

2014 Fall Application for First and Second Years

The purpose of the Honors Program Student Council (HPSC) is to foster community among Honors students and to promote lasting change by creating opportunities to provoke thought and inspire action. HPSC does this by planning events for Honors students and serving as a liaison between the Honors student body, staff, and administration.

The organization is comprised of 18-20 members who are divided into two committees: the Service Committee and the Programming Committee.

HPSC Programming sponsors Dinner with Dr. Williams, Flipping Out Over Finals, Honors Student Art Show, Night on the Quad, and lectures by professors. HPSC Service sponsors community projects at the Food Bank of Northeast Georgia and the Athens Area Homeless Shelter, supports campus organizations such as Campus Kitchens, and organizes lectures on service and activism opportunities.

This year HPSC will add current freshmen and sophomores to its membership. We encourage all eligible candidates who are seeking civic engagement opportunities within the Honors community to apply.

Meetings are held alternate Mondays from 8:00 - 9:00 PM in Moore College. Prospective new members are expected to attend their first general body meeting on April 14, 2014.

Members should plan to attend all of their committee's events and are required to attend 2/3 of all HPSC events. Membership in HPSC is a competitive process and distinct responsibility, yet we are a close-knit and fun group.

Applications are due via email to UGAHPSC@gmail.com by 5PM on Friday, March 21, 2014. Interviews for selected applicants will take place the week of March 31-April 4, 2014.

Students selected to be interviewed will be notified by email. Please direct any questions to the above email address.
