Prof (Dr.) D. P. Pathak,
Officating Director & Head,
Department of Pharmaceutical
Chemistry

Director's Message

Starting from a tiny department at the G. B. Pant Polytechnic Okhla in the year 1964 to impart diploma in pharmacy education to produce dispensing pharmacists, the department transformed into an institution as college of pharmacy in 1979 and further as Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR) in 2004 to cater the needs drug research scientists in the field of pharmaceutical sciences. To attain this height the institute has traversed a time period of fifty golden years and celebrating its golden jubilee year 2014.

The past fifty years have seen DIPSAR transforming from a mere department at G. B. Pant to full-fledged Pharmacy University in India first of its kind. The destiny of this institute has been in the hands of great visionaries who have constantly guided the path with the light of knowledge. DIPSAR was upgraded as the first Pharmaceutical University of India, enacted by Delhi Government's legislation on 11th September, 2008.

DIPSAR has been serving as the root for the successful careers of many students and pledges to continue to do so. It offers specialized PG courses in Pharmacology, Pharmaceutics, Herbal Drug Technology, Pharmaceutical Chemistry, Pharmaceutical Management, Hospital Pharmacy, Quality Assurance and Clinical Research. Many of our students are selected in various universities across the globe for higher education and alumni are working as top professionals in various industries, institutions and contributing towards the development of the healthcare system of the nation.

It is noteworthy to mention that the UG courses of D.Pharm and B.Pharm and PG course of M.Pharm (Pharmacology) have been accredited by NBA.

I take this opportunity to invite all enthusiastic students to join DIPSAR and make a luminous career in the field of pharmacy.

Dr. Dharam Pal Pathak
Director

INSTITUTIONAL PROFILE

DIPSAR is a premier institution known for its high standards in teaching and research in Pharmaceutical Sciences. It was established in 1964 as Department of Pharmacy of the Kashmere Gate Polytechnic for imparting Diploma in Pharmacy. It moved to the present campus in 1979 and since then has developed into a well equipped institute aiming for the highest standards in academic

excellence. It has been constantly churning out top class pharmaceutical scientists & pharmacists significantly contributing towards health care. The institute is celebrating its Golden Jubilee in 2014.

MOTTO

- To produce high-class Pharmaceutical Scientists by awarding Ph.D, M. Pharmacy degrees to meet the global requirements for Drug Discovery and Development, Quality Assurance and Regulatory Affairs etc.
- To produce high class competent Industrial/Community Pharmacist to serve ailing community.
- To impart quality pharmaceutical education by awarding B.

Pharmacy and D. Pharmacy and to project DIPSAR on the global map of pharmaceutical education.

- To conduct research on discovery and delivery of therapeutic agents in national thrust areas like anti-fertility & infertility, clinical research, development of drugs for ocular diseases, anti-cancer, hepato-protective, anti-diabetic drugs in diabetes & its complications, anti asthmatic drugs, analytical method development of drugs in dosage form, novel drug delivery, isolation and characterization of active principle(s) from herbal sources, herbal drug standardization etc.
- To disseminate information regarding pharmacological actions of various drugs, especially, therapeutic uses, pharmacovigilance, drug-drug Interaction, drug- food Interactions etc. to the general public. Also to provide information regarding antidotes for various poisons to medical & bio-medical personnel & general public through MAPIC (Medicine and Poison Antidote Information Centre).
- To upgrade skills & qualification of Pharmacy College teachers across the country (under QIP of AICTE, Govt. of India).

VISION OF DIPSAR

Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR) is serving with a vision to prepare quality pharmacists at various levels for the country. Adequate guidance, extensive training with broad vision is provided to students through multi dimensional programs by the experienced faculty and industry- institute interaction coupled with latest tools and techniques in Pharmaceutical Sciences to make them potential leaders, research scientists and entrepreneurs with assured placement in the profession of pharmacy.

In addition to the existing departments (Pharmacology, Pharmaceutics, Herbal Drug technology, Pharmaceutical Chemistry,

Pharmaceutical Management, Hospital Pharmacy, Quality Assurance and Clinical Research), it has been planned to expand and diversify the Institute further by opening additional centre to cater the needs of academia, industry & profession.

The Lt. Governor, GNCT of Delhi has declared the first Pharmacy University of India, and perhaps Asia by the name of Delhi Pharmaceutical Sciences & Research University, a state university, w.e.f. 1st Feb, 2010 was enacted by Govt. legislation on 11th September, 2008.

JOB OPPURTUNITIES AND PLACEMENT OF STUDENTS

In DIPSAR almost 100 percent students of Bachelors and Masters in pharmacy are placed in different Multinational and National Pharmaceutical Companies of repute majority through campus interviews before completion of their respective degrees. This year also many reputed companies have conducted campus interviews in the institute.

CAMPUS PLACEMENTS

The Institute has active placement cell and we have been having close to 100% placements in leading national and multinational pharmaceutical companies and academic Institutions of repute at all levels, i.e. undergraduate, postgraduate (all branches), Ph D and Diploma level. All the Bachelors and Masters students are placed in different multinational and national pharmaceutical companies through campus interviews even before completion of their respective degree. This year campus interviews have been conducted in the college by reputed companies viz. Capita, Matrix, Wipro, Novartis, EVS, Guardian, Jubilant, WNS, APC, Ranbaxy, Martin-Harris, Viva, Dabur, Indigene, Heron, Religare, Jubilant, Religare-wellness, Apothecaries etc.

The college is experiencing a fast academic growth to the challenges of the 21st century. In the highly competitive environment, the college is capitalizing on its strengths in areas such as academic innovation, comprehensive training and flexible educational delivery systems. Widely acknowledged for its innovative and responsible role, for which it is entrusted, the "Delhi Institute of Pharmaceutical Sciences and Research" has produced top class Pharmaceutical Scientists for the technological up-gradation of the industry and for service to the community in all branches of pharmaceutical sciences. In keeping with the times, Institute is a conscientious steward, effectively utilizing human as well as financial resources.

The interaction of administration, faculty, and students; the efficient use of physical facilities and consistent updating of the campus contribute to the quality education.

M. PHARM. STUDENTS (2011-2013 BATCH)

During the year 2013, companies like Jubilant, Evalueserve and Surya Healthcare conducted campus interviews for our B. Pharm and M. Pharm. students and selected a few of them. A few others were placed via off-campus placements in Delhi and the NCR.

DIPSAR AT A GLANCE

EXISTING INFRASTRUCTURE AND FUTURE DEVELOPMENT IN PIPELINE

The Library

The Institute has one of the richest Pharmacy Library collections in India with over 15,000 books, national and international journals and magazines covering all branches of Pharmaceutical Sciences like Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmaceutical Biotechnology, Pharmacognosy and Pharmaceutical Technology. It also has a good collection of books of allied fields like Medicine, Pathology, Biochemistry and Microbiology. The AIR-CONDITIONED library is conducive for long hours of study and research by faculty and students.

State of Art Laboratories

In addition to the laboratories meant for UG/PG routine teaching the institute has got many state of art laboratories.

- Antifertility & Infertility

- Ocular Pharmacology
- Anticancer
- Anti-Diabetic Research Lab
- Novel Drug Delivery
- Clinical Research Department
- Indian System Medicine
- Sophisticated Analytical Instrument Lab
- Sophisticated Pharmacology Instrument Lab
- Information Technology (I & II)

Student Amenities

Hostels

Completely fully furnished equipped with RO Water system, Gymnasium swimming pool, Playground.

Two boys hostel for undergraduate post graduate & PhD scholar
Four Girls Hostel two of them for under graduate & two for Post Graduate & PhD.
