Post Graduate Diploma Course

in

Thermal Power Plant Engineering

2014 - 2015

National Power Training Institute
(Ministry of Power, Govt. of India)

19 th Batch

MESSAGE FROM THE DIRECTOR GENERAL

Electrical power is the most important input for development and progress of any country, Government of India has been endeavoring to increase installed Power Generating Capacity continuously to maintain an annual growth rate of 9%.

The installed generating capacity of our country as on 28th February 2014 is 2, 37,742 MW. A capacity addition of 79,690 MW is expected in 12th five year plan. To achieve this target, a large number of Thermal Power Plants including large capacity Ultra Mega projects at Pit Head and coastal areas have been envisaged. Besides generation capacity additions, the matching Transmission and Distribution Network for evacuation of power is on the anvil and a strong National Power Grid is being planned by inter-connecting regional grids with hybrid system consisting of HVDC, Extra High Voltage AC (400 KV) Lines and Ultra High Voltage AC (765/1200 KV).

The Power Development programs in 12th five year plan would require enormous efforts in providing adequate trained manpower to cope up with the new technologies being introduced from time to time. A large number of trained manpower is required for Operation & Maintenance of old and as well as new Thermal Power Plants. Power generation is a complex process and the man behind these processes involving complex machinery along with its control mechanism is extremely important. To meet this requirement, NPTI has been conducting a Post Graduate Diploma Course which covers mandatory requirement under Indian Electricity Rules. The course aims at providing essential skills to the student for Engineering, Planning, Project Management, Erection & Commissioning, Operation and Maintenance of Thermal Power Plants. NPTI has its own state-of-the-art Hi-quality, Hi-fidelity, Digital, Real-Time, Full scope coal based Thermal Power Plant and CCGT simulators complete with Data Acquisition System. The students have to undergo compulsory training on these simulators.

This high quality program has been designed to meet the requirement of power industry. As a result more than 3200 students who have successfully completed the training program are gainfully placed with reputed companies in Power Sector.

Subodh Garg
Director General

ABOUT NPTI

NPTI Corporate Centre

National Power Training Institute (NPTI), the national apex body under the Ministry of Power, Government of India, has been engaged in the service of Human Resources Development in the country's power sector since 1965. NPTI operates on all India basis through its five Regional Institutes at Badarpur (New Delhi), Neyveli (Tamil Nadu), Durgapur (West Bengal), Guwahati (Assam), Nagpur (Maharashtra) and four specialized Institutes i.e. Power System Training Institute (PSTI) & Hot Line Training Centre (HLTC) at Bengaluru, and Hydro Power Training Center (HPTC) at Nangal & Centre for Advanced Management and Power Studies (CAMPS) at Faridabad. All institutes of NPTI are fully equipped with latest state-of-art training infrastructure and expert faculties with long years of professional & teaching background as well as R&D exposure. These institutes are conducting a number of training programs for Power Engineers, Operators and Technicians in the areas of Thermal & Hydro Generation and Power System. To provide off-job/hands on operation training, NPTI is equipped with three computerized full scope, fossil fuel Thermal Power Plant Simulators. Two of them of 210 MW thermal power Simulators are available at Badarpur and Nagpur institutes and a 500 MW Simulator at Faridabad. Also NPTI is having one CCGT Simulator of 435 MW at Faridabad and one Hydro Simulator at HPTC, Nangal. NPTI also provides consultancy to the Utilities on training and technical problems including setting up of Plant Level/State Level Training Institutes. The Regional Institutes are conducting large number of long-term and short-term courses every year. Long-term courses (52 weeks) cover the mandatory requirements under Indian Electricity Rules. In addition, these institutes are also conducting on plant/on-site training programmes as per the need of the Power Sector organizations. Since inception over 1,90,000 personnel of various levels have been imparted training by the Institutes of NPTI.

NPTI is also conducting 4-year B. Tech. (Power Engg.) recognised by AICTE at its Badarpur, Durgapur, Nagpur, Regional Institutes and 2-year M.B.A. (Power Management) at the CAMPS Faridabad. All Institutes are recognized by Central Electricity Authority (CEA) New Delhi.

In order to meet the requirement of skilled/trained man-power, NPTI & NTPC have set up Solapur Power & Industrial Training Institute at Solapur (Maharashtra). The Institute is offering NCVT recognized trade courses for 8th pass/10th pass/12th pass students as well as working personnel of power sector.

THE NEED FOR THE COURSE

The Indian Power Sector with more than 2, 37,700 MW installed capacity at present has an annual growth of 6% approx. This huge annual growth of Indian Power Sector along with technological advancements and sophistication during last few decades has, in turn, been demanding trained man power. The technical knowledge acquired from Engineering Colleges provides the basic foundation, which needs to be supplemented with the Applied Engineering skills so as to groom the engineers for efficient functioning at every stage of planning, designing, engineering, procurement, construction, commissioning, operation, maintenance, transmission and distribution of power supply industry.

NPTI recognized the need for making this technically trained manpower readily available to the Power Sector in line with its present and future requirements. It was felt that requirement of trained manpower for Power Sector could be fulfilled if the engineers after passing their engineering degree are groomed by conducting a technical course approved by the competent authority of Government of India and giving them an exposure to the theoretical as well as practical aspects of operation and maintenance of thermal power plants.

In view of this, NPTI has upgraded its 52 week Graduate Engineers Course, which is being conducted for more than four decades, to the level of "Post Graduate Diploma Course in Thermal Power Plant Engineering". **The course fulfills the mandatory requirements of Indian Electricity Rules.**

The course is designed to improve knowledge and enhance skills of fresh graduate engineers/working Engineers who wish to make their career in Power Sector.

The 19th batch of this post Graduate Diploma course shall be starting from 25/08/2014.

WHY YOU SHOULD JOIN THIS COURSE?

The main aim of the course is to create a pool of technically trained manpower readily available for recruitment to the State, Central and Private Power Utilities and allied Industry etc. All these organizations shall obviously prefer these trained

Graduate Engineers. This PG diploma satisfies the mandatory requirement of Indian Electricity Rules.

Shri Jyotiraditya M.Scindia, Hon'ble Union Minister of State for Power (Independent Charge) Laying the Foundation Stone of New Power Training Institute of NPTI at Shivpuri, Madhya Pradesh

ABOUT THE COURSE

This is a one year course consisting of 2 semesters covering formal training at Institutes and on-job training at thermal plants. This course is conducted at Regional Institutes of NPTI located at Badarpur (New Delhi), Nangal (Punjab), Neyveli(Tamilnadu),Durgapur(WB),Guwahati (Assam) and Nagpur(Maharashtra), whereas the Simulator training forming an integral part of the course shall be conducted at Badarpur / Faridabad / Nagpur Institutes. The modules of the course are listed in the detailed curriculum. The sequence of these modules is not rigid and may be modified suiting to local conditions. NPTI have been conducting 52 week Graduate Engineers Course in the areas of Thermal Power Plant Engineering for the last four decades and have achieved a level of confidence and competence in conducting this course with consistency.

PLACEMENT

In order to provide career opportunities in the Indian Power Sector, NPTI maintains close linkages with the power utilities and reputed concerns for placement of these trained engineers. In the past Post graduate diploma holders have been employed by the reputed organizations like ABB, JINDAL POWER, ESSAR POWER, RELIANCE POWER, TATA POWER, DVC, DVB, CLP, Adani, Vedanta, CESC, L&T, THERMAX, SIEMENS, ROLLS ROYCE, NDPL, CHAMBAL FERTILIZERS, NALCO, LANCO, GMR, Torrent Power, SUZLON, BLACK & VEATCH, Bajaj Energy, India Bulls, IEPL and HINDALCO, Adhunik Power Ltd., CESE etc.

DETAILED CURRICULUM (SEMESTERWISE) List of Modules

Sl. No.	Subject / Module - First Semester
1	Power Plant Introduction & Industrial Safety
2	Power Plant Familiarization
3	Power Plant Briefing & Scheme Tracing
4	Power Plant Operation
5	Rotational On-job(Operation)
6	Erection, Commissioning & Construction Management
7	Power Plant Performance & Efficiency Calculation
8	Power Plant Chemistry , Metallurgy ,NDT & Welding
9	Gas turbine & Combined Cycle Power Plant
10	Advanced Steam Generation Technology- Supercritical and FBC
11	Business Communication & Personality Development
	<i>First Semester Examination</i>
Subject / Module - Second Semester	
12	Power Plant Protection
13	Energy Audit
14	Maintenance Planning & Cost Control
15	Nuclear Power Plant Familiarization
16	Renewable and Hydro Power Plants
17	Maintenance Practice & Inspection
18	Design Analysis
19	Load Dispatch
20	Power Reforms and regulations
21	Control & Instrumentation
22	IT Application in Power Sector & GIS
23	Environment Management
24	Rotational On Job (Maint.)
25	Training & visit to Mfrs. Works
26	Simulator
	Project Presentation
	<i>Second Semester Examination</i>

*Simulator training for 2-weeks will be imparted at Badarpur/ Nagpur/ Faridabad in batches.

HOW TO REACH THE INSTITUTES

NPTI – (NR), BADARPUR (NEW DELHI).

The Institute is located inside the Badarpur Thermal Power Station (BTPS) Complex, situated on National Highway No.2 (Mathura Road), and 9 KM. from Ashram crossing. From Delhi & New Delhi Railway Station, Delhi Metro Rail, DTC and private buses may be availed to reach Badarpur. DTC and Haryana Roadways buses going to Faridabad and Ballabhgarh from inter State Bus Terminal (ISBT) stop at BTPS Complex. From most of the major points in Delhi local buses are available for Badarpur.

NPTI (HPTC), NANGAL

The Institute is located at Nangal, district Ropar, Punjab just beside Nangal Dam Railway Station, near Bhakra Beas Management Board Township. It is about 390 Km from Delhi and 104 Km from Chandigarh. To reach to Nangal Dam, trains are available from Delhi Railway Station, bus services are also available from I.S.B.T., Kashmiri Gate, New Delhi and also from Chandigarh.

NPTI – (SR), NEYVELI

The Institute complex is located at Block 14 Neyveli Township and is about 6 Kms. from the Neyveli Central Bus Stand. Auto Rickshaws are available at the bus stand to reach the Institute Complex. Neyveli can be reached from Chennai by

Tamil Nadu State Transport Corporation buses. Neyveli can also be reached by train from Chennai Egmore Railway Station to Virudhachalam Railway Station and by bus from Virudhachalam to Neyveli. Neyveli is about 200 Kms. by road and 250 Kms by train from Chennai.

NPTI – (ER), DURGAPUR (WB)

The Institute complex is located at the City Centre area (Michael Faraday Avenue) and is about 9 Kms. from Durgapur Railway Station, Taxis, Auto Rickshaws are available at Railway Station. City buses also ply up to City Centre from where Auto/Rickshaws can be engaged for reaching the Institute.

NPTI (NER),Guwahati

The Institute is located near SLDC Complex, ASEB, Kahilipara, Dakhingaon, Guwahati. To reach the Institute, city buses,(Route No.- 2 at Kachhari), autorickshaws, taxis are available from the Guwahati Railways Station. The Institute is about 10 Km from Guwahati Railways Station and 30Km from Gopinath Bardolori International Airport.

NPTI – (WR), NAGPUR

The Institute is located about 8 Kms. from Nagpur Railway Station as well as 8 kms from Dr. Ambedkar International Airport from where Taxis, Auto Rickshaws and city buses are available for reaching the institute. It is situated opposite to main gate of Visvesvaraya National Institute of Technology, on South Ambazari Road. The nearby area of the institute is called Gopal Nagar.

INFORMATION FOR THE CANDIDATES

Who Can Apply

a) The candidate who have obtained B.Tech / B.E or its equivalent in Mechanical / Electrical/Electrical & Electronics/ Power Engineering Branches.

Those appearing in their final year examination can also apply and they must submit their degree/provisional degree issued by University at the time of counseling.

b) Graduate Engineers sponsored by PSUs/Private Power Utilities.

**Shri Oommen Chandy, Hon'ble Chief Minister, Kerala
laying the Foundation Stone of new Power Training
Institute of NPTI at Alappuzha, Kerala**

SELECTION CRITERIA FOR ADMISSION

The Admission to this P.G. Diploma course will be done on Merit on the basis of Merit List based on marks obtained by the candidates in **Common Entrance Test (CET-2014)** followed by counseling at NPTI Nagpur. CET-2014 will be held on 29/06/14 at 8 cities where NPTI institutes are located i.e. Delhi, Faridabad, Nangal, Neyveli, Bangalore, Durgapur, Guwahati and Nagpur.

The course fees is Rs. 2,10,000/- + Service Tax @12.36% for Non-sponsored and Rs. 3,25,000/- + Service Tax @12.36% for Sponsored candidates.

The candidate who is allotted a seat during counseling will be required to deposit the 1st installment fee (non refundable) of Rs. 20,000/- + Service Tax @12.36% (sponsored/Non-sponsored) immediately without which admission will not be confirmed. The payment of fees is only through Demand Draft favoring "**NPTI Nagpur**", (Non-Refundable) as confirmation fee for Admission. **No other mode of payment is acceptable.**

The Non sponsored candidates will be required to pay the balance fees of Rs. 1,90,000+ Service Tax @12.36% in two installments (i.e. 2nd Installment of Rs.1,00,000 + Service Tax @12.36% at time of joining the institute and 3rd Installment of Rs. 90,000/- + Service Tax @12.36% on or before 25/11/2014) in the admitted Institute.

The sponsored candidate will be required to pay the balance fees of Rs. 3,05,000/- + Service Tax @12.36% at time of joining in the admitted Institute in single installment.

There is no Fee concession to any category of students/participants (Sponsored/Non sponsored)

COMMON ENTRANCE TEST (CET)

The duration of CET will be 150 minutes. The question paper will consist of multiple choice objective questions. Each correct answer will be of two (2) marks. Incorrect answer will result in negative marking of half (1/2) a mark. The details and grouping about the question paper are given at page no. 13.

ABOUT 19th BATCH

The start and the completion dates for the 19th batch is shown in Table.1

Table.1. Date of commencement and completion for the batch

S.No	Batch	Starting from	Completing on
1	19th	25th Aug 2014	21 st Aug 2015

TOTAL SEATS

Reservation for SC /ST/ OBC/ Physically Challenged as per Govt. of India Norms. 25% seats are reserved for candidates sponsored from Power utilities. The seat allocations of the institutes are shown below on Table II. Reservation of seats in individual Institutes would be displayed on PGDC website before counseling round.

Table II. Seat allocation Matrix for PGDC 19th batch

Institute Batch	Badarpur	Nangal	Neyveli	Durgapur	Guwahati	Nagpur	Total
XIX (19)	120	60	75	75	60	120	510

AGE LIMIT

There is no age limit for admission to PGDC course.

PREFERENCE OF INSTITUTE FOR THE COURSE

Allocation of Institute will be done on the basis of Merit List based on marks obtained by the candidates in CET and the preference given by candidate at the time of counseling

1. NPTI-NR : Badarpur (New Delhi)
2. NPTI(HPTC) : Nangal (Punjab)
3. NPTI-SR : Neyveli (T.N)
4. NPTI-ER : Durgapur (W.B.)
5. NPTI-NER : Guwahati (Assam)
6. NPTI-WR : Nagpur (Maharashtra)

COUNSELING

Counseling will be held at NPTI (WR), Nagpur between 04/08/2014 to 08/08/2014. The candidate must appear in person at the counseling date along with all relevant original documents including caste certificate (if applicable), Date of Birth certificate, Educational Qualifications etc. The list of documents to be carried for counseling round would be published on the www.npticet.com website before counseling round. The schedule of counseling round & merit list candidates allowed to appear for counseling round would be displayed on our website www.npticet.com

In addition, the sponsored candidates have to produce original sponsorship letter, at the time of counseling. Sponsored candidates will not be considered for campus placement.

In case of candidate of OBC for sponsored/ Non-sponsored, non-creamy layer certificate must have been issued by the concerned authority on or after 01/04/2014.

All the candidates have to produce the documents in original and one set photocopies at the time of counseling as per Annexure-'A'

OPTION FOR CHANGE OF THE INSTITUTE

During 1st round of counseling the candidate will be given an option for change of the Institute (against vacancies because of non-reporting of 1st round only) subject to availability of seat if he/ she desires before 2nd round of counseling. For this, the candidate has to submit an option form (during 1st counseling) wherein he/ she can state his/her choice about the Institute. The option once exercised cannot be changed.

If after the last date of reporting (for seats allotted in the 1st round of counseling), there is vacancy in that particular Institute then, based on CET rank, the vacancy will be filled as per merit from the aspiring candidates (who have submitted the option form during the 1st round of counseling). Vacancy of the particular category will be filled from the same category candidate as per Govt. of India Rules. The result of the change of Institute will be displayed on website on 22/08/2014.

However, all the candidates who have taken admission during counseling in 1st round will have to report to respective Institute on or before last date of joining(19/08/2014) failing which their admission will be cancelled and no up gradation claim (for change of Institute option) will be processed.

HOW TO APPLY

Applications are to be filled online from our website www.npticet.com. The registration fee is Rs.1000/- (including Service tax) to be paid in the form of demand draft drawn in favour of "NPTI Nagpur" payable at Nagpur.

The details of the demand draft must be given while filling online application. Each applicant will be given a unique ID on successful registration at site. This ID must be preserved for future references.

Last date for online registration is 30/04/2014.

One registration hardcopy along with the Demand Draft should be sent to the Principal Director, National Power Training Institute (WR), Nagpur - 440022 latest by **12/05/2014** before 1600 Hrs. The registration shall be confirmed online only after the receipt of the hard copy of registration details with Demand Draft. Sponsored candidates shall submit a self attested photocopy of sponsorship letter along with hardcopy of registration and demand draft.

The result of CET-2014 for all candidates who appeared for the exam will be displayed on the website on 14/07/2014 for each individual only. However for counseling purpose the list of candidates in each category who are short listed for counseling based on their rank in CET-2014 will be displayed on website on the same day.

COMMON ENTRANCE TEST-2014 (CET-2014)

The admission for Post Graduate Diploma in Thermal Power Plant Engineering course shall be based on a common entrance test (CET) comprising 180 objective type questions to be answered in duration of 2½ hours (150 minutes). The proposed date for the common entrance test is **29/06/2014, 11 AM**. The test shall be conducted at eight (8) cities throughout India viz. 1. Faridabad (Haryana) 2. New Delhi 3. Nangal (Punjab) 4. Neyveli (TN) 5. Bangalore 6. Durgapur (WB) 7. Guwahati (Assam) 8. Nagpur (Maharashtra.). *No TA/DA will be paid for attending Test / Counseling for PGDC admission process. Candidates are advised to reach exam centre well in advance to avoid in-convenience. Reporting time at Centre of examination is 10 AM.*

The Common Entrance Test shall test the Basic Aptitude, General Engineering and the Engineering Discipline knowledge of individuals. The questions are to be answered on the OMR sheets provided. Negative marking is also done to avoid random marking. Each of the marked correct answer shall be rewarded two (2) marks and a wrong marking shall be penalized by (-1/2) marks.

The question paper consists of three parts (Part-I, Part-II and Part-III) as per the details in table. III.

Table.III Question pattern for the Common Entrance Test (CET)-2014

S.No	Number of Questions	Parts	Description of the Part
1	30	Part-I	General Aptitude (including Basic Mathematics/ Basic Science / Language / Analytical Reasoning / Data interpretation etc
2	60	Part-II	General Engineering
3	90	Part-III	Engineering Discipline specialization paper in line with the qualifying Examination. The candidate should select one group only.

			Group	Allowed Specializations in the qualifying Degree Examinations
			G-I	Mechanical Engineering
			G-II	Electrical / Electrical & Electronic Engineering

Power engineering students may opt for either G-I or G-II.

INFORMATION OF COURSE FEES FOR THE CANDIDATES

1.	Course fee for the Non-sponsored candidates (The candidates of this category have the option to deposit the course fee to be paid in three installments).	<p>Rs. 2,10,000/- + Service Tax @12.36% per participant *1st installment : Rs. 20,000/-+ Service Tax @12.36% (At the time of counseling for confirmation of admission)* **2nd installment : Rs. 1,00,000/- + Service Tax @12.36% (at the time of joining the institute between 18/08/14 to 19/08/14)** **3rd Installment : Rs. 90,000/-+ Service Tax @12.36% (Before 25/11/2014)**.</p>
2.	Course fee for the sponsored candidate in two installments.	<p>Rs. 3,25,000/- + Service Tax @12.36% per participant *1st installment : Rs. 20,000/- + Service Tax @12.36% (At the time of counseling for confirmation of admission)* **Rs. 3,05,000/- + Service Tax @12.36% (at the time of joining the institute between 18/08/14 to 19/08/14)**</p>
3.	Course fee for foreign nationals (10% to be deposited at the time of counseling for confirmation of admission and balance at respective institute at the time of joining)	<p>a) SAARC Countries US \$ 13000 + Service Tax @12.36% per participant b) Other than SAARC Countries US\$ 15000 + Service Tax @12.36% per participant</p>

*First installment is to be deposited at NPTI Nagpur by demand draft favoring “**NPTI Nagpur**” payable at Nagpur at the time of counseling.

** To be deposited at the allocated Institute by demand draft favoring & payable in the name of allocated Institute where admission is confirmed during counseling.

Note: - **There is no Fee concession to any category of students/participants (Sponsored/Non sponsored)**

HOSTEL ACCOMMODATION

The above course fee does not include the Lodging/Boarding charges. However, twin sharing hostel accommodation shall be provided to the candidates at the respective training Institute at reasonable charges. Dining facility in the hostels is available at each institute. Normally the mess is run on co-operative basis by the participants themselves/or on contract basis.

Accommodation would be available for students in NPTI hostels throughout the course. The tentative charges are indicated in table below:

Name of the Institute	Charges per month
NPTI(NR), Badarpur	Rs. 2000=00 per bed
NPTI (HPTC), Nangal	Rs. 2000=00 per bed
NPTI(SR), Neyveli	Rs. 1500=00 per bed
NPTI(ER), Durgapur	Rs. 1500=00 per bed
NPTI(NER), Guwahati	Rs. 2400=00 per bed
NPTI(WR), Nagpur	Rs. 2000=00 per bed

Accommodation Charges may change during the course duration.

OTHER INFORMATIONS FOR THE CANDIDATES

1. Security Deposit

An amount of Rs. 2000/- as Security Money (Refundable) for library, hostel, stores, etc. will be deposited by the student at the time of joining the Institute.

2. Hostel Rent:

The hostel rent is payable in advance for one year at the time of hostel allotment. The advance hostel rent shall be deducted for at least six months in case the person wants to withdraw the hostel accommodation in between.

3. Transport Charges:

Transportation charges for Scheme tracing/On-job training/Plant visits at nearby Power Stations shall be payable at the Institute as applicable.

4. Joining/Reporting period after 1st Counseling:

Joining/Reporting period after 1st Counseling: 18/08/2014 to 19/08/2014

No candidate will be permitted to join the course after last date of joining. The course commence from 25/08/2014.

5. Refund:

Fee once deposited will not be refunded. In case a selected candidate withdraws from the program for any reason, no part of tuition fee will be

refunded except refundable deposit, which will be refunded only if entire fees have been paid.

6. Internet Charges:

Computer facility with internet access/e-mail facility would be available on chargeable basis (Service Tax Extra) for the students after the class hours (subject to availability).

7. Placement Charges:

Placement charges @ Rs. 15000=00 + Service Tax @12.36%to be paid by the candidate.

8. Service Tax:

Service Tax will be levied extra as applicable on various components like Training fee, Boarding and Lodging charges, Transportation charges and the present rates are as under:

Sr. No.	Items	Rate of Service Tax
1	Training Fee	@12.36%
2	Boarding charges	@8.65%
3	Lodging charges	Nil
4	Transportation charges	@4.94%

IMPORTANT DATES

Online registration	07/04/2014 to 30/04/2014
Last Date of Receipt of Hard Copy of application along with DD at NPTI Nagpur	12/05/2014
Date & Time of PGDC CET 2014	29/06/2014(Sunday) From 11: 00 to 13: 30 Hrs.
Date of Declaration of result on our web site	14/07/2014
Date of Counseling at NPTI (WR), Nagpur	04/08/2014 to 08/08/2014 (5 days)
Joining/Reporting period	18/08/2014 to 19/08/2014
Date of display of status of choice for change of institute (if available)	22/08/2014
Date of Second Counseling (if required)	01/09/2014 to 05/09/2014
Commencement of Course	
PGDC 19 th Batch	25/08/2014

Note:

1. All Instructions/ Notifications or any further information to the candidates regarding the CET-2014/PGDC Admission shall be displayed on our websites www.npticet.com.
2. All dates indicated above are tentative. Any change in the schedule of any activity will be displayed on website only. All candidates are advised to check website frequently for any changes. No individual communication shall be entertained.

NPTI ORGANISATION

National Power Training Institute is conducting the PGDC in TPPE at its six Regional Training Institutes at Badarpur (New Delhi), Nanagal (Punjab), Neyveli (Tamil Nadu), Durgapur (West Bengal), Guwahati (Assam) & Nagpur (Maharashtra). Each Institute is headed by Principal Director / Director under the overall control of Director General, NPTI. The addresses of NPTI Corporate Centre and Regional Training Institutes are as under.

Instructions for Online Registration

1. Read the prospectus carefully.
2. Ensure that you are having the Valid Demand draft before online registration. The online registration needs the number of Demand Draft and other information. The registration fees shall be paid in the form of Demand draft** for Rs.1000/- favoring “NPTI Nagpur”, Payable at Nagpur.

The whole process of registration shall be complete after acceptance of Terms & Conditions laid by NPTI and cyber norms by the candidate. After successful online registration the candidate shall be given unique ID and that should be printed for registration details. One copy of online registration is to be sent along with D.D. to NPTI, Nagpur.

*** - Registration shall be void without valid fees (in the form of Demand Draft)*

3. Change of Data / Information shall not be allowed later on.
4. Once opted, CET-2014 Examination centre cannot be changed.
5. The candidates are requested to further check their status of registration using the unique ID number. The status shall be confirmed after receipt of the Demand Draft (normally within 15 days).
6. NPTI reserves the right not to allot the centre of choice.
7. Choice of centre would be allotted subject to availability of seats at that centre.
8. Candidate has to ensure that the print out of online application form along with DD should reach NPTI, Nagpur on or before 12/05/2014. NPTI is not responsible for any postal delay. Sponsored candidates shall submit a self attested photocopy of sponsorship letter along with hardcopy of registration and demand draft.
9. No other enclosures should be sent with application form.

Note: All Instructions/ Notifications or any further information to the candidates regarding the CET-2014, PGDC Admission shall be displayed at our websites www.npticet.com
