“Education is an instrument of empowerment to equip our people to help them become economically independent and self-sustaining.”
Jaiprakash Gaur

MESSAGE FROM FOUNDER CHANCELLOR

Dear Corporate Managers,

I have great pleasure in introducing you to our Jaypee Business School (JBS). The School reflects our vision to become a Centre of Excellence comparable to the best in the world for grooming professionals with leadership quality in technology, innovation, entrepreneurship and management.

JBS is different from other business schools in several ways. One of the unique features is the concept of Social Internship undertaken by the students, which sensitizes them to the social issues. The School offers opportunities to specialize concurrently in the functional areas of management as well as in the select industry verticals.

For realizing the vision, we stand committed to provide outstanding guidance, leadership, faculty, physical infrastructure and alliances with leading business schools in the world.

I invite you to experience a different business school environment and help us make a difference to our society.

Jaiprakash Gaur
Founder Chancellor of JIIT
& Founder Chairman, Jaypee Group

ACADEMIC PROGRAMMES AT JAYPEE BUSINESS SCHOOL

JBS has world class infrastructure and highly competent and dedicated faculty for the MBA programme. The programme aims to develop a competent cadre of business executives to meet the country's growing requirements for trained personnel in the field of management.

MBA

JBS offers 2 year six trimester programme which is aimed at providing a comprehensive coverage of all important areas and disciplines for managing in the current business scenario. The programme is designed to be intensive with an emphasis on regular and continuous work and the students are evaluated regularly to assess their progress and areas needing improvement. The curriculum is designed keeping in mind current industry requirements and peer offerings at the best business schools around the world. The programme aims to create socially sensitive managers and emphasizes on a one month social internship apart from live projects and summer internships at corporates.

DDM

Dual Degree MBA is offered to bright engineers of IIIT. The first year courses are completed along with their Engineering Course and second year is spent at JBS. The programme aims to create Managers with sound technical knowledge in the area of IT and is in line with the vision of IIIT.

PhD

JBS offers PhD in management through full time and part time research. The scholars are expected to do a stipulated course work and rigorous research in the chosen field. Successful submission and defense of the thesis leads to awarding of Doctoral Degree in Management.

UNIQUE FEATURES OF MBA PROGRAMME

Emphasis on Fundamentals

The programme emphasizes on sound foundation of basic concepts and, therefore, additional courses are introduced in each functional area of management. In addition, 10 hours of tutorials are offered, besides 30 hours for each 3 credit course.

IT Integration

Every functional area offers specialized IT application modules. These include ERP Modules on HR, CRM, SCM, specialized financial and various analytical softwares.

Functional and Sectoral Electives in Blocks of Four each

The elective courses are offered in a group of four courses. This is basically done with the objective to provide in-depth understanding of the subject. For example, elective sets of four courses each in Financial Management, International Finance and Financial Services. (Details are given in the curriculum).

Summer Internship (With Financial and Industry Analysis)

The duration of internship is six weeks. Detailed financial and industry analysis is one of the compulsory components of the summer internship. The industry analysis may cover industry size and trends of growth, competitive analysis, position of the company in terms of market share etc., corporate mission and objectives, portfolio analysis, sector & market segment. For the financial analysis, students are expected to calculate and do its interpretation in business context, i.e. the analysis of balance sheets, profit & loss statements of the company for last three financial years in terms of minimum three ratios in each of the following categories and also analysis of cash flow statements for last 3 years: liquidity ratios, profitability ratios, activity ratios and leverage ratios. The final part of the report is detailed study on Marketing, Operations, Finance and HR practices or details of the specific field based project assigned during the internship.

Social Internship

The programme has a mandatory four weeks of social internship to sensitize the students towards social responsibilities. During the internship the students are expected to understand gravity of the social issues, their magnitude and implications, study the government policy, role of NGOs and their functioning. Finally, the students have to address the initiatives that may be required from the corporate sector.

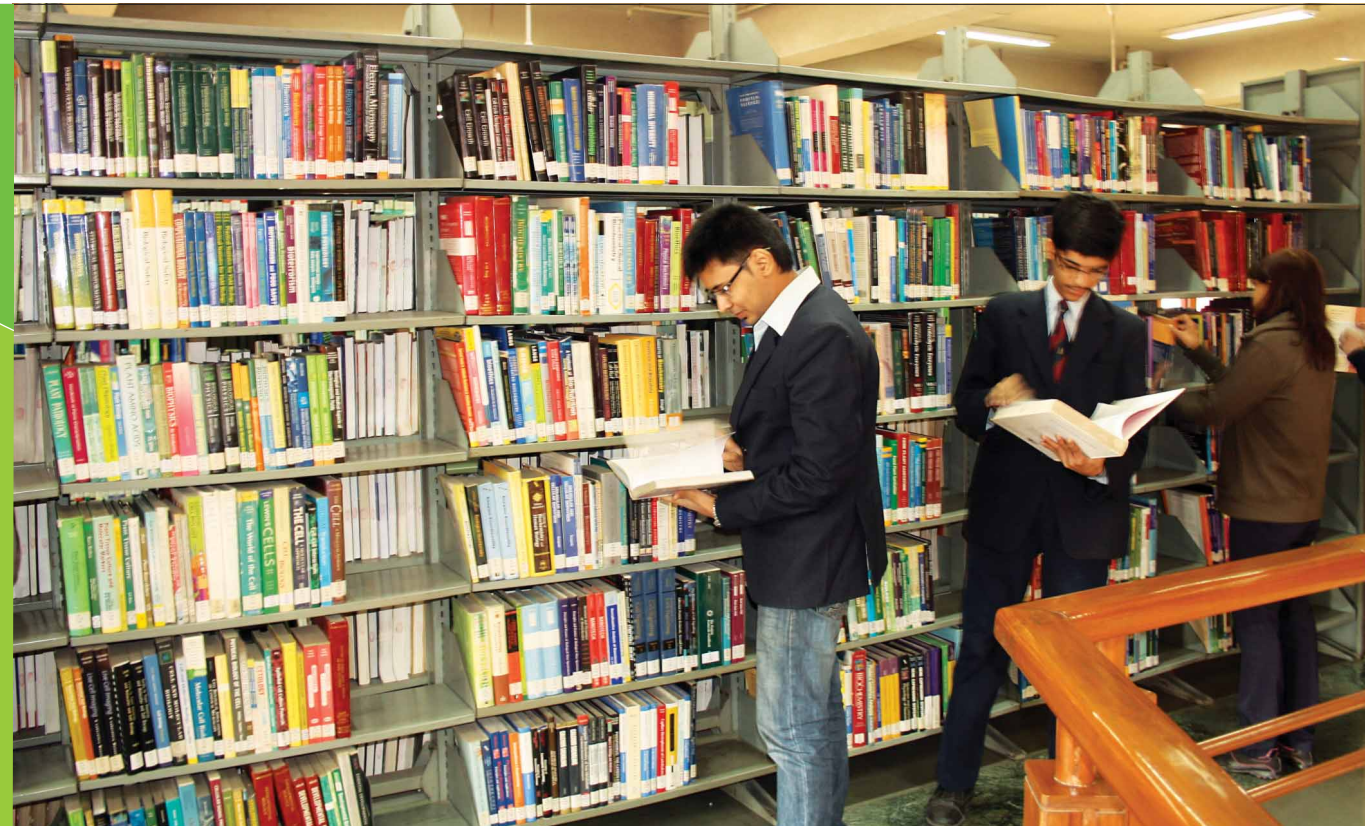

Personality Development

JBS curriculum actively co-produces learning and development – all round comprehensive and complete development of students at both individual and group levels. The learning schedule builds time for self-group study and development activities. Also, given the complexity of the business problems today, teams need to be built to provide solutions. Thus, it is very important to learn group dynamics and to work in teams. JBS encourages students to develop teams, leadership qualities and problem solving skills.

LEARNING RESOURCE CENTRE

Learning Resource Centre (LRC)

The Learning Resource Centre (LRC) is well-stocked with Indian and International books and journals covering all areas of management, commerce, etc. to meet the needs of students, faculty and research scholars from varied areas. The library is continuously augmented with the latest books and journals to help the students keep abreast of current and contemporary issues. LRC has 38220 books with 15550 titles and 133 print and line journals (National and International). JBS has a dedicated division of LRC with more than 4000 books and 1700 titles.

TEACHING METHODOLOGY

JBS curriculum combines theory, perspectives, insights and practical applications as expected by the end-user in the business world. JBS courses use a mix of business cases, exercises, games and strategy simulations.

IT INFRASTRUCTURE

In the era of “business at the speed of thought”, it is imperative that future managers are fully equipped with the necessary soft and hard skills. JBS is fully equipped with an advanced & modern IT facility with most modern business & analytical software likes SAP, SPSS etc. which are an integral part of the curriculum.

Various methods used :

- Concept Lectures
- Case Studies
- Audio/Video Presentations
- Seminars/Guest Lectures
- Individual/Group Exercises, Interactions and Presentations
- Quiz/Business Games
- Role Plays/Real Life Simulations
- Self Development
- Live Corporate Projects

Curriculum & Course Structure

The two year curriculum is divided into six trimesters, each trimester of 12 weeks duration. The programme is well structured and it emphasizes on sound foundation of basic concepts. Basic courses are introduced in each functional area of management to help the students in developing a sound foundation. In every functional area of management, modules on IT application are offered.

In the first year, twenty four compulsory courses and in the second year, another four compulsory courses are offered. The elective courses are offered in the group of four courses to provide in-depth understanding of every functional or sectoral area within which a student is specializing. The students are encouraged to choose electives from Marketing, Finance, HR and Operations streams along with sectoral area. The list of elective streams indicated in the next page is tentative and is subject to change, if required as per the industry requirement.

LEADERSHIP

JBS policies and programmes are closely mentored and supervised by a steering committee given alongside.

- Shri Manoj Gaur

Executive Chairman of the Jaypee Group. An Engineer by profession (B.Tech., BITS Pilani). Shri Gaurji is widely respected as a visionary who successfully mapped and executed the massive expansion of the Group in several sectors.
- Dr. Yaj Medury

Chancellor and Chief Operating Officer Jaypee Education System. Earlier he was Vice Chancellor JUIT, Wagnaghat and Chairman & Managing Director, Educational Consultants India Limited.
- Prof. (Dr.) S.C. Saxena

Vice-Chancellor of Jaypee Institute of Information Technology (A Deemed University) since 1st July 2011. He was former Director I.I.T. Roorkee (June 2006 - June 2011), former Mentor Director of I.I.T. Mandi, former Director Thapar University (earlier TIET) Patiala (June 2002 - May 2006) & Director Thapar Centre for Industrial Research & Development (January 2004 to May 2006);

INTELLECTUAL STRENGTH

Faculty

JBS has 18 full time faculty, 14 with PhD degree, and 5 at various stages of their Doctoral research. The average academic experience is 12 years and corporate experience is 10 years. Apart from full time faculty, the select industry baskets are taught by eminent faculties/managers from international universities, and practicing managers from the industry.

ACADEMIC LINKAGES

Collaboration with International Universities
In line with the vision of the Group, JIIT/JBS has signed MOUs with several leading universities in India and overseas. JBS believes in the power of academic networking around the globe and is in discussion with several universities for exchange programmes and other collaborations for our students and faculty. Student exchange programmes exist with select 'B' Schools globally.

Name of the University	Areas of Collaboration
 University of Nebraska at Omaha, USA	Faculty and Student Exchange, Exchange of Information and Experience, Research Graduate Degree Programmes, Distance Education.
 University of Westminster, UK	Faculty Development, Joint Delivery of PG programme, Consultancy, etc. in the area of IT, Business Intelligence, etc.
 CERAM SOPHIA ANTIPOLIS, FRANCE (On the Anvil)	Student exchange & Faculty Exchange. Dr. Ivan Costa Maniere visited JBS for two weeks in July 2011 to take Brand Management Course.
 The Alliance of 4 Universities (A-4U) of Spain	The Alliance aims to enhance relations between higher education institutions in India and the Spanish Universities to develop academic and cultural interchange in the areas of education, research and other activities.
 The Finnish Universities of Applied Sciences, Finland	Academic exchange, research and educational co-operation.

PLACEMENT

Placement after education is a process dependent on knowledge, skill and attitude acquired by the students and their overall grooming. JBS helps the students in enhancing their professional skills & abilities so that they can make meaningful contribution to the corporate world and society at large.

The Training and Placement Cell organizes campus placement of the graduating students of all our campuses centrally, namely JIIT Noida, JUIT Solan, JUET Guna and Jaypee Business School. The Cell provides complete support to the visiting companies at every stage of placement process which includes Pre-Placement Talks, Written Tests, Interviews, Group Discussion etc.

All the batches have successfully secured final placement in well reputed companies in their preferred area of specialization.

More than 70 companies from different sectors have recruited our MBAs from batch passed out in 2013.

Roles & Profiles offered by various companies

Marketing

- Business Development
- International Business
- Market Research Analyst
- Advertisement & Sales

Finance

- Financial Modeling & Advisory Services
- Financial Analyst

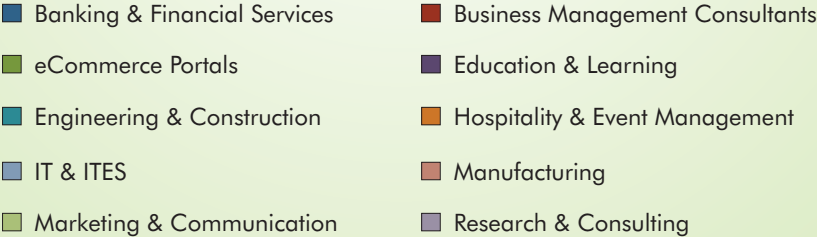

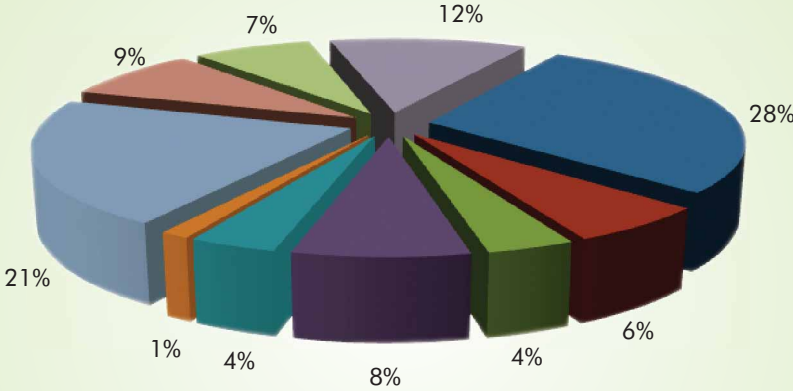

HR

- HR Executive
- Recruitment - T&D
- Industrial Relations & Liasoning

Operations Management

- Supply Chain Executive
- Quality Assurance
- Logistics Analyst

ALUMNI SPEAK...

I have had an incredibly hardworking and rejuvenating life at Jaypee Business School. Infrastructure, faculty, placements, exposure, co-curricular activities; I think Jaypee excels in almost every aspect of professional education. I am fortunate enough to have studied here, feel absolutely energetic whenever I am here, a Great place to get educated.

Puneet Tyagi (Batch: MBA 2011-13: AXIS Bank)

JBS is a Platform that has brought in the best of the best from me. I learnt a definition for CHANGE that happened came inside me from the day I entered. Here we were involved with loads of Projects that still help me to prove my mettle and tackle situations for solving real life problems in the Corporate. To sum up, I owe a lot to my faculty for giving me a right platform to learn and grow myself in corporate world".

Mohit Gupta (Batch: MBA 2010-12: HCL Technologies)

JBS provides the right academic environment and rigour that enables you to hone your management skills and develop your core competencies.

Ribhu Agarwal (Batch: MBA 2009-11: Strategy Manager, Benchmark Six Sigma, Noida)

The only place in India where Education is not Business. And Talent is nurtured by the Great Professors. Who had devoted their lives to Corporate and now in a Self-actualization mode to help Young India.

Himanshu Jaisinghania (Batch: MBA 2008-10: Area Manager, Honda Sael Car India Ltd., Chennai)

Thanks to JBS, the faculty has always been supportive and inspiring guides and also challenging taskmasters. The peer group at JBS was intellectually stimulating, and with some, I have made friends for life...

Kumar Nishant (Batch: MBA 2008-10: Research Officer, BBC World Service Trust, New Delhi)

"My experience at JBS was full of learning, adequate for stepping into the career life. Life at JBS was filled with fun inside and outside classrooms, great facilities & infrastructure and complete guidance of experienced faculties. Case Studies, Guest Lectures, Field project work and challenging assignments make the Learning process complete at JBS."

Anubhav Goyal (Batch: DDM 2007-12: Laurus Infosystems)

It was great to be a part of JBS family where learning was an interactive process. Highly qualified professionals, with their rich experience, provide effective guidance to help shape the career.

Prakhar Aggarwal (Batch: DDM 2007-12: Grail Research)

THE JAYPEE GROUP

**Engineering & Construction, Power, Cement,
Real Estate, Hospitality, Expressways, Sports &
Education (not-for-profit).**

Transforming challenges into opportunities has been the hallmark of the Group ever since its inception five decades ago. Jaypee Group is a ₹20,000 crore well diversified infrastructure conglomerate with a formidable presence in Engineering & Construction, Cement, Power, Hospitality, Real Estate, Expressways, Sports and Education (not-for-profit).

Engineering & Construction

The Engineering & Construction wing of the Group is an acknowledged leader in construction of multi-purpose river valley and hydropower projects.

Cement

Jaypee Group is the 3rd largest cement producer in the country with an aggregate installed capacity of 26.20 MnTPA.

Power

The Group is India's largest Private Sector hydropower producer and is on its way to be an integrated power producer with expansion in Thermal, Wind & Power Transmission.

Hospitality

The Group owns and operates six properties spread across New Delhi, Uttar Pradesh and Uttarakhand.

Real Estate

The Group is a pioneer in the development of India's first golf centric Real Estate at Jaypee Greens, Greater Noida. Jaypee Greens second project is India's First Wish Town, an integrated township in Noida.

Expressways

The Group is currently implementing 165 km, Noida to Agra, 6/8 lane Yamuna Expressway Project and ribbon development on 6175 acres at five locations along the expressway.

Sports

The Group has hosted India's first ever F1™ Grand Prix on 30th October, 2011.
