गुरु घासीदास विश्वविद्यालय,
(केन्द्रीय विश्वविद्यालय)
बिलासपुर (छ.ग.)

GURU GHASIDAS VISHWAVIDYALAYA
(A CENTRAL UNIVERSITY)
BILASPUR (C.G.) 495009

विश्वविद्यालय कुलगीत

गुरु कृपा के पुण्य परस से, विद्या का वरदान है।
घासीदास विश्वविद्यालय, हम सबका अभिमान है।

महानदी, शिवनाथ, नर्मदा, हसदो पावन धारा है।
अंतःसलिला अरपा का, सतत् प्रवाह हमारा है।
छत्तीसगढ़ की माटी का, यह अभिषेक महान् है।

भोरमदेव, सरगुजा, शिवरी, रतनपुर, मल्हार यहीं।
कालीदास का आम्रकूट है, अमर काव्य श्रृंगार यहीं।
धरती, गगन, सघन वन गूँजे, जीवन का नवगान है।

शस्य श्यामला धरती है, खेतों में हरियाली है।
नये भगीरथ कोरबा जैसी, लोक-शक्ति की लाली हैं।
जाग उठे हैं गांव हमारे, जागे सभी किसान हैं।

ज्ञान सभ्यता से आलोकित, विद्वत्जन सम्मान यहाँ।
माधव, लोचन, मुकुटधर पाण्डेय, बख्शी जी अरूभानु यहाँ।
राव, विप्र, रविशंकर, छेदी, कुंवर वीर का गान हैं।

मानव मूल्यों का सृजन करें हम, समता, ममता, शांति भरे,
हर्षित, पुलकित हो भारत माँ, सुख-समृद्धि सर्वत्र झरे,
विद्या-मंदिर के प्रांगण से, नव-युग का अभियान है।
गुरु कृपया के पुण्य परस से

कुलगीत की रचना सुप्रसिद्ध राजनेता, साहित्यकार एवं कवि हृदय पं. राजेन्द्र
प्रसाद शुक्ला प्रथम अध्यक्ष, छत्तीसगढ़ विधानसभा द्वारा की गई है।

Dr. M. S. K. Khokhar
Vice-Chancellor

Dear Student ,

I appreciate your preference shown for exploring career possibilities with this University. Guru Ghasidas Vishwavidyalaya (A Central University established under the Central Universities Act 2009) has significantly contributed to quality education through various courses available. In this era of ultra awareness and competition our university stands committed to best of the facilities and infrastructure required for students under different schools.

I hope, this brochure will provide you vital information which will be helpful in exploring possibilities to shape your future.

A handwritten signature in black ink, appearing to be "M. S. K. Khokhar".

(Dr. M. S. K. Khokhar)
Vice-Chancellor

ABOUT THE UNIVERSITY

Guru Ghasidas Vishwavidyalaya, a Central University established by an Act 2009 of the Parliament, was originally established as State University by an Act of State Legislative Assembly of the then undivided Madhya Pradesh on 16 June 1983. GGV is an active member of the Association of Indian Universities and Association of Commonwealth University. The National Assessment and Accreditation Council (NAAC) has accredited the University as B.

Situated in a socially and economically challenged area, the Vishwavidhyalaya is appropriately named to honour the great Satnami Saint Guru Ghasidas (born in 17th century) , who championed the cause of the downtrodden and waged a relentless struggle against all forms of social evils and injustice prevailing in the society.

The Vishwavidyalaya is a semi-residential institution. The Vishwavidyalaya covers almost the total spectrum of higher education in 32 numbers of Vishwavidyalaya teaching departments offering various courses in the areas of Arts, Commerce, Education, Engineering and Technology, Humanities, Life Sciences, Management, Pharmacy, Sciences and Social Sciences. The lush green sprawling campus of the Vishwavidhyalaya spread over an area of aprox. 655 acres is located five KM away from the main Bilaspur Town. River Arpa, the lifeline of Bilaspur, runs parallel to the Vishwavidhyalaya campus. Bilaspur is a fast Industrializing City, already having a large number of industrial units coming up in the region. The area is the nerve center of trade in iron and steel, coal, aluminium, textiles, foodgrains, ' Kosa' silk, cement, paper, furniture and jewellery and is internationally known for its rice production.

The Vishwavidyalaya aims at disseminating and advancing knowledge by providing instructional and research facilities in various branches of learning. It promotes innovation in teaching learning process, interdisciplinary studies & research, establish linkages with the industries for the promotion of science & technology, educate and train man-power for the development of the country and is committed to the improvement of the social and economic conditions & welfare of the people by improving their intellectual, academic & cultural development.

The city is well connected with all parts of the country by road and rail. Being a railway zone, Bilaspur facilitates travel by train to and from any part of the country. 120 Kilometers away, at

Raipur, the Capital of Chhattisgarh, is the nearest airport.

• Important dates for admission to various courses (2014-15)

1.	Start of Online/Offline Application Process	: 28-March-2014
2.	Closing of Online Application Process	: 25-April-2014
3.	Last date of receipt of hardcopy of the application form (Online/Offline)	: 30-April-2014 (05.00PM)
4.	Entrance test date for Postgraduate/Under Graduate programme	: 23-May-2014
5.	Entrance test date for Integrated UG/PG programme & Diploma programme	: 24-May-2014
6.	Vishwavidyalaya Research Entrance Test (VRET) for Ph.D. Programme	: 25-May-2014
7.	Declaration of Result	: 18-June-2014
8.	Schedule for Counselling (For VET)	: 01-July – 2014(onwards)
9.	Last Date of Admission against VET	: 15-July-2014
10.	Date of Counselling (For VRET)	: 25-July -2014
11.	Last Date of Admission against VRET	: 10-August-2014

COURSES AT A GLANCE

Sl. No.	Course	Course code	Department	Duration	Intake	Eligibility	Admission method
1.	5-Year Integrated UG/ PG in English	109	Department of English	10 semester	60	Min. 50% aggregate at 10 + 2 level from any recognized Board or equivalent	Through VET
2.	5-Year Integrated UG/ PG in Hindi	110	Department of Hindi	10 semester	60	Minimum 50% aggregate at 10+2 level from recognized Board or equivalent	Through VET
3.	5-Year Integrated UG/PG in Library & Information Science	113	Department of Library & Inf. Sc.	10 semester	60	Minimum 50% aggregate at 10+2 level from recognized Board or equivalent	Through VET
4.	5-Year Integrated UG/ PG in Journalism & Mass Communication	112	Department of Journalism & Mass Communication	10 semester	60	Min. 50% aggregate at 10+2 level from any recognized Board or equivalent	Through VET
5.	5-Year Integrated UG/ PG in Economics	107	Department of Economics	10 semester	60	Minimum 50% aggregate at 10+2 level from recognized Board or equivalent	Through VET
6.	5-Year Integrated UG/ PG in History	111	Department of History	10 semester	60	Min. 50% aggregate at 10+2 level from any recognized Board or equivalent	Through VET
7.	5-Year Integrated UG/ PG in Political Science	116	Department of Political Science	10 semester	60	Minimum 50% aggregate at 10+2 level from recognized Board or equivalent	Through VET
8.	5-Year Integrated UG/ PG in Commerce (B.Com.)	105	Department of Commerce	10 semester	500	Min. 50% aggregate at 10+2 level from any recognized Board or equivalent	Through VET
9.	5-Year Integrated UG/ PG in Social Work	123	Department of Social Science	10 semester	30	Min. 50% aggregate at 10+2 level from any recognized Board or equivalent	Through VET
10.	5-Year Integrated UG/ PG in Anthropology	101	Department of Anthropology & Tribal Development	10 semester	60	Min. 50% aggregate at 10 + 2 level from any recognized Board or equivalent	Through VET
11.	5-Year Integrated UG/ PG in Biotechnology	102	Department of Biotechnology	10 semester	60	Min. 60% aggregate at 10+2 level with Biology as main subject from any recognized Board or equivalent organization.	Through VET
12.	5-Year Integrated UG/ PG in Forensic Science	119	Department of Forensic Science	10 semester	30	Min. 50% aggregate at 10+2 level with Biology as main subject from any recognized Board or equivalent organization.	Through VET
13.	5-Year Integrated UG/ PG in Botany	103	Department of Botany	10 semester	60	Min. 50% aggregate at 10+2 level with Biology, Physics and Chemistry from any recognized Board or equivalent organization.	Through VET

Ph.D. through Pre- Ph.D. course work in Library & Inf.Sc., Political Sc., Social Work, Education, Management, Biotechnology, Forestry, Mathematics, Physics, Electronics, Rural Tech., Zoology, Botany, Chemistry, Mechanical Engg., Civil Engineering, Industrial & Production Engineering	-	Respective departments	Pre-Ph.D. course work: 1 semester Ph.D.: 4 years		Master degree in the discipline or in the related discipline considered equivalent by the university of any recognized university/ institute with a min. CGPA of 5.5 on a 10 point scale or equivalent as determined by the university wherever letter grades are awarded or 55% marks in aggregate (of all the years/ semesters) where marks are awarded.	Through VRET

Note: All the Integrated UG/PG programs have the option of exit on completion of 3 years (6 semesters) UG programme except B.A.LL.B. & B.Com. LL.B.

** Intake capacity in different disciplines at PG level (M. Pharm.) may increase as per the norms of AICTE for the session 2014-15*

Head : Dr. Manish Shrivastava

Department of English

Established in 1990, the Department of English has been endeavouring to provide the students a firm grounding in English studies in a very congenial atmosphere of teaching and learning. The interest in literary studies can be seen in the growing number of undergraduate students who opt for English as their honours subject. The students aspiring to obtain a post graduate degree in Literature in English get introduced to all the important aspects of literatures written in English. We are also aware of the growing importance of the M.Phil. programme as a pre-doctoral preparatory course. Accordingly, the syllabus incorporates the latest aspects of literary studies and research so as to prepare the students well for research and teaching. A stimulating ambience in the Department, regular seminars, assignments and special invited lectures on specific portions of syllabus enhance the purpose of imparting quality education. In addition, text reading sessions, group discussion and literary and extra-curricular activities are regularly organized. All this is well supported with a well-stocked departmental library, access to journals, and free access to high-speed internet available in the department. With the availability of all these, the department has become a hub of activities. The students take active part in extracurricular activities, in drama performances and in environment related issues. The academic excellence of the faculty members reflects in the continuous publication and participation in national and international conferences. The Department has had a visiting professor from USA under Fulbright Scheme. One faculty member has been abroad for a teaching assignment under a similar scheme. The department seeks to have further involvement in collaborations for exchange and visit of scholars to and from different national and international institutions. The Department also arranges for teaching of English and Communication skills in Remedial English classes and classes for NET, UPSC and other competitive examinations to students of various other departments and also for English teaching in special classes for SC/ST Students. Our placement record is excellent, with most of our former students teaching in prestigious schools and colleges in various parts of the country. In addition, many of our students are in good positions in administration, media, animation and other diverse fields. The number of our students clearing NET has been increasing every year. The students have also presented papers and have been appreciated at seminars. The Department is also a recognized research centre with all facilities.

विभाग प्रमुख - डॉ. विश्वन सिंह राठौड़

हिन्दी विभाग

शिक्षा वह क्षेत्र है जहां भी क्षण कुछ नया कर गुजरने की संभावना बनी रहती हैं। संभावना का अर्थ ही है - चुनौती, चुनौतियों को स्वीकार करना ही शोध की राह पर चलना होता है। शोध का तात्पर्य है - समाज के समक्ष समाज के नये पक्ष उद्घाटित करना तथा नए सिरे से चिंतन मनन करते हुए समाज को एक नई दिशा प्रदान करना।

हिन्दी विभाग नई चुनौतियों को स्वीकार करते हुए शोधपरक कार्यों में संलग्न है। विद्यार्थियों में लोक और शिष्ट साहित्य को आधुनिक दृष्टि से परखने की योग्यता विकसित करना, लोक और विश्व ग्राम के दौर में अपना स्थान निर्धारित करते हुए लोक का विश्व से और विश्व का लोक से अंतर संबंध स्थापित करना हमारे अध्ययन का उद्देश्य है, साथ ही हिन्दी विभाग का लक्ष्य ऐसे शोध करना है जिससे समाज को एक निश्चित दिशा प्राप्त हो सके। विभाग छात्रों द्वारा अध्ययन/अध्यापन, समूह चर्चा, विभागीय जांच परीक्षा, स्वमूल्यांकन पद्धति, पारदर्शी मूल्यांकन, सेमीनार आदि पर बल देता है। विभाग में देश के ख्याति प्राप्त चिंतक व्याख्यान हेतु आमंत्रित किये जाते हैं। विभागीय शिक्षक भी राष्ट्रीय सेमीनार सम्मेलनों अध्यक्ष, विशिष्ट वक्ता आदि की आसंदी पर आमंत्रित किये जाते हैं। ज्ञान विषयों का अंतर संबंध, तुलनात्मक अध्ययन छात्रों को साहित्य के रचनात्मक क्षेत्र में ही बल्कि शिक्षण कार्य, स्वयंसेवी संगठनों, प्रेस और रंगमंच से भी जोड़ता है।

Department of Library & Information Science

The Department of Library & Information Science, established on 27 September 1985, is one of the oldest departments of its kind in the region, providing knowledge to a broad audience of people who need it, with a motto to empower them with modern skills and competence. We aim to provide an education in a student friendly manner, so that they become motivated for the betterment of their peers and society as a whole. Up-to-date syllabus, functional library equipped with a broad collection of the relevant scientific literature, and fully equipped laboratory are among our major strengths through which we deliver and disseminate knowledge. We have developed an environment where students are becoming eager to participate in various symposia and congresses and share their views and experiences with fellow members. Through highly motivated faculties and their dedication we aim to serve as a model for our students, inculcating in them an attitude towards spreading the knowledge and giving back to the community.

Department of Journalism & Mass Communication

Head : Dr. Manish Shrivastava (Acting)

The Department of Journalism and Mass Communication is one of the oldest departments of the University. It aims at providing trained manpower for print and electronic media and conducting innovative programs in mass communication.

The department invites eminent academicians & professionals to interact with faculty members and students. Fieldwork, study tours and Bulletin publications are some of the activities organized for the benefit of the students. Departmental experimental Newspaper "Parisar-Varta", edited by the students is published in every three months. Students have initiated for publication of Annual departmental magazine "Prayas". Creation of infrastructure of Media-Lab is under process.

Ever since its inception, 100% placement of students with reputed organizations has been achieved and the alumni of the department are occupying prominent positions in National print and electronic media. The department has taken initiatives for the establishment of Center of Media and Communication Studies in the department.

Department of Economics

Head : Dr. (Mrs.) Manisha Dubey

In the era of globalization economics has emerged as the most significant and relevant field of study. Accordingly, the Department of Economics established in 1989 has the vision to produce the best economist and financial analyst for the academic and corporate world. In this endeavor, quality teaching is the most important objective of the Department. Seminars, Group discussion, Paper & Article writing, Project writing, Quiz etc. are the regular features over here. Besides, academicians and eminent economists are frequently invited to interact with the faculty members and students on contemporary issues. The Department is actively engaged in research development and consultation activities. Being a Research Centre we also provide policy inputs to the private as well as public sectors. Our students publish research work in various journals of repute and many have qualified for NET & SLET Exam. Many have been awarded Rajiv Gandhi Fellowship.

Apart from Central Library, the department has its own enriched departmental library which is easily accessible to students. It is also worth mentioning that, the Department has organized number of Seminars, Conferences & Workshops on emerging issues. UGC Golden Jubilee National Seminar, First Annual Conference of Chhattisgarh Economic Association and Three Day's National Workshop on Advanced Research Methodology and Computer Applications in Social Sciences Workshop on Women Entrepreneurship Programme, are notable among them. The Department has been contributed significantly in entrepreneurship development. We have excellent placement record, in public & private sectors.

The Department has young & highly motivated faculty members from reputed institutes across India. We are proud of our collective enthusiasm which is continuously generating a good number of bright students.

Department of History

Established in the year 1996, the Department of History runs under the School of Social Sciences. The courses of B.A.(Hons.), M.A. (with specialization in medieval and modern history), Ph.D. are successfully running in the department. The medium of instruction in the classroom teaching as well as in the examinations is both English and Hindi. 5 year Integrated UG/PG course (with exit option after successful completion of UG) has been introduced in the session 2009-10. The performance of the students of the department has been excellent through these years.

With the start of Ph.D. course work programmes the department is actively involved in the research and developmental studies to encourage the academic interests among the students in the field of history. In the process, the department organizes several lectures by noted historians and eminent academicians in the the field. On the occasions of various events related to the historical importance and dates associated with the great personalities, the department organizes seminars and conferences. Apart from these activities the department also takes its students for educational tours to the places of historical and archaeological importance and thus makes them acquaint and closer to the knowledge of history. For the research works and studies the students of the department have been able to availed fellowships and scholarships provided by the state and the central governments. Nine students received fellowships from Indian Council of Historical Research (ICHR), New Delhi while two got the Rajeev Gandhi Fellowship. With the motive of all round personality development of the students and to generate community feelings amongst them, the department also encourages its students towards active and successful participation in extra curricular activities through NSS.

The admission into the courses is made through the Entrance Examination held by the University. Following is the detail of the courses running with the department.

Department of Political Science

Head : Dr. (Mrs.) Anupama Saxena

In 2014 the Department of Political Science celebrates twenty eight years of teaching, research and public service. Established in 1987, department is deeply committed to providing students with the very best education possible. Each year, we welcome a master's class of some 20 students, as well as 20 M. Phil. students and Ph. D. scholars. The department's primary goal remains focused on providing the best possible education for students seeking to develop an expertise in the field of Political Science and Public Administration by instilling solid skills in research and analytical reasoning. Our teaching programs are structured to enhance creativity and the exploration of new ideas. Group discussions, paper presentations, Seminars, issue paper writing, article writing and project writing are encouraged. With a team of sincere and fully devoted teachers which includes permanent faculty of the university, senior visiting teachers from other institutes of repute and young teachers, we toil hard to meet the academic challenges of our times. We have been continuously trying to achieve excellence in our researches. We have been continuously collaborating in research activities with national and international organizations of repute, notable among them are Centre for studies of developing societies, New Delhi, University Grants Commission, New Delhi and Association for progressive Communication. Within the broader realm of Political Science and Public Administration, our recently conducted researches focused on Equity Dimension of ICT, E-Governance, Panchayati Raj and Women's Studies. We have developed specialization in Gender Evaluation Methodologies and in conducting researches on rural population. We have been trying our best to provide policy inputs based on extensive research work, to policy makers and to those who implement them. We have also been providing quality research inputs to civil society organizations and to academia. Apart from teaching and researches the faculty members and the students of the department have also been actively engaged in training, consultancy and extension activities.

We welcome academic exchange, interaction and partnership with individuals and the institutions based on shared goals and common objectives.

Department of Social Work

Responding to the changing and increasing needs for the professional education and training in Social Work, the Department of Social work, was established in 1998. The Department prepares students to become effective Social Workers in the new economic era, and the emphasis is always on quality education and promoting a culture of enquiry and quality of life. The Social Work Programme comprises class room courses correlated with learning through field practice under various social settings. The Mission of the Department of Social Work in the University is to prepare students to become generalist social work Professionals by enhancing their commitment to democracy, peace, human rights, people's empowerment, social justice and human diversity. As part of educational experience, the programme provides students with opportunities to develop appropriate attitudes, skills and critical perspectives imbued with spirituality in providing services in the public, corporate, non-profit development sectors and civil society.

Field education or practicum is the cornerstone of social work education and allows social work students to put classroom learning into practice. The social work practicum experience offers an opportunity to students to put into practice the mission and objectives of the programme. It is designed to create an environment where the student can grow professionally, through engagement in some experiential activity. Thus, individual growth and development in the work situation is what field work is all about. Students are provided with an opportunity for a planned learning experience in a community or a social service agency or organization.

The Department offers social work students direct learning experiences with individuals, families, groups, communities, and development organizations. Faculty supervisors provide onsite guidance and help students to ensure high quality experiences. The Department is having a challenge to prepare students to become professional Social Workers in the new economic era, providing emphasis on quality education and promoting a culture of enquiry with academic pursuits. To trained the students with contemporary need of the society and develop professionalism into them and provide them good employment opportunities also have effective collaboration with NGO,s and Local Administration for human cause.

Department of Education

'Education' means 'to bring out from within' the 'perfection already in man'. Since its inception in 2007, the Department of Education is committed to bring out the best potentials of its students to develop them as empowered and envisioned leaders of Indian Education. The department possesses a team of able and sensitive teachers, striving to promote among the prospective teachers and the *teacher educators* – a high standard of knowledge, professional skills, cultural understanding, social responsibility and synergistic progress within a truly multicultural educational environment. It offers state-of-art curricula incorporating the modern thoughts in the field of teacher education. It also provides sensitization regarding the need, value and place of teaching professionals through ample practical experiences. All the educational experiences are designed to develop competence to face the placement market and to get through competitive examinations. A fine number of our students have got through the CTET, NET and SLET in the foregone sessions. The department is known for its discipline and student-friendly environment providing excellent technological facilities, quality knowledge resources (a rich library, internet facilities as well as regular seminars, workshops, community programmes and other co-curricular experiences) and potent research experiences. The details of the B.Ed., B.Ed. Special Education (Hearing Impaired), B.Ed. Special Education (Learning Disabilities), M.Ed. and Direct Ph.D. programmes, currently offered by the department, are as described below:

Department of Management Studies

Responding to the changing and increasing needs for professional education and training in management, the Department of Management Studies was established in 1988. The Department prepares students to become effective managers in the new economic era. The emphasis is always on quality education and promoting a culture of enquiry and enterprise. **The Vision:** The Department strives to carve out a niche for itself to be amongst the leading management school in India. Twenty batches of MBA students have successfully been educated and trained by the department and have been placed in reputed business houses in India and abroad, in the fields of banking and finance, marketing, general management and academics. Many are successfully managing their own business establishments. **Infrastructure:** The Department is housed in a spacious, beautifully constructed building and has its own library besides the University's Central Library. Apart from the departmental computer laboratory, computing facility is provided to the students in the University Computer Centre. The Department has a state of the art conference hall to conduct guest lectures and conferences. **Industry Interaction:** The Department maintains consistent interaction with industry through a variety of academic and professional activities. The GGU Young Managers' Club and GGU Management Alumni Association have been formed to further Department - Industry interaction and other cultural and extra- curricular activities.

Prof. P.K. Das (Professor & Head)

Department of Anthropology and Tribal Development

Established in the year 1989, the Department of Anthropology and Tribal Development is one of the oldest departments of the university. The establishment of the department bears great significance in view of the fact that the State is home land to a number of tribal communities with diverse cultures. Anthropology as the science of the people provides a unique way of understanding humans holistically. The relevance of Anthropology as an academic discipline has been well recognized both in Govt. and Non-Govt. sectors. The department is offering admission to students both 5-year integrated UG/PG programme (10 Semesters) (with exit option for B.A./B.Sc. students at the end of 3 -year(Six Semesters) + M.A./M.Sc. 2 years (Four Semesters)as well as two year Master's programme (M.A./M.Sc.) in Anthropology for the entry of students directly. The UG (Hons.) course in anthropology has been upgraded with the incorporation of new papers such as Forensic Anthropology & Criminology, Man & Environment, Human Biology & Molecular Genetics, Nutritional Anthropology, Medical Anthropology, Population Studies etc. realizing the contemporary relevance of these papers. The M.A./M.Sc Course in Anthropology is designed as **(a) Compulsory Courses** (Basics of Physical Anthropology, Fundamentals of Social Anthropology, Basics of Prehistoric Archaeology, Research Methodology, Practicals on (i) Somatometry and Somatoscopy and (ii) Prehistory and Museology (Semester-I); Human Genetics, Bio-social Problems of Indian Populations, Socio-cultural Institutions, Indian Anthropology, Practicals on (i) Anthropometry and Forensic Science and (ii) Statistics (Semester-II) **(b) Integrated / Interdisciplinary Course** (Semester III & IV) (Ecological Anthropology/Medical Anthropology/Tribal Development) **(c) Specialization / Elective Courses: (i) Social Anthropology & Tribal Development / (ii) Biological Anthropology & Human Genetics.** The department laboratory is equipped with instrument to carry out practical classes on Anthropometry, Serology & Human Genetics, Dermatoglyphics and Molecular Anthropology. The department also has an ethnographic museum and archaeological museum. The department is having student's seminar, library comprising books on different sub-discipline of anthropology. The department is planning to start Ph.D. course in Anthropology.

Department of Biotechnology

The Department of Biotechnology was established in the year 1996 as one of the Departments under Faculty of Science (now under Faculty of Life Sciences) to impart quality education in the field of Biotechnology and to create trained Biotechnologist. Department is conducting courses at UG & PG levels including two year M.Sc. and five year Integrated UG & PG programmes in Biotechnology in addition to Ph.D. programme through Course work as per UGC regulations. Fourteen batches of the postgraduate students have passed out from the Department since its inception. Students of the Department have been successful in prestigious GRE, CSR-UGC (NET), GATE, ICMR, DBT-BET examinations. Alumni of this Department are presently working in different prestigious organizations of National and International repute including Institute of Immunology, University of Heidelberg, Germany, Serum Institute of India Ltd., Enterovirus Research Centre, ICMR, Roche Diagnostics etc.

The Department of Biotechnology has well developed facility for Microbiology Biochemistry, Molecular Biology Plant and animal Tissue culture and Bioinformatics. The Instruments available include PCR Thermal Cycler, Gel Documentation system, walk-in cold room, CO2 Incubator, Gas Chromatograph, Inverted Fluorescence Microscope, Laboratory Fermenter, ELISA Reader and washer, Ultrasonicators, Fluorescent Research Microscope etc. In addition to above facilities, equipment at the Central Instrumentation facility include HPLC, LC-MS/MS, RT-PCR, Chemidoc and Atomic Absorption Spectrophotometer.

The thrust area of research of this department is Bioinformatics, medical biotechnology, Microbial and Fermentation technology which includes Bioremediation of hydrocarbon and petroleum contaminated soil, fungal biodiversity studies for bioactive compounds, Biorefinery and bioprocess based on agro and forest wastes, microbial and plant enzymes, biopolymers, biofuels, embryo toxicology and secondary metabolites. The Department of Biotechnology has organized various workshops and seminars. The Entrepreneurship development and management are also part of curriculum of M.Sc. Biotechnology coursework. This provides an exposure to the avenues in the field of entrepreneurship.

5 years integrated UG/PG Programme in Biotechnology with exit option on completion of 3 years UG programme.	102	60	10 Semester	Min. 60% aggregate at 10+2 level with Biology as main subject from any recognized Board or equivalent organization.
M.Sc. Biotechnology	313	60	4 Semester	B.Sc.(Hon's) in Biotechnology or Biotechnology as only main subject in B.Sc. 3rd year with minimum 55% aggregate from any recognized University/Institute
Ph.D. in Biotechnology	510	02	1 Semester	Post Graduate in Biotechnology or allied subjects with min. 55%. Admission through VRET/VRET exempt category

Fee Structure

Name of the Course	Semester-I (At the time of admission)	Semester-II	Semester-III	Semester-IV
5 yr. integrated UG/PG Programme	Tuition fees of Rs.2130/- per semester (to be revised)			
M.Sc. (Biotechnology)	Rs. 13925/-	Rs. 9800/-	Rs. 11105/-	Rs. 11150/-
Ph.D.	Tuition fees of Rs. 7000/- for course work + general university fees of Rs. 2480/-			

Department of Forensic Science

Head : Prof. S. K. Chaturvedi (I/C)

Forensic Science being an inter-disciplinary science involves all branches of basic and applied science including Physics, Chemistry, Biology, Biotechnology and Engineering apart from a sound knowledge of social behavior and psychology. It has now been considered an applied discipline and therefore needs up gradation through continuous R&D efforts. Different forensic challenges need solutions that can only be resolved through proper training and research based on different kinds of physical evidences.

Forensic Science is new subject being introduced under School of Life Sciences of the University from the academic session 2012-13 to run a 5-year Integrated UG/PG program with an exit option on completion of third year (VI semester) having B.Sc. (Hons.) degree. Since no such program is available in any of the Universities of the State of Chattisgarh, the proposed teaching course will be of significance in terms of training and placement of students to various Forensic labs and allied disciplines in the State as well as country.

Courses available

Courses offered	Course code	# Seats	Duration	Eligibility for admission
5 years integrated UG/PG Programme in Forensic Science with exit option on completion of 3 years UG programme.	119	30	10 Semester	Min. 50% aggregate at 10+2 level with Science as main subjects (Bio/Math from any recognized Board or equivalent organization.
M.Sc. in Forensic Science	329	20	4 Semester	B.Sc.(Hon's) with minimum 55% aggregate in basic/applied sciences (Physics, Zoology, Botany, Forensic Science, Biotechnology, Biochemistry, Microbiology, Anthropology, Computer Science) and Chemistry as an essential subject in graduation level from any recognized University./Ins.

Based on the availability of the students and the infrastructure the number of seats may be increased.

Fee Structure

5 yr. integrated UG/PG Programme	*Tuition fees Rs. 2000/- per semester up to VI semester and Rs. 10000/- per semester from VII semester onwards + other charges as approved from time to time			
M.Sc. (Forensic Science)	Rs. 13795/-	Rs. 9800/-	Rs. 10975/-	Rs. 11050/-

*To be revised

Head : Prof. S. K. Chaturvedi

Department of Botany

Established in 2009, the department of Botany is one of the youngest departments included in the School of Life Sciences. The department offers an integrated 5 years Master and Ph. D. Programme in Botany as per UGC guidelines (2009). Three broad specialization, viz., Functional plant biology; Ecology and environmental biology; Natural resource Utilization, ethnobotany and Pharmacognosy are being offered to the post graduate students of Botany. The departmental laboratories are equipped with the advanced instrumentation facilities which include Gas Chromatography, Photo-microscopy with Leica (DM200) digital Microscopes, Gel Electrophoresis units with accessories for DNA, RNA and protein analysis, PCR thermo cycler 48 well and 96 well, Hot air Oven, BOD incubators, Laminar Flow benches, Autoclave units, Deep Freeze (-86° C), Soxhlet extraction units, rotary evaporator, Gas Sampling Kit, Respirable Dust Sampler, Aqualitica water purification system, etc. However, the department also extends facilities of RT-PCR, Chemi-Doc, XRS, HPLC, LC-MS/MS and Atomic Absorption Spectrophotometer. The departmental library fulfils the requirement of the faculty members and students. A number of reference books and access to more than 500 online journals is also available in the department. Recently, department has established a bioinformatics Lab with 10 computers connected to broadband internet facility. The back bone of the department is its teaching faculty headed by Professor S K Chaturvedi; FBS, FBRs, FIAAT, FBSA, who has specialized in floral morphology and plant reproductive biology, and also a renowned authority on floral biology of Indian Asclepiadas and Orchids. The frontier areas of other faculty members include microbiology, stress physiology, biotechnology, environmental management and restoration and biodiversity conservation, ethnobotany, bio-nanotechnology, cell and molecular biology etc. The faculty members of the department have received many distinguished national and international awards such as New Phytologist Award, DST-BOYSCAST Fellowship, DBT Overseas Associateship of NAAS etc. For their research contributions some of the faculty members have been elected as Fellows of the distinguished National and International Scientific bodies such as National Agricultural Science Academy, National Environmental Science Academy, Indian Botanical Society, Indian Association for Angiosperm taxonomy, Bioved Research and Communication Society, Botanical Society of Assam, International Society of Plant Reproductive Biologists, National Institute of Ecology and Range Management Society of India, Indian phytopathological Society and Indian society of plant Pathologist.

Head : Dr. Seema Rai

Department of Zoology

The Department of Zoology was established in 2009 after up-gradation of the State University as a Central University. The vision of this department is to provide quality science education and ignite the mind of the young students towards the molecular aspects of the biological science which could provide the rational for examining the therapeutic potential through research activities. Only after four years of its establishment, the department has made its identity in the frontier areas of Life Sciences and now it has developed into a full-fledged center of teaching and research in modern Biological Sciences.

The Department of Zoology offers 5 years integrated UG/PG, 2 years PG and Ph.D. degree. The undergraduate program is designed in such a way so as to provide exit point after B.Sc. (Hon.) degree and also integrate it with P.G. program making it M.Sc. (Integrated) program in Zoology. Selections are done through an all India Vishwavidyalaya Entrance Test (VET) for UG/PG and Vishwavidyalaya Research Entrance Test (VRET) for Ph.D.

The course structure and content delivery modes will have enough opportunities for interactive learning and exposure towards research. Many innovative teaching practices are the highlights of the programme. Students are assessed and evaluated through the semester by a continuous system of internal assessments, seminars, dissertation, assignments and end-semester examinations. Presently the department is offering two major electives:

1. Mammalian Reproductive Biology and Endocrinology;
2. Fish Biology

Major thrust area of Research:

The department has 07 teaching faculty members who are actively engaged in their respective field of research specializations. Their thrust area of research includes:

- Melatonin Physiology and Neuro-endocrinology;
- Immunology;
- Toxicology and Pharmacology;
- Fish and Fisheries;
- Biochemistry and Molecular Biology;
- Environmental Science.

Infrastructure Available:

The department laboratory contains all necessary instruments and equipments to carry out theory and practical classes as per the syllabus. The important available instrumentation facilities in the Department are Automatic Micro plate Reader with on-board Shaker, Centrifuge Machine, CO₂ Incubator, Cryostat Microtome Automatic, Fluorescence Microscope, Hybridization Oven, Leica CM 1100 Bench Top Cryostat, Mini 48 Wells Per Socket Thermal Cycler, Orbital Shaking Incubator, Refrigerated Cooling Centrifuge, UV-VIS Spectrophotometer, Stereo Zoom Research Microscope, Vertical Ultra Freezer - 80, MilliQ Water Purification System, Autoclave, CO₂ cylinder with Regulator and Gas, Deep Freezer -20°C, Horizontal & Vertical Gel Electrophoresis Set-Up, Laminar Airflow Cabinet, Trinocular Research Microscope, Weiber Orbital Incubator Shaker. The sophisticated instruments of central instrumentation facility like HPLC - MS/MS, RT PCR, AAS and Chemidoc system are also used by the students.

The departmental library serves as an important resource for students as well for faculty of the department. It is well equipped with modern facilities and has a substantial collection of more than 1200 books. Apart from this, a central library is available in the campus premises also.

The Museum of Zoology is home to a huge variety of preserved animals which are significant for our knowledge on the faunal diversity of the biosphere. Various models related to evolution, embryology and of various other fields are used for the purpose of academic study by students and teachers.

The department provides computing facilities to students, staff and faculty. The computers are provided with various educational softwares with internet facility.

Head: Prof. (Dr.) A.K.Saxena

Department of Computer Science & Information Technology

The Department of Computer Science & Information technology (CSIT) started in the year 1990, with one year P.G. Diploma course (PGDCA). This course was followed by a Master's degree course in Computer Science as well as Information Technology (M.Sc.(CS) and M.Sc.(IT)) in 1996. Subsequently Master of Computer Application (MCA) course approved by the All India Council of Technical Education (AICTE), New Delhi was introduced in the year 1998. The department has a large number of branded PCs with latest configuration. Every student can have enough time for hands on practice on these machines. CSIT has got its own departmental library besides Central Library. The department avails Internet facility in the Computer Center, which is used as lab of CSIT in the same building.

The department has well qualified faculty members having live interaction & collaboration with Other National & International Universities & Institutions. The faculty members of the department are actively involved in R&D activities. The faculty members publish their research articles in National and International Journals and proceedings. The faculty members have been invited to deliver invited talks in India and abroad. Expert lectures are conducted in the department from time to time. The students are motivated to develop real time project and assigned a software development live project preferably in reputed organizations Seminars and Group Discussions are the regular features of the department. Department has organized a number of National Seminars on emerging issues in Computer Science like Data Mining & E- Governance . These seminars proved to be a great success. The seminar brought a good gathering of researchers, academicians not only from Chhattisgarh but all over of country. Eminent speakers delivered their expert talks on the issues during the seminar. On 16-17 March 2011, CSIT organized an international conference on Soft Computing and ICT (SCICT-2011) eminent speakers Prof C.T.Lin (Taiwan), Prof Sung Bae Cho (Korea) , Prof Jun Wang (Singapore) , Prof A.K.Pujari (VC Sambalpur university, India), Prof G. Panda (IIT Bhubneswar, India) and Prof N.S.Choudhary (IIT Indore, India) have elivered their expert lecture during the conference on 24-March-2012, CSIT organize a one day workshop on "National E-governance plan (NeGP)" Awareness campaign, sponsored by Department of Information Technology (DIT), New Delhi, Government of India.

The department encourages student-teacher interaction. Students are given freedom consult teacher at any time in the department for their problems or suggestion. The department has always been buzzing with activities. The department is planning to establish International Research collaboration. Department of CSIT revises its course curriculum frequently looking to the need of industries to place our students therein and has closed interaction with software with R&D organizations. The passing out students have an excellent placement record and are able to secure jobs round the globe in reputed companies.

HOD: Prof. G.K. Patra

Department of Chemistry

The Department of Chemistry has been established in 2009 as a new science Department with an objective of providing quality education in the conventional areas of Science and growing into a centre for teaching and research with an aim to acquire prominent position in the academic map of India. The Department offers both UG & PG level advanced courses in chemical sciences along with an integrated 5 years Masters programme with exit option after completing 3 years B.Sc. (Hons.). The department is also offering a Ph.D. programme in different areas of chemistry. The integrated Master programme include basic knowledge of physical, inorganic, organic & analytical chemistry along with different experimental techniques during the first three years and during final two years; advances knowledge in chemical sciences and inter disciplinary sciences. There are three major specializations courses offered in M.Sc. such as Physical Chemistry, Inorganic Chemistry and Organic Chemistry and Analytical to be included soon. Students are monitored and evaluated by regular class tests, seminars, assignments, mid & end-semester examinations. The department already has six regular faculties [Professor (01) and Assistant Professor (05)] and three more positions [Associate Professor (02) and Professor (01)] are expected to be filled soon.

The department has two laboratories positioning necessary chemicals, reagents, glassware, lab-wares and basic instruments for performing experiments in physical, inorganic, organic and analytical chemistry, in general and synthesis, analysis (qualitative & quantitative) and characterization of different inorganic and organic compounds in more particulars.

The departmental library fulfills the requirement of the faculty members and students. A number of reference books and access to online journals are also available. The total number of books in the library is over one thousand and order has been placed for many new books for the session 2012. The soul of the department is their teachers headed by Prof. G.K. Patra. The faculty members are specialized in frontier areas of chemical sciences. The faculty members of the department have significantly contributed to scientific world through scientific & research publications and have received many distinguished national & international awards and fellowships such as JSPS Postdoctoral Fellowship, ORISE, USA Postdoctoral Fellowship, NSC, Taiwan Postdoctoral Fellowship, BK21 and KOSEF Postdoctoral Fellowship, South Korea. The few faculty members are on the editorial boards of some journals and referees for both national & international journals. Recently, the department has organized a National Seminar on "Recent Trends in Chemical Research: Challenges Ahead" during March 30-31, 2012. We are proud that a collective enthusiasm is continuously generating a good number of bright students.

Head : Dr. Rashmi Agrawal

Department of Forestry, Wildlife & Environmental Sciences

The Department of Forestry, Wildlife & Environmental Sciences was established in the year 1989 with the aim to provide world class professionals to meet the needs of India's forests and its rich floral and faunal biodiversity management. The syllabi of B.Sc. and M.Sc. programmes include studies of all segments of forestry, wildlife, environmental sciences with a view to provide the students knowledge and skills that are at par with the best any where. The departments organize lecture of eminent forest scientists and academicians. The National Seminars and Symposiums are organized on regular basis on recent and tropical themes of Forestry & Environmental Sciences. Excursions to plantation areas, natural forest and forest nurseries are the regular features in the curriculum to make the subject better under stood.

The Department currently strive to deals with the solution based forestry education and research through a number of research/ developmental projects and grant-in aid sanctioned by various Government agencies eg., Indian Council of Forestry Research & Education (ICFRE), Chhattisgarh Council of Science & Technology (CCOST), Ministry of Environment and Forest, Ministry of Rural Development etc.

The department deals with the emerging issues in the forest sciences, including global concerns such as climate change, forest genetic conservation of biological diversity, watershed management through remote sensing, bioprospecting of forest products, sustainable management and development of resources. The department also assists in the transfer of technology to the users viz., farmers/orchardists, state forest departments and different voluntary organizations.

The Department has a good state liaison with forest department, forest based industries, research institutions, Non Governmental Organisation (NGOs) and the ICFRE to provide better exposure to practical/ field operations in forestry and also to create awareness and open up new vistas for training and placement of students. A large number of alumni are working with reputed organizations, forest based industries, NGOs both in India and abroad.

Courses available

Courses offered	Course code	# Seats	Duration	Eligibility for admission
B.Sc. Forestry	201	60	4-Years/ 8- Semesters	Minimum 50% aggregate at 10+2 level with Bio./Math/Agriculture from any recognized Board or equivalent
M. Sc. Forestry, Wildlife & Environmental Sciences	319	60*	2-Years/ 4- Semesters	B.Sc. Forestry/B.Sc. Agri./B.Sc. Hon's. (Biology or Mathematics group) with minimum 50% aggregate From recognized university / institute
Ph.D.	513	10		Vishwavidyalaya Research Entrance Test (VRET) or ICAR / UGC NET JRF Qualified

Specialization available at M.Sc. Forestry, Wildlife & Environmental Science programme:

1. Forest Genetic Resources 2. Forest Management

*50% seats are reserved for B.Sc. Forestry Students of this (GGV) University.

Department of Pure and Applied Mathematics

The Department started functioning in the year 1989 and is gradually emerging as an Excellent Centre for Research and Teaching in the areas of Mathematical Modeling, Algebra, General Topology, Fixed Point Theory and its applications, Approximation Theory, Fuzzy Logic and Applications etc. under the active guidance of dedicated faculty members. Our Faculty Members have delivered invited talks and presented research papers in many Indian and foreign universities so far. Eminent Mathematicians from many premier Indian institutions visited this Department and delivered their innovative and interactive talks with the students and faculty members. The Department has introduced and is going to introduce new courses in the field of mathematics and applicable mathematics to stand in the front line curriculum of the other Central Universities of the Country. The Faculty Members of the Department have a good record to have collaborative/interactive research work with many eminent Mathematicians in India and Abroad. The members of the Department are also Reviewers/Referees of many National as well as International Mathematical Journals. Our M.Phil. students have got almost cent percent placements.

Head : Prof. P.K. Bajpai

Department of Pure & Applied Physics

Department of Pure & Applied Physics is a premier Basic Science Department in this university, and has a short but remarkable history of achievements in about 16 years since its inception. This has been largely through our active contacts and collaboration with other Universities and scientific institutions in India, and abroad. In last few years our scientific interaction has also percolated down to schools and up to national and international research laboratories. This has become possible due to our all-round academic activities and programmes. Department has completed first phase of FIST program of Department of Science & technology, Govt. of India.

Our M. Sc. M. Phil., and Ph. D. students, both past and present, are our ambassadors to the society at large. In the last decades this Department has provided successful teachers and professors to a large number of schools and science colleges. Our PhDs. are Professors, and HoDs in colleges/Universities/ institutions. A few of our brilliant students are serving as scientists in prestigious national and foreign laboratories / institutes / organizations etc. Apart from this we have contributed to the education of Physics through our active involvement in various academic bodies, like Boards of study, Faculty of Science and other committees in this and in other Universities for specific academic purposes. Another mode of our involvement at the state and the national level has been through our activities in various professional organizations. The Organizations are Indian Physics Association, Indian Association for Physics Teachers, International Academy of Physical Sciences etc. Our faculty members serve as honorary members of the committees in UGC, etc and also experts in various selection committees.

One of the distinguishing features of the Department is that it has all the time remained, since its inception, a leading centre of research in the field of Condensed matter Physics and material science. A numbers of Projects have been sanctioned to the Department by major funding agencies of India, such as UGC, CSIR, DST, DAE-BRNS, and CCOST etc. Many of the faculty members and researchers of the Department have visited foreign countries. Department has recently taken up an initiative of establishing 3.0 MV particle accelerator for pursuing Interdisciplinary research and to train the human resource in critical technology areas in nuclear physics, accelerator physics and vacuum technology.

HEAD: Dr. Rajendra Mehta

Department of Rural Technology and Social Development

The Department of Rural Technology and Social Development was established in the year 2001 with an aim to carry out teaching & research activities, a major thrust of which was overall upliftment of rural artisans. The indigenous knowledge of rural people has been utilized by the department for the creation of need-based technology for sustainable rural development. Presently the department runs professional and job oriented, Bachelor and Master degree courses related to Rural Technology with approval of University Grants Commission, New Delhi. The primary motivation behind running these courses is to facilitate appropriate development of science and need-based technology for rural areas.

The Department has established new EDUSAT laboratory and successfully organized four training programme in last two years. The department has also organized different professional training programmes related to Bell Metal Art, Mushroom Production and Silk Cocoon Production.

In the Master's Degree programme six months project work is compulsory. The students complete their project work in reputed educational and research institutes like Indian Institute of Remote Sensing, Dehradun, Pantanjalee Vishwavidyalaya, Haridwar, Regional Research Laboratory, Jammu, National Botanical Research Institute, Lucknow, Centre of Science of Village, Wardha, Birla Institute of Technology, Mesra, Ranchi, Deendayal Shodh Sansthan, Chitrakoot (M.P.), Centre of Bio-Genetics Research, Bhopal and Indian Institute of Natural Gum & Resin, Ranchi. The pass out students of Department were obtained placement in various government departments as well as national – international organizations.

SLT Institute of Pharmaceutical Sciences

SLT Institute of Pharmaceutical Sciences was established in the year 1997, with an objective to prepare professionally competent manpower in the field of Pharmaceutical Sciences. The institute has the mandatory infrastructure and approvals from All India Council for Technical Education (AICTE) and Pharmacy Council of India (PCI).

The following courses in Pharmacy are run by the institute

Courses available

Courses offered	Course code	# Seats	Duration	Eligibility for admission
B.Pharm.	205	60	8 Semester (4 years)	50% in 10 + 2 with PCM /PCB from any recognized Board or equivalent
*M.Pharm. (Pharmaceutics)	-	8	4 Semester	B.Pharm with 55% marks and valid GPAT Score card
*M. Pharm. (Pharm. Chemistry)	-	10	4 Semester	
M. Pharm. (Pharmacology)	-	18	4 Semester	
D. Pharm.	601	60	2 years	50% in 10 + 2 with PCM /PCB from any recognized Board or equivalent

Note :

1. Relaxation in respective category shall be as per University/AICTE norms.
2. Age should not be more than 22 years for B.Pharm. and 27 years for M.Pharm. courses as on 1-Jul-14.

Fee Structure

Name of the course	At the time of admission	In subsequent year/semester
B.Pharm.	Rs. 15,466/- (Semester I)	Rs. 13,962/- in each Semester (Sem. II to VIII)
M.Pharm.	Rs. 45000/- (Semester I)	Rs. 40,000/- in each Semester (Sem. II to IV)
D. Pharm.	Rs. 31,325/- (First Year)	Rs. 29925/- (Second Year)

Director I/C : Prof. Shailendra Kumar

Institute of Technology

The Institute of Technology was established in the year 1997 for promoting the vocational Technical Education in the region and to provide professionally qualified technical personnel. With the help of well qualified experienced faculty, teaching aids, modern amenities, rich library, well equipped laboratories, computer facilities and other necessary infrastructure, the institute produces career ready graduates who are immediately employable.

The Institute is running four years degree courses in the following seven demand driven disciplines with the annual intake of 60 in each branch except Civil Engineering branch with annual intake of 40 nos. and M.Tech. courses in Chemical Engineering & Mechanical Engineering with intake of 18 in each.

1.	B.Tech. in Chemical Engineering	2.	B.Tech.in Civil Engineering
3.	B.Tech.in Computer Science & Engineering	4.	B.Tech. in Electronics & Communication Engineering
5.	B.Tech. in Industrial & Production Engineering	6.	B.Tech. in Information Technology
7.	B. Tech. in Mechanical Engineering		
1.	M.Tech. in Chemical Engineering	2.	M.Tech. in Mechanical Engineering

In addition, the Institute is also running Ph.D. programme in Civil Engineering, Mechanical Engineering, Industrial & Production Engineering, Computer Science & Engineering, and Electronics & Communication Engineering Departments. Testing and consultancy services are also being offered to various Govt./Semi Govt. and private sector by the Institute.

Head : Mr. Neeraj Chandrakar

Department of Chemical Engineering

The Chemical Engineering Department is one of the premier and oldest department of Institute of Technology. The department was established in 1997 with a vision to establish itself as one of the best study centre of Chemical Engineering with a focus on cutting edge technology research and to produce career ready chemical engineers. The department offers B.Tech. and M.Tech. course in chemical engineering with intake capacity of 60 and 18 respectively. Only the GATE qualified candidates are eligible for admission in M.Tech. The course curriculum has been developed at the level of the premier technical institute like IIT/NIT by keeping in view the current trends in chemical industries.

The department is endowed with well qualified faculty members strongly committed to impart high quality teaching in chemical engineering. More than 80 papers have been published in Journals/ International / National Conferences / Seminars and 3 text books have been written by the faculty members. It has well equipped laboratories in core and specialised areas of chemical engineering. The department has received the total research grant of Rs. 41 Lakhs by funding agencies like AICTE and UGC.

The department has established student's society - Chemical Engineering Students Society (ChESS), in the year 2011. The objective of the society is to provide a platform to students to enhance their skills and overall personality. "ChESS" has recently started its own book club and is going to launch its e-magazine RaSAYAN, (an in-house publication of ChESS). Department encourages UG students to actively participate in research and present their work in scientific platforms.

More than 50% students of the last batch have been placed in various reputed companies through campus placement. The student of the department have actively participated and secured appreciable position in various extra and co-curricular activities at the university as well as national and international level.

Alumni list includes people from DuPont, Reliance, ESSAR Oil, GACL, SAHARA (UAE), Jindal, BALCO, HDFC and many reputed organizations.

The department heartily welcomes suggestions for further improvement.

Head : Prof. Shailendra Kumar

Department of Civil Engineering

Four years degree course in Civil Engineering program was started in the year 2008 with annual intake of 40 seats under the Institute of Technology. Ph.D. Program was also started in the department from session 2012-13. With a strong emphasis on learning and all round development, the graduates of our department are bound to be the perfect blend of diverse knowledge, technical expertise, and leadership ability. Efforts are being made to provide world class education and an intellectually stimulating environment in an endeavor to develop well rounded individuals with technical and professional competence of the highest degree. Besides education and research the main objective is to contribute largely to nation building and also to make great strides technologically on the international arena. The department is developing fast and would like to come up as a centre of excellence promoting intelligent, hard working and technically curious minds. Within its short span of 06 years, department is on its way to carve a niche for itself among the leading technological institutes of India.

The department has developed state-of-the-art infrastructure including fully equipped laboratories to impart world class education. Extracurricular event is a regular phenomenon to ignite the minds of graduating buds. The department has at present seven numbers of well qualified faculty members and eleven more are to be added in due course of time, against the UGC sanctioned posts. Twenty three students have qualified in GATE-2013 and 01 students has cleared the JRF-2013 Exam. From the session 2012-13 department is offering its consultancy & testing services for the external agencies, in addition to the internal consultancy services for the University.

Head : Dr. Manish Shrivastava

Department of Computer Science & Engineering

The department of Computer Science and Engineering was established in 1997. The department is committed to provide quality technical education in the field of Computer Science and Engineering with the understanding, knowledge and practical competence to the participate in a long revolution. The knowledge will enable students to understand and foresee the great changes and challenges that Computer Science present to the world now and in the future.

Besides teaching there is doubt removal session. The department has specialized laboratory such as NETWORKING AND SECURITY, LAB, ADVANCE PROGRAMING LAB, DIP, OOPS, DLD, PROJECT LAB. The department provides opportunities for carrying project by students under joint supervision of the faculty and experts from industry.

The department has also been engaged in promoting summer/vocational training in reputed government and public sectors like DRDO, Microsoft Hyderabad, CMC Kolkata, Orbit IT Hyderabad, SECL, BSNL, Indian Railway, Bokaro steel Plant & Software Tech etc.

Department also conducts aptitude test, group discussion for enhancement of student's professional skills, therefore large number of students have been placed by campus recruitment process. Our students are working in reputed private, public and govt. organization like Infosys, Wipro, Persistent, IBM, TCS, Mahindra BT, Syntel, Satyam, BSNL, NTPC, INFILIBNET, Valtech etc.

Head : Er. Smt. Bhawana Shukla

Department of Electronics & Communication Engineering

The Department of Electronics & Communication Engineering was established in 1998, offering Undergraduate programme with an annual intake of 60. The Department aims at producing qualified and dynamic engineers in the fast changing areas of Electronics and Communications Engineering.

Besides giving a deep knowledge of basic science and engineering subjects the curriculum in Electronics & Communication Engineering lays greater emphasis on deep understanding of fundamental principles & state-of-the-art knowledge of Electronic Devices and Circuits, Microprocessors, Electromagnetic Field Theory, Antenna Theory & Digital Communications, Control System, Microwave Engineering, Mobile Communication, Optical Fiber Communication, Digital Signal Processing, V.L.S.I etc. The Department has sophisticated and modern laboratories equipments according to curriculum and constantly modernizing the laboratory facilities with latest technologies. The syllabi of the courses are updated periodically to reflect the reapid change in the technology.

The Department has well qualified faculties with considerable experiences. The department faculty members have published research papers in the reputed Journals, International & National conferences organized in India & abroad. The student placement track record has been very good with many of them placed in various PSUs, MNCs, Software Companies, Defence etc. Many students of the department have qualified in GATE/GRE exams and pursuing higher studies in reputed institutions in India & abroad. Institute/Department conducts various short of Co-curricular activities to sharpen the hidden talents of the students.

Head : Dr. Mukesh Kumar Singh

Department of Industrial & Production Engineering

Department of Industrial & Production was established in the year 1997. The vision of the department is to provide quality technical education to produce professionally qualified engineering graduates equipped with diverse learning experiences in integrated Industrial systems of production, Services and Managerial practices to be competitive nationally and internationally.

Department has well qualified faculty & trained staff. Department has well equipped laboratories for students. The industry training for the students of final year & third year students are arranged to impart practical exposure in the organization like NTPC, SECL, SAIL, BHEL, BALCO, JINDAL, CSEB power plants and in other public and private company.

Department is also engaged in organizing other activities like seminars, guest lectures, aptitude test, quiz to provide and develop inter personal skills. Every year approximately ten students qualify the national level GATE exam. The passed out students are working in companies like NTPC, CSEB, DRDO, ISRO, HAL, BALCO, JINDAL, MHID, SEPCO, Reliance Energy, Mid Chem. Technology, Sriram Finance & Transport and Indian Railways.

In session 2012-13, 12 students qualified in GATE-2013, out of which 03 students secured All India Ranking (AIR) under 50 and 15 students were placed in different company through placement cell out of 37 students in the final year.

Head :Dr. Amit Kumar Khaskalam

Department of Information Technology

The Department of Information Technology has been established in the year 2000 with the objective of promoting research & Development, teaching in frontier areas of Information Technology, and industrial consultancy with an intake of 60 students. The department currently offers 4 years B.Tech. Programme in Information Technology. The Admission to B.Tech. (Information Technology) programme is done only through All India Engineering Entrance Examination (AIEEE) Merit. The programme is being conducted at Institute of Technology. It includes expert lectures from industry, research institutions, and industry oriented projects in additions to routine class rooms teachings as per scheme. The curriculum has been designed to motivate graduate students for self-study, train them to independent work, and create conducive environment for innovation. It is aimed at translating theoretical knowledge to practical applications. Since its inception, the focus of the Department has been to provide advanced training in core sectors of Information Technology and to foster high quality interdisciplinary research. B.Tech. Course is designed to provide a strong foundation of the basic subjects like software engineering, computer networking, computer architecture and design, operating system, multimedia, computer graphics, and digital communications. Specialized knowledge for analysis and design of information systems, information security, mobile communication, artificial intelligence and expert systems, digital signal processing and web technology is imparted. The Department has well-equipped laboratories. To provide the latest and up-to-date laboratory facilities to the students, the Department has purchased LAN training kits with wire and wireless facilities, data communication trainers kits, microprocessor 8086 kits, Visual Studio 2008, Network Simulation and Learning resource software, Network and Internet Security Training System and computers with latest configurations.

The past out students of the department are working in reputed multinational organizations like Satyam, Wipro, Infosys, Mahindra Info Tech, TCS, IBM etc. Some of our students are performing well in the competitive exams of international / national reputed like GRE, GATE, CAT, MAT etc.

Head : Dr. Rajesh Kumar Bhushan

Department of Mechanical Engineering

Department of Mechanical Engineering was established in Institute of Technology in the year 2006 after getting approval from AICTE for intake of 60 students. The main objective of the department is to produce the mechanical engineering graduates who are update with the latest theoretical and experimental knowledge and ready to take up any challenging jobs in government departments, public sector organizations and industry. The department puts lots of emphasis on such training of students which can bring out their inner capabilities and leads to their full growth and development. Enough emphasis is put on their hands on training for which department have well equipped labs of theory of machines, strength of materials, heat & mass transfer, refrigeration and air conditioning and central workshop. For last three years department is running M Tech programme in Machine design, where we take only GATE qualified students.

Fees at A Glance

Annual Intake	60 seats in each branch of engineering except in Civil engineering branch with 40 seats. All 400 seats of seven departments belong to All India Quota.
Duration	8 semesters (4 years)
Admission	Through counselling conducted by Central Seat Allocation Board (CSAB), MHRD, Govt. of India on the basis of merit of JEE (mains).
Fee structure	
B.Tech. 1st Year	Fee for B. Tech First year is Rs. 22,230/-. However the amount will be received from CSAB by the institute would be adjusted towards the next year fee.
B.Tech. 2nd to 4th Year	Rs. 20,380/- per annum is to be paid at the institute before the prescribed last date by the Institute.
Reservation	Reservation will be given as per the guidelines of MHRD, Govt. of India and/or Guru Ghasidas Vishwavidyalaya.

Department of Physical Education

Head: Prof. (Dr.) Vishan Singh Rathore

Upholding the vision and mission of the University, the Department of physical education was established in the years 1985 with the aim to produce trained and qualified teachers and Administrators for schools, colleges and universities and also bring out the talented sportsman. The Department impart training in health, physical education, sports and recreational activities to accomplished overall personality development through educational values attributed to physical, mental, social, emotional, vocational and spiritual harmony of the students. The main thrust is upon imparting theoretical knowledge, acquisition of skills in different games and sports, providing specialization in different games and teaching practice for theory as well as practice. The University was upgraded to Central University in the year 2009, since then it has been uninterruptedly succeeding towards its destination. In spite of having many sports facilities lot of other projects (sports infrastructure) are under the process of construction and in the pipe line. The department has well equipped operational sports physiology lab for M.P.Ed. students and research scholars particularly. Spacious class rooms, audiovisual aids, departmental library are available for the students. The students of the department/University participate in several national and intervarsity level tournaments in different parts of the country. Some remarkable performance has been made by our students in sports as well as in academics, in the last academic session 2012-13 seventeen students of the department have qualified NET examination conducted by UGC, New Delhi, out of those two students have qualified Junior Research Fellowship. Time to time the department is also organizing All India inter university Sports competition.

Courses available

Courses offered	Course code	Seats	Duration	Eligibility for admission
B.P.Ed.	204	50	1 year (2 Semester)	As per NCTE norm
M.P.Ed.	302	40	2 year (4 Semester)	As per NCTE norm
Ph.D.	502	10	As per university rules	As per university rules

Fee Structure

Name of the Course	Semester-I (At the time of admission)	Semester-II	Semester-III	Semester-IV
B.P.Ed.	Rs. 2530/- + Kit & camp charges as per university norms	Rs. 2200/-		
M.P.Ed.	Rs. 2755/- + Kit & camp charges as per university norms	Rs. 2475/-	Rs. 2755/-	Rs. 2475/-
Ph.D.	As per University norms			

Note : Student of B.P.Ed. II Semester, M.P.Ed. II Semester and M.P.Ed. IV Semester has to pay a sum of Rs. 1000/- against to execution tour fees.

Head, Dr. Paravesh Dalei

Department of Law

After the approval of Bar Council of India, Department of Law is the newly established department of the University. The department aims at the advancement of learning, teaching and diffusion of knowledge in the field of Law. It caters to the needs of the society by developing professional skills of persons intending to make a career in advocacy, judicial services, law officers and legislative drafting as their profession. The objectives of the department are to evolve and impart comprehensive legal education at all levels to achieve excellence. Department offers two 5 years integrated programs, the B.A.LL.B. and the B.Com.LL.B. courses. There are 10 semesters spread over 5 years with two semesters per year. There are compulsory core subjects, Language subjects, compulsory law subjects & optional law Subjects. The department has faculty comprising of highly qualified, well trained & committed scholars. The department is having its own furnished and equipped library with all the necessities. Departmental library is having AIR from 1924-2012, AIR Manual-Civil/Criminal - 2004-Vol 1-Vol 25 6th Edition, Chhattisgarh Law Judgment from 2001-2010, Corporate law Advisor, Chhattisgarh state & central law times from 2004-till date, Indian bar Review, Labour & Industrial Cases from 2004 till date, M.P. High Court today from 2000-till date, The M.P. Law times from 1960-till date, Supreme Court Cases from 1960-till date.

Courses available

Courses offered	Course code	Seats	Duration	Eligibility for admission
5-Year Integrated B.A. – LL.B. Programme with no exit option before completion of 5 years	120	60	10 Semester	As per Bar Council of India norms Max. age limit: 20 years
5-Year Integrated B.Com. – LL.B. Programme with no exit option before completion of 5 years	120			

Fee Structure

Name of the Course	Semester-I to X
5-Year Integrated B.A./B.Com. – LLB programme	Rs. 2980/- per semester

Code of Conduct for Students

The students are admitted to Guru Ghasidas Vishwavidyalaya to achieve excellence and shape their character to become responsible citizens. They must realize their responsibility towards the Vishwavidyalaya and to its components like faculty, staff and fellow students. Failure to maintain a good standard of conduct shall result in disciplinary action.

Attendance: 75% attendance is compulsory in each subject.

Misconduct: Any of the following activities (but not limited to these only) will be treated as misconduct.

1. Disruption of teaching activities or disturbing the learning process of other students on the campus.
2. Any act on the part of the students, which disrupts functioning of the university, endangers health and safety of campus residents and damages Vishwavidyalaya properties.
3. Cheating in examination and supplying of false documents / information in order to seek any consideration / favour from the University.
4. Possession or consumption of intoxicating beverages on the campus.
5. Failure to return back loaned material, settle University dues.
6. Possession of weapons.
7. Use of unparliamentary language while in conversation with Vishwavidyalaya Staff and fellow students.

Disciplinary Actions:

Failure to adhere to good conduct may result in disciplinary actions like:

1. A warning by the authorities.
2. Suspension from a particular class.
3. Suspension / expulsion from the University.
4. Suspension of campus privileges e.g. hostel, accommodation etc.
5. Withholding of examination result or withdrawal of awarded diploma / degree certificate.
6. Any other disciplinary action deemed appropriate by the University authorities.

About Ragging

UGC DRAFT REGULATIONS ON CURBING THE MENACE OF RAGGING IN HIGHER EDUCATIONAL INSTITUTIONS, 2009

In exercise of the power conferred by Clause (g) of Sub-Section (1) of Section 26 of the University Grants Commission Act, 1956, the University Grants Commission hereby makes the following Regulations, namely-

1. Title, commencement and applicability:-

- 1.1. These regulations shall be called the “UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009”.
- 1.2. They shall come into force with immediate effect.
- 1.3. They shall apply to all the universities established or incorporated by or under a Central Act, a

Provincial Act or a State Act, to all institutions deemed to be university under Section 3 of the UGC Act, 1956, to all other higher educational institutions, including the departments, constituent units and all the premises (academic, residential, sports, canteen, etc) of such universities, deemed universities and other higher educational institutions, whether located within the campus or outside, and to all means of transportation of students whether public or private.

2. Objective:-

To root out ragging in all its forms from universities, colleges and other educational institutions in the country by prohibiting it by law, preventing its occurrence by following the provisions of these Regulations and punishing those who indulge in ragging in spite of prohibition and prevention as provided for in these Regulations and the appropriate law in force.

3. Definitions:-

For the purposes of these Regulations:-

- 3.1 “college” means any institution, whether known as such or by any other name, which provides for a programme of study beyond 12 years of schooling for obtaining any qualification from a university and which, in accordance with the rules and regulations of such university, is recognized as competent to provide for such programmes of study and present students undergoing such programmes of study for the examination for the award of such qualification.
- 3.2 “Head of the institution” means the ‘Vice-Chancellor’ in case of a university/deemed to be university, ‘Principal’ in case of a college, ‘Director’ in case of an institute.
- 3.3 “institution” means a higher educational institution (HEI), like a university, a college, an institute, etc. imparting higher education beyond 12 years of schooling leading to a degree (graduate, postgraduate and/or higher level).
- 3.4 “Ragging” means the following: Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student, indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.
- 3.5 “University” means a university established or incorporated by or under a Central Act, a Provincial Act or a State Act, an institution deemed to be university under Section 3 of the UGC Act, 1956, or an institution specially empowered by an Act of Parliament to confer or grant degrees

4 Punishable ingredients of Ragging:-

- Abetment to ragging;
- Criminal conspiracy to rag;
- Unlawful assembly and rioting while ragging;
- Public nuisance created during ragging;
- Violation of decency and morals through ragging;
- Injury to body, causing hurt or grievous hurt;
- Wrongful restraint;
- Wrongful confinement;
- Use of criminal force;
- Assault as well as sexual offences or even unnatural offences;
- Extortion;
- Criminal trespass;
- Offences against property;
- Criminal intimidation;
- Attempts to commit any or all of the above mentioned offences against the victim(s);
- All other offences following from the definition of “Ragging”.

5 Measures for prohibition of ragging at the institution level:-

- 5.1 The institution shall strictly observe the provisions of the Act of the Central Government and the State Governments, if any, or if enacted, considering ragging as a cognizable offence under the law on a par with rape and other atrocities against women and ill- treatment of persons belonging to the SC/ST, and prohibiting ragging in all its forms in all institutions.
- 5.2 Ragging in all its forms shall be totally banned in the entire institution, including its departments, constituent units, all its premises (academic, residential, sports, canteen, etc) whether located within the campus or outside and in all means of transportation of students whether public or private.
- 5.3 The institution shall take strict action against those found guilty of ragging and/or of abetting ragging.

6 Measures for prevention of ragging at the institution level:-

6.1 Before admissions:-

- 6.1.1 The advertisement for admissions shall clearly mention that ragging is totally banned in the institution, and anyone found guilty of ragging and/or abetting ragging is liable to be punished Appropriately (for punishments, ref. section 8 below).
- 6.1.2 The brochure of admission/instruction booklet for candidates shall print in block letters these Regulations in full (including Annexures).
- 6.1.3 The ‘Prospectus’ and other admission related documents shall incorporate all directions of the Supreme Court and / or the Central or State Governments as applicable, so that the candidates and their parents/ guardians are sensitized in respect of the prohibition and consequences of ragging. If the institution is an affiliating university, it shall make it mandatory for the institutions under it to compulsorily incorporate such information in their ‘Prospectus’.
- 6.1.4 The application form for admission/ enrolment shall have a printed undertaking, preferably both in English/Hindi and in one of the regional languages known to the institution and the applicant (English version given in Annexure I, Part I), to be filled up and signed by the candidate to the effect that he/she is aware of the law regarding prohibition of ragging as well as the punishments, and that he/she, if found guilty of the offence of ragging and/or abetting ragging, is liable to be punished appropriately.

- 6.1.5 The application form shall also contain printed undertaking, preferably both in English/Hindi and in one of the regional languages known to the institution and the parent/ guardian (English version given in Annexure I, Part II), to be signed by the parent/ guardian of the applicant to the effect that he/ she is also aware of the law in this regard and agrees to abide by the punishment meted out to his/her ward in case the latter is found guilty of ragging and/or abetting ragging.
- 6.1.6 The application for admission shall be accompanied by a document in respect of the School Leaving Certificate/ Character Certificate which shall include a report on the behavioral pattern of the applicant, so that the institution can thereafter keep intense watch upon a student who has a negative entry in this regard.
- 6.1.7 A student seeking admission to the hostel shall have to submit another undertaking in the form of Annexure I (both Parts) along with his/ her application for hostel accommodation.
- 6.1.8 At the commencement of the academic session the Head of the Institution shall convene and address a meeting of various functionaries/agencies, like Wardens, representatives of students, parents/ guardians, faculty, district administration including police, to discuss the measures to be taken to prevent ragging in the Institution and steps to be taken to identify the offenders and punish them suitably.
- 6.1.9 To make the community at large and the students in particular aware of the dehumanizing effect of ragging, and the approach of the institution towards those indulging in ragging, big posters (preferably multicolored with different colours for the provisions of law, punishments, etc.) shall be prominently displayed on all Notice Boards of all departments, hostels and other buildings as well as at vulnerable places. Some of such posters shall be of permanent nature in certain vulnerable places.
- 6.1.10 The institution shall request the media to give adequate publicity to the law prohibiting ragging and the negative aspects of ragging and the institution's resolve to ban ragging and punish those found guilty without fear or favour.
- 6.1.11 The institution shall identify, properly illuminate and man all vulnerable locations.
- 6.1.12 The institution shall tighten security in its premises, especially at the vulnerable places. If necessary, intense policing shall be resorted to at such points at odd hours during the early months of the academic session.
- 6.1.13 The institution shall utilize the vacation period before the start of the new academic year to launch wide publicity campaign against ragging through posters, leaflets, seminars, street plays, etc.
- 6.1.14 The faculties/ departments/ units of the institution shall have induction arrangements (including those which anticipate, identify and plan to meet any special needs of any specific section of students) in place well in advance of the beginning of the academic year with a clear sense of the main aims and objectives of the induction process.

6.2 On admission:-

- 6.2.1 Every fresher admitted to the institution shall be given a printed leaflet detailing when and to whom he/she has to turn to for help and guidance for various purposes (including Wardens, Head of the institution, members of the anti-ragging committees, relevant district and police authorities), addresses and telephone numbers of such persons/ authorities, etc., so that the fresher need not look up to the seniors for help in such matters and get indebted to them and start doing things, right or wrong, at their behest. Such a step will reduce the freshers' dependence on their seniors.
- 6.2.2 The institution through the leaflet mentioned above shall explain to the new entrants the arrangements for their induction and orientation which promote efficient and effective means of integrating them fully as students.
- 6.2.3 The leaflet mentioned above shall also tell the freshers about their rights as bona fide students of the institution and clearly instructing them that they should desist from doing anything against their will even if ordered by the seniors, and that they have nothing to fear as the institution cares for them and shall not tolerate any atrocities against them.
- 6.2.4 The leaflet mentioned above shall contain a calendar of events and activities laid down by the institution to facilitate and complement familiarization of juniors with the academic environment of the institution.

- 6.2.5 The institution shall also organize joint sensitization programmes of 'freshers' and seniors.
- 6.2.6 Freshers shall be encouraged to report incidents of ragging, either as victims, or even as witnesses.

6.3 At the end of the academic year:-

- 6.3.1 At the end of every academic year the Vice-Chancellor/ Dean of Students Welfare/ Director/ Principal shall send a letter to the parents/ guardians who are completing the first year informing them about the law regarding ragging and the punishments, and appealing to them to impress upon their wards to desist from indulging in ragging when they come back at the beginning of the next academic session.
- 6.3.2 At the end of every academic year the institution shall form a 'Mentoring Cell' consisting of Mentors for the succeeding academic year. There shall be as many levels or tiers of Mentors as the number of batches in the institution, at the rate of 1 Mentor for 10 freshers and 1 Mentor of a higher level for 10 Mentors of the lower level.

6.4 Setting up of Committees and their functions:-

- 6.4.1 The Anti-Ragging Committee:- The Anti-Ragging Committee shall be headed by the Head of the institution and shall consist of representatives of faculty members, parents, students belonging to the freshers' category as well as seniors and non-teaching staff. It shall consider the recommendations of the Anti-Ragging Squad and take appropriate decisions, including spelling out suitable punishments to those found guilty.
- 6.4.2 The Anti-Ragging Squad:- The Anti-Ragging Squad shall be nominated by the Head of the institution with such representation as considered necessary and shall consist of members belonging to the various sections of the campus community. The Squad will have vigil, oversight and patrolling functions. It shall be kept mobile, alert and active at all times and shall be empowered to inspect places of potential ragging and make surprise raids on hostels and other hot spots. The Squad shall investigate incidents of ragging and make recommendations to the Anti-Ragging Committee and shall work under the overall guidance of the said Committee.
- 6.4.3 Monitoring Cell on Ragging:- If the institution is an affiliating university, it shall have a Monitoring Cell on Ragging to coordinate with the institutions affiliated to it by calling for reports from the Heads of such institutions regarding the activities of the Anti-Ragging Committees, Squads, and Mentoring Cells, regarding compliance with the instructions on conducting orientation programmes, counseling sessions, etc., and regarding the incidents of ragging, the problems faced by wardens and other officials, etc. This Cell shall also review the efforts made by such institutions to publicize anti-ragging measures, cross-verify the receipt of undertakings from candidates/students and their parents/guardians every year, and shall be the prime mover for initiating action by the university authorities to suitably amend the Statutes or Ordinances or Bye-laws to facilitate the implementation of anti ragging measures at the level of the institution.

6.5 Other measures:-

- 6.5.1 The Annexure mentioned in 6.1.4, 6.1.5 and 6.1.7 shall be furnished at the beginning of each academic year by every student, that is, by freshers as well as seniors.
- 6.5.2 The institution shall arrange for regular and periodic psychological counseling and orientation for students (for freshers separately, as well as jointly with seniors) by professional counselors during the first three months of the new academic year. This shall be done at the institution and department/ course levels. Parents and teachers shall also be involved in such sessions.
- 6.5.3 Apart from placing posters mentioned in 6.1.9 above at strategic places, the institution shall undertake measures for extensive publicity against ragging by means of audio-visual aids, by holding counseling sessions, workshops, painting and design competitions among students and other methods as it deems fit.
- 6.5.4 If the institution has B.Ed. and other Teacher training programmes, these courses shall be mandated to provide for anti-ragging and the relevant human rights appreciation inputs, as well as topics on sensitization against corporal punishments and checking of bullying amongst students, so that every teacher is equipped to handle at least the rudiments of the counseling approach.
- 6.5.5 Wardens shall be appointed as per the eligibility criteria laid down for the post reflecting both the command and

control aspects of maintaining discipline, as well as the softer skills of counseling and communicating with the youth outside the class-room situations. Wardens shall be accessible at all hours and shall be provided with mobile phones. The institution shall review and suitably enhance the powers and prerequisites of Wardens and authorities involved in curbing the menace of ragging.

- 6.5.6 The security personnel posted in hostels shall be under the direct control of the Wardens and assessed by them.
- 6.5.7 Private commercially managed lodges and hostels shall be registered with the local police authorities, and this shall be done necessarily on the recommendation of the Head of the institution. Local police, local administration and the institutional authorities shall ensure vigil on incidents that may come within the definition of ragging and shall be responsible for action in the event of ragging in such premises, just as they would be for incidents within the campus. Managements of such private hostels shall be responsible for not reporting cases of ragging in their premises.
- 6.5.8 The Head of the institution shall take immediate action on receipt of the recommendations of the Anti-Ragging Squad. He/ She shall also take action suo motto if the circumstances so warrant.
- 6.5.9 Freshers who do not report the incidents of ragging either as victims or as witnesses shall also be punished suitably.
- 6.5.10 Anonymous random surveys shall be conducted across the 1st year batch of students (freshers) every fortnight during the first three months of the academic year to verify and cross-check whether the campus is indeed free of ragging or not. The institution may design its own methodology of conducting such surveys.
- 6.5.11 The burden of proof shall lie on the perpetrator of ragging and not on the victim.
- 6.5.12 The institution shall file an FIR with the police / local authorities whenever a case of ragging is reported, but continue with its own enquiry and other measures without waiting for action on the part of the police/ local civil authorities. Remedial action shall be initiated and completed within the one week of the incident itself.
- 6.5.13 The Migration / Transfer Certificate issued to the student by the institution shall have an entry, apart from those relating to general conduct and behaviour, whether the student has been punished for the offence of committing or abetting ragging, or not, as also whether the student has displayed persistent violent or aggressive behaviour or any desire to harm others.
- 6.5.14 Preventing or acting against ragging shall be the collective responsibility of all levels and sections of authorities or functionaries in the institution, including faculty, and not merely that of the specific body/ committee constituted for prevention of ragging.
- 6.5.15 The Heads of institutions other than universities shall submit weekly reports to the Vice-chancellor of the university the institution is affiliated to or recognized by, during the first three months of new academic year and thereafter each month on the status of compliance with anti-ragging measures. The Vice Chancellor of each university shall submit fortnightly reports of the university, including those of the Monitoring Cell on Ragging in case of an affiliating university, to the Chancellor.
- 6.5.16 Access to mobile phones and public phones shall be unrestricted in hostels and campuses, except in class-rooms, seminar halls, library etc. where jammers shall be installed to restrict the use of mobile phones.

6.6 Measures for encouraging healthy interaction between freshers and seniors:-

- 6.6.1 The institution shall set up appropriate committees including the course-in-charge, student advisor, Warden and some senior students to actively monitor, promote and regulate healthy interaction between the freshers and senior students.
- 6.6.2 Freshers' welcome parties shall be organized in each department by the senior students and the faculty together soon after admissions, preferably within the first two weeks of the beginning of the academic session, for proper introduction to one another and where the talents of the freshers are brought out properly in the presence of the faculty, thus helping them to shed their inferiority complex, if any, and remove their inhibitions.
- 6.6.3 The institution shall enhance the student-faculty interaction by involving the students in all matters of the institution,

except those relating to the actual processes of evaluation and of faculty appointments, so that the students shall feel that they are responsible partners in managing the affairs of the institution and consequently the credit due to the institution for good work/ performance is due to them as well.

6.7 Measures at the UGC/ Statutory/ Regulatory bodies' level:-

- 6.7.1 The UGC and other Statutory /Regulatory bodies shall make it mandatory for the institutions to compulsorily incorporate in their 'Prospectus' the directions of the Supreme Court and/or the Central or State Governments with regard to prohibition and consequences of ragging, and that noncompliance with the directives against ragging in any manner whatsoever shall be considered as lowering of academic standards by the erring institution making it liable for appropriate action.
- 6.7.2 The UGC (including NAAC and UGC Expert Committees visiting institutions for various purposes) and similar Committees of other Statutory/Regulatory bodies shall cross-verify that the institutions strictly comply with the requirement of getting the undertakings from the students and their parents/ guardians as envisaged under these Regulations.
- 6.7.3 The UGC and other funding bodies shall make it one of the conditions in the Utilization Certificate for sanctioning any financial assistance or aid to the institution under any of the general or special schemes that the institution has strictly complied with the anti-ragging measures and has a blemishless record in terms of there being no incidents of ragging during the period pertaining to the Utilization Certificate.
- 6.7.4 The NAAC and other accrediting bodies shall factor in any incident of ragging in the institution while assessing the institution in different grades.
- 6.7.5 The UGC shall constitute a Board for Coordination consisting of representatives of the AICTE, the IITs, the NITs, the IIMs, the MCI, the DCI, the NCI, the ICAR and such other bodies which have to deal with higher education to coordinate and monitor the anti-ragging movement across the country and to make certain policy decisions. The said Board shall meet once in a year in the normal course.
- 6.7.6 The UGC shall have an Anti-Ragging Cell within the Commission as an institutional mechanism to provide secretarial support for collection of information and monitoring, and to coordinate with the State level and university level Committees for effective implementation of anti-ragging measures.
- 6.7.7 If an institution fails to curb ragging, the UGC/ the Statutory/ Regulatory body concerned may stop financial assistance to such an institution or take such action within its powers as it may deem fit and impose such other penalties as provided till such time as the institution achieves the objective of curbing ragging.

7 Incentives for curbing ragging:-

- 7.1 The UGC shall consider providing special/ additional annual financial grants-in-aid to those eligible institutions which report a blemish-less record in terms of there being no incidents of ragging.
- 7.2 The UGC shall also consider instituting another category of financial awards or incentives for those eligible institutions which take stringent action against those responsible for incidents of ragging.
- 7.3 The UGC shall lay down the necessary incentive for the post of Warden in order to attract the right type of eligible candidates, and motivate the incumbent.

8 Punishments:-

8.1 At the institution level:

Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:

- 8.1.1 Cancellation of admission
- 8.1.2 Suspension from attending classes

- 8.1.3 Withholding/ withdrawing scholarship/ fellowship and other benefits
- 8.1.4 Debarring from appearing in any test/ examination or other evaluation process
- 8.1.5 Withholding results
- 8.1.6 Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- 8.1.7 Suspension/ expulsion from the hostel
- 8.1.8 Rustication from the institution for period ranging from 1 to 4 semesters
- 8.1.9 Expulsion from the institution and consequent debarring from admission to any other institution
- 8.1.10 Fine of Rupees 25,000/-
- 8.1.11 Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community pressure on the potential raggers.

8.2 At the university level in respect of institutions under it:

If an institution under a university (being constituent of, affiliated to or recognized by it) fails to comply with any of the provisions of these Regulations and fails to curb ragging effectively, the university may impose any or all of the following penalties on it:

- 8.2.1 Withdrawal of affiliation/ recognition or other privileges conferred on it
- 8.2.2 Prohibiting such institution from presenting any students then undergoing any programme of study therein for the award of any degree/diploma of the university
- 8.2.3 Withholding any grants allocated to it by the university
- 8.2.4 Any other appropriate penalty within the powers of the university.

8.3 At the UGC level:

If an institution fails to curb ragging, the UGC may impose any or all of the following penalties on it:

- 8.3.1 Delisting the institution from section 2(f) and /or section 12B of the UGC Act
- 8.3.2 Withholding any grants allocated to it
- 8.3.3 Declaring institutions which are not covered under section 2(f) and or 12B as ineligible for any assistance like that for Major/ Minor Research Project, etc.
- 8.3.4 Declaring the institution ineligible for consideration under any of the special assistance programmes like CPE (College with potential for Excellence), UPE (University with Potential for Excellence) CPEPA (Centre with Potential for Excellence in a Particular Area), etc.
- 8.3.5 Declaring that the institution does not have the minimum academic standards and warning the potential candidates for admission accordingly through public notice and posting on the UGC Website.

UGC Draft Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009

Facilities in the Campus

Campus : The Vishwavidyalaya campus is spread over an area of approx. 655 acres. The campus is located 5 Km away from the main town. The garland of ornamental trees and ponds crows the site. Garden, meadows, trees and shrubs have been used according to a bio-aesthetic plan to make the site attractive and hospitable. The Building complex constructed at a cost about 800 lakhs include Academic Complex, Computer Centre, Hostels (boys and girls), Administrative wing, Guest house, Forestry complex (Aranya Sadan), Warden Quarters, Staff quarters. V.C. Lodge, Registrar's Bungalow and Buildings for Management Institute, Institute of Technology, Pharmacy, Vishwavidyalaya Library, Physics, Rural Technology, Forestry and other university teaching departments are situated amidst lush greenery in pleasant climate. The campus dons a cosmopolitan look with students hailing from all over India.

Library: The Vishwavidyalaya library is located in the main campus. It was established in 1984 to support the academic needs and requirements of the students, teachers and research scholars. It caters the needs and requirements of more than seven thousand students and teachers put together perusing their academic work in the campus. It is housed in a spacious building, having seating capacity of more than 500 at a time and a stock of 1,28,000 books, 4000 back vols. of journals and 1264 Ph.D. theses. More than fifty five thousand books were loaned to 32 departmental libraries to meet the immediate text book requirements of Depts. Internet and Wi-Fi services were provided to the users to access online journals and other reading materials free of cost. Library automation work in SOUL 2.0 has been completed. UGC Infonet and INDEST consortia services were also made available to the users.

Computer Centre : The Vishwavidyalaya has established an advanced state-of-the art Computer Centre equipped with latest versions of hardware machines and software. The Computer centre provides central facility for the growth and development of teaching, research, administration, examination, finance and other important cells of the Vishwavidyalaya. Computer Centre has got several versions of Linux and Windows operating system. Surrounded by a beautiful and green boundaries of trees. Computer Centre has more than 30 terminals (Pentium IV PC's) with Windows and Linux Operating Systems and 01 Itanium Server. A sufficiently large number of Peripherals such as Printers, Color Printer, Scanners, LCD Projector, Switches, Multimedia devices and equipment support the PCs for Users. The standard packages used for office automation, programming, computation are available to assist students, faculty, staff, researchers of the Vishwavidyalaya. The Internet connection is provided to all teachers, students, research scholars and the administrative staff of the Vishwavidyalaya via BSNL (1 Mbps) Broadband connectivity. Earlier, the Centre had installed a VSAT (256 Kbps) Broadband connectivity under the UGC INFONET Scheme and provided internet facility to all teachers, students, research scholars and the administrative staff from year 2005 to 2009. The Computer Science and Information Technology (CSIT) Department conducts its computer programming practical in the Centre for the Batches of MCA, M.Sc. IT and 5-Year Integrated MSc. (Computer Science) Students. Other departments' students also avail practical facility in the Computer Center. Computer Centre conducts short term courses for the students and staff of the Vishwavidyalaya to enhance Computer Literacy. The Centre assists various departments of the Vishwavidyalaya in computerizing their task. Computer Centre is also maintaining the Vishwavidyalaya website www.ggu.ac.in and all the relevant information like dynamic and static examination results are uploaded timely. Website provides rich information about the Vishwavidyalaya which is not only beneficial to the Vishwavidyalaya community but also to the outside world. The website of about 250 web pages contains all the necessary information about the Vishwavidyalaya ranging from details of various courses, their admission procedures and activities. The Computer Centre is also visited by external scholars, students and guest faculty for their computing and Internet tasks. Computer Centre Organized a Workshop on PC Maintenance & Networking for Vishwavidyalaya's Teachers/Employees on 07-10 Feb 2010.

Women's Studies & Development Centre : Guru Ghasidas Vishwavidyalaya has established the first Women's Studies and Development Centre of the state in 2005, with the 10th plan financial assistance from Vishwavidyalaya Grants Commission, New Delhi. The focus of the Centre is on raising awareness and understanding of gender equality and equity issues, through curriculum research, policy debate and participatory activities that include engagements with students and other social changes aimed at achieving a society free from all types of gender based discriminations. The activities of the

Center include organizing seminars, workshops, conferences, information dissemination, training, consultancy, research etc. Since its establishment, varied activities have been organized under the aegis of the center. Dr. Anupama Saxena is director in charge of this centre.

Training and Placement Cell : The training and placement cell of the university was formally set up in the year 2003, which is a modest effort to supplement the regular learning environment to improve skill and competencies of the students. It aims to act as a link between industry and the Vishwavidyalaya. Since its inception, the cell is taking care of all the activities to make the students employable and self- reliable. Arranging Industrial and plant training for the students, which is mandatory by the curriculum, is a regular feature of the cell. In the recent past, number of companies / industries having international repute like STG International, Kolkata, Sterling Resort India Ltd. Tata Infrotec Ltd, Godrej Infotech Ltd, Satyam Services Pvt. Ltd. Hyderabad, Tata Consultancy Services, Pune Persisten Ciomputer, L&T Infotech Ltd, Saka solutions, wipro BPO etc. have recruited our eligible students.

Proctorial Board : The university has constituted a Proctorial Board for keeping its campus well disciplined. The Board takes prompt action in case of any misconduct if occurs in the campus and recommends appropriate punishment for students found guilty. It also takes all the preventive measures against ragging and examines the cases of alleged ragging (if any). All the students are required to submit an undertaking to the proctorial board as not to be involved in any type of misconduct at the time of admission. In case of any such incidence, the matter may be brought to the notice of the Proctor / DSW or to the Warden of their respective Hostels. The Board has Prof. P.K.Shukla as Chief Proctor, Prof. P.K.Bajpai, Prof. S.V.S.Chauhan (DSW) and Dr. (Smt.) Manisha Dubey, Dr. Alpana Ram, Dr. Manish Shrivastava as members.

National Service Scheme : The Vishwavidyalaya has three units of National Service Scheme (NSS) having a total strength of 300 students from the Vishwavidyalaya Teaching Departments. The aim of NSS is to provide an opportunity and working experience for social services. The students participate in various activities like plantation, blood donation, seminar, essay writing, quiz, debate etc. Two students have been awarded Indira Gandhi NSS award. Total 432 units are working withing university and total 37500 cadets are enrolled.

Health Centre : Health facilities for the students and residents is available in the health center located near the University Computer Centre. One Medical Officer Dr. A.N. Mondal with other staff is posted to take care of the center. Specialist from CIMS visit the health center in the campus time to time for specialized check up & advice.

SC/ST CELL : Vishwavidyalaya has a separate SC / ST cell as per the UGC guideline, which was established in November 1988. The cell processes and provides, assistance to the SC / ST students to get scholarships as per the Govt. rules and deals with all the problems of the SC / ST students. The cell organizes special coaching programs for the students belonging to this category The cell also observes the reservation policy pursued by the academic departments in regard of admission.

Sports : The University has a well equipped physical education center with grounds to play volleyball, khokho, Basketball, Lawn tennis etc. There is one sports complex to improve the athletic skills of youth.

Canteen Facility : Vishwavidyalaya has a canteen in the campus, near the administrative building. The canteen provides snacks, tea, coffee, cold drink, etc. during office hours as well as working lunch. It operates from 10 am to 5 pm. on all working days. Canteen committee appointed by the Vishwavidyalaya monitors the quality, rates and standard.

Auditorium : One State of art Auditorium with a seating capacity of about 800 audience has recently been constructed near administrative block.

Post Office and Bank : Punjab National Bank, Bank of India and Post Office Koni are rendering their services in the campus. ATM facilities by State Bank of India & PNB is available in the campus. A new electronic telephone exchange is also established in the campus.

Staff Quarters : There are staff quarters for Teaching and Non teaching staff of the University. The staff colony is very well connected by roads with well lit avenues. The colony is surrounded by lush green trees with pleasant environment.

Vishwavidyalaya Guest House : Vishwavidyalaya Guest House having 16 well furnished suites including 8 VIP AC suits provide comfortable stay for the visitors to the Campus. Additional Guest Housed facility for 64 persons is also available in the Forestry Guest House. The Guest Houses also provides lodging and boarding to visitors as well as during seminars / conferences etc. on reasonable charges.

Hostel Facilities : Two hostels, one each for boys and girls separately, provide accommodation to 470 boys and 430 girls. Vishwavidyalaya faculty member as Warden supervises each hostel.

1. Students studying in the UTD seeking hostel accommodation will be required to apply in the prescribed application form.
2. The criteria for allotment of hostel accommodation by the Vishwavidyalaya is as under:
 - i. First priority is given to those who were admitted during previous academic session and yet to complete the course.
 - ii. Second priority is given to those admitted to a full time program and coming from outside Bilaspur.
3. In view of the limited hostel facilities available, the candidates may please note that the grant of admission to a course of a study in the UTD would not automatically entitle one for allotment of hostel accommodation and that the application of the students for Hostel allotment will be considered if seats in the hostel are available.

Student Creativity Centre : University has developed Student Creativity Centre in which various types of facilities including indoor games such as table-tennis, Chess etc. Entertainment facilities and leisure time reading magazines, are kept for the personality development of the students during their off time. The centre is run and maintained by the constituted student council under the supervision of Dean, Students welfare.

Equal opportunities Cell : Under the merged schemes of University Grants Commission during XI plan University has coaching facilities for SC/ST, Minorities, OBC, and other weaker section students. Three different coaching schemes including NET coaching scheme, remedial coaching scheme and entry level coaching scheme for competitive examinations are running on the campus.

4. Fee / Hostel Charges (subject to revision) are as follows :

- | | |
|---|---|
| 4.1 Annual Fees | : Rs. 2350/- |
| 4.2 Mess Charges | : Actual mess expenditure incurred per month. |
| 4.3 Total amount payable at the time of new admission in the hostel | : Rs. 4350/- |
| 4.4 Total amount payable at the time of re-admission in the hostel | : Rs.2350/- |

Initially mess charges for two months will have to be deposited for smooth functioning. Electricity charges will be charged as per the meter reading divided among the students.

5. Hostel residents are expected to observe the rules and regulations prescribed for them as well as all the requirements of corporate life and the social norms that living together demands.
6. Failure to observe discipline or violation of rules may make a student liable to disciplinary action which may result in the withdrawal of Hostel Facilities.

10. ADMISSION BROCHURE :

Admission Brochure 2014-15 can be downloaded from University website www.ggu.ac.in.

11. MEDIUM OF INSTRUCTION :

Vishwavidyalaya Entrance Test (VET) will be conducted both in Hindi and English medium except for admission in courses belonging to science stream including undergraduate courses in Forestry & Pharmacy.

12. ADMISSION DETAILS:

(i) RELAXATION IN MINIMUM ELIGIBILITY FOR SC, ST & PWD CATEGORIES:

All SC, ST & PWD candidates who have passed the qualifying examination are eligible to appear in the entrance examination irrespective of their percentage of marks.

(ii) RELAXATION IN UPPER AGE LIMIT FOR SC, ST, OBC & PWD CATEGORIES:

There is age relaxation of 5 years for SC, ST & PWD candidates and 3 years for OBC candidates for admissions in various courses in upper age limit wherever the upper age limit is prescribed.

(iii) Relaxation for the wards of Kashmiri Migrants in admission based on the instruction of MHRD.

- a. Extension in date of admission by about 30 days.
- b. Relaxation in cut-off percentage up to 10% subject to minimum eligibility requirement.
- c. Increase in intake capacity up to 5% course-wise.
- d. Reservation of at least one seat in merit quota in technical/ professional institutions.
- e. Waiving of domicile requirements.
- f. Facilitation of migration in second and subsequent years.

(iv) For each course, the minimum eligibility requirement is mentioned department wise in this Admission Brochure.

(v) If his/her aggregate percentage of marks in the qualifying examination is below the stipulated minimum percentage of aggregate marks, his/her provisional admission will also stand automatically cancelled and the candidate will not claim for refund of fees.

(vi) Age not to be more than 22 years for Under Graduate Courses and 25 years for Post Graduate Courses, B.P.Ed, B.Lib. & Inf.Sc. and Diploma courses as on 1-July-2014. For M.Pharm and M.Lib. & Inf.Sc. course, the upper age limit is 27 years. For M.P.Ed. course, the upper age limit is 28 years. There will be no upper age limit for B.Ed. & M.Ed. courses.

(vii) The course wise eligibility requirements for the purpose of admission shall be only those which are mentioned in the Admission Brochure.

(viii) Application Forms of candidates who submitted forged/fake certificates or adopted fraudulent means shall be REJECTED. Further, such candidates shall be debarred from appearing in any subsequent Entrance Tests conducted by the Vishwavidyalaya.

(ix) Candidates are allowed to appear at the Entrance Tests provisionally subject to the final verification of Mark sheets/ Degrees/Certificates, validity of Certificates/Mark sheets of Qualifying Examination and also of non-involvement in the adoption of unfair means in any of the Vishwavidyalaya Examination held earlier, at the time of admission.

(x) Mere appearance in the Vishwavidyalaya Entrance Test (VET) or inclusion of name in the merit list does not entitle a candidate to be considered for admission to the Course unless he/she fulfils the course wise eligibility conditions. APPLICANTS MUST FULLY SATISFY THEMSELVES ABOUT THEIR course wise ELIGIBILITY AS PRESCRIBED in the ADMISSION BROCHURE, BEFORE FILLING THE APPLICATION FORM.

- (xi) If an applicant is inadvertently allowed to appear at the Vishwavidyalaya Entrance Test (VET) who otherwise does not meet the minimum course wise eligibility requirements, he/she cannot, at a later date, use that as a right to claim that he/she meets the eligibility requirements.

Note: The Vishwavidyalaya reserves the right to cancel/refuse admission at any point of time if it is found that:

- a. Minimum eligibility requirements are not fulfilled.
 - b. False/fake/forged documentation has been done, or, facts have been suppressed.
 - c. Any other similar valid reason or human error in calculation/preparation of merit.
- (xii) Candidates admitted to any Course in this Vishwavidyalaya shall not be eligible to pursue simultaneously any other full-time Course in this or in any other University/Institution.
- (xiii) University reserves the right not to run a course on the grounds which it deems to be appropriate.
- (xiv) Additional eligibility requirements for all courses
- (a) A candidate studying in the final year of, or having qualified for a Degree in a General Course of study from the Vishwavidyalaya or any other University/Institution shall be entitled to appear in the Entrance Test (VET) for and admission to, the next higher Course / Degree in that line or to a Professional Course only, but candidate must have the evidence of qualifying the eligibility examination at the time of counselling/admission otherwise his/her candidature shall be turned down and the opportunity will be given to the next candidate in the merit list.
 - (b) 1. Further, a candidate studying in the final year of, or having qualified for a Degree in, any Professional Course from the Vishwavidyalaya or any other University/Institution shall be entitled to appear in the VET for, and admission to, the next higher Course/ Degree only in the same professional discipline.

2. Provided that a candidate studying in, or having qualified for, B.Ed. degree is exempted from applicability of the clause (a) above and such a candidate will accordingly be eligible to pursue post-graduation or research in his/her original discipline viz., discipline at graduation level, (immediately after 10+2).
 - (c) Furthermore, a candidate who is registered for/already awarded Doctoral Degree from any institution/university in India shall not be entitled to appear in any of the Vishwavidyalaya Entrance Tests (VET) held for any Course in the Vishwavidyalaya.

13. RESERVATIONS:

- (i) SCHEDULED CASTES/SCHEDULED TRIBES:

Seats shall be reserved for Scheduled Caste (15%) and Scheduled Tribe (7.5%) candidates in each course. Admission against these seats will be made provided the candidate has passed the Qualifying Examination and appeared in the Entrance Test.

Each SC/ST candidate shall have to submit a self attested copy of the Certificate mentioning that the candidate belongs to SC/ST community. Such certificates shall be subject to verification from the concerned District Magistrate. The following are empowered to issue the certificate:

- District Magistrate/Additional District Magistrate/Collector/Deputy Commissioner/Addl. Deputy Commissioner/Deputy Collector/1st Class Stipendiary Magistrate/ City Magistrate/ Sub-Divisional Magistrate/Taluka Magistrate/Executive Magistrate/Extra Assistant Commissioner.
- Chief Presidency Magistrate/Addl. Chief Presidency Magistrate/Presidency Magistrate.
- Revenue Officer not below the rank of Tehsildar.
- Sub Divisional Officer of the area where the candidate and/or his family normally resides
- Administrator/Secretary to the Administrator/ Development Officer (Lakshadweep Islands).

Candidates must note that Certificate from any other person/authority shall not be accepted in any case. If the

candidate happens to belong to SC or ST, his/her caste/tribe must be listed in the appropriate Govt. of India schedule. The caste Certificate should clearly state: (a) Name of his/her caste/tribe (b) whether he/she belongs to SC or ST (c) District and the State or Union Territory of his/her usual place of residence and (d) the appropriate Govt. of India schedule under which his/her caste/tribe is approved by it as SC or ST.

(ii) OTHER BACKWARD CLASSES (OBC):

27% seats will be reserved for the candidates belonging to OBC category (excluding under creamy layer). The relevant certificate for OBC(excluding under creamy layer) should be obtained from the authorities as mentioned for SC /ST Category.

NOTE: Vishwavidyalaya reserves all the rights to add, modify or relax any of the conditions/rules in the favour of the Vishwavidyalaya, as per the latest guidelines issued from time to time by the MHRD, GOI and/or Vishwavidyalaya.

(iii) Reservation of seats for the physically challenged candidates:

3% of seats on approved intake in each course will be reserved (on horizontal reservation basis) for the physically challenged candidates having minimum degree of disability to the extent of 40% provided that their physical disability does not come in the way of pursuing the course. This is split into: 1% for visually handicapped (VH), 1% for hearing impaired (HI) and 1% for orthopedically handicapped (OH) candidates with a provision of inter-changeability. Physically Challenged candidates are required to submit a certificate from a Civil Surgeon of a Govt. Hospital indicating the extent of visual/physical disability and also the extent to which the disability hampers the candidate in pursuing her/his studies. The candidates under this category may have to undergo a fresh medical examination, if so prescribed by the university, before being admitted.

14. ENTRANCE TEST FEE :

Entrance Test Fee is Rs. 400/- for GEN and OBC, Rs. 200/- for SC/ ST /PWD candidates).

- (iv) The candidate is required to write in INK/Ball Point pen only, his/her Roll number and Serial Number of Answer Sheet at the appropriate places on the cover page of the Question Booklet.
- (v) Each question shall be followed by four alternative answers. The candidate is required to identify the one which he/she feels to be the correct answer and record the answer.
- (vi) If any question is not attempted, the candidate is required to leave that question as blank. Such an answer will be awarded zero marks.
- (vii) Blank Pages will be provided if asked by the candidate for rough work.

23. IMPORTANT INSTRUCTIONS TO CANDIDATES APPEARING IN VET

- (i) The Candidate must carry his/her valid Admit Card for the concerned Entrance Test. He/She must occupy only his/her allotted seat as per his/her Roll Number in the seating arrangement made for the concerned Test.
- (ii) No Candidate will be allowed entry to the Test Hall after 30 minutes of the start of the Entrance Test.
- (iii) No Candidate shall be allowed to leave the Test Hall till the end of the Test.
- (iv) The Candidates shall be checked for any resource materials frequently and at random by the Invigilators and other

staff conducting the Test, routinely and also on the slightest doubt.

(v) Calculators/watch calculators, electronic diary, pager, mobile phones, earphones, alarm clock, digital watches with memory, slide rule, etc. are not allowed in the examination hall. Also, carrying of licensed weapons, fire arms, tools which can be used as lethal weapons are not allowed in the examination hall.

(vi) The Entrance Examination of a candidate shall be cancelled in case of any of the following actions by a candidate:

Relevant or irrelevant resource material or loose paper found on his/her possession, or, lying on or around his/her seat, Possession of any unauthorized instrument or equipment as mentioned at (v) above/document/paper/information materials or any resource materials, Communication of information in writing or verbally or exchange of Question Booklet/Answer Sheets to and from any other person during the Test period and any other malpractice amounting to obtaining undue advantage, Writing anything in the Admit Card, into the examination hall, Any alterations or corrections in the entries made by a candidate in Question Booklet [Roll Number in words & figures and no. in Question Booklet and Roll Number, Question Booklet no. and Set no. (if any)] but not duly verified by the invigilator concerned, Non-matching of signature made at the time of Entrance Test with that already done at the time of filling of Application Form.

(vii) The Entrance Examination of a candidate shall be cancelled and candidate shall be debarred to appear from future Entrance Tests in case of any of the following actions by a candidate:

Tampering with the Admit Card including that of the photograph, Face not resembling the photograph on the Admit Card, Not occupying the allotted seat, Tampering/disturbing the seating arrangements, Smuggling-out or smuggling-in Question Booklet in part or in full, or Test material, or any resource material connected with the Test, Making any attempt to influence the Vishwavidyalaya authorities directly or indirectly. Disturbing or trying to disturb the Entrance Test, Noting down the questions or their answers, Shouting of slogans or creating unruly scene at the examination hall/examination center/Vishwavidyalaya campus.

(viii) Impersonation is a legally punishable offence. No Candidate will be permitted to appear in the Test without a valid Admit Card. The Admit Card should be presented to the invigilators / other authorised officials for verification. The candidate's identity will be verified in respect of his/her details on the Admit Card. If the identity is in doubt, the candidate may not be allowed to appear in the Test. The authorities may at their discretion provisionally permit the candidate to appear in the Test after completing formalities including taking of thumb impression/several signatures for further verification. No extra time will be granted for these formalities to be completed.

Similarly, at the time of counseling, the candidate's identity will be verified from the documents available with the Vishwavidyalaya and in case of any doubt, his/her admission will be deferred till final verification.

A person found to impersonate a candidate shall be handed over to the Police under an FIR lodged by the Vishwavidyalaya. The candidate in reference shall be debarred from future Entrance Tests of the Vishwavidyalaya.

(ix) Suppression/concealment of information: The candidate must ensure that he/she is qualified to appear in the Entrance Test. If it is detected at any stage that he/she did not fulfill the minimum qualifications, or, there was something against the candidate which would have prevented him/her from being admitted in the concerned subject/course, or, the candidate has provided false information or no information about his/her previous involvement in an act punishable under law or act of gross misconduct and indiscipline, then his/her candidature shall not be considered and his admission if already made shall be cancelled at any stage and he/she shall be debarred from appearing in any of the future Entrance Test of the Vishwavidyalaya.

(x) Nobody other than the Vishwavidyalaya authorized personnel is permitted to move around the Test venue. Any unauthorized persons loitering around the Test venue shall be handed over to the police under an FIR lodged by the Vishwavidyalaya.

(xi) No scrutiny/re-evaluation of answer sheet of VET is allowed in any case at any stage.

(xii) The candidate shall be bound by the Vishwavidyalaya Statutes/Ordinances/Rules and Regulations framed from time to time.

(xiii) Any litigation in respect of the VET shall be subject to the jurisdiction of the local Court of Bilaspur(C.G.) and/or Hon'ble High Court of Judicature at Bilaspur(C.G.) Only.

(xiv) For any interpretational difficulties the interpretation through English language shall be deemed as correct.

24. EVALUATION AND RESULT

- i. One mark shall be awarded for each correct answer and there shall be no negative marking for any incorrect answer. Un-attempted question will be awarded zero marks.
- ii. Candidate shall be selected in order of merit on the basis of aggregate marks secured in the Test provided he/she fulfils the minimum course-wise eligibility criteria as mentioned in this admission brochure .
- iii. If the number of applications received is less than number of seats available or not in proper ratio, test shall not be conducted and admission will be given to the students on the basis of marks obtained in the qualifying examination. The decision of the University will be final in this regard.
- iv. The University reserves the right to change or extend the closing dates for those subjects for which the number of applications received is less than number of seats available or not in proper ratio.

IMPORTANT:

NO SCRUTINY/ RE-EVALUATION OF THE ANSWER SHEET/BOOK OF THE TEST SHALL BE ALLOWED ON ANY GROUND. FURTHER, NO REPRESENTATION OR ANY QUERY REGARDING THE CONDUCT/CONTENT OF EVALUATED SHEET OF THE TEST SHALL BE ENTERTAINED.
