta-search engine in India, iXIGO's unbiased search results and ease-of-use have won it several accolades from TIE and NASSCOM, and have made it one of the top travel sites in India almost entirely through word-of-mouth from satisfied users. iXIGO.com is an investee company of SAIF Partners & MakeMyTrip Limited.
