UNDERGRADUATE DEGREE PROGRAMS

I. INTRODUCTION

Tamil Nadu Agricultural University (TNAU), rated as the best Agricultural University in India by Indian Council of Agricultural Research, New Delhi, is an institute of excellence for higher education in Agricultural and allied subjects.

The TNAU had begun as an Agricultural School at Saidapet in Chennai in 1876 and blossomed as a College in Coimbatore, during 1906. In 1920, the college was affiliated to the University of Madras with the introduction of a three-year degree program. Till 1946, the Agricultural College and Research Institute, Coimbatore was the only institute for agricultural education for the whole of South India. In 1958, it was recognized as a Postgraduate Centre offering Masters and Doctoral degrees. The Agricultural College and Research Institute, Madurai was established in 1965. These two colleges formed the nucleus of the Tamil Nadu Agricultural University, when it was established in 1971 offering four year B. Sc. (Agri.) degree program.

In the year 1972, the degree programs B. Sc. (Horticulture) and B. E. (Agriculture) were started. In furtherance, in 1979, the faculty of Horticulture was established. To nurture the home grown innovations, in 1980, B. Sc. (Home Science) was started at Madurai campus. The third Agricultural College was started at Killikulam in 1984 and the fourth at Navalur Kuttappattu, Tiruchirappalli in 1989. B.Sc. (Forestry) program was started during 1985.

B. Sc. (Horticulture) and B. Tech. (Agricultural Engineering) degree programs are being offered at Horticultural College and Research Institute, Periyakulam and Agricultural Engineering College and Research Institute, Kumulur, respectively. A new Horticultural College and Research Institute for Women at Navalur Kuttappattu, Tiruchirappalli, offering B. Sc. (Horticulture) was established during 2011. The Forest College and Research Institute at Mettupalayam is offering B. Sc. (Forestry) program. A unique programme B. Sc. (Sericulture) was started during 2011 and is being offered at Agricultural College and Research Institute, Coimbatore.

In the backdrop of changing agricultural situation and developments in science and technology, TNAU introduced unique technology programs viz., B. Tech. (Food Process Engineering) during 1998-1999, B. Tech. (Biotechnology) and B. Tech. (Horticulture) during 2002-2003, B. Tech. (Energy and Environmental Engineering) during 2004-2005 and B. Tech. (Bioinformatics) during 2006-2007. Owing to the developments in agricultural and information sciences and to capitalize on these potentialities, two courses, viz., B. S. (Agribusiness Management) and B. Tech. (Agricultural Information Technology) were started during 2007-2008.

Three new Agricultural Colleges were started in 2014 namely, Agricultural College & Research Institute, Eachankottai, Thanjavur, Agricultural College & Research Institute, Valavachanur, Thiruvannamalai and Agricultural College & Research Institute, Kudumianmalai, Pudukkottai.

At present, TNAU is offering the following 13 Undergraduate degree programs of four years (eight semesters) duration.
