---

Preparatory Year Deanship

English Language Skills  
Department

Self-Learning Final Project

---

Student Name: Mai Abdul Shafi

Mustafa

ID: 432203447

Level: 3

Section No: 28437 AM

Teacher's Name: Noha Zaher

**What is the main purpose of spending an entire year of my life to study in the Preparatory Year Program?**

The Preparatory Year Program offers a bridge between the students' high school education and the degree program they will later take. The main aim is to improve their English language skills to the level required in their studies.

## **What is the Preparatory Year?**

It is a year where the students can improve some skills which are required in any major or job such as: English language skills and computer skills.

## **What is the significance of the preparatory year at King Saud University?**

The main objective of the preparatory year is to orient the newly admitted students to the university's atmosphere academically and its daily life situations.

## **What are the subjects being studied in the preparatory year at King Saud University?**

All the students should pass many courses divided into two semesters.

They are, namely: English language skills, Computer skills, Mathematics, Physics, Chemistry, Biology, Statistics, Thinking skills and Health.

## **What are the gadgets which are being used in the preparatory year building?**

There are many electronic devices used in the preparatory year and other King Saud University's colleges which make the lectures more enjoyable and easier for the students to understand and for the teachers to present. Such as: Smart Boards, computers, E-Podiums and HP Beam Projectors.

Projector

Smart Board

## **What are the security measures which are being used in the preparatory year building?**

In order to provide information and exams security and to conserve the students' information privacy, there are some security devices that can be found in all corridors and classrooms of the preparatory year building, such as surveillance cameras, E-lockers and fingerprint scanners.

## **What are the entertainment facilities provided in the preparatory year building?**

There is a lot of ways for the students to have some entertainment including pool & mini-football tables that are scattered all around the halls of the building.

In addition, there are many clubs that conserve the student's leisure time and provide entertainment as well that students can join each per her interest like: literature club, invention club, English club, Arts club, prayer club, communication skills club and thinking club.

**What are the discourse media used among the students and between them and their instructors?**

There is a lot of websites which can be used such as:

For communication:

[KSU Student Mail](#)

[Portal system of academic students](#)

[Preparatory Year Deanship](#)

For assignments:

[Math Zone](#)

[Cambridge](#)

[ERA](#)

Grades:
