ABOUT ICAI

The Institute was constituted by an Act of Parliament in the year 1959. It has its Head Quarters at Kolkata and has four Regional Offices at Delhi, Chennai, Mumbai and Kolkata. In addition, there are 96 Chapters located all over India and 6 Overseas Centres engaged in promoting the profession of Cost and Management Accountancy.

COST AND MANAGEMENT ACCOUNTANCY :

1. Study of Cost and Management Accountancy provides in depth knowledge and perspective to manage business in competitive environment.
2. Indian Industry, MNCs, Government, Universities, Business Schools, etc value CMA qualification very high.

CAREER IN COST & MANAGEMENT ACCOUNTANCY :

Liberalization policy of Government of India has resulted in increasing awareness of the importance of Cost and Management Accountants (CMA) in achieving Corporate Objectives. It has percolated into a much wider field, encompassing small, medium and large organizations. The CMA has innumerable opportunities for gainful and prestigious employment, as well as in the field of Consultancy and Teaching.

Besides professional qualification, training in Cost and Management Accountancy acts as a catalyst to personal development. This is evident from the number of the Cost and Management Accountants today occupying top level posts in Government, Commerce and Industry. The CMA occupies responsible position with handsome remuneration/compensation for the diverse jobs he/she performs.

One is required to pass Foundation Course (if not a Graduate), Intermediate and Final examinations conducted by the Institute and also possess practical working experience of 3 years to become an Associate Member of the Institute.

A Member can practice as a Cost Accountant after obtaining a Certificate of Practice (COP) from the Institute. Practising Cost Accountant can undertake assignments such as :

- i) Cost audit under section (233 B) of the Companies Act, 1956.
- ii) Certification of Costs and other data as required by Govt. Authorities e.g., Dept. of Excise, Customs,.
- iii) Excise Audit under section 14A and 14AA and VAT Audit.
- iv) Cost Compliance Certification under Section 209 (1) (d) of Companies Act
- v) Consultancy assignments in areas like Installation of Costing/Integrated Accounting/Budgetary Control System, Internal Audit and Management Audit, Management Consultancy etc.

In large and complex organizations and industrial conglomerates, Cost & Management Accountant fills a more specialized need - Management Reporting and Decision making. To enhance the capabilities of qualified Cost & Management Accountants and to equip them for these activities, Institute conducts Post Graduate Examination in Management Accountancy, entry to which is restricted only to those who are qualified Cost & Management Accountants.

OPEN ADMISSION :

Cost and Management Accountancy, the Competitive career does not have restriction on number of seats, which is a major constraint in other Professional options.

FOUNDATION :

- A Candidate should have passed Senior Secondary School Examination (10+2) of a Board recognised by the Central Government or State Government or equivalent examination as recognised by All India Council of Technical Education or National Council of Higher Education.
- Candidates awaiting results of 10+2 examination or equivalent examination may also apply for provisional admission.
