IIM Kozhikode

Globalizing Indian Thought

Vision

The Institute aims to create a unique and futuristic space of global reckoning, so as to nurture the finest management thinkers in the pursuit of developing into innovative, socially responsible and environmentally friendly practitioners, leaders and educators. Hence, it abides by its dictum of 'Globalizing Indian Thought'.

Mission

The Institute seeks to inculcate a spirit of wholesome learning, giving equal weightage to academic solidarity and practical application. It aspires to integrate concepts with applications and values, thereby nurturing dependable, capable, caring and fair-minded individuals who will contribute towards the development of communities.

DREAM INNOVATE ACHIEVE

SUMMER PLACEMENTS

(October 2013)

What

An eight-nine week long internship at the organization provides students and organizations a mutual learning opportunity.

How

Step 1

(September, 2013 1st week onwards)
Companies make a PPT outlining the various roles/projects on offer during summers.

Step 2

(September, 2013 last week onwards)
Based on students' preference, the company's slot is confirmed by the Placements Committee. Resumes of interested candidates are sent to the company, and thereafter the shortlists are provided.

Step 3

(October, 2013 1st week onwards)
Companies arrive on campus and after conducting their selection process, make offers to the students according to the manner prescribed for their slot.

Step 4

(April, 2014 to June, 2014)
Students undertake their internship lasting 8-9 weeks.

Step 5

(June, 2013 to November, 2013)
Companies can offer PPOs during this time period, the acceptance of which shall be communicated at the end of Final Placements.

Why Should Companies Recruit Interns?

- Internships have a distinct edge over interview-based final recruitment as a method of evaluating potential employees.
- Deserving candidates often get Pre-Placement Offers, and students at IIM Kozhikode have enjoyed a particularly special relationship with their recruiters in this regard.
- Summer interns offer a fresh perspective to projects. They are in a unique position to provide an objective and unbiased point of view about the organization's work processes.
- The students also act as brand ambassadors for the organization on campus, acting as spokespersons and spreading awareness about the company in general.

Video Conferencing Facility

The Institute is equipped with a state-of-the-art, in-house two-way video conferencing facility. The facility can be used for conducting selection processes if visiting the campus is not feasible for recruiters (especially in case of international recruiters). The facility has been used in the past, and recruiters have expressed pleasure with the quality of interaction.

In case you would like to avail this facility, please let us know, and we will be pleased to offer our assistance in this regard.

Summer Placements 2012-13

366 students including PGP and FPM students participated in the summer placements process. IIM Kozhikode maintained its impeccable track record by ensuring excellent placements with over 140 recruiters making internship offers spanning across different verticals, and that too in the shortest span of time ever.

The first-time recruiters were impressed by the academic excellence and the rigor of the curriculum. The diverse talent pool available at IIM Kozhikode

and the enthusiasm amongst the students made IIM Kozhikode the campus of preference for many recruiters. They were impressed by the variety of experience and the fresh perspective brought on to the table by the students. Taking forward the legacy of last year, one of India's most desired and trusted companies, once again offered the highest number of summer internships across all campuses, to the students of IIM Kozhikode.

HIGHLIGHTS

Number of Students	366

Getting to Kozhikode

LOCATION

Kozhikode (also called Calicut) is the third-largest city in the state of Kerala. The capital of the erstwhile Malabar district, Kozhikode city is the headquarters of the Kozhikode district. A melting-pot of diverse cultures, Kozhikode is an important trade centre in south India, associated for long with trade in spices and silk. Today, Kozhikode is famous for its palm-fringed beaches, tropical forests, and Ayurvedic therapy. You can plan on extending your stay if you wish to tour other parts of Kerala.

TRAVEL

Kozhikode is well connected by air, rail and road to major cities in India. Indian Airlines, Spice Jet and Jet Airways have frequent flights from Delhi, Bangalore and Mumbai to Kozhikode International Airport. Cochin International Airport is a 4-hour drive from Kozhikode. Alternately, Cochin and Kozhikode are connected by direct flights.

Kozhikode International Airport is connected by daily direct flights to major cities in the Middle East.

STAY

We would be delighted to arrange for your accommodation at the guest houses on campus, depending on the availability of rooms. Otherwise, with the Gateway Hotel-Taj Group, Kadavu Resort and Westway Hotel as our hospitality partners, we are sure you will enjoy a pleasant and comfortable stay during your visit. In this case, we would arrange for transport between the hotel and the Institute.
