Introduction

Indian Institute of Technology Delhi, established in 1963 as an Institute of National Importance, is one of the seven institutions in the IIT system. It was accorded the status of deemed university with powers to decide its own academic policy, to conduct its own examinations, and to award its own degrees. The Institute offers undergraduate and postgraduate programmes through its Departments and Centres. The Institute admits on an average about 500 students for the undergraduate programmes and about 1000 students for the postgraduate programmes every year.

Location

Indian Institute of Technology Delhi offers students the benefit of a thriving educational environment set in the heart of a lively metropolitan city. It is situated at Hauz Khas in South Delhi on the outer Ring Road. The Institute campus is about 19 kms away from the Delhi Main Railway Station, 14 kms from the New Delhi Railway Station, 21 kms from the Inter State Bus Terminal, 22 kms from Indira Gandhi International Airport and 10 kms from the domestic terminal of Delhi Airport. For the first-time visitor, a prepaid taxi/three wheeler, run by Delhi Police at airport and railway station, is the best means of transport to reach IIT Delhi.

Education System

Academic year at IIT Delhi consists of two semesters, starting in July and January respectively. IIT Delhi offers its student an up-to-date curriculum, which is continually updated. Students and faculty both play equally significant role in deciding the curriculum. The system offers a lot of flexibility, course structure at IITD varies depending not only on the academic level but also on the discretion of the instructor. The education system is organized around credit system with continuous evaluation of student's performance. Continuous evaluation in the form of periodic homework assignments and examinations are intended to ensure that the student is aware of his level of proficiency. Medium of instruction at IIT Delhi is ENGLISH.

Categories of Admission & Application Process

Admissions are made before semester beginning end of July every year. However, Ph.D. and M.S. (Research) applicants may apply any time during the year. Foreign nationals can seek admissions to various Postgraduate & Research Programmes under following different categories:

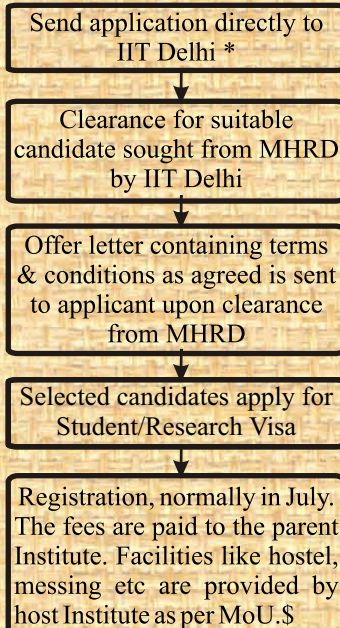

Self-Financing Students

Cultural-Exchange Fellowship Programme

Under MoU

Casual Students

* Candidates from ADB member countries should send application for Admission to M. Tech. Programme (only) directly to IIT Delhi.

\$ For ADB Scholars the fees and Scholarship etc. are paid by ADB.

Foreign nationals seeking admission in any one of the aforesaid categories will have to satisfy the minimum eligibility criteria for admission to the programmes as prescribed by the Institute. TOEFL is advised for students whose medium of instruction is not English. GRE score may also be sent, if available. However, both TOEFL and GRE are optional and candidates without these are also considered for admission.

Doctor of Philosophy [Ph.D.]

3

Postgraduate Programmes

The Institute offers research programmes leading to the degree of Ph.D. in various areas in the following Departments & Centres/Schools:

Department of Applied Mechanics	Department of Textile Technology
Department of Biochemical Engineering & Biotechnology	Centre for Atmospheric Sciences
Department of Chemical Engg.	Centre for Applied Research in Electronics
Department of Chemistry	Centre for Biomedical Engineering
Department of Civil Engineering	Centre for Energy Studies
Department of Computer Science & Engineering	Centre for Industrial Tribology Machine Dynamics & Maint. Engg.
Department of Electrical Engg.	Centre for Polymer Science & Engineering
Department of Humanities & Social Sciences	Centre for Rural Development & Technology
Department of Management Studies	Instrument Design & Development Centre
Department of Mathematics	National Resource Centre for Value Education in Engineering
Department of Mechanical Engineering.	Bharti School of Telecom Technology & Management
Department of Physics	Amar Nath & Shashi Khosla School of Information Technology

Interdisciplinary Programmes:

Applied Systems Research Programme	Entrepreneurship Development Programme
Opto-electronics & Optical Communications	Transportation Research & Injury Prevention Programme

Eligibility for admission:

Master's degree in Engineering/Technology or Master's degree in Science/Humanities or equivalent in relevant discipline with a minimum Cumulative Grade Point Average (CGPA) of 6.75 on a 10-point scale or equivalent, as determined by I.I.T. Delhi or 60% marks in aggregate (of all the years/Semesters). Candidates who do not possess M. Tech. degree and have received their qualifying degree (M. Sc./M.A.) from one of the Indian Universities are also expected to qualify GATE or such other National Level Test.

Qualifying Criteria:

- Minimum period of registration for B.Tech./M.A./M.Sc. is 3 yrs and for M.Tech. or equivalent is 2 yrs.
- Completion of course-work with minimum CGPA of 7.5
- Submission & successful defence of Ph.D. thesis

Master of Science (Research)

IIT Delhi offers 2 years M.S. (Research) degree in the following disciplines.

Biochemical Engineering and Biotechnology	Computer Science & Engineering
Chemical Engineering	Electrical Engineering Mechanical Engineering
Civil Engineering	Amar Nath & Shashi Khosla School of Information Technology

Eligibility for admission:

A Bachelor's degree in Engineering/Technology or a Master's degree in Science in the relevant field with a minimum Grade Point Average of 6.75 on a 10 point scale or equivalent as determined by I.I.T. Delhi or 60% marks in aggregate (of all the years/semesters). Candidates with qualifying degree from one of the Indian Universities are also expected to qualify GATE or such other National Level Test.

Qualifying Criteria:

- Minimum CGPA of 7.0
- Completion of 60 valid credits ('D' grade or above), including minimum of 20 credit hours of course work and 40 credit hours of research work. Submission & successful defence of M.S. thesis.

Master of Technology [M.Tech.]

IIT Delhi offers the following M. Tech. Programmes of 2 years duration :

Applied Optics	Power Electronics, Electrical Machines & Drives
Communication Engineering	
Computer Science & Engineering	
Control and Automation	Power Systems
Computer Technology	Process Engineering & Design
Construction Engg. & Management	Production Engineering
Design Engineering	RF Design & Technology
Design of Mechanical Equipment	Rock Engg. & Underground Structures
Engineering Mechanics	Solid State Materials
Environmental Engg & Management	Structural Engineering
Fibre Science & Technology	Textile Engineering
Geotechnical & Geoenvironmental Engg.	Thermal Engineering
Industrial Engineering	Transportation Engineering
Integrated Electronics & Circuits	Water Resource Engineering

Eligibility for admission:

Same as that for M.S. (Research)

Qualifying Criteria:

- Minimum CGPA of 6.0
- Completion of 60 valid credits ('D' grade or above), including minimum of 42 credit hours of course work and 18 credit hours of project work.

Interdisciplinary M.Tech.

IIT Delhi offers following Interdisciplinary M.Tech Programmes of 2 year duration :

Computer Applications	Opto-electronics & Optical Comm.
Energy Studies	Polymer Science & Technology
Industrial Tribology & Maintenance Engineering	Telecom Technology & Management
Instrument Technology	

Eligibility for admission:

Same as that for M.S.(Research)

Qualifying Criteria:

Same as that for M. Tech.

Interdisciplinary M.Des.

The institute runs 2 years studio based Master of Design programme in the area of Industrial Design.

Eligibility for admission:

A Bachelor's degree in Engineering/Technology/Architecture with a minimum grade point average of 6.75 on a 10 point scale as determined by IIT Delhi or 60% marks in aggregate (of all the years/semesters). Candidates with qualifying degree from one of the Indian Universities are expected to qualify CEED.

Qualifying Criteria:

- Minimum CGPA of 6.0
- Completion of 91.5 valid credits ('D' grade or above), including a minimum of 54.5 credit hours of course work and 37 credit hours of project work.

Master of Science [M.Sc.]

IIT Delhi offers 2 years M.Sc degree programs in the following disciplines.

Chemistry	Mathematics
Physics	

Eligibility for admission:

Bachelor's degree with first division. For M.Sc. Chemistry, Mathematics at 10+2. For M.Sc. Mathematics and Physics, Mathematics as a subject for atleast 2 years..

Qualifying Criteria:

- Minimum CGPA of 5.0
- Completion of 90 valid credits ('D' grade or above)

Master of Business Administration

IIT Delhi offers 2 years M.B.A. degree programs with focus on :

Management Systems	Telecom Systems Management
--------------------	----------------------------

Eligibility for admission:

60% marks in aggregate (of all the years/Semesters) or 6.75 CGPA on a 10-point scale in:

Bachelor's degree in Engineering/ Technology/ Architecture/ Pharmacy/B.Sc. Agriculture Engineering (Minimum 4 years after 10+2) or Master's degree in any branch of Physical/Chemical/Mathematical Sciences like Physics/ Chemistry/ Mathematics/ Statistics/ Computer Application/ Electronic Science/ Environmental Science/ Operations Research/ Computational/Information Science/ Agriculture or Master's Degree in Commerce/Economics.

For admission of International Students GMAT score will be considered in lieu of the written test.

Qualifying Criteria:

- Minimum CGPA of 6.0
- Completion of 72 valid credits ('D' grade or above) plus 6 compulsory audit courses

Miscellaneous Information

Payment of Fees

All selected foreign nationals will be required to pay fees as follows:-

US Dollars 2,000 (tuition fees) + Rs. 7285 (miscellaneous charges in Indian Currency) per semester for SAARC Countries.

US Dollars 4,000 (tuition fees) + Rs. 7285 (miscellaneous charges in Indian Currency) per semester for other than SAARC Countries.

Boarding Charges :

In addition to the above, every student staying in the hostel will be required to pay approximately Rs. 1,000 per month towards boarding charges.

Visa Requirements

All foreign nationals are required to obtain Student/Research Visa before they can register at IIT Delhi.

Hostel Life

Hostel life is one of the most enjoyable times in one's life and this is no exception as far as IIT Delhi is concerned. Every hostel in the institute gives each individual ample opportunity to develop many qualities. Every hostel is equipped with a TV room, a mess, a music room, hostel cyber cafe. In addition to this, each room in the hostel is provided with an LAN/internet connection. There are nine boys hostels and two girls hostels in IIT Delhi. Each hostel accommodates more than 300 students ranging from first year students to Ph. D. students. The table enlists the hostels at IIT Delhi.

Every now and then inter-hostel events are being organized. The freshers are encouraged to take part in various activities which are organized as a part of Fresher Events in the first two weeks of their stay.

Aravali	Kumaon
Himadri (girls)	Nilgiri
Jwalamukhi	Satpura
Kailash (girls)	Shivalik
Karakoram	Vindhyachal
	Zanskar

Extra Curricular at IIT Delhi

IIT is not just about studies. Its aim is to mould the leaders of future. IIT Delhi provides ample opportunities for the students to indulge in various activities apart from studies. Everyone is encouraged to develop various hobbies, etc. Three annual students festivals form an integral part of life at IIT Delhi, namely:

➤ Rendezvous, SportTech, and Tryst

These attract participation not only from Delhi but from whole of India.

The STUDENTS ACTIVITY CENTRE provides a number of facilities for students' extracurricular and physical development. The central two-storied block with a swimming pool and a gymnasium hall has amenities such as squash courts, hobbies workshop, seminar rooms, music rooms and other multipurpose rooms for reading and indoor games. The amphitheatre constructed in modern style is an added amenity to the Centre.

Medical Facilities

The Institute has a 14-bed hospital centrally situated in the Campus. It provides facilities for treatment of both indoor and outdoor patients. The hospital is staffed with eight full time and eight part time qualified doctors. Free medical facilities as per the institute rules are provided to all students during their period of study at the Institute

International Students' Association

International Students' Association organizes social and cultural functions, trips to various places of interest in the country and helps foreign students in several matters during their stay at IIT Delhi. A senior faculty member acts as Foreign Students' Advisor and he can be contacted for guidance/advice on both academic and general matters.
