Campus Overview

Introduction

IIM Indore was established in 1996 by Government of India under the Ministry of Human Resource & Development and registered under the Indian Societies Act (1860). Having started with 37 participants and one program, today we have more than 1000 participants each year under 8 different programs with a dominant presence in all segments of Management education.

IIM Indore is the first IIM in India to offer its two-year full-time flagship program PGP in Management at Mumbai with the same rigor and content as that of PGP Indore.

Programs offered at Mumbai

PGP – 2 years – Full Time

PGPMX – 2 years alternate weekends – for Working Executives

Location in Mumbai

We are based out of Belapur (Mumbai) and have a fully furnished academic infrastructure at ICSI – CCGRT Campus.

Batch Details

The present batches have 66 participants in PGP1 and 55 participants in PGP2 coming from diverse backgrounds and industry experience. PGP1 is getting groomed for their Summer Internships in 2015 after their completion of first year whereas PGP2 is ready for Final Placements to be held in 2015.

Course Details

The course outline, the pedagogy, the study material and the rigor & content of the IIM Indore - PGP program at Mumbai, is the same as that being offered at Indore. The same faculty members commute between Indore & Mumbai to impart the lectures so that the quality of education remains unaffected without any compromise.
