Tamil Nadu, India.

Tel : 0091-44 2476 5512 Extn. 203 E-mail: registrar@sriramachandra.edu.in

☞ All admission related enquiries should be addressed to the Registrar, Sri Ramachandra University. **No agency/private individual is involved in the admission of students to Sri Ramachandra University and prospective students are advised to address all their admission related queries to the above officer only.**

Exemption from All-India Entrance Examination requirement

Non-resident Indian Students and Foreign students are exempted from taking the All India Entrance Examinations conducted by Sri Ramachandra University for admission. As students come from different backgrounds and from a wide range of countries graduating at different times each year, a common entrance examination for them is not held. However the applications are carefully scrutinized to assess the relative merits of the candidates before being selected for admission.

On the basis of the information provided in the format given, a process of screening will take place and the eligibility will be assessed. Once accepted to the course, the candidate will be notified by e-mail/letter regarding their status.

Process of application and admission:

The candidates are required to download, fill in and send the application with all enclosures through courier/speed post to the Registrar. **(After issue of Notification in the SRU Website from January 2015)**

Those students who receive the letter of acceptance are required to send the first installment payment on or before the date stipulated in the said letter of provisional acceptance failing which their provisional acceptance will stand cancelled and the seat offered to other applicants.

The payment must be made only in US dollars as a **Draft or Cashier's Check** drawn in favour of **Sri Ramachandra University**, Porur, Chennai and sent to the Registrar by air-mail speed-post/courier. The payment may also be made by means of **electronic transfer between banks** (details will be given in the provisional acceptance letter)

The tuition fee structure and payment details are as follows: (This is as per the academic year 2014-15, if there is any revision in tuition fee, it will be notified in the Prospectus 2015-16)

| Sl. No. | Courses | Duration | Total fee US \$ | 1 st Installment US\$ | 2 nd Installment US\$ | 3 rd Installment US\$ | 4 th Installment US\$ |
|---------|---|------------------------|-----------------|--|---|--------------------------------------|--------------------------------------|
| 1. | MBBS (Bachelor of Medicine & Bachelor of Surgery) | 4½ + 1 year internship | 1,75,000 | 1,00,000 payable on receipt of provisional acceptance letter | 75,000 Payable at the time admission i.e. in June/July 2015 | Nil | Nil |
| 2. | BDS (Bachelor of Dental Surgery) | 4 + 1 year internship | 60,000 | 25,000 payable on receipt of provisional acceptance letter | 15,000 Payable at the time admission i.e. in June/July 2015 | 10,000 Payable in May 2016 | 10,000 Payable in May 2017 |

| College caution deposit (refundable).Actual cost of damage, if any caused by student. will be deducted from this deposit | US\$ 350 |

Food charges approximately INR 38,000/- per annum, payable separately.

- For all NRI students, hostel accommodation is compulsory.
- No refund of hostel rent will be made if the students choose, for any reason, not to avail hostel accommodation, either at the time of admission or at a later stage. In which case they have to handover the vacant possession of the room to the Warden for proper maintenance.
- Students will have to pay tuition and hostel fees for extended period of study, if any beyond the prescribed course period as per the rules of the University.
- Actual cost of damage, if any, caused by the student occupying the hostel room, will be payable by the student on happening of each incident.
- Necessary undertakings regarding the above will have to be signed by the student and parent, at the time of admission to the course.

Application at the time of admission

A formal detailed application form filled in with particulars about local guardians, contact numbers, together with necessary undertakings, etc. will have to be submitted along with passport size photographs and other necessary credentials for the office records.

The International Students Relations Office will provide the necessary help for the students and parents to settle down in the campus. Students who have the PIO cards, OCI cards (or) students multiple visas could seek his help in processing the resident permit requirement for all foreign passport holders.

Visa requirement for a foreign passport holder to come to India and study:

For any NRI student, getting a visa for studies in Sri Ramachandra Medical College and Research Institute or for that matter in any major institution in India is not a problem. Students are advised to obtain and bring the Overseas Citizenship of India (OCI) card. This gives a number of privileges for students to come in and out of the country any number of times with ease. As a matter of requirement, all NRI/Foreign students should be cleared by the Ministry of Health & Family Welfare, Govt. of India and in this regard the institution will help with the process.

Commencement of the academic year

The Academic year is usually set to start in the 2nd week of July. Letters will be sent to all the candidates regarding the exact date of commencement sufficiently well in advance through email to enable them to plan their travel. Following the arrival of students there will be a short orientation program to help them adjust to the changes as well as to get to know the faculty, staff and the administration.

Campus amenities:

The campus has ATM, cafeterias, railways reservation counter, post office, travel agency, gymnasium and transport facilities for the benefit of students.

Health checkup

On arrival all new students will have to show evidence that he/she has received all the immunizations as necessary. An authorized medical officer at Sri Ramachandra University will conduct a basic health check on all students.

Subjects covered in the MBBS course during the first year:

The subjects covered in the first two semesters are as follows:-

- Anatomy
- Physiology
- Biochemistry

All the books necessary for the above courses are available at the bookstore / gift shop in the campus and are easy to procure. The professors and heads of each department will guide the students during the orientation period regarding the books to be studied.

Important - Compulsory Rotating Resident Internship (CRR) for MBBS

The entire Compulsory Rotating Resident Internship (CRR) of 12 months have to be undergone by the MBBS students in Sri Ramachandra Medical College and Research Institute only and if they opt to do a part of internship outside India, specific permission on individual basis have to be obtained by the students from the Medical Council of India, in advance.

BDS course:

The total duration of the BDS course is 5 academic years (including one year internship).

The courses that are to be taken in the first year of BDS are as follows:-

- General Human Anatomy including Embryology, Osteology and Histology
- General Human Physiology and Biochemistry
- Dental Anatomy Embryology and Oral Histology

Payment of Tuition and Other Fees

1. In the event of non-payment of tuition fee and other specified fees even after the lapse of the period specified for payment of the fees with penalty, notwithstanding the stage at which the student may be pursuing his course of study, the name of student concerned will be struck off/ removed from the Attendance Register. On such removal of name, the student(s) concerned will not be permitted to the privileges of the course to which he/she has been admitted to, including to attend classes/ practicals, to enter library and or any other facility provided in the college/University campus or to obtain any usual certificate such as to avail concession, etc.

2. In the event of removal of the name of a student from the Attendance Register, re-admission fee, as prescribed by the University, will have to be paid by the student concerned when he/she is permitted by the authority concerned to make payment of all the unpaid fees due to the University (i.e., tuition fee and other fee along with the specified penalty).
3. Similarly, examination fee, as prescribed and notified from time to time, shall be paid on or before the due date. Any delay in payment will attract penalty as specified. If any student fails to remit the examination fee even after lapse of the period specified for payment with penalty, such student will not be issued Hall Ticket for the University examination(s)/ debarred from appearing for the University examination(s).
4. All fees, once paid to the University account, will not be refunded or adjusted for any other purpose under any circumstance.

Rules for Discontinuance from Course of Study

1. Where any student applies for discontinuance, or without any application discontinues on his/her own, from the course to which he/she has been admitted to, for any reason, at any stage, either after the cut-off date prescribed by the statutory authorities for admission to the first year of the course concerned or where the seat is rendered vacant without having any chance of being filled up with any other candidate, such students will have to remit the tuition fee and other applicable fees for the 'entire/remaining course period'. Unless and until payment of all the prescribed fees for the entire/remaining course period is made to the University account, such student shall not be entitled to any certificate including transfer certificate, mark sheets etc., to be issued by the University and to get back his/her original certificates deposited with the University at the time of admission.
2. All students and parent will be required to furnish a declaration agreeing to the above said conditions at the time of admission.

Documents to be produced at the time of admission to the college:

It is important that on admission the following documents have to be handed over to the Office:

1. Original High School Transcripts
2. Original High School Diploma (If already received by the candidate)
3. Photocopies of the first page of passport with the photograph and also the VISA to enter the country [Student VISA, PIO Card (or) OCI card]. OCI card is preferable for all NRI candidates.
4. A certificate to show that the high school in which the student has studied has been accredited by the State / Country from the concerned authority.
5. Two passport size photographs and two stamp size photographs.
6. Photograph of parent (one).
7. Students applying for the MBBS and BDS courses should also submit an Equivalence Certificate from the Association of Indian Universities (AIU), New Delhi.

ABOUT SRU:

Sri Ramachandra Medical College & Research Institute of Sri Ramachandra University is located in suburban Chennai, the capital City of Tamil Nadu State and is only about 20 minutes drive from the airport by car. The City of Chennai well known and called Madras in the past, is a modern metropolis with all the amenities and comforts that one would look for in a big city. The temple town of Kancheepuram and the shore temple and architectural marvel of Mahabalipuram are only a short travel from the college campus and are great tourist attractions.

Commissioned in the year 1985, so far more than 24 batches of MBBS students have passed out of Sri Ramachandra Medical College and Research Institute and they are all well placed in different parts of the world including India. The 150 acre campus is indeed a mini town with facilities well suited for several thousand students pursuing various courses of studies. The natural setting of the campus and the infrastructure created to meet the highest standards in medical care, education and research are only too well known in India. The view books / CDs on the colleges and the medical centre will provide all the necessary information about the institution. The website can be accessed through www.sriramachandra.edu.in. The following information highlights the reasons why one should consider joining Sri Ramachandra Medical College and Research Institute.

The following are the constituent colleges of Sri Ramachandra University

1. Sri Ramachandra Medical College and Research Institute
 2. Sri Ramachandra Dental College & Hospital
 3. Sri Ramachandra College of Pharmacy
 4. Sri Ramachandra College of Nursing
 5. Sri Ramachandra College of Physiotherapy
 6. Sri Ramachandra College of Allied Health Sciences
 7. Sri Ramachandra College of Management
 8. Sri Ramachandra College of Biomedical Sciences, Technology & Research
- Sri Ramachandra Medical College and Research Institute is recognized by the Medical Council of India.
 - Sri Ramachandra Dental College and Hospital is recognised by Dental Council of India and Malaysian and Sri Lanka Dental Councils.
 - Sri Ramachandra Medical College and Research Institute is included in the directory of the World Health Organisation, which is a requirement for the college qualifications to be recognized internationally for purposes of higher postgraduate education and employment opportunities.
 - Sri Ramachandra University has been accredited by NAAC with 'A' grade with CGPA 3.62 on a 4-point scale.
 - Sri Ramachandra Medical College and Research Institute is recognized by the General Medical Council of UK and Thailand Medical Council.
 - The Centre for Toxicology and Developmental Research (CEFT) is GLP compliance certified. The first Medical University in India to get the GLP certification from DST, Govt. of India.
 - Sri Ramachandra Medical College and Research Institute has developed the necessary infrastructure not only to meet the expectations and standards of the Medical Council of India but to stay competent and competitive in the area of medical education, health care and research globally. As an institution offering post graduate and higher specialty education in medicine and health related areas, the institution offers a very high level of academic strength to the undergraduates.
 - Sri Ramachandra Medical Centre and the Hospital located in the campus offering a wide spectrum of primary, secondary and tertiary levels of health care. The outpatient department receives nearly 4500 patient- visits each day. There is a good mix of patients from the city of Chennai and also those from villages close to the campus. Being close to major interstate highways the emergency department stays busy with patients receiving Emergency and Trauma care round the clock. Several thousands of deliveries and surgeries take place each year. The medical centre is one among the most modern facilities in the country with a full range of diagnostic equipment and treatment options. Students can readily appreciate the significant amount of clinical knowledge and experience they can gain from these facilities. Students of Sri Ramachandra University do not have to depend upon any facility outside the campus for their learning and training.
 - There are close to 2500 rooms in the hostels for men and women students. Good sized single bath-attached rooms are available for NRI/Foreign students. These hostels are located in safe and beautiful surroundings and have quick direct access to the classrooms, laboratories, hospitals and the Sri Ramachandra - Harvard Library Learning Center.
 - Facilities for sports and cultural activities have been given special importance and to promote this, ground facilities and courts for playing cricket, tennis, volleyball, basketball etc. have been developed extensively. Coaches for all indoor and outdoor sport activities are available. Students from Sri Ramachandra Medical College and Research Institute actively participate and compete in many inter-college and varsity sports events. Indoor games facilities for Table tennis, Billiards, and Carrom etc in addition to well- equipped gymnasium are available in each hostel. Several social and cultural activities take place and students have shown a lot of interest in these activities over the years.

- The safety and security of our students have been given utmost importance in Sri Ramachandra University campus. The entire campus is well compounded by walls and trained security men are posted in all strategic locations including the single main gate entrance. Several faculty members and hostel wardens live inside the campus in proximity to the hostels. Sri Ramachandra Medical College and Research Institute has a track record of no student intimidation or ragging incidences of any significance inside the campus since the inception. Apart from the excellent traditions set by the senior students in this regard our faculty also help monitor the situation and take prompt and severe disciplinary action when necessary.
- Internet with its broadband capabilities is a great asset to the students. In addition to the computers available to students in the Sri Ramachandra Harvard Library, connectivity can be established from many areas including the hostels.
- All the classrooms and lecture theaters are air-conditioned. Provision for multimedia presentations including models and visuals are made available in all the teaching areas.
- Sri Ramachandra Medical College and Research Institute receives students from many countries and from all the different states in India. Several fellows sponsored by the WHO for higher training in specialties and many medical students from other countries including US, UK and Canada come for short-term rotations and clerkships. The cosmopolitan culture and the international attitude and outlook in the campus are readily perceptible even to a casual observer.
- Students who have an inclination towards research in addition to their course work and training will be able to find appropriate mentors in the areas of their interest.
- Ever since the college started in the year 1985 each year Sri Ramachandra Medical College and Research Institute has admitted several NRI/Foreign students coming from different countries like USA, Canada, UK, Australia, South Africa, Mauritius, Middle-east countries and Malaysia. The faculty and staff are aware of the various backgrounds from which these students come and are able to reach out and provide the necessary special and academic help for every individual student to develop his/her full potential.
- Students who have graduated from Sri Ramachandra Medical College and Research Institute have consistently performed well in USMLE and PLAB examinations and were able to secure very good residency positions in USA/ Canada and UK. Sri Ramachandra Medical College and Research Institute graduates are practicing a very wide range of specialties in different parts of the world and are very well placed.

Sri Ramachandra Dental College & Hospital

Sri Ramachandra Dental College and Hospital was started in 1995 as a constituent college of Sri Ramachandra University. Utilising a floor space of 2,29,000 sq.ft, the college has 330 well equipped dental chairs to fulfill the needs of the Undergraduates and Postgraduates in every branch of dentistry. There are specially designed laboratories and teaching facilities such as lecture halls, auditoria and departmental seminar rooms and departmental libraries which make this a well recognised institution in the country. Advanced diagnostic equipment such as Orthopantomographs, Cephalostats and maxillofacial and dental radiography have been included. In addition to the state of the art designated dental operation theatres, the vast diagnostic facilities, that are available at the medical centre are also readily accessible for the students and faculty of the dental college. Several hundred patients who visit the dental college and hospital every day appreciate the comprehensive care provided. Integrated for the BDS course is being introduced.

The Courses offered are recognised by the Dental Council of India and the relevant Councils of Malaysia and Sri Lanka. Among the academic collaborations entered into by the college those with the University of Sheffield – School of Clinical Dentistry, UK and the University of Hong Kong are notable.
