Subject: Information under RTI Act

Dear Sir

Please provide me the following information relating to AICTE

- Does the Singhania University (established under section 2 f of the UGC Act, 1956) not require the approval of All India Council of Technical Education?
- Can a private university, framed under State Government Act, award a technical degree (including B.Tech., B.B.A., M.B.A., etc.) without the approval of AICTE?
- The relevant portion of the judgement in Bharathidasan University vs. AICTE may be seen below.

CASE NO.: Appeal (civil) 2056 of 1999

PETITIONER: BHARATHIDASAN UNIVERSITY & ANR.

RESPONDENT: ALL INDIA COUNCIL FOR TECHNICAL EDUCATION & ORS.

Relevant portion:

The power to grant approval for starting new technical institutions and for introduction of new courses or programmes in consultation with the agencies concerned is covered by Section 10(k) which would not cover a University but only a technical institution.

According to the above judgement of the Supreme Court of India, Universities do not require approval of AICTE to start or conduct technical programmes. Is this judgement valid for Singhania University as well?

Kindly intimate me the above points for my information and clarification. The requisite fee is attached (IPO bearing number 64E 496200 dated 30.12.2008 Rs 10/-).

Yours faithfully
