ANAB ACCREDITED

MISSION STATEMENT

The raison d'etre - to unearth the hidden talent in the younger generations, making them stronger in fundamentals and more competitive. Thus paving the way for a prosperous nation, for the future lies in the hands of the younger generations.

We believe in mind over and above matter.

Respected Sir/Madam,

It gives me great pleasure to present the 15th National Level Science Talent Search Examination. In these 14 years we have progressed step-by-step in inculcating revolutionary learning practice through quality, unbiased and researched assessments. We acknowledge your contribution in making the younger generation strong in fundamentals and admire you for that.

UNIFIED COUNCIL is working towards helping schools, teachers, students and parents get an exact picture of the level of scholastic skills of the students from class 2 to class 12 in subjects of Maths and Science. This is being achieved through our National Level Science Talent Search Examination (NSTSE), which is based extensive curriculum research, student achievement level analysis and definition of skill levels for children across State, CBSE and ICSE boards.

This is the only National Level Talent Examination, which stands by its name. NSTSE is spread all over India, facilitating the participation of all schools, even in the most remote areas. We have made this possible. With our vast network, and the continuous support of various academicians. Any school situated in India can take part in this exam, giving its students an opportunity to prepare themselves to take on the world when they enter the competitive mainstream.

NSTSE, a curriculum-based examination, will prove very useful to students who wish to assess their strengths and weaknesses in the subjects of Maths and Science. As an integral part of the academia, this programme will have a far-reaching effect on the competitive spirit of young minds. Based on the development of a skill blueprint, highly experienced educational specialists develop these assessment tests. The analysis of the performance is done at individual student level, class, school and country levels.

Looking back, the academic year 2011-12 has brought us closer to schools working to push the boundaries of student achievement. 3,70,000 students participated in NSTSE-2012. The NSTSE, our offering to schools has been appreciated for its utility as a tool for catalyzing improvement. The exam is also conducted simultaneously in **Indonesia, Saudi Arabia, UAE, Qatar, Yemen, Oman, Kuwait, Nepal, Libiya, Bahrain, Iran, Russia** and **Tanzania.**

You, and only you, can help arm your students with all the weaponry to face the competitive career-driven world.

We request you to encourage your students to display their latent talents and motivate them to participate in NSTSE – 2013.

Thanking you,

With warm regards

K.S.VAS

Director

To make the younger generation stronger in fundamentals and to nourish their minds for a bright and enterprising future

About Unified Council

Unified Council is a professionally managed progressive organisation in the field of education, established in the year 1998 by eminent personalities from various fields. Since its inception, Unified Council has brought together the best brains in the field of education in an endeavour to make the younger generation stronger in fundamentals and to nourish their minds for a bright and enterprising future.

The Unified Team has experienced teachers and professionals with a strong background in school education. This experience helps the team understand and implement solutions that are based on actual needs of schools and teachers. Unified Council's offerings are also based on a strong foundation of curriculum and educational research.

Fundamental Revolution

The focus on fundamentals is so important, that when the child completes his/her studies, he/she will face the competitive world with equanimity, armed as he/she is, with these fundamentals. Even while opting for higher studies the student has to go through a complete scan of what and how much he/she knows. Exams like IIT-JEE, AIEEE, AIIMS, AFMC, CAT, SAT, GRE, GMAT, etc. are so designed to test the fundamental strengths of a student. Hence, the need of the hour is to build a fundamental base as strong as possible.

This exactly is the philosophy behind our National Level Science Talent Search Examination. That's reason why we call it the Fundamental Revolution.

NSTSE is a scientifically designed, skill-based assessment test, question papers are prepared after a detailed study of the syllabi of different central and state boards. Rather than testing rote learning, it focuses on measuring how well the SKILLS and CONCEPTS underlying the school syllabus have been learnt by the student. The test result provides information on the strengths and weaknesses of individual students and also of the entire class.

NSTSE is a diagnostic test, which actually helps students improve.

Unlike regular tests which try only to find out how much a child knows (or has memorized), NSTSE measures how well a student has understood the concepts and gives a detailed feedback on the same, to help them improve.

Thus NSTSE helps each student know whether he/she has actually understood a concept or not so that immediate action can be taken. Often students have conceptual gaps, which increase as they progress and when they reach the higher classes, they develop a "phobia" for the subject.

Thus, NSTSE focuses on IMPROVEMENT rather than comparison or grading. It also reduces the stress of exams by checking the UNDERSTANDING rather than the FACTS.

Feature	Advantage
Skill-based	Provides feedback on real learning & relevant concepts - actually tests what is being taught
Provides benchmark with students all over India	Allows the student to know where he/she stands on a national level
Provides detailed analysis and feedback	Pinpoints areas of strengths and weaknesses
Low cost	Affordable, accessible to all students(through schools or individually)

Eligibility

The medium of the Test will be English. Students of classes II, III, IV, V, VI, VII, VIII, IX, X, XI(PCM), XI(PCB), XII(PCM), XII(PCB) are eligible to participate in this examination.

Examination Pattern

There will be a different Question paper for each class. All the questions are objective-type with no negative marking for wrong answers.

Class	No. of Questions	Marks
2	50	50
3	75	75
4-12	100	100

Duration of the examination for all classes: 90 minutes

Division of Marks

For class II

Mathematics	:	25 marks
General Science	:	25 marks

For class III

Mathematics	:	40 marks
General Science	:	35 marks

For classes IV & V

Mathematics	:	45 marks
General Science	:	45 marks
General Questions	:	10 marks

For classes VI to X

Mathematics	:	25 marks
Physics	:	25 marks
Chemistry	:	20 marks
Biology	:	20 marks
General Questions	:	10 marks

For classes XI & XII(PCM)

Mathematics	:	40 marks
Physics	:	25 marks
Chemistry	:	25 marks
General Questions	:	10 marks

For classes XI & XII(PCB)

Biology	:	40 marks
Physics	:	25 marks
Chemistry	:	25 marks
General Questions	:	10 marks

Syllabus

NSTSE will be based on the CBSE syllabus. 85% of the Syllabus considered for setting the NSTSE Question Paper.

NSTSE question papers are also suitable for students following ICSE/ISC and various other State Board syllabi.

> **Date & Examination Time**
> **Date: 27-01-2013 (Sunday)**
> **Time: 10:30 AM to 12:00 Noon**

Last date for receiving applications: 24-11-2012

Examination Fee

Rs. 100 (Rupees One Hundred only)

- Students desirous of referring to previous years' Question Papers should add Rs. 40 for a set of Question Papers (This set is a combination of previous NSTSE Question Papers and model Question Papers).

- Students who opt for student's performance report should add Rs. 15.

Note: Student's Performance Report (SPR) is very unique & useful tool for students to know their academic strengths and weaknesses. SPR provides real feedback on real learning. We request you to encourage every student to opt for SPR.

How to apply

- Please send a single consolidated Demand Draft for the exam fee of all the students appearing for the NSTSE from your school.
- The school is permitted to retain Rs. 15 per each student enrolled towards the examination expenditure which includes bank charges, postal charges, invigilation and remuneration for the teacher in-charge.
- D.D. should be drawn in favour of UNIFIED COUNCIL, payable at HYDERABAD.
- Frame the list of students in the given format (preferably typed) and send it to our address along with D.D. By Speed Post / Registered Post / Courier Service.

F O R M A T

S. No.	Name of the Student	Father's Name	Class (Numeric)	For Class 11 & 12 Group PCM / PCB	SPR Required (Yes/No)

Note for Classes 11 and 12, please mention the group (PCM/PCB) & There is no exam for PCMB.

- No. of students from class: 2___, 3___, 4___, 5___, 6___, 7___, 8___, 9____, 10____,11(PCM)____, 11(PCB)____, 12(PCM)____,12(PCB)____ Total___
- No. of students requiring SET of Question Papers: 2___, 3___, 4___,5___6___, 7___, 8___, 9____, 10___, 11(PCM)____, 11(PCB)____, 12(PCM)____, 12(PCB)____Total___
- Total No. of SPR's required: _____

- Name of the Principal & Phone No. (Mobile/Resi.): Mr/Mrs/Ms
- Name of the Teacher In-charge & Phone No.(Mobile/Resi.): Mr/Mrs/Ms
- Test centre (Self Centre / Select from the list given in the last page) :
- Syllabus followed (CBSE/ICSE/State Board (Specify):
- Name of the Unified Council's Regional Co-ordinator (If anybody approaches):

Signature of the Teacher In-charge/Guide Teacher   Signature of the Principal

Special Recognition for the Teacher In-charge :

The teacher in-charge of a school which sponsors a minimum of 200 students will receive a Pen Drive .

Venue of the examination: If 40 or more students are interested in taking this exam from your school, then the examination venue will be your School / Institute. The Teacher In-charge of this examination has to conduct the NSTSE according to the schedule. Our Regional Co-ordinators will also help the Teacher In-charge in conducting the examination. If the number of students are less than 40, please select the test centre from the list given on the page 10.

Note: Please note that no Cash / Cheque is to be given to any person or representative of Unified Council. Unified Council will not be responsible for any such monetary transaction. D.D. should be sent directly to the Unified Council's office (Hyderabad) address only. All matters are subject to exclusive jurisdiction of Hyderabad only.

An opportunity offered for the first time in India

Every student who enrols for this exam will receive one of the Success Series Books, with comprehensive information on effective study techniques, memory sharpening methodologies, short-cut techniques to arm the students with the ability to solve the toughest of problems, absolutely FREE of cost

worth **Rs. 50**

SUCCESS Series Books:

For Class II	:	Passport to Knowledge Republic-II
For Class III	:	Passport to Knowledge Republic-III
For Class IV	:	Passport to Knowledge Republic-IV
For Class V	:	Passport to Knowledge Republic-V
For Class VI	:	Success Plan Junior
For Class VII	:	Success Plan
For Class VIII	:	Success Plan Plus
For Class IX	:	Success Wizard
For Class X	:	Success Plan Senior
For Class XI	:	Success Blue Print
For Class XII	:	Success Unlimited

Contents:

- How the human brain works
- How to learn effectively and remember better
- Best methods of revision (Systematic Revision Techniques)
- How to prepare one's own special notes (Mind Mapping Techniques)
- Tips for perfect health
- Testing of Sequential Thinking
- Short-cut techniques to solve complex problems within seconds (Unified Speed System of Basic Mathematics)
- How to remember long-sequences, spelling and complicated objects / formulae (Mnemonics technique)
- Exercises to improve memory power
- How to score better marks in any examination
- Testing of IQ
- Using Brain Power
- Calligraphy
- Stress Management
- Lateral Thinking Puzzles
- Effective Techniques for Concentration

Individual Student's Service Analysis report

Student's Performance Report 1 & 2 (SPR):

SPR-1: Question wise analysis

SPR-2: Skill wise analysis

We are providing student's performance report (SPR) for individual students, which provides all the details of

- His/her chosen answers for all question in the NSTSE
- Correct answers for all questions in the examination
- Subject wise marks
- Over all ranking in the National level
- Group Highest marks
- Question wise analysis, Skill wise analysis

SPR provides a real feedback on real learning. It allows the students to know where he/she stands and pinpoints areas of strength and weakness. This report is for feedback and improvement.

If a student requires this SPR, he/she has to add Rs. 15 to the Examination Fee.

> Unified Council is the pioneer in India to offer this extensive range of reports

Merit / Participation certificates

Merit / Participation Certificates will be provided to all the participants on the basis of their performance.

Students will be provided with All India Rank and State Rank.

RANKING: When more than one student gets an equal top score, priority for awarding ranks will be according to marks acquired in the following specified order of subjects: Mathematics (Biology, for PCB group), Physics, Chemistry, Biology and General Questions.

A Unique Service from Unified Council for schools

We use world class technology to assess students' performance.

An extensive General School Report (GSR) will be forwarded ABSOLUTELY FREE to all participating schools.

General School Report (GSR) analyses the performance of students participating in the examination (subject-wise and class-wise). The report, in a graphical format which will have a Histogram Graph. It is a useful tool for marking the areas of weaknesses by schools that wish to improve their students' performance.

Individual School Report (ISR), analyses the performance of your school students by segregating the questions for different skills (Subject wise and Class wise). This report acts as a tool for the schools to improve their students' performance in the future by marking the areas of weaknesses. ISR is also provided free of cost.

Gold Medals, Cash Prizes & Awards

Gold Medals & Cash Awards (or) Scholarships for the first 3 in each class (Ranks 1-3)

A. NSTSE topper will be awarded with Rs. 2,00,000 cash prize*. The student who achieves the highest percentage of marks among all the classes is declared as NSTSE Topper.

B. The Top Three rankers in each class will be awarded with a Tablet PC + Memento + Medal.

C. The next 7 rankers in each class (Ranks 4-10) of classes II-XII will be awarded with a cash prize of Rs. 1000.

D. The next 15 rankers in each class (Ranks 11-25) of classes II-XII will be awarded with a cash prize of Rs. 500.

E. Rankers 26-100 of each class will be awarded with BMA's Talent & Olympiad Exams Resource Book from M/S. Brain Mapping Academy.

All the above rankers from class II-VI will be offered a discount coupon of 50% (Rs.900) on Unified Knowledge Box Activity kit.

All the rankers (1-100) from class VII to IX will be offered a discount coupon of 50% (Rs. 750) on Ambition IIT/AIEEE material.

All the rankers (1-100) toppers will be awarded with a Britannica Encyclopedia – 2012 edition CD pack worth Rs. 995/-, a Medal and a certificate of appreciation.

Participation certificates for all the students who appeared for the examination.

Prizes for State Toppers :

Top 3 rankers in each state (minimum of 10,000 students in a particular state) will be awarded with a special award as a token of encouragement. He/she will be awarded with a Britannica Concise Encyclopedia - 2012 edition CD worth Rs.995, Medal & certificate of appreciation.

Note: State wise ranks are declared after excluding the top 100 ranks across the country.

* NSTSE Topper : A student of any class who achieves 100% marks will be awarded with a prize money of Rs. 2,00,000. If none of the students achieves the same, then the student who achieves the highest percentage of marks among all the classes will be awarded with Rs. 1,00,000. If there is more than one student who achieves the same, the prize money will be distributed equally. Each topper will get either this prize or the regular prize (refer B).

Consolation Prizes

Top ranker in each class from selected cities* will be awarded with a Britannica Concise Encyclopedia - 2012 edition CD worth Rs.995.

Top ranker in a city from each class (II – VI) will be offered a discount coupon of 25% (Rs. 450) on Unified Knowledge Box Activity kit and the topper from each class (VII – IX) will be offered a discount coupon of 25% (Rs. 375) on Ambition IIT/AIEEE material.

Note: City wise topper is declared after the top 100 ranks across the country and state toppers.

City Rank (for every Class) will be declared for the classes having a minimum of 500 students in a particular city.

Bangalore, Bareilly, Bhubaneswar + Cuttack, Chandigarh + Mohali + Panchkula, Chennai, Faridabad + Gurgaon, Hyderabad, Indore, Jalandhar, Jaipur, Kolkata, Kanpur, Kota, Lucknow, Mumbai, Nagpur, Nasik, Noida + Ghaziabad, Pune, Varanasi,Yamuna nagar + Karnal + Ambala + Kurukshetra, Vadodara and Visakhapatnam.

School / Class Topper: We declare a School Topper from every School sponsoring a minimum of 50 students (or) a Class Topper in a school (with minimum of 20 students) who will be awarded with a Medal & Certificate of appreciation. Class Topper award will be declared for only those classes which are not in top 100, State and City toppers.

Our contribution to your school

● Any school that sponsors a minimum of 100 students will be receiving the following as a complimentary gift:

No. of Students	Offer
100	Britannica Encyclopedia CD worth Rs. 995.
200	CD+ Talent & Olympiad Book for class 2,3 & Reasoning Trainer Book for class 4,5.
300	CD+ Talent & Olympiad Book for class 4,5 & Reasoning Trainer Book for class 6,7.
400	CD+ Talent & Olympiad Book for class 6,7,8 & Reasoning Trainer Book for class 8,9.

Institutional Awards

Best Performance Award - School

● Five top performing schools in each zone (South, North, East, West) will be presented with Best Performance school award

● The Principal and Teacher in-charge of the respective schools will be awarded with a Mobile Phone

Best Participation Award - School

● Will be presented to all the schools which forward more than 100 applications.

All the Principals & co-ordinating Teacher in-charges of the exam will be awarded a certificate of appreciation.

Presentation of Awards

The awards for the top 3 rankers in each class and the Institutional Awardees will be presented by eminent personalities at a grand celebration in Hyderabad.

Comments from the teachers about the NSTSE - 2012

These exams are a launch pad for the students enabling them to prepare for future competitions and making them aware of the evolving technicalities in the examination system. Students are learning to evaluate their scientific skills and the importance of applied knowledge. Unified Council is doing a tremendous job. All the best for your future endeavors.

Mrs. Saroj Gupta, Somerville School, Greater Noida.

The question paper was designed well as per the aptitude of the children and the examination has been conducted smoothly and successfully. The standard of the question paper was very good and we hope to conduct this examination in future as it helps the students to get prepared for their regular exams and also to enrich their knowledge in science.

Ms. Nidhi Sharma, Ryan International School, Ghaziabad.

I congratulate and thank unified council for organizing the NSTSE for school students which will really help the students in attempting the competitive exams in future. The questions were thought provoking and mostly up to the level of students of each class.

Mrs. Shobhana Antony, Carmel Convent School, Bangalore.

National Level Science talent search Examination is one of the best examinations for the student for self evaluation of the subject matter. It helps the students to prepare for other competitive examination like AIEEE, AIPMT etc. It also helps us for giving co-scholastic indicators for the students in scientific skill related with CCE.

Mr. Laishram Arunjit Meetei, Jawahar Navodaya Vidyalaya, Manipur.

Unified Council exhibits an excellent professional approach in conducting talent exams and stands top amidst other talent examinations. I appreciate your commitment in moulding young talents through their intellectual competency.

Mrs. Rahmabi A.P., Yara International School, Riyadh.

With great pleasure I have gone though the success series books provided by Unified Council to the participant students of NSTSE. I found they are worth preserving and the best books for testing the fast reflexes, developing mathematical skills, enhancing languages and other related skills, lateral thinking and logical influence of the students. The standard of the question papers are exceptional, moreover the procedure of conducting the examination and communication are also appreciable.

We wish Unified Council all success and glory for enlightening knowledge of the students all over India.

Mr. Gopinathan, St. Vincent's Convent School, Balasore.

This is an excellent attempt to inculcate the scientific temper in the minds of school children. Your venture will go on a long way in creating more scientists. The questions chosen by you are so meticulate. The procedures in conducting the test are clearly defined and easy to follow. We will always patron your efforts in your noble mission.

Ms. K. Kavitha, Sri Matha Matric Hr. Sec. School, Kumbhakonam.

Standard of questions is undoubtedly excellent. Not only students but also teachers can learn a lot from it. So, I am happy that my students participate in this test every year and hats off to Unified Council for their great efforts to conduct this test.

Mr. Sachin, Cognizance Academy, Malout.

NSTSE is unlike other tests in many different ways.

- NSTSE has interesting questions that require thinking, not simply recall.
- NSTSE provides detailed skill-wise feedback highlighting strengths and weaknesses
- NSTSE provides a benchmark for the student's performance with peers all over the country.
- NSTSE is conducted to test students fundamentals, understanding of concepts and application skills rather than memory skills.
- NSTSE is conducted by India's first ISO 9001 certified organization in testing & assessment
- NSTSE is India's most popular examination and this is the 15th year of exam.
- NSTSE is conducted in 14 countries
- NSTSE question papers are well researched and aptly designed according to students' learning
- NSTSE question papers are designed based on the syllabus followed in India
- NSTSE is a diagnostic test for assessing ones strengths & weaknesses
- NSTSE is conducted at the end of the academic year unlike other exams conducted mid. NSTSE is the only exam in India which is conducted in schools and in open centres (around 200 test centres covering the entire country)
- Unified council provides unique analysis reports (skill wise & question wise analysis) for schools and students
- Unified Council offers free motivational books and Success Series to every student
- Till date over 5.2 million students benefitted through the exams conducted by Unified Council
- No other organization except Unified Council can match the advantages given to students & schools

UCO Unified Cyber Olympiad

Unified Council is conducting the popular Unified Cyber Olympiad (UCO), which will be held across the country with the following goals :

- streamlining computer education
- instilling competitiveness in computer education
- including logic, reasoning and mental ability in the learning process
- identifying talent and assessing students on a nationwide platform
- exposing students to the latest technology and study in computers

Exam Structure

No. of Questions : 50
Marks : 50
Duration : 1 Hour

Division of Marks

Mental Ability : 15 marks
Reasoning : 15 marks
Computers : 15 marks
English : 5 marks

Eligibility: Any student studying in classes 2,3,4,5,6,7,8, 9 & 10.

UCO will be conducted in two levels. The first level exam will be conducted in the respective school premises. 500 students from every class will be selected for the second level exam, which will be conducted in the nearest state head quarters/main towns.

Date of Exam: 07-09-2012
Exam Fee: Rs.100

For further details please send a mail/contact us.
