E-LEARNING & E-CONNECT READY SCHOOL

# Committed

Welcome

*Dear All*

*A warm and hearty welcome to Gitarattan Jindal Public School!*

*“The first day of the school,*

*A wonderful new start,*

*Everything begins to start afresh,*

*We welcome you from the bottom of our heart.”*

*We, at GRJPS, firmly believe that every child should be nurtured with the best of his/her abilities, interests and aptitudes as 'invincible' individual(s). We provide holistic growth & development in an environment of love and care with appropriate facilities conducive to joyful learning.*

*Our efforts remain afoot to make your child's journey of learning a fun and exciting one and instill love for learning that will last throughout the child's years of schooling.*

*Our goal is to help your child grow socially, physically, emotionally as well as mentally. This is achieved with a fun and educational curriculum, as well as many sensory and free choice activities.*

*We promise that the faith endeavored and entrusted in us, the responsibility undertaken is duly acknowledged. We ensure that sincere, dedicated efforts would be taken always to mould the young ones into “worthy” human beings with you as our co-partners in this venture.*

*“Our walk together,*

*Through all types of weather,*

*Will take different turns,*

*Where You'll have all our concerns...”*

**THE JOURNEY BEGINS...**

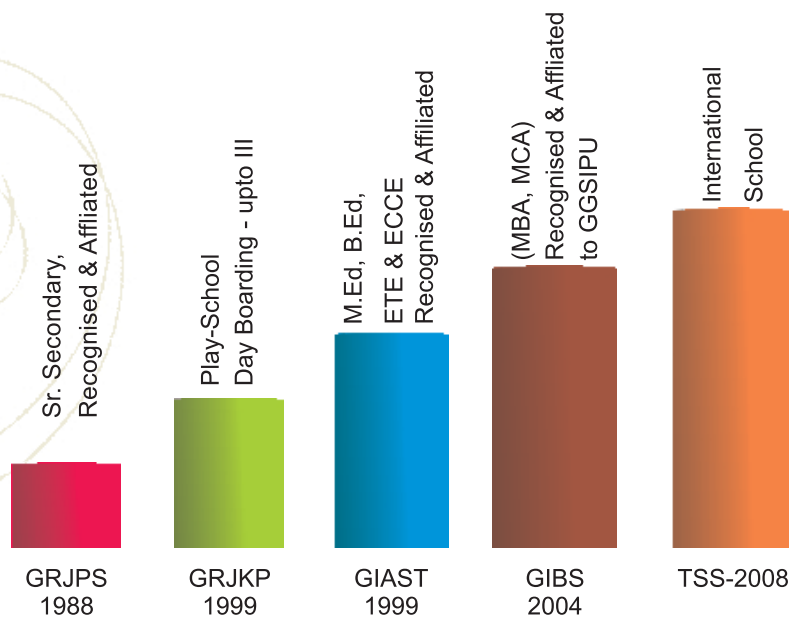

## Our Heritage

GRJPS is a modern, caring, multi-cultural comprehensive school. The students are credit to themselves and the school. We are a high achieving school instilling a real flavour of knowledge and ambitions here.

Gitarattan Jindal Public School was established under the aegis of Rohini Educational Society in the year 1988 by Shri Rattan Lal Jindal as an endeavour to provide quality education in the newly emerging satellite township of Rohini. GRJPS, a Senior Secondary, Recognized & Affiliated School, has been catering to the educational needs of the neighborhood. We strive to be a centre of excellence for lifelong learning and enterprise education on encompassing the comprehensive ideal.

**Rohini Educational Society Achievement Graph**

# Operating Philosophy

The School is committed to the creation of knowledge and dissemination of best practices of Education. We believe that classes need to stimulate as well as educate. We foster 'individuality' not 'conformity' and encourage exploration and discovery of innate knowledge.

We exfoliate the inner personality, giving room to grow and be themselves.

## *Education for Life*

At GRJPS, we combine our ideas into a foundation of holistic educational experience wherein students stretch their capabilities, exceed their expectations and satisfy the thirst of knowledge.

*Imagination is more important than knowledge - Einstein*

## *Learning for Life*

Empowered, independent, flexible learning is the benchmark of GRJPS. Our students think themselves, ask questions and solve problems with analytical and critical thinking. They apply their knowledge and skills to the real work experiences through enquiry, interaction and practical approach.

*Sowing the seeds for future generation ...*

## Values for life

The new generation needs to discover the intrinsic and extrinsic values as they receive them from external environment. We at GRJPS, advocate truth as an universal value & consider 'Satyam, Shivam Sundram' as a foundation for development of societal norms of love, sympathy, honesty and good conduct.

*We teach them to honour values not valuables ...*

## Results for life

Our approach to learning is to instill and invigorate desirable changes, to identify and develop their interests, free expression, transform the behavior, character building & socially responsible personality to build endurance.

*Lifting the mind out of the blind alleys ...*

## Partner for life

School - Home interface is an integral part of GRJPS. It is the synergy between school and parents which takes us to higher level of achievements and prompts our students to excel in their endeavors.

## *OUR VISION*

Impart man-making and character building holistic education so as to groom students into responsible and hardworking citizens of tomorrow.

## OUR MISSION

To provide students under our tutelage a positive & supportive learning environment whereby the qualities of the

*3H's*

*Head, Heart & Hand*

will flourish & build up sense of confidence, citizenry and social sensitivity in time with the needs of the changing time.

# Innovation

## *Home & School Copartners*

We offer pupils a friendly, secure and well disciplined atmosphere with an emphasis on success & achievements. We encourage the children to enjoy the wealth of opportunities provided for the aesthetic, moral and personal development instilling self confidence & self esteem to make them mature emotionally, spiritually and socially.

The positive involvement of parents along with pupils is of utmost importance.

### *The school accepts that it shall:*

- ❖ Provide a safe, clean, well ordered, conducive and caring environment.
- ❖ Provide necessary infrastructure facilities, physical resources and good faculty system for achieving aims and objectives for all students.
- ❖ Inform the parents at the early stage so that they may discuss any matter related to their wards performance and behavioural development.
- ❖ Endeavor to help the child to achieve his/her potential.
- ❖ Demonstrate that each student is valued as an individual.

# Innovation

## *The Students will accept they will :*

- ❖ Obey school rules & regulations with proper discipline and decorum.
- ❖ Work to the best of their abilities at School & Home.
- ❖ Participate in various Scholastic and Non-Scholastic Activities.
- ❖ Always try to get on with others within the school community.
- ❖ Take a pride in their own appearance by wearing proper school uniform.
- ❖ Attend regularly & be on time to school & lessons.
- ❖ Show caring & courteous attitude towards others.

## *Parents Guardian will accept they will :*

- ❖ Support the school in maintaining the standard it seeks to achieve.
- ❖ Attend the child's PTM regularly.
- ❖ Help the child to take interest in his/her work & sustain efforts & achievements.
- ❖ Keep the school informed relating to matters which may affect the child's progress and attitude.
- ❖ Monitor child's progress regularly through their exercise books, diary & other records.
- ❖ Monitor regular attendance & high standard of punctuality.
- ❖ Ensure correct uniform is worn.

## *Infrastructural Delight*

We believe in empowering students with values of the mind, body and soul. Here begins a quest for those noble aims that integrates knowledge and culture with technology. Here is the commitment where the students are imbued with the right education in the right way at the right time from the right teachers in the right environment.

### *Building*

Our building is spacious with pleasing architectural features and is located along a main thoroughfare in a congenial neighborhood, accessible by bus, metro and other means of transport. The classrooms are airy and brightly illuminated. The primary classes have chromatic rooms with personal computer which makes learning a pleasure.

### *Auditorium :*

A fully air-conditioned, spacious auditorium with latest acoustics (LCD, OHP, DVD), equipped PA system. The push back, comfortable seating like PVR theatres make the pleasure of fun learning double. In-house programmes, workshops, seminars, fun with movies, demonstration, and expert lectures etc. are conducted in serene and harmonious ambience.

### *Gaiety Enclave :*

A huge hall formulates 'Gaiety Enclave' with the aim of 'learning to invent', experiment growth, take risk and have fun. This Special Hall is the major attraction of the Reception Children. It is a place where the creativity is unfolded through use of various Montessori Toys, Gadgets, Puppets, Ball-Pool, Doll House, Mini Theatre and Free Play.

# Valued

## *Lush Green Lawns:*

Sprawling lush green lawns beautify the environment of the school building. These lawns are giving umbrella like shed to maintain the ecological balance. Students are to be benefitted to overcome the health hazards in nature like environment.

## *Counselor Room- Thinking out of The Box:*

To overcome the stress and pressure of modern day life, students often require guidance & expert counseling related to behavior and academics. The school counselor is available on regular basis to help student to overcome their problem. Parents can meet them on any working day to discuss any psychological problem of their ward(s).

## *Library-Cogonita Ergo Sum ( I Think ...therefore I Exist) :*

The school library is bifurcated into junior and senior library with separate reading rooms catering, exclusively to the requirements of specialized age groups. It is well furnished, well equipped with different categories of books such as classics, journals, encyclopedias, dictionaries, novels, reference books etc.

## *Tuck Shop*

A subsidized, hygienic and healthy food corner caters to the needs of the healthy and tasty food habits.

## *Health Clinic- Relief From Kicks & Knocks:*

We have an in house 'sick-bay' clinic. An experienced & trained nurse is always on call and attends to any medical urgency of the students. Regular medical, eye and dental check ups are done every year of all students.

## *New Technologies*

GRJPS is at the forefront of new technologies in the curriculum with many new initiatives to support the teachers in their delivery of the curriculum and students in their learning.

» **Interactive Learning:** It is a comprehensive solution designed to assist teachers in meeting day to day classroom challenges with the use of smart boards, digipen, projectors etc. Thematic teaching helps the children to nurture their thoughts & skills.

» **E-connect:** The school has its web portal [www.gitarattan.com](http://www.gitarattan.com). It has made parent-teacher interaction more swift. The website provides three login, viz. A Student Login, where student can check important information & other updates. A Parent Login, where the child's regular performance, academic result, behavioural issues, attendance are regularly updated. A Class Login where all assignments, projects, classnotes are updated.

» **IT Labs:** There are 3 IT labs in the school for the use of the students from Grade I to XII. The labs are fully equipped with latest Platinum IV computers to share work-station, printers, servers and internet access. The school has wide range collection of interesting and educational CD's on a variety of subjects.

» **Science Labs:** Science laboratories of different discipline such as Physics, Chemistry and Life Science are fully equipped and up to date with all desired instruments and best apparatus for conducting experiments. Here the teachers emphasize on the riddle, not the hey stack. Learning by doing gets exemplified in these labs helping students to develop analytical skills and conceptual clarity.

# Valued

» **Language Lab:** The Language lab is established to strengthen the students', "I's and U's". It is student - centered zone where they explore, question, hypothesize and discover the joy of mechanism of language.

» **Maths Lab:** It caters and fosters to the Mathematical awareness, concept clarity with critical and analytical thinking. It provides an opportunity to the learners for discovery, reinforcement and enrichment through experiment. It helps in elimination of the Maths phobia, making it more enjoyable and interesting.

» **Vocational:** As the word connotes, vocational have become part of students' academic curriculum. So to take away monotony and give an impetus to latent talents 'Vocational' are imperative for holistic education. The school offers various disciplines such as Fine Arts, Music(Vocal and Instrumental) , Theatre and Dance (classical, folk and western styles). Trained and experienced faculty merits the potential and assists in its blossoming.

» **Conferences Hall:** Aesthetically designed and plush conference hall is fully equipped with P.A. system. It has been witness to many important meetings and decisions. This powerful place holds nodal position in the School.

» **Self Designed Books:** Gittrattan is proud of its teachers for making learning more easy by making its own self designed books for Pre-school & Pre-Primary classes.

» **Parent Mother Weekend Workshop:** Gitarattan initiated an important and landmark achievement by inviting its students' Mothers to attend FREE OF COST Computer and English Conversation classes on weekends bring a change in their own personality and help their children in upbringing. Regular workshops are arranged for the parents on varied interests.

» **Gitarttan Outreach- Nurturing Hearts & Minds:** Our Facebook Group 'The Gitarattan Outreach-Nurturing Hearts and Minds engages with the parents and keep them abreast with the noteworthy happenings, announcements, the school culture, activities, and latest development and happenings in the school.

# Grooming

## Extended Learning Opportunities
