## SCRA 2012-13 Winter Swim Program

The winter swim program runs from October 1<sup>st</sup> through March 31<sup>st</sup>. Family memberships are available. The pool is a 11 lanes, 25 yard pool, with a diving well and a shallow area for small children.

The pool temperature is maintained at 81 degrees. The pool is open to winter swimmers for lap swimming from 5:00 AM til 10:00 PM on weekends. **On weekdays, “winter swimmers” may not swim from 3:30 PM til 7:30 PM during swim team practice every day, and 12:00 PM til 1:00 PM on Monday, Wednesday, & Friday, during Masters swim program.**

All program participants are issued access control entry to the facility during non staffed hours. Showers and dressing rooms are available for program members.

### **Please read the program guidelines below:**

1. Memberships consist of immediate family only. Adult children (over 25) may not use their parents' family membership. Winter swimmers may not bring guests.
2. All members must sign in on the white sign-in sheet each time they swim.
3. From October 1<sup>st</sup> through March 31<sup>st</sup>, the pool is covered to conserve energy. Note: Do not attempt to cover or uncover the pool without proper instruction or permission from SCRA staff. If you see the pool is in need to be covered or uncovered please call the aquatic office at 650-736-7272 option 5.
4. Please keep your showers short as it is crucial that we conserve water.
5. Registration information: please return the attached registration form to the SCRA office. When we receive your form and check, we will issue you the access control entry, and you may begin using the pool.
