Notes concerning the Application

- 1. **Name or business name and address:** where the application is submitted on the applicant's headed notepaper, section 1(a) need not be completed provided the information is shown on the letterhead. Section 1(b) is to be filled in where the applicant is not the user. Section 1(c) is to be filled in when the granting of the temporary importation procedure is subject to the condition that the goods belong to a legal or natural person established outside the European Union.
- 2. **Goods to be used:**
 - (a) Trade and/or technical description: the description should be sufficiently clear and detailed to enable a decision to be taken on the application;
 - (b) Classification in the combined nomenclature: for indicative purposes only. Only the four-digit code need be given, unless an indication of the eight-digit code is required to enable the authorisation to be issued or for the proper conduct of the procedure;
 - (c) Quantity: state the quantity in units, kilograms, litres, metres, etc.;
 - (d) Value: state the customs value of the goods based on known particulars and documents presented;
 - (e) The "itemised list of goods being imported" should also be completed. Where there is insufficient space on that list, details of the goods are to be shown on a separate list in duplicate.

3. **Article under which authorisation is applied for:** indicate the article under which the intended use qualifies for temporary importation (see page 6).
4. **Way in which goods are to be used:** state all the ways in which it is intended to use the goods to be imported.
5. **Place(s) where goods are to be used:** give the address(es) of the place or places where the goods will be used.
6. **Period for which goods are expected to remain under the procedure:** indicate the time, which will be needed for the intended use.
7. **Suggested method of identification:** indicate the most suitable methods of identifying the goods to be entered for the procedure.
8. **Suggested customs offices:** state which of the possible customs offices would be suitable as:
 - (a) supervising customs office: supervision of procedure;
 - (b) customs office of entry for the procedure: acceptance of declarations entering goods for the procedure;
 - (c) customs office of discharge: acceptance of declarations assigning the import goods to an accepted customs treatment or use.
9. **Form of security:** state the type of security being provided (cash deposit, bond, etc.)

General Notes:

- A. Two copies of this Form with Parts I and II duly completed together with two copies of a list where used (See Note 2(e)) must be presented at time of importation. One copy of the Form (and list) will be returned to the importer.
- B. Notice in advance should be given to the Revenue Official at the port or place of exportation of the date of intended exportation.
- C. **IN ORDER TO OBTAIN A REFUND OF ANY DEPOSIT OR SECURITY THE IMPORTER'S COPY OF THIS FORM (AND LIST) WITH PART III DULY COMPLETED MUST BE PRODUCED TO CUSTOMS WHEN ALL (OR SOME) OF THE GOODS ARE BEING RE-EXPORTED.**
