Sub: - To Notify Pratap University, Jaipur (Rajasthan).

Sir,

With reference to State Government Notification No. 2(25) Vidhi/2/2011 dated 15.09.2011 on the above subject, I am directed to say that Pratap University, Jaipur (Rajasthan) has been established by an Act (No. 20 of 2011) of State Legislature of Rajasthan as a State Private University and is empowered to award degrees as specified by the UGC under section 22 of the UGC Act 1956 through its main campus in regular mode with the approval of statutory bodies / councils, wherever required.

As per the judgement of the Hon'ble Supreme Court in the case of Prof. Yashpal Vs State of Chhattisgarh there is no provision to have Regional Centres / off Campus beyond the territorial jurisdiction of the State

Keeping in view of the above, you are requested to adhere on the following:-

1. No off campus centre(s) is opened by the University outside the territorial jurisdiction of the State in view of the judgement of Hon'ble Supreme Court of India in case of Prof. Yash Pal Vs State of Chhattisgarh.
2. In case the University has already started any off campus centre outside the State, it must be closed immediately. It may also be ensured that any off campus centre within the State shall be opened only as per the provision laid down in the UGC (Establishment of and maintenance at standards in Private University) Regulation 2003 and with the prior approval of UGC.
3. The University shall not have any affiliated Colleges.
4. The University has to follow UGC (Minimum standards and procedure for award of M.Phil / Ph.D degree) Regulations, 2009.

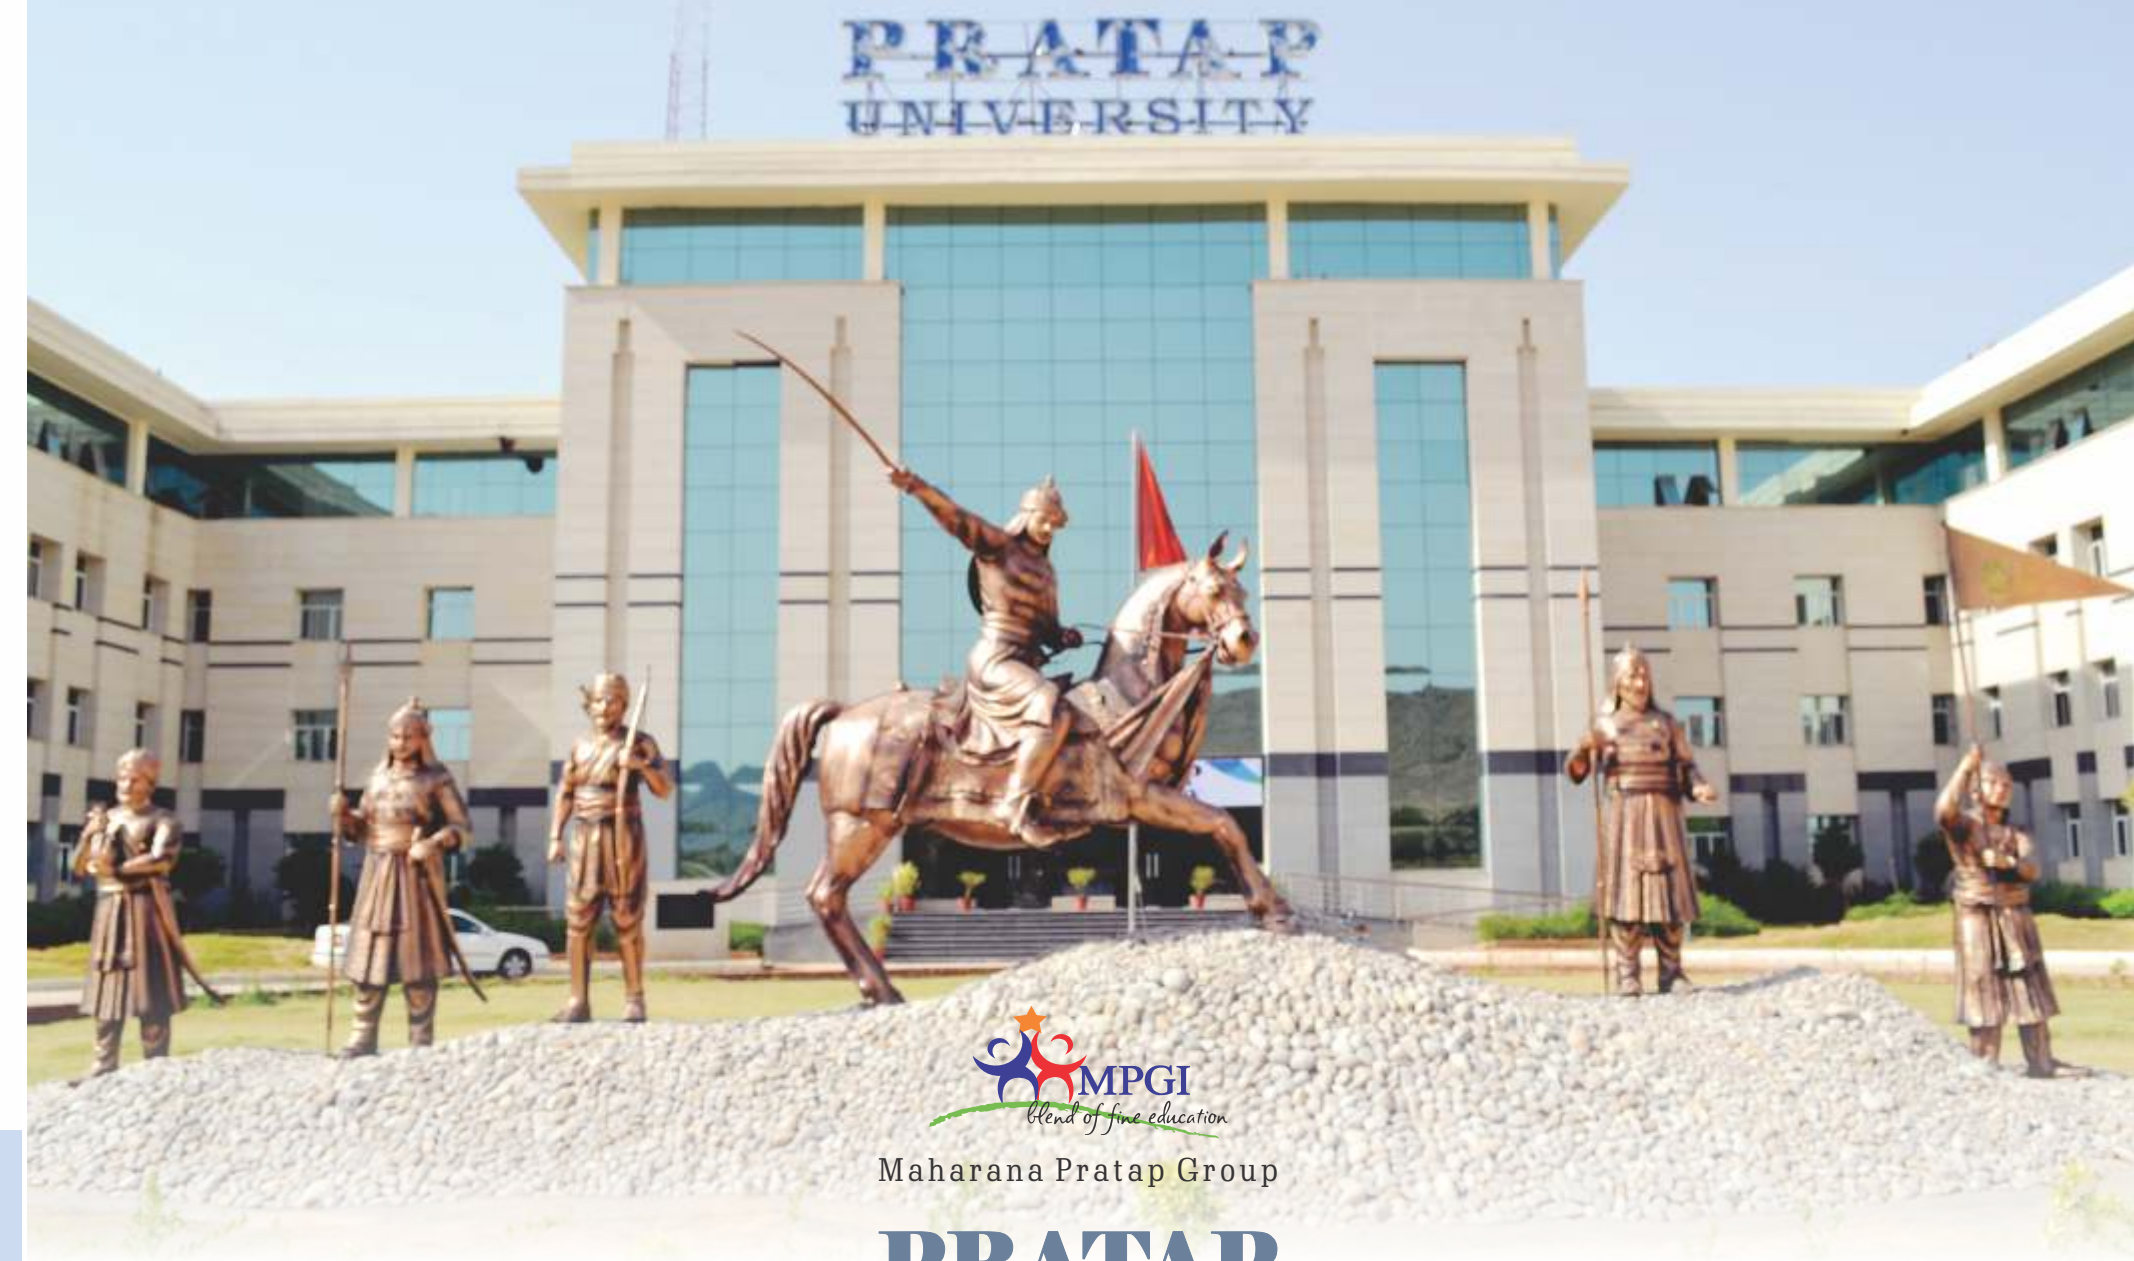

The University is required to follow the UGC (Establishment of and Maintenance of Standards in Private University) Regulation, 2003 (copy enclosed) & other Regulations issued from time to time and posted on UGC website www.ugc.ac.in.

Dedicated to Maharana Pratap

Maharana Pratap Group of Institutions draws its inspiration from the great Rajput ruler, Pratap of Mewar, son of Maharana Udai Singh. Born in 1540, he was a great patriot and warrior who had the courage to fight the powerful Mughal forces under emperor Akbar. He continued to fight against the Mughals till his last breath and never compromised with his dignity and self-respect. He along with his family shared the agony and hardships of the masses. His life is an example of living with honour and dignity.

We salute the beliefs of this great ruler and dedicate ourselves to pursue his ideals to the best of our efforts.

PRATAP
UNIVERSITY

The Beginning of New Era

As part of its commitment to accomplish excellence in all spheres of education, MPGI has come up with its own university at Jaipur, by the name of PRATAP UNIVERSITY. Having commenced its academic activities from the session 2011-12, this University is steadily preparing itself to create new benchmarks in the field of academics. The university has been set up with a view to match the global standards and has ultra modern infrastructure and teaching aids to its credit. In near future, it will be one of the best private universities of north India.

About the Group

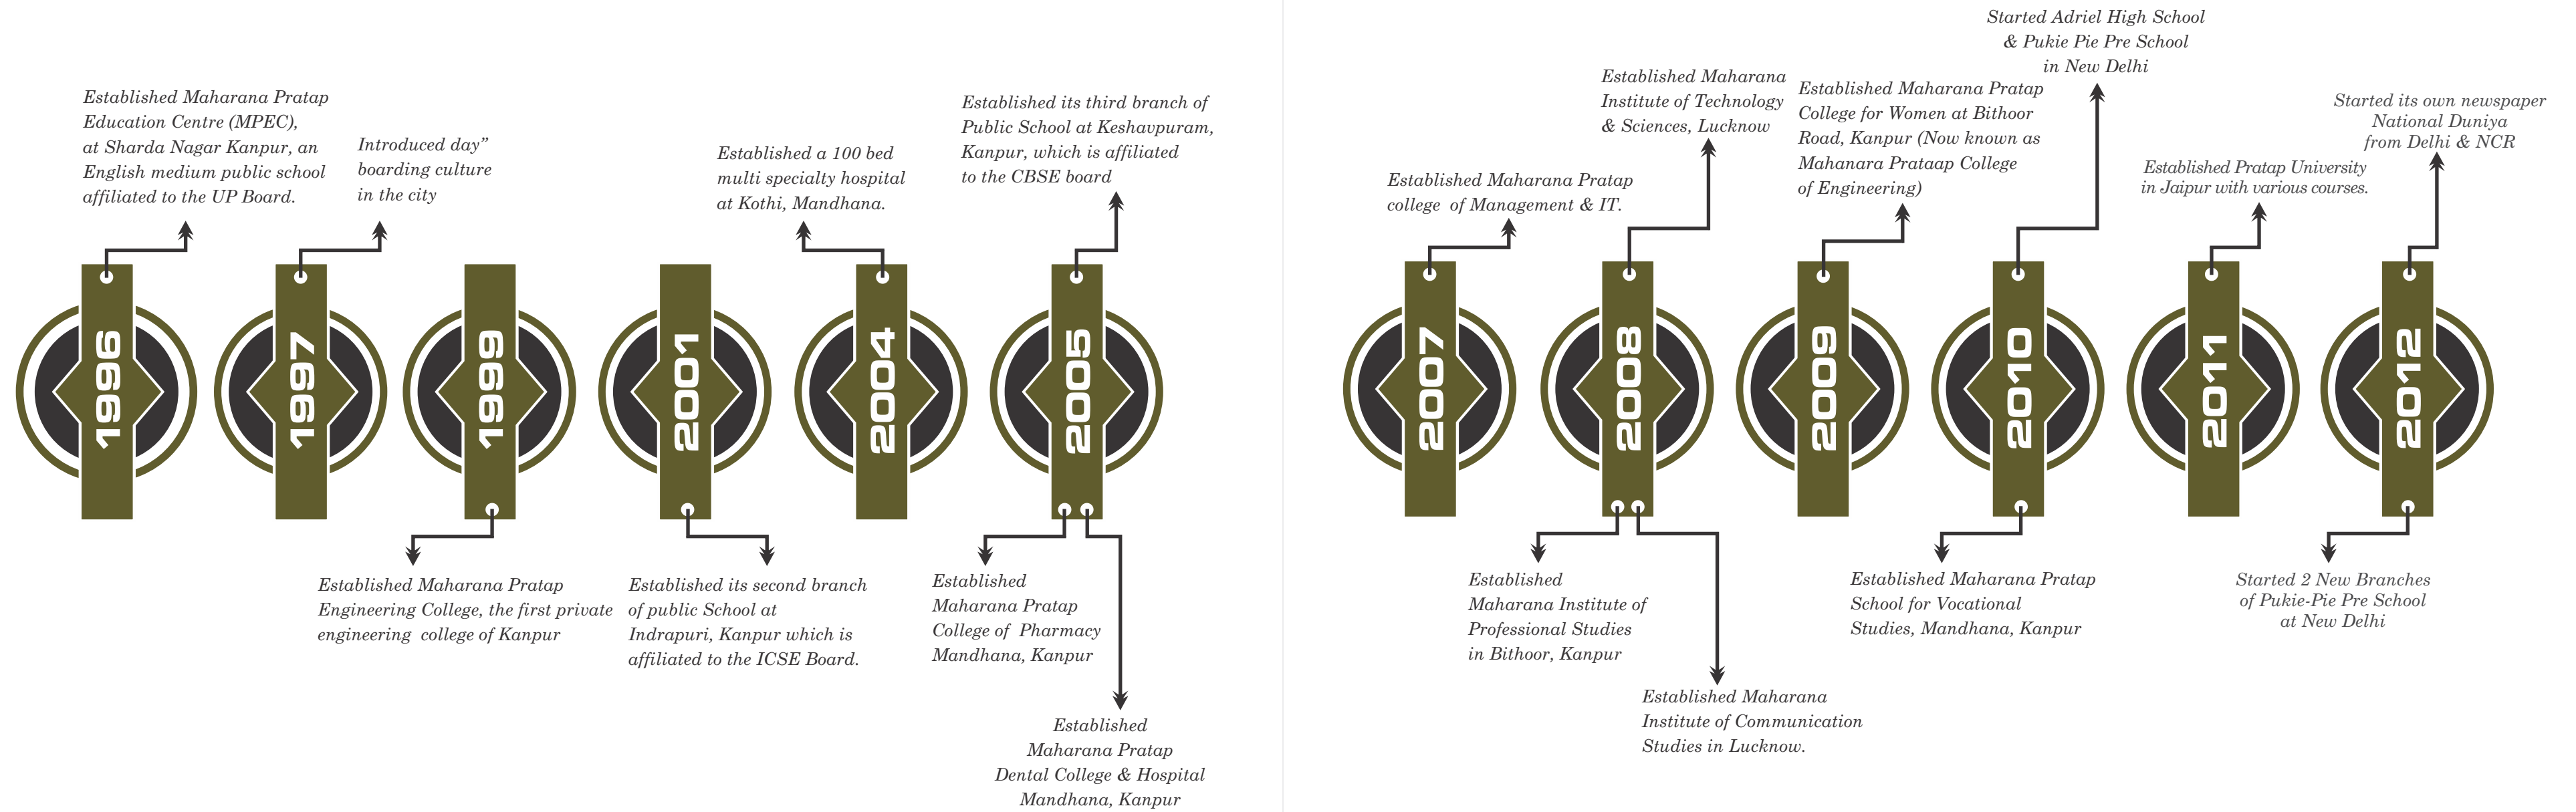

MPGI commenced its journey in the year 1995, with a mission to provide wholesome and quality education to the youth of the nation. From a modest beginning of just one school in Kanpur, our family has expanded to 7 Schools, 9 Colleges located across the cities of Kanpur, Lucknow, New Delhi & a university in Jaipur.

We have been providing excellence in education by offering various courses in the diverse streams of Engineering, Management, Dental, Pharmacy, Information Technology, Mass Communication, Interior Designing and Fashion Technology.

Our campuses, spread over in several hundred acres of lush green surroundings, boast of modern infrastructure, well equipped libraries and laboratories. Together, we work as a team of more than 1000 highly qualified faculty members committed to shape the future of over 10000 students. It is our ultimate goal to make each student both 'CAPABLE and EMPLOYABLE' by giving him opportunities to showcase his/her talent through various extracurricular activities and excellent campus placements.

JOURNEY OF THE GROUP

Secretary's Message

Dear Learners

You all come to us from multifarious cultures. Addressing the diversity as well as the various challenges of multicultural society education is a major issue in contemporary times. The education needs to be harmonized and eclectic.

We at Pratap University are trying to keep in pace with the challenging context of the community and society by providing an education that is open and flexible enough to help the learner function excellently under a global canvas.

The facilities and the state of art infrastructure provided here will surely enable you all to swim smoothly into the current of knowledge.

I wish you all great success in life.

Shailendra Bhadauria

Secretary

Vice Chancellor's Message

Dear Students,

Pratap University which was established in July 2011 is now well on course for becoming a full fledged world class university.

We are in the process of implementing the MOU with the University of Donja Gorica, Montenegro . We are also in the process of enhancing collaborations with other foreign Universities.

As the days pass, we are going to shape the destiny of students in a most befitting manner.

Best Of Luck.

Lt. Gen. R. K. Karwal (Retd)

Our Academic

Director & Vice Chancellor of Pratap University with UDG officials after signing MoU

Collaboration

Taking a concrete step towards strengthening the Indian education and expose the student to foreign education system, Pratap University has signed the MoU with the University of Donja Gorica, Montenegro. With this Pratap University becomes the only university in North India to sign such kind of MoU with the Montenegro University for students and faculty exchange programme, dual degree and covers five other areas for improvised education system in both universities.

Pratap University has signed a five point agreement with University of Donja Gorica, Montenegro to improve its education quality even further. Under this agreement students of Pratap University will get golden chance to visit there to study in University of Donja Gorica, Montenegro and their students will also be able to come to Pratap University in India to get education.

The Key points are :-

- Academic Exchange & Academic Information Exchange
- Exchange of Faculty members for limited duration
- Exchange of Students and study programs of common interest
- Training & Visiting of Faculty Members & Staff
- Collaboration in research, Conferences and Seminars

Mr. Rahul Dwivedi, Sr. Faculty of Pratap University imparting lecture to engineering students of Montenegro University, Europe under Faculty Exchange Program

Why Pratap University?

In recent years, Maharana Pratap Group of Institutions has proved its worth and has emerged out to be the finest educational hub in the country offering state-of-the-art infrastructure and world class education to a multi ethnic and multi cultural group of students at its institutions located at Kanpur, Lucknow, New Delhi and Jaipur. At MPGI, education is designed to empower you to earn yourself a profession, a career, and your edge. With this pledge, Pratap University strives to make studying an enriching experience for its students.

Pratap University is a confluence of competent faculty eager to deliver, innovative pedagogy, industry oriented curricula, world class infrastructure and high-tech environment. We are constantly evolving our pedagogy and curricula to meet the needs of the industry.

Our Strategic Objectives include

- Learning with understanding
- Establishing accountable excellence in all fields of academics and research

Distinctive Pedagogy

One of the prized learning practices at Pratap University is its Flexible Choice based Credit System of learning. Unlike the traditional teaching centered system of learning, this gives you freedom to choose from a plethora of courses to suit your own competencies and liberty to progress in the programme on your own pace.

Flexible Credit System

- Choice based credit system.
- The academic counselor helps the student in identifying the courses based on program requirement, course prerequisites, student's ability and interest in various academic disciplines.
- Meritorious students can have exposure to research experience/tutoring assignments, thus getting academic distinctions and financial assistance during their study.
- 'Nurturing & rewarding students' innovative capabilities through awarding suitable credits.
- Innovative, multi-disciplinary, modular programs. If a student has to discontinue the program midway, the credits earned may earn him a Certificate/Diploma .

Value added short term courses as Top up Programmes

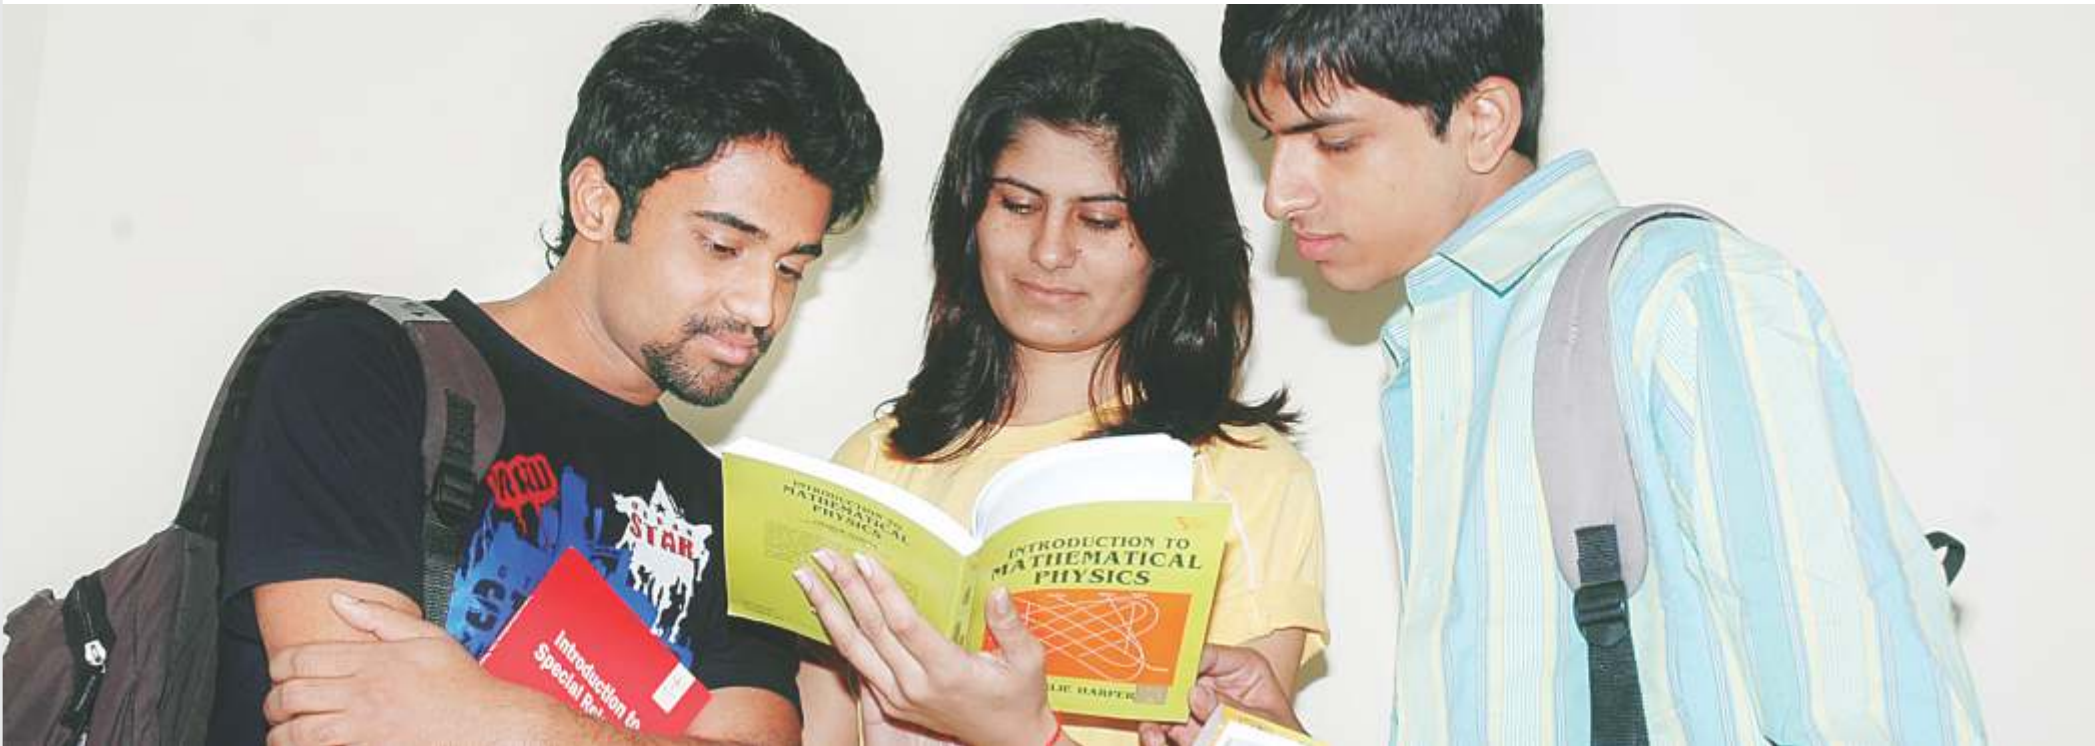

Apart from giving students a choice and freedom to alter the pace of learning, we also offer an opportunity to top up their courses with some value addition programs which doesn't happen in traditional institutions. Thus this combo gives them add-on knowledge and increases their job prospects.

Global Exposure

Realizing the need of international exposure to succeed in today's world, Pratap University has collaborated with some of the well known Universities around the world. International exposure is built into the university system through twinning programmes, dual degree programs, mapping courses, expert lectures, student exchange, organizing conferences, seminars and working on joint research.

Out- of -the -box learning

We don't follow the rigid system of learning where learning is confined to only studying the books of your course. Today's employers look for active and dynamic people. Therefore, we encourage our students to apply theoretical learning to real-life scenarios in the form of case studies, research, events, live projects etc.

Advance learning tools

We pride ourselves on providing student-centric state-of-the-art learning resources to the students. With latest technology and learning tools at their disposal, the students are given an opportunity to acquire a generic set of skills which will prove beneficial in furthering their career goals.

Churning professionals and good human beings

Apart from making students experts in their fields, we also instill in them human values, ethics and respect for all the cultures.

Rewarding Students for their Creativity

We value creativity in all forms and therefore have made a provision whereby credits will be given to the students who will come up with something tangible with their creativity.

Emphasis on honing student's personality

Life at Pratap University is not just about education, it goes much more beyond academics as it strongly believes in overall personality development of its students. It acknowledges that every child is unique and has some sort of potential in him. Some are good in sports, some in writing and so on. We, at Pratap University help them unleash their creativity & potential through organizing myriad of co-curricular & extracurricular activities giving them an opportunity to choose whichever activity interests them and discover their hidden talent.

Innovation Center 'For nurturing & rewarding students' innovative capabilities'

The students can work in the Innovation center for translating their innovative ideas into reality. They are encouraged to take up additional projects and the resulting product can also earn credits.

Earn while you Learn

In the final year the students get mostly involved in their project work as the theory courses get completed by then. The meritorious students, who maintain CGPA 8.5 and above till the end of pre-final year, may have an option of working as tutors in tutorial and lab classes of first year students of the same programme. They may be treated as Teaching Assistants and suitable financial assistance will be provided to such students.
