VISITING STUDENT PROGRAM – APPLICATION (Elective Request Form)

Student Name (First, Middle, Last):

Choose up to a maximum of 4 electives, scheduled in 4-week blocks only (refer to Academic Calendar on Page 5). Applying for more than 2 electives within the same department is highly discouraged. Provide alternate dates as your first choice may not be available. Visiting Medical Students are not scheduled for more than 4 electives for a total of 16 weeks. Please refer to the List of Electives and Academic Calendar when submitting your request.

REQUESTED ROTATIONS:

Elective 1:	Preferred Block	Alternate Block	Alternate Block

Elective 2:	Preferred Block	Alternate Block	Alternate Block

Elective 3:	Preferred Block	Alternate Block	Alternate Block

Elective 4:	Preferred Block	Alternate Block	Alternate Block

NOTICE: We charge a NON-REFUNDABLE application processing fee of \$150 for each elective that you request (maximum of 4 electives for \$480). This processing fee is not dependent on being offered an elective.

1 Elective = \$150

2 Electives = \$300

3 Electives = \$450

4 Electives = \$600

(initial) I understand that the scheduling of elective rotations is done on a first come, first served basis and that I may not get the elective(s) that I am requesting on this form.

(initial) I understand that I will be charged an application processing fee of \$150.00 for each elective that I request and that this fee is non-refundable, regardless of whether or not I am offered or accept an elective.

(initial) I understand that confirmation of acceptance into any elective cannot be given until after CWRU students have been scheduled.

(initial) If scheduled for an elective, I agree to notify the Office of the Registrar a minimum of 30-days prior to the start of my scheduled rotation Block should I not be able to do the elective.

(initial) I understand CWRU has a 30-day cancellation policy, and if I cancel an elective within the 30-days the elective cannot be rescheduled and my other pre-arranged electives may also be cancelled.
