## **PROSPECTUS**

*Our aim is to build your career*

## **Welcome to Halisahar College of VASKODAGAMA**

This College was first established for marine engineers as the founder – secretary **Sri Narayan Chandra Sarkar** himself was a military person, with the progress of activity of the college various branches of engineering and technical subjects have been established. This college later connected with other Institutions and colleges of Chennai, Mumbai and well established colleges and Universities of different province of India. It stood first in this regard at Delhi. Various examinations are conducted on general University examinations and engineering and technical examinations. The College keeps contact with various Companies for practical training and apprenticeship for the students. Many students have become established in different companies in the country and Abroad.

May GOD help us to expand our field of action more and more and serve our country.

### **HALISAHAR COLLEGE OF VASKODAGAMA**

*Affiliated by*

TECHNICAL / NON TECHNICAL  
COURSE UNDER  
UNIVERSITY (AICTE / DEC APPROVED)

## Chairman's Message:

Dear Students,

Thanks and advance congratulations! Success is waiting to embrace you in the personified form of a mentor. In the modern time of stiff competition if you don't desire to turn your hard work into futile efforts, proper guideline and continuous systematic practice is the only way to success. The rat race of competition demands individuality and excellence. So, be optimistic and always try to keep your gun powder dry. Do all you can to make your dreams come true. For all technical job oriented training, Halisahar VASKODAGAMA College. Is your only true friend always willing to hold your hand and take you high on the steps of success.

Mr. Apurba Kr. Sarkar

DIRECTOR

## 1. About the Distance Education:-

Halisahar College Of Vaskodagama newly introduce open university courses Regular mode / Distance mode basis. Distance education , distance learning or D-Learning is a mode of delivering education and instruction , often on an individual basis, to students who are not physically present in a traditional setting such as a classroom. Distance learning provides “ access to learning when the source of information and the learners are separated by time and distance, or both”. Distance education courses that require a physical on –site presence for any reason (including taking examinations) have been referred to as hybrid or blended courses of study. Massive open online courses ( MOOCs), aimed at large-scale interactive participation and open access via the web or other network technologies, are a recent development in distance education various courses are available in our website or prospectus all courses are valid any Government Job. Must be required U.G.C / D.E.C / A.I.U / M.H.R.D ).

Thanking You

Mr. Apurba Kr. Sarkar

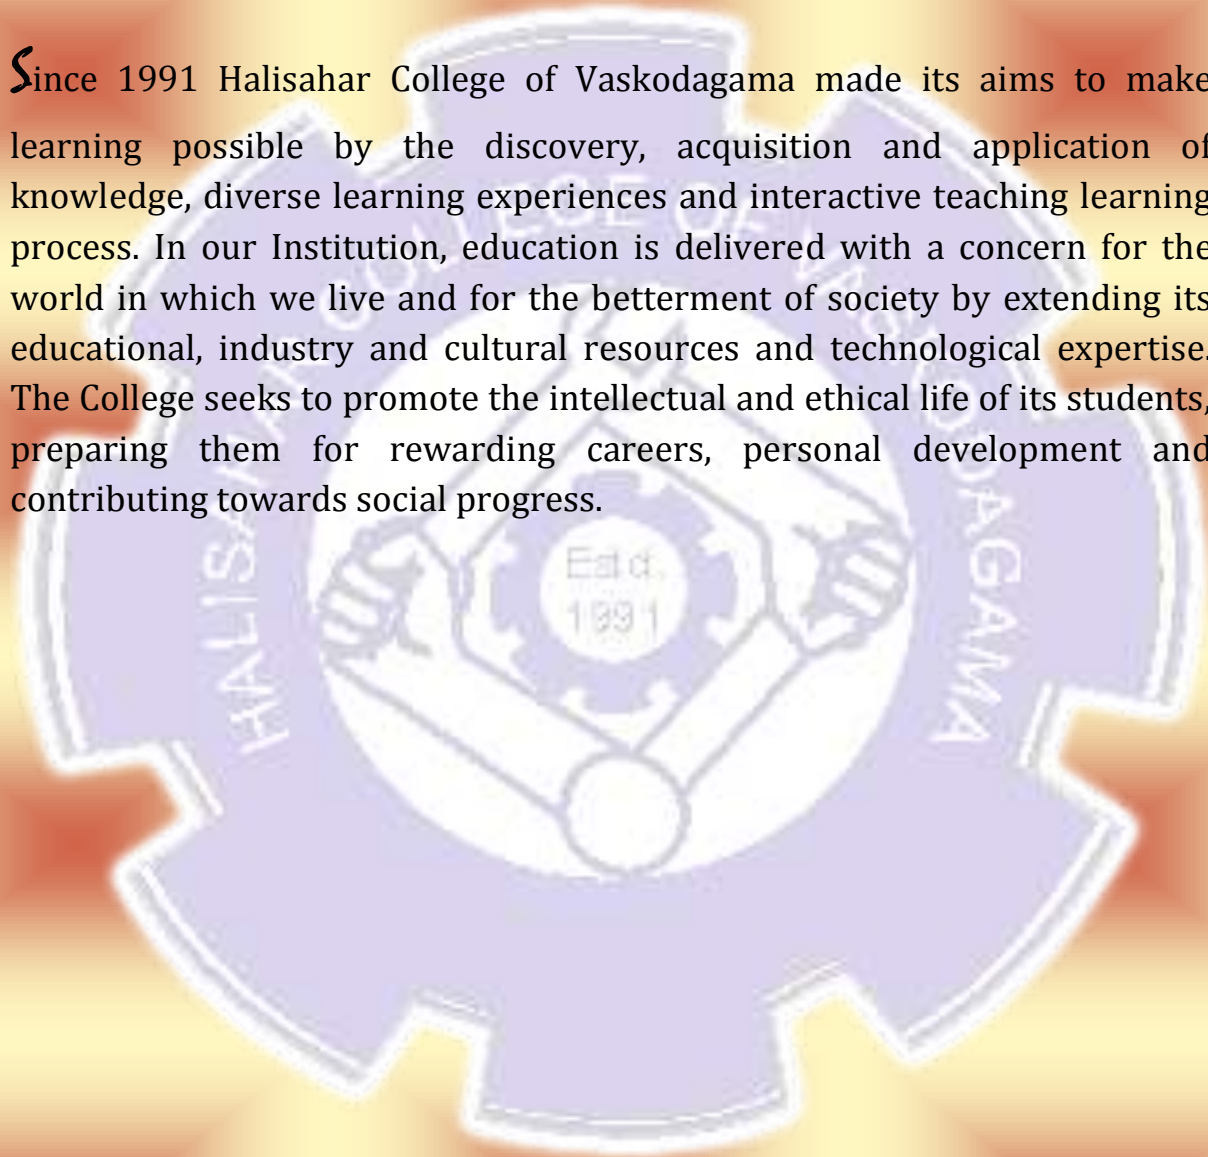

(DIRECTOR)

**Halisahar college Of Vaskodagama**
