University of Delhi

The University of Delhi was established in 1922 as a unitary, teaching and residential university by an act of the Central Legislative Assembly. The University which began life with three colleges and 750 students has now become India's largest institution of higher learning and among the largest in the world. Presently the university has 16 faculties and 86 departments spread over North and South campuses. It has 77 affiliated colleges and a few other recognized institutes. It has around 1,50,000 regular students studying in undergraduate courses and more than 3,50,000 students in non-formal stream. The President of India is the Visitor, the Vice President is the Chancellor and the Chief Justice of India is the Pro-Chancellor of the University.

The University of Delhi is a premier university of the country and is known for its high standards in teaching and research. It attracts eminent scholars to its faculty and has a rich academic tradition which has for decades attracted talented students who have made many important contributions to society. Students come here from different parts of the country and it also caters to the needs of many foreign students. Currently, students from over 67 different countries are studying in this university. University of Delhi is conscious about its responsibility to the Nation at large as the students of today will shape its future of the country. The university is dedicated to help its students in career and character building with a sense of pride.

Recently, University of Delhi has come up with new and renovated infrastructural facilities including additional hostels, sports stadia, Wi - Fi networking, upgraded Class rooms, teaching laboratories and e-libraries. While various faculties, departments and university affiliated colleges are spread across the entire state, a computer network links them so that students and faculty can collaborate and draw upon the available resources of the university in an institutional way. The research facilities in different departments are of international standards. The university has signed many MOUs with different countries under International Exchange Programs and Treaties.

University celebrates its Foundation Day on May 1 of each year. The University has started a program in which students of different colleges are sent on study tours periodically through the chartered train "Gyanodaya Express" across different important destinations in the country. The aim of this study tour is to empower the students with various facets of life including preparing reports after visiting these places. The University has started Innovation projects from different colleges involving multi-disciplinary subjects involving teachers and students of undergraduate courses to focus mainly on problems related to society and prepare project reports for further research/implementation. The University organizes annual cultural festival called Antardhvani, in which students from all colleges and departments are encouraged to participate in cultural events and showcase their talents. NCC parade of cadets (from all wings) from different colleges is held every year during Antardhvani. The University has also set up "Good Practices" award for the colleges which showcase the highlights of their college in this festival. The University has implemented Four year undergraduate program in 2013-14 successfully. One of the salient feature of this programme is availability of online contents, quizzes, video lectures and project reports to supplement the classroom teaching.

1. Four Year Undergraduate Programme 2014-15

A Four Year Undergraduate Programme of studies with multiple degree options to cater to the needs of students with diverse talents and aspirations has been introduced from the academic session 2013-14. Successful pursuit of the four year programme shall lead to the award of the Bachelor with Honours / B.Tech. Degree. Students will have the option to pursue a three year programme leading to award of Bachelor degree and the option to pursue a two year programme leading to the award of Associate Bachelor degree. Students who obtain a Bachelor degree or an Associate Bachelor degree shall have the option to re-join the University subject to conditions and within a time frame to continue their studies leading to award of the Bachelor degree or Bachelor with Honours / B.Tech. degree. The students get an opportunity to study Foundation / Core courses covering the Arts, Sciences, Social Sciences and Commerce subjects. The focus of these courses will be to equip the students with appropriate communications skills, Mathematical ability and other skills which are required to face the real challenges of real life through hands-on experience. This will enable integral and all-round development of the individuals. All students pursuing the Bachelor with Honours/ B.Tech. degree shall study 20 Discipline-I papers and 6 papers in discipline-II. Students shall make their choice of the second discipline at the commencement of the second year of their studies. Application papers are introduced that are grounded in various disciplines and are aimed at helping students in applying knowledge for solving real-world problems. Students are expected to study four Application papers. The Application papers shall be included in the first / second / third years of the programme. In the fourth year of degree course, students shall be expected to pursue two Research based papers / Innovation projects. This shall introduce them to the key principles of research methodology in the process of writing a dissertation / doing project work, drawing upon knowledge gained in their first and second disciplines of study. A Value based course (Integrating Mind Body and Heart) enables students to reflect upon values and culture. This course is interactive and based on a practical approach. The courses address the key needs and challenges faced by the nation. There is adequate provision with appropriate methodology for due credit for student participation in Sports/NCC/NSS/ECA's etc. Courses are trans-disciplinary and inter-disciplinary in nature. Peer learning will be promoted and Hands-on learning opportunities will be created. There is an active use of ICT in teaching-learning process. These courses provide sufficient opportunity for self-discovery and make them better citizens.

Notification

No. Aca.1086 / UG / Admission / Procedure / 2014 / 724, May 9, 2014

1. All the candidates interested in seeking admission in undergraduate courses in Delhi University are required to fill the pre-admission form either online or offline for all categories (General / OBC / SC / ST). This is mandatory for all candidates. There will be no pre-admission at the college level.
2. The candidates are allowed to fill only one common pre-admission form either online or offline.
3. The college is free to publish its prospectus which may provide information regarding the college, the courses offered and the number of seats in each course, fee structure, Extra Curricular Activities etc. No forms of any nature, pre-admission as well as admission, shall be included in the prospectus or sold / provided with the prospectus or otherwise before the announcement of cut-off lists.
4. There shall be no 'Additional Eligibility Criterion' for any category in any college / course.
5. The colleges who wish to give specific advantage to girl students in any course must inform the office of Dean, Students' Welfare and take prior permission. This may be published in the University's Information Bulletin, displayed on the University web-site and college web-site. Colleges are not permitted to change this criteria at any stage during the entire admission process.
6. Admission to the four year Undergraduate degree course shall be based on Discipline -1 (Major Discipline). The schedule of the admission process for all categories shall be notified by the University.
7. The colleges shall convey the cut-off marks for the various courses (for the General / OBC / SC / ST / PWD categories) to the University, as per the schedule announced by the University. The college shall determine the cut-off marks prudently on the basis of the past experience and the class XII results of the School Boards. The office of Dean Students' Welfare shall make available the information regarding the results of various School Boards (whichever are available) to the colleges.
8. The University on receiving the cut-off marks from the various colleges will collate the data in the office of Registrar and notify the same through print and electronic media as per schedule. The cut-offs will also be displayed on the University Web-site (<http://du.ac.in>), college website and college notice board.
9. The colleges shall admit all the candidates who have marks that meet the announced cut-off criteria. No first-come-first served policy is permitted.
10. After declaration of the cut off lists by the University, the student will need to report to the college of his / her choice for admission within the stipulated period. At this stage, the candidate would be required to fill the college admission form and the University enrolment form. The candidate would then get his / her documents verified, submit the same to the college and pay the admission fees.
11. In case, a student cancels his admission in a college, in order to move to another college on declaration of a subsequent cut off lists or needs certificates for institutions outside Delhi University, the college must promptly return the documents to the student.

12. No student will be allowed to take admission in two courses / colleges simultaneously. In case, a candidate is found admitted in two courses/colleges simultaneously, the admission in all courses/colleges will be cancelled.
13. The University will organize open days in order to disseminate information on various admission related aspects and also to answer any queries that the students may have. The colleges are free to organize open days at their end and to set up help lines and web based assistance.
14. For admission under the reserved categories of Kashmiri Migrants / Children of War Widows, the admission process shall continue to be centralized and conducted at the University level by the office of Deputy Registrar, Academic.
15. The candidates applying under the categories of 'Reservation for children of War Widows / Kashmiri Migrants must register separately online / offline through common pre-admission form if they wish to be considered under any other categories (Gen./ OBC / SC / ST / PwD).
16. For courses where admissions are done through entrance exams, separate procedures shall apply.
17. For admission under the Sports and ECA (Extra Curricular Activities) categories, the Colleges may use their own Sports/ECA application forms. These application forms shall be made available by the concerned college. The admission to these categories shall be on the basis of guidelines issued by the university.
18. The University shall set up Special Admission Assistance Teams and monitoring committees which will visit colleges throughout the admission process for assistance to students and monitoring the entire admission process.
19. The colleges are required to constitute their own Grievance Committees consisting of at least three teachers. The Members of the Grievance Committee so nominated should also be available in the College throughout the admission process. The details of the Grievance Committee members including their contact numbers (Mobile No.) should be put on the College Website and on college Notice Board.
20. The data of all candidates who are admitted to colleges must be made available on regular basis on college website immediately. The same may be compiled and sent to the University for information within a week of last date of admission.
21. The procedure for calculation of Best of Four percentage (wherein admission is done on the basis of Best of Four) is outlined in Annexure-I.

Academic Subjects and Procedure for Calculating Best of Four (For courses where in admission is done on the basis of Best of Four)

I. The following Discipline I subjects offered by the University of Delhi for admission to undergraduate courses must be treated as Academic / Elective subjects for the purpose of admission. All other subjects offered by different boards may be treated as non-elective. All the Discipline I subjects must have at least a 70% component of theory exams (theory exam does not include internal assessment / continuous evaluation etc.) at school level for the purpose of being treated as academic/ elective subject.

Physics	Chemistry	Botany	Geology
Zoology	Anthropology	Microbiology	Biochemistry
Biomedical Sciences	Mathematics	Statistics	Computer Science
Instrumentation	Food Technology	Psychology	Electronics
English	Hindi	Sanskrit	Arabic
Bengali	Urdu	Persian	Commerce*
Economics	Political Science	History	Geography
Philosophy	Home Science [#]	Physical Education [#]	Sociology
Polymer Science	Music [#]	Punjabi	Social work
French	German	Italian	Spanish

- II. *Accountancy will be treated as equivalent to Commerce wherever any board is not offering commerce as a subject.
- III. Biology and Business Studies will be treated as elective subjects. University may define any other relevant subjects as academic / elective for a particular Honours course.
- IV. [#]Home Science, Music and Physical Education will be treated as academic / elective only for Honours in Home Science, Music, and Physical Education (at IGIPSS only), respectively.
- V. Procedure for calculation of 'Best of Four' subjects percentage:-
- A. One Language (Core / Elective / Functional)
 - B. Subject in which admission is sought (Discipline I)
 - C. Any two other academic/elective subjects (as defined earlier)

Note:

- i. If a candidate has not studied the subject in which he / she is seeking admission in the Discipline I, then a disadvantage of 2% may be imposed on the calculated Best of Four percentage.
- ii. The colleges will have to consider only the academic / elective subject for calculation of Best of Four percentage if the candidate has studied at least four academic/elective subjects or one language and three academic / elective subjects.
- iii. In case a candidate has not studied three academic / elective subjects, then a disadvantage of 10% of the maximum marks may be levied on each such non-elective subject(s) to be included for the calculation of Best of Four percentage.

- iv In case a candidate has studied three academic / elective subjects but wishes to include the percentage of non-elective subject(s) for the calculation of Best of Four, then a disadvantage of 10% of the maximum marks may be levied on each such non-elective subject(s) to be included for the calculation of Best of Four percentage.
- v. All the academic / elective subjects should have 70% component of theory examination exams (theory exam does not include internal assessment / continuous evaluation etc.) otherwise these will be treated as non-elective.
- vi. In case a candidate has studied both elective and core in any languages, then core language will be treated as language, while elective language can be considered as academic.

VI. For admission to Honours in any language course, advantage of 2% in the Best of Four percentage may be given to those candidates who have studied the elective language. 2% disadvantage in the Best of Four percentage may be given to those who have studied functional language only. In case, a candidate has not studied the language at qualifying exam and is seeking admission in Honours in that language, he/she may be given a disadvantage of 5% in Best of Four percentage. However, for admission to Honours in English and Hindi, the candidate must have studied the respective language and has to be included for calculation of Best of Four percentage.

<p>Example 1: If a candidate is seeking admission in Honours in Commerce and Studied: Accounts (90), Business Studies (92), English (88) and Economics (94). Then his total marks are $90+92+88+94=364$ and effective percentage is 91%.</p>	<p>Example 2: If a candidate is seeking admission in Honours in Commerce and Studied: Physics (96), Chemistry (92), English (90) and Mathematics (94). Then his total marks are $96+92+90+94=372$ and Percentage 93%. But Effective Percentage is $93-2 = 91\%$.</p>
<p>Example 3: If a candidate is seeking admission in Honours in Commerce and Studied: Accounts (88), Entrepreneurship (92), English(90) and Web Designing (94). Then, his total marks are $88+92+90+96=366$, Percentage is 91.5%. But Effective marks are $88+82(92-10)+90+84(94-10)=344$ and effective Percentage is 86%.</p>	<p>Example 4: If a candidate is seeking admission in Honours in English and Studied: Accounts (90), Business Studies (92), English (88) and Home Science (94). VII The candidates must have studied Mathematics at the qualifying exam for admission to Honours in Economics.

VIII. The Basis of Selection for Mathematical Sciences/Science courses remains unchanged. However the subjects to be included for Basis of Selection (PCM/PCB/PCMB) must have at least 70% component of theory exams (theory exam does not include internal assessment/continuous evaluation etc.) in the qualifying exam otherwise a disadvantage of 10% of the maximum marks may be levied on each such subject.
