Established in 1964, School of Education is the oldest School of Devi Ahilya Vishwavidyalaya, Indore. SOEd is the only Department of Education in Madhya Pradesh apart from Department of Education, Hari Singh Gour University, Sagar. In recognition to its potential, the State Government conferred the title of Centre of Excellence to SOEd in 1988. School of Education has taken long strides since then and has come to occupy a central position among Teacher Education Institutions in the country. As the pioneering Institute, it has helped the University in creating School of Adult & continuing Education, Department of Life Long Learning, Academic Staff College, Electronic Media Research Centre, School of Future Studies, and School of Journalism & Mass Communication. The School of Education has been a UGC SAP Department of Research Support since 1999. Currently, School of Education is implementing SAP DRS Phase III of UGC. It has been upgraded to Institute of Advanced Studies in Education (IASE) in December, 2012, by MHRD.

School of Education is widely acclaimed for its innovations and stupendous research work done in various areas of Education.
