WELCOME

It is my pleasure to welcome you to employment with the Novi Community School District.

This handbook has been developed to help each of us understand what is expected of us so that we may perform our duties to the utmost of our abilities. Some of us provide direct educational services and some of us provide support for those educational services. Each of us has an important role to play in educating the children of the Novi community.

The community of Novi holds high expectations for the education of their children. The Board of Education holds high expectations for each of us. Your success will depend on how well each of us lives up to these expectations. If you have any questions regarding this handbook or your employment, contact the Human Resources Office at x1203.

We ask that you read this handbook carefully to fully understand Novi Community School District employment expectations. If you have any questions regarding any of its contents, please contact your supervisor. District policies, benefits, and rules may be changed from time-to-time as business, employment legislation, and economic conditions dictate. If and when provisions are changed, you will be notified accordingly.

The Novi Community School District hereinafter is referred to as the District.

MISSION STATEMENT

In partnership with parents and community, the mission of the Novi Community School District is to ensure that all students develop the knowledge, skills and character necessary to achieve their highest potential and to be productive members of an ever changing global society.

VISION STATEMENT

Developing each student's potential
with a world-class education.

AMENDMENTS AND MASTER AGREEMENT PROVISION

This employee handbook is intended as a general reference guide to procedures that must be followed within the Novi Community School District and the rules and practices governing your employment with the District. This employee handbook supersedes any and all conflicting prior practices and policies of the District, oral or written, and rescinds conflicting prior policies, procedures, handbooks or general District rules previously in effect. However, this employee handbook is subordinate to any Collective Bargaining Agreement which covers you and the provisions of any such Collective Bargaining Agreement shall prevail in the event of conflict with this handbook.

Any and all statements and policies contained in this employee handbook are subject to unilateral change, in whole or in part, by the District at any time. The District retains the right to change, modify, suspend, interpret or cancel, in whole or in part, any of the published or unpublished personnel policies and procedures of the District without advance notice in its sole discretion without having to give cause, justification or consideration to any employee. Recognition of these rights and prerogatives of the District is a term and condition of employment and of continued employment.

BENEFITS

COBRA

Consolidated Omnibus Budget Reconciliation Act (COBRA) is the continuation of health, dental or vision coverage, available for a limited time, to covered employees, their spouses and dependent children (all of whom are referred to as “qualified beneficiaries”) whose coverage would end upon the occurrence of any of the following “qualifying events”:

- an approved unpaid leave of absence;
- the death of the covered employee;
- termination (other than by reason of gross misconduct) or reduction of hours of the covered employee’s employment;
- divorce or legal separation of the covered employee;
- a dependent child ceasing to be a dependent child under the generally applicable provisions of the plan;
- your employer files for Chapter 11 reorganization under federal bankruptcy laws.

You and your dependent(s) must pay the required contribution for the continued coverage. Additional information regarding COBRA can be obtained from the Human Resources Department at 248.449.1200 x2013.

The following days are recognized as holidays:

July 4
Labor Day
Thanksgiving Day

INSURANCE

The Novi Community School District provides insurance to each eligible employee per the provisions of his/her bargaining agreement or contract. The nature, amount, extent, commencement, duration, and terms of benefits and coverages shall be as provided in the insurance policies, rules and regulations of the insurance carriers.

It is the policy of the District that employees may not have double coverage for health insurance. If you have health insurance through another source, you may qualify for a cash payment in lieu of health benefits. You may, however, have coordination of benefits for dental and vision insurance.

Insurance questions should be directed to the Human Resource Department at 248.449.1200 x2031.

Change of Status

All changes in status such as marriage, divorce, birth, adoption, death, a dependent ceasing to be a dependent, or loss of coverage from another insurance carrier are qualifying events that give you the opportunity to change your coverage outside of open enrollment. These changes must be reported to the Human Resources Department 248.449.1200 x2013 within 30 calendar days of the event.

Employees must notify the Human Resources Department within 30 calendar days of the loss of coverage in order to opt back into a medical plan.

Dental Insurance

Dental care coverage is provided by the District for eligible employees as indicated in the employee contract agreement and/or as explained in the Smart Choice Benefits Plan.

Eligibility

Coverage begins the 1st day of the month following the date you become eligible for coverage. An employee will not be provided with insurance coverage unless he/she is eligible for the coverage and has been enrolled for coverage by the insurance carrier.

Insurance coverage for the employee and eligible dependents will cease when the employee has terminated employment with the District, is on an unpaid leave of absence (other than under the guidelines of the FMLA), or is laid off from employment. Employees eligible for extension of benefits under COBRA need to contact the Human Resources Department 248.449.1200 x2013.

Health Insurance

Health care coverage is provided by the District for eligible employees as indicated in the employee contract agreement and/or as explained in the Smart Choice Benefits Plan.

Health Insurance Opt Out

Employees eligible for health insurance, but who are covered under another plan, are offered a cash incentive in lieu of health coverage based upon the conditions of their employee contract agreement. Employees selecting this option must complete a Medical Plan Coverage Verification Form to provide information regarding existing medical coverage.

Life Insurance

Group term life insurance coverage is provided by the District for eligible employees as indicated in the employee contract agreement and/or as explained in the Smart Choice Benefits Plan.

Long-Term Disability

Long-term disability coverage is provided by the District for eligible employees as indicated in the employee contract. Benefits are based on a percentage of the employee's contractual salary. Payments begin after the waiting period which is 121 days after the onset of disability. Additional information/qualifications is/are explained in the Smart Choice Benefits Plan.

Open Enrollment

Open Enrollment is a designated period of time set aside each year to give employees the opportunity to verify their health coverage, make changes to their health coverage, change health carriers, or elect new benefits. The District has designated three weeks in the month of November as our annual Open Enrollment period. Changes and elections made during November become effective on January 1 of the following calendar year.

Optical/Vision Insurance

Vision coverage is provided by the District for eligible employees as indicated in the employee contract agreement and/or as explained in the Smart Choice Benefits Plan.

Optional Insurance

Optional insurance such as group term life insurance, accidental death and dismemberment (AD & D) insurance, spouse and dependent life insurance, and increased long-term disability are available to eligible employees to purchase through payroll deduction.

Section 125 Reimbursement Account

The Internal Revenue Service (IRS) has approved the use of Section 125 reimbursement accounts for payment of allowed expenses using pre-tax dollars. Eligible staff members can contribute to, and benefit from, a Section 125 Reimbursement Account. Participation in this program is voluntary on the part of staff members. Enrollment is on an annual basis during the open enrollment period. Employees may enroll in the Health Care Reimbursement Account and/or the Dependent Care Reimbursement Account. Information on enrollment, contributions, qualifying expenses, and reimbursement procedures is in your SmartChoice Workbook available on-line at www.ee-commerce.com/novi/

SmartChoice Workbook/Plan/Election Forms

SmartChoice was created by a committee of representatives of every employee group in the District. Its design and purpose was to give employees the ability to choose between various benefit options and thus tailor their individual benefit program to their family's needs.

Updated SmartChoice Workbooks and Election Forms are made available to eligible employees before the Open Enrollment period each year. Election forms must be completed online and submitted to the Human Resources Department each year even if there are no changes in coverage elected. At the end of the Open Enrollment period, a confirmation statement is provided to each eligible employee to review and make any final adjustments. If adjustments are necessary, the confirmation statement with changes noted, signature, and date indicated must be returned to the Human Resources Department before the final adjustment deadline.

SICK/PERSONAL TIME

Sick/Personal Business Days are available to eligible employees as indicated in the individual contract, collective bargaining agreement, or conditions of employment. Accumulated leave days are posted on pay stubs; however, attendance is generally 7-10 days behind the date of the check. For an accurate accounting of your available days, you may call the Payroll Department at 248.449.1200 x2024.

Personal Business days must be pre-approved by the employee's supervisor and are deducted from the employee's sick bank. Personal Business absences shall be granted for personal or private business, including the observance of religious holidays. Personal business days may not be used for vacation. The number of personal business days allowed per fiscal year is determined by the employee contract agreement.

All unused sick/personal days shall be added to the annual yearly allowance at the beginning of each fiscal year.

If the employee leaves employment with Novi Schools prior to the end of the school year, sick/personal days will be prorated. If the employee has used more than the prorated amount, the employee will be required to reimburse the District.

VACATION DAYS

Vacation days are available to eligible 52-week employees. Vacation days must be approved in advance. Vacation days available to the employee are listed on his/her pay stubs; however, attendance is generally 7-10 days behind the date of the check. For an accurate accounting of your available days, you may call the Payroll Department at 248.449.1200 x2024.

Employees must submit a completed absence request form for a vacation request to their immediate supervisor prior to the date of absence for approval. The supervisor will approve or deny the request. Employees who report absences through the SubFinder system need to immediately report their absence upon approval of the supervisor.

Upon termination of employment, accrued and unused vacation days will be paid according to terms specified by policy or in any appropriate employment contract only if the employee provides at least two (2) weeks notice of resignation, actually works the entire notice period, and is not discharged for specified offenses (e.g. work rule violation, excessive absenteeism, theft, etc.). Bargaining agreement provisions will prevail if in conflict with this provision.

WORK INJURIES/WORKER'S COMPENSATION

In the event an employee is injured in a work related incident or receives a work related illness, the employee must follow the procedures outlined below:

1. Immediately report the injury/illness to the supervisor. If the supervisor is not available, the injury/accident should be reported to another supervisor or to the Assistant Superintendent of Human Resources or the Payroll Supervisor.
2. An **Injury and Illness Incident** (MIOSHA Form 301) is to be completed in its entirety and requires the employee's signature in his/her own handwriting and the supervisor's signature. Following completion, the form is to be submitted to the Payroll Supervisor within five (5) working days following the injury/illness.
3. If medical treatment is needed, authorization for treatment must be obtained from the Human Resource Office. You must then report to the authorized District medical clinic:

St. John Providence Health System - Novi
Occupational Health Partners
47601 Grand River Avenue, Suite B230
(Outpatient Center - Northeast Entrance)
Novi, MI 48374
Phone: 248.465.4800

4. If the employee is treated at the medical clinic for an injury or illness, a "fitness for duty" authorization signed by the attending physician must be given to the supervisor or faxed to the Payroll Supervisor at 248.449.1215 upon returning to work.

The initial treatment and follow-up exams must be obtained at the authorized District medical clinic for the first ten (10) calendar days following the injury/accident. If, during the first ten calendar days, treatment is obtained from a health care provider other than the authorized medical clinic, the employee may be responsible for any charges incurred.

FAMILY AND MEDICAL LEAVE ACT

In accordance with the Family and Medical Leave Act (FMLA), eligible employees will be provided with up to 12 work weeks of unpaid leave each year for family medical or personal medical purposes. Employees who have worked at least 12 months and have accumulated at least 1,250 hours during the preceding 12 months are eligible for FMLA leave. Eligible employees may request FMLA unpaid leave of absence for:

- 12 work weeks for the following reasons:
 - the birth and care of the newborn child of the employee;
 - for placement with the employee of a son or daughter for adoption or foster care;
 - to care for the employee's spouse, child or parent with a serious health condition; or
 - to take medical leave when the employee is unable to work because of a serious health condition.

- 26 work weeks of leave during a single 12-month period to care for a covered service member with a serious injury or illness who is the spouse, son, daughter, parent, or next of kin to the employee (military caregiver leave). Refer to Board policy 3430.01 and 4430.01 for additional information.

The 12-month period is a "rolling" 12-month period, measured backward from the date an employee uses any Family and Medical Leave. Each time an employee takes Family and Medical Leave, the remaining leave entitlement would be any balance of the 12 weeks which has not been used during the immediately preceding 12 months.

The request for leave must be in writing and should be presented to the Assistant Superintendent for Human Resources at least 30 calendar days in advance of the requested departure date, when practicable, along with the expected date of return to work. Employees requesting the leave for health reasons must provide medical certification of the need for the leave and the probable duration of the leave.

This written medical certificate must be provided to the Assistant Superintendent for Human Resources within 15 calendar days after request for FMLA leave.

Where leave is taken to care for a family member with a serious health condition or due to the employee's own serious health condition, leave may be taken intermittently or on a reduced leave schedule (such as partial day or week) when medically necessary. Such leave is not available for care of a child after birth or placement. Employees needing intermittent leave or leave on a reduced schedule must attempt to schedule this leave to avoid disruption of the operations of the District. The taking of leave intermittently or on a reduced leave schedule shall not result in a reduction in the total amount of leave to which the employee is entitled.

Employees are required on commencing the FMLA leave, simultaneously, to take any paid leave days for which they are eligible in accordance with collective bargaining agreements or contracts and conditions of employment. The employee may elect to substitute accrued vacation days for unpaid leave. If an employee is on leave due to disability or workers compensation, the leave will be counted against the employee's FMLA leave entitlement.

Prior to returning to work the employee who takes a leave because of a serious health condition will be required to furnish a medical release from their health care provider, acceptable to the District, attesting that they are able to perform the essential functions of their job without posing a threat to the safety or welfare of themselves or others.

The District will continue group health coverage for those employees who are covered under the District's medical insurance at the time of the leave but, if the employee fails to return to work following the leave, he/she may be required to repay the insurance premiums paid by the District on behalf of the employee during the leave. Employees who normally pay a portion of health care premiums prior to leave of absence must continue to pay his/her share of health care premiums during the leave of absence. If premiums are raised or lowered during this time, the employee will be required to pay the new premium rates.

If an employee who normally pays a portion of health care premiums fails to make such payments, the District may, at its option, continue health care coverage to any employee by paying the employee's portion of the health care premium. If the District exercises this option, the District is entitled to recover the additional payments made during the FMLA leave on behalf of the employee while on leave, after the employee returns to work.

The District will do the same with other benefits (e.g. dental and vision) while the employee is on FMLA leave. If the District, at its option, pays the premiums, the employee shall reimburse the District for payments made on the employee's behalf when the employee returns to work.

Employees may not engage in similar employment, other than employment with the District, during a FMLA leave. Employees who are found to have engaged in such alternate employment will be subject to dismissal.

Except as provided below, an eligible employee who takes leave in accordance with this regulation is entitled, on return from such leave:

1. to be restored to the position of employment held by the employee when the leave commenced; or
2. to be restored to an equivalent position with equivalent employment benefits, pay and other terms and conditions of employment

The taking of a leave shall not result in the loss of any employment benefit accrued prior to the date on which leave commenced. However, the employee is not entitled to the accumulation of any seniority or employment benefits during any period of such leave, or to any right, benefit, or position of employment other than any right, benefit or position to which the employee would have been entitled had the employee not taken the leave, except in accordance with the applicable collective bargaining agreement, conditions of employment or contract.

Reference: The Family and Medical Leave Act of 1993, 29 USC 2611, et.seq.

JURY DUTY

If an employee is called to serve on jury duty, he/she must notify the Payroll Office as soon as possible, but no later than one (1) business day after receipt of the notice and provide the Payroll Office with a copy of the jury summons. Regular full-time employees who serve on jury duty will continue to receive the regular daily wage for each day the employee reports for or performs jury duty, provided the employee would have normally been scheduled to work on such days. The time spent on jury duty will not be deducted from the employee's accrued leave days.

To be eligible for jury duty pay, the employee must furnish the Payroll Office with written verification of any pay received from the court and the dates that jury duty service was performed. The employee must also provide a check or money order payable to Novi Community School District for the full amount of the jury fee paid, excluding any mileage or travel fees. Payment will be made as provided in the applicable collective bargaining agreement or conditions of employment.

NAME CHANGE

To change your name with the District, you must first change your name with the Social Security Administration. You may visit the nearest Social Security Office or call the Social Security Hotline at 800.772.1213. When you receive your new social security card, send or fax a copy to the Human Resources or Payroll Office and your record will then be changed. Also, a MPERS form will need to be completed with your name change. Teachers will also need to submit a request for "Duplicate Certificate" to the Michigan Department of Education.

Contact the Benefits Department at 248.449.1200 x2013 if there are any changes in name, beneficiaries, dependents, or address.

MEDICAL/DISABILITY LEAVE OF ABSENCE

A request for a medical/disability leave of absence must be submitted in writing to the Assistant Superintendent for Human Resources. A doctor's note must accompany the request stating

the length of time the employee will need to be on leave. Employees covered by a master contract should read the agreement for details governing the conditions of their leave.

Upon return from a medical/disability leave, employees will be required to furnish a medical release from their health care provider, acceptable to the District, attesting that they are able to perform the essential functions of their job without posing a threat to the safety and welfare of themselves or others. The medical release must be provided before the employee returns to work on the scheduled day, otherwise, employment is subject to dismissal.

Please refer to Board Policies 3430 and 4430 for further Information.

MILITARY LEAVE OF ABSENCE

Employees who are called into military service will be granted time off to satisfy these obligations. Employees who require a military leave should inform their supervisor and the Assistant Superintendent for Human Resources as soon as orders are received. A copy of the orders should be forwarded to the Human Resources Office.

The Uniformed Services Employment and Reemployment Rights Act (USERRA) protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services. Under USERRA you have unemployment rights, the right to be free from discrimination and retaliation, health insurance protection and enforcement assistance.

Employers are required by law to allow regular employees temporary leaves of absence without pay for military leave. Employees who enter active military duty, either voluntarily or involuntarily, are entitled to reemployment rights if the active duty does not exceed five (5) years, plus any time that the person was unable to obtain orders relieving him/her from active duty, or if the active duty is extended by federal request.

Employees must be returned to the same positions they held at the time they left or positions that are substantially similar in status, pay and seniority that they would have held if the military had not interrupted their career. They are considered as having been on leave of absence. Additionally, employees are not to be discharged from their employment without cause within one year after restoration of reemployment. Refer to Board Policies 3437 and 4437 for further information.

PERSONAL LEAVE OF ABSENCE

A request for a personal leave of absence, disclosing the reason, must be submitted in writing to the Assistant Superintendent for Human Resources and is not to exceed one year in duration. The approval or denial of a personal leave request is at the sole discretion of the District and must be approved by the Board of Education.

Employees covered by a master agreement should read the agreement for details governing the conditions of their personal leave. Please refer to Board Policies 3430 and 4430 for further information.

RETIREMENT - MPSERS

An employee who has made the decision to retire from the District is requested to submit a letter of resignation to the Assistant Superintendent for Human Resources at least 90 calendar days prior to their official retirement date. Application through MPSERS should also be made at least 90 calendar days in advance.

Questions regarding retirement benefits need to be directed to the Michigan Public School Employees Retirement System (MPSERS) Office of Retirement Services. ATTENDANCE/TARDINESS

The District maintains established business hours based on the building schedule. Regularity of attendance and punctuality is essential to the orderly performance of our work. As an employee, you are required to be punctual and regular in your attendance. When you are absent or late for work, your work must be performed by others just as you must perform their work when they are absent. Employees are urged to use sick time sparingly.

You are required to report to work on time and be prepared to start work at your regularly scheduled starting time. You are also required to remain at work through the end of your schedule except for regularly scheduled breaks or authorized leaves. It is important that when you find it necessary to be absent, you contact the SubFinder system or notify your supervisor as soon as possible before you are expected to arrive to work, but no later than one hour before your normal scheduled starting time.

Employees requiring a guest substitute need to report their absence as early as possible for the District to schedule the best possible substitute to fill your position. Scheduled absences such as in-services and personal business days need to be reported immediately upon approval to insure your position is filled. Many guest employees also work for surrounding districts and their availability may be limited.

If an emergency arises and you will be absent or tardy, you need to contact your supervisor immediately. In all cases where you may be absent or tardy, you must provide your supervisor with an explanation. Whenever possible, you must also inform your supervisor of when you will arrive or return to work. Absent extenuating circumstances, you must call in on any day you are scheduled to report and will not be able to report.

During work hours, personal communications made or received, regardless of whether on a WCD, regular telephone, or network computer, can interfere with employee productivity and/or distract others. Employees are expected to use discretion in using personal WCDs while at work. Employees are asked to limit personal communication to breaks and lunch period and to inform friends and family members of the Board's policy in this regard.

District administrator. This policy is applicable regardless of whether the person suspected of abuse or neglect is another District employee. It is the District's desire to provide good working conditions and maintain harmonious working relationships among employees, as well as between employees and management.

Misunderstandings or conflicts can arise in any organization. To ensure effective working relations, it is important that such matters be resolved before serious problems develop. Many incidents resolve themselves naturally. If a situation persists that is believed to be detrimental to an employee or the District, the employee should first discuss it with his/her immediate supervisor. If the issue is not resolved, the employee should follow the procedures in his/her individual contract, applicable collective bargaining agreement (CBA), or contact the Assistant Superintendent for Human Resources.

As a member of the District, employees are expected to accept certain responsibilities, adhere to acceptable business principles in matters of personal conduct, and exhibit a high degree of personal integrity at all times. This not only involves sincere respect for the rights of others, but also demands that both in their business and personal life, employees refrain from any behavior that might be harmful to them, their co-workers, or the District, or that might be viewed unfavorably by current or potential residents or by the public at large. Whether during or outside of work hours, employee conduct reflects on the District and the highest standards of professionalism are encouraged at all times.

This includes a person or entity's lawful right to claims of ownership or authorship as outlined in the law. The Board of Education directs its staff to use copyrighted works only to the extent that the law permits. - (4) the effect of the use upon the potential market for or value of the copyrighted work.

CORPORAL PUNISHMENT

The disciplinary action which is imposed will depend upon various factors, including the nature and severity of the problem and the employee's disciplinary history. SCHOOL SAFETY INITIATIVES

Effective January 1, 2006 new statutory amendments to the Revised School Code require criminal history checks by the Michigan State Police and criminal records checks by the

Federal Bureau of Investigation for all employees assigned “regularly and continuously” to work under contract in any school. In addition, anyone employed after January 1, 2006 must have a criminal history check and criminal records check completed prior to employment.

Michigan law allows the school district to employ individuals as conditional employees before the criminal history check and criminal records check are received if employment will commence during the school year or within 30 days of the start of the school year.

The legislation, commonly referred to as the School Safety Initiative, prohibits a school district from hiring, or continuing to employ, any person convicted of a crime listed and defined under the Sex Offenders Registration Act (SORA). An employee convicted of a felony other than a “listed offense” may not continue in their employment unless approved in writing by the District’s Board of Education and the Superintendent.

Any employee charged with a crime under Section 1535a(1) or 1539b(1) of the Revised School Code must notify the Superintendent within three (3) business days after being arraigned for the crime. The Superintendent must also be notified by the employee if he/she enters a plea of guilty or no contest to or is the subject of a finding of guilt by a judge or jury of any crime after having been initially charged with a crime described in Section 1535a(1) or 1539b(1).

This legislation has very strict requirements for both the school district and employees. If you have any questions as to whether you need to report any incident of a criminal nature, please contact the Assistant Superintendent of Human Resources. Refer to Board Policies 3121, 3121.01, 4121, 4121.01 for additional information.
