### Message

It gives me immense pleasure to present this new edition of Jawaharlal Nehru Krishi Vishwa Vidyalaya telephone directory 2013 containing telephone numbers, e-mail addresses and mobile numbers of all the officers, scientists and employees in Vishwa Vidyalaya, Colleges, Research Centers, KVK's and other units of the Vishwa Vidyalaya. Efforts have been made to keep the Vishwa Vidyalaya officers, employees and other persons in public life, always updated with the current contact numbers and e-mail addresses.

I appreciate the efforts made by Director of Extension Services and his staff. I also take opportunity to congratulate them for bringing this useful publication.

(V.S. Tomar)

### Message

It gives me immense pleasure presenting this new edition of JNKVV telephone directory, that contains updated contact numbers and e-mail addresses of university officers and employees.

Effective communication is a key to progress in modern world and it becomes more important when the scientists are serving remote populations in rural areas. Publication of contact numbers will definitely prove helpful in linking the forces involved in the upliftment of Indian agriculture.

I acknowledge the sincere efforts made by the staff of Directorate of Extension Services, Communication Centre and Agricultural Technology Information Centre and congratulate them for making this publication.

(P.K. Mishra)

# Jawaharlal Nehru Krishi Vishwa Vidyalaya, Jabalpur

## - A Profile

Government of India with the assistance of the State Government established the biggest multi-campus university at Jabalpur, in the heart of India, named after the architect of modern India, Pt. Jawaharlal Nehru based on the recommendations of Radhakrishnan commission (1949) on the concept of establishment of Agricultural University. An approach was envisaged to narrow down the gap between the experts and farmers through Joint Indo-American Team on Agricultural Research and Education in 1954-55 and 1959-60 on the patterns of Land Grant Colleges of USA. On October 2, 1964, Jawaharlal Nehru Krishi Vishwa Vidyalaya (JNKVV) was inaugurated by the then Union Minister for Information and Broadcasting Smt. Indira Gandhi.

The Central Administrative Office of the University is located about 7 km North of Jabalpur town on National Highway No. 7. The University was created by an act of Madhya Pradesh Legislature passed in 1963.

The University had to part with the creation of sister universities Indira Gandhi Krishi Vishwavidyalaya (IGKV) at Raipur in 1987, Rajmata Vijayaraje Scindhia Krishi Vishwa Vidyalaya, Gwalior in 2008 and Nanaji Deshmukh

Veterinary Science University, Jabalpur in 2009.

At present, the University holds an area of about 1544 ha of land. The area under the University jurisdiction contains alluvial, deep black, medium black, shallow and light black, mixed red and black, mixed red and yellow and skeletal or Gravelly soil. It is low to medium in available nitrogen and phosphorus, and medium to high in available potassium.

At present, JNKVV encompasses five colleges of Agriculture (Jabalpur, Rewa, Tikamgarh, Ganjbasoda and Waraseoni, Balaghat); one Agricultural Engineering (Jabalpur); 4 Zonal Agricultural Research Stations (ZARS) (Jabalpur, Powarkheda, Tikamgarh, Chhindwara); 2 Regional Research Stations (Rewa, Sagar); 5 Agricultural Research Stations (ARS) (Dindori, Waraseoni, Garhakota, Sausar, Tendini) and 20 Krishi Vigyan Kendras (KVK) (Badgaon, Betul, Chhattarpur, Chhindwara, Damoh, Dindori, Harda, Jabalpur, Katni, Mandla, Narsinghpur, Panna, Powarkheda, Rewa, Sagar, Seoni, Shahdol, Sidhi, Tikamgarh, Umariya) representing 7 agro-climatic zones viz. Chhattisgarh Plains, Northern Hills Zone of Chhattisgarh, Kymore Plateau and Satpura Hills, Vindhyan Plateau, Central

Narmada Valley, Bundelkhand Zone and Satpura Plateau, which covers 25 districts of the State.

JNKVV has produced competent human resource for managing the activities of agriculture and allied sectors and also played a pivotal role in the growth and development of agriculture in the State. Need based research and its rapid dissemination in all the part have led to several improved technologies, which over the year are visible in terms of increased production and productivity of crops on sustainable basis. Research on dry-land agriculture production system render sustainability to productivity and insured efficient use of natural resources. The state ranks first in pulses, second in oilseeds and third in cereal production at the national level. The states contribution to the national food basket is about 10%. Recently, in January 2013, the State received "Krishi Karman Award" at National Level

### Mission

To impart education, research and extension activities effectively for enhancing production, productivity and profitability of agriculture and allied systems in a sustainable manner.

### Mandate

- To serve as a centre of teaching in the field of agriculture and allied sciences.

- To conduct basic, strategic, applied and anticipatory research in the field of agriculture and allied sciences.
- To disseminate technology to farmers, extension personnel and organizations engaged in agricultural development through various extension programmes.

### Organizational set up

Vice Chancellor is the Chief Executive of the University and supported by the

- Board of Management
- Academic Council
- Administrative Council
- Extension Education Council
- Council for Post Graduate Studies

For Human Resource Management and teaching Director Instruction; research activities, Director Research Services and extension activities Director Extension Services shoulder the responsibilities.

The university encompasses Faculty of Agriculture and Faculty of Agricultural Engineering headed by respective faculty Deans. Constituent Colleges of each faculty are administered by respective Deans. Head of the Departments are the key person for research and teaching of the respective disciplines. Registrar and Comptroller support the Vice Chancellor in administration and financial matters.
