PLANT A LIFE

MOU signed between SPSU and
Chiba University of Commerce, Japan

Overview

Sir Padampat Singhania University has been established by an Act of the State Government of Rajasthan in 2007, under the aegis of the JK Cement Group of companies just outside of Udaipur, Rajasthan and approved by UGC. SPSU is a private residential University dedicated to provide a unique environment & opportunity for its students and scholars to whet their personalities in a robust academic system and to enjoy a first class experience of campus life.

Academic Programmes

The University has two schools - School of Engineering and School of Management. The programme offerings at SPSU follow a contemporary curriculum, taught by a competent faculty and are underpinned by an outstanding educational infrastructure. The University offers programmes leading to undergraduate, post-graduate and doctoral degrees in the areas of engineering and management. Each academic programme has a different eligibility criteria and a well-defined course structure which is available at http://www.spsu.ac.in.

Industry Accredited Programmes

SPSU has academic arrangements with several multinational companies who have industry accredited offerings. These programmes, though not part of our regular curriculum, is brought to selected students in addition to their degree programme. Some of the industry accredited programmes are in conjunction with IBM, Sun Microsystems and PTC.

Scholarships

Excellence is central to the ethos of the University. It is merit which determines admission, classifies students into sections and allocates hostel accommodation. SPSU offers scholarships to students based on their excellence in academics. The norms for tuition fee waiver for the students are:

1. Overall topper of the University in the semester - 100%

2. Students securing (in the semester) GPA of 9.0 and above - 70%.

3. Student who stand first in their branch in the semester - 60%

Visitors from
University of California at SPSU

Mentorship Initiative

The University has a very successful mentorship programme to foster the culture of strong bonding between students and academia. Mentorship is a helping relationship in which an individual with more experience lends knowledge, advice and encouragement to a person with less experience. Students in the University are divided into small groups and each group is looked after by a mentor. The basic aim of the mentorship programme is to provide a holistic environment where prospective engineers develop as socially responsible human beings.

Industrial visits

Extra Curricular Activities

At SPSU, students work and play hard. All extra and co-curricular activities are organised under Clubs at the University. SPSU prides itself in having a student driven culture on campus. Students are exposed to real life experiences when they conduct the University admissions, design and create our website and manage various clubs and cells. The clubs' activities range from drama, writing, debates, dancing, computer programming, machine-designing to sports like cricket, football, volleyball, badminton and table tennis. organisational skills, ingenuity and innovation of the students are tested when they arrange the University's signature event "Panache" -our annual tech-management and cultural festival.

Placement & Training

Training and Placements are an integral part of the degree programmes (B.Tech & MBA) at SPSU. The University places very high importance on the student's employability and thus has a Training and Placement Cell in place which networks with the Industry on a regular basis.

Since inception, there has been a near 100% placement for all our graduating students.

The salient features of the current batch of students who will graduate in June 2013 as on 23rd April 2013 are:

• Over 90% of the students successfully placed.
• One student has six offers.
• Eighty students have two offers each.

• Five students have four offers each.
• Thirty students have three offers each.
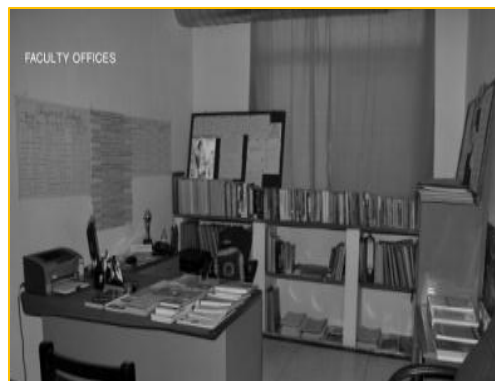

Our Recruiters

University Infrastructure

- The SPSU campus has wireless connectivity in all the academic areas .
- The University has 325 Mbps internet connectivity which comprises 300 Mbps Fibre Optic connectivity from BSNL, 25Mbps radio link connectivity from Tata Teleservice.
- Each student at the University has a separate email ID with dedicated 7 GB space.
- All laboratories in the University are state-of-the- art. Each laboratory is equipped with modern and sophisticated equipment to facilitate practical learning.
- All classrooms are spacious and equipped with modern furniture, green boards and LCD projectors.
- The Library has access to important national and international journals both as hard copies and as e-journals, the library remains open for 12 hours everyday. The library is fully computerised.
- Being a residential university all the students are required to stay in the hostels.
- The campus has separate hostels for boys and girls, equipped with amenities like geysers and high speed internet connectivity. Internet connectivity is available to each student in the hostels.
- The campus has two separate messes one vegetarian and the other non-vegetarian, each with completely separate contractors, cooking utensils, cutlery and dining halls.

Support Infrastructure

The University also has following facilities available at the campus:

- Barber (For Girls and boys separately)
- Laundry
- US Pizza
- Canteen
- Mobile Departmental Store (once in a week)
- Photocopier
- Mobile Recharges
- Stationary
- Transport
- 24 x 7 campus security
- 24 x 7 electrical backup
- Reverse Osmosis (RO) clean water
- Sewage Treatment Plants

Under Graduate Degree

B Tech Degree

• Biotechnology

• Chemical

• Computer Science

• Civil

• Electrical

• Electronics & Communications

• Mechanical

Duration: 4 Years

Residential: Compulsory

Eligibility for admission

• Pass in 10+2 Science or its equivalent examination from a recognized board (Preferably above 65%)
• Valid JEE (Mains) or any other national or state level entrance examination Score

Fee Structure 2013-14

Break-up	Per Semester Amount (Rs.)
Tution fees	48500
Lab fees	11500
Internet charges	6000
Library charges	3000
Examination fees	3000
Sports fees	3000
Educational activity fees	3000
Total	**78000**

Note:

• One time refundable caution Money of Rs. 12000/- is payable at admission.
•. Hostel and Mess charges are Rs. 6600/- per month, payable bi-annually.

Post Graduate

M Tech Integrated (B.Tech.+ M.Tech.) Degree

• Biotechnology

• Chemical

• Computer Science

• Civil

• Electrical

• Electronics & Communications

• Mechanical

Duration: 5 Years

Residential: Compulsory

Eligibility for admission

• Pass in 10+2 Science or its equivalent examination from a recognized board
  (Preferably above 65%)

• Valid JEE (Mains) or any other national or state level entrance examination Score

Fee Structure 2013-14

Break-up	Per Semester Amount (Rs.)
Tution fees	48500
Lab fees	11500
Internet charges	6000
Library charges	3000
Examination fees	3000
Sports fees	3000
