Shobhit University
Your career destination

Adding value to your Career

S hobhit University believes in strategic growth as envisaged in our mission on and vision -to impart quality education through vertical and horizontal integration. It strives to become a world class university, with a global perspective, that seeks to educate future leaders of the world. The challenge before the University, therefore, is to remain in the forefront of cutting edge knowledge and to follow the best international practices in academics.

Shobhit University aspires to address academic issues and commitments as key concerns of the young generation. By fostering quality education, research and innovation, the University endeavors to empower youth. Nurturing of talent that is regularly enriched and driven by innovation is the guiding philosophy of Shobhit University's enlightened community.

The University seeks to translate its vision into reality by embarking on the path of excellence in the fields of engineering, technology and management, based on the fundamentals of the 21 century education to empower youth to realize their full potential while, at the same time, serving basic human needs, for overall development and inclusive growth.

As a part of our collective journey to ignite young minds through education, a renowned agriculturist and social worker from a small town known as Gangoh in Saharanpur district of UP, our Inspirer, Babu Vijendra Kumar Ji envisioned a society that would place the needs of the youth on the centre stage, by empowering them through education so as to serve the larger needs of the society. This dream of BabuJi was sought to be fulfilled by his sons, Dr. Shobhit Kumar and Kunwar Shekhar Vijendra when, along with a team of eminent professionals, technocrats, educationists and social workers, they established in 1989 the NICE Society Trust. The mission and work of the Trust in the field of human resource development through quality education was recognized by the Ministry of Human Resource

Development, Government of India who vide Notification No. F-9-37/2004-U.3 (A) dated 8th Nov., 2006 under section 3 of the University Grants Commission Act, 1956 granted Deemed-to-be University status to Shobhit Institute of Engineering & Technology, Meerut, India, an Institution developed by NICE Society in 2000.

We are pleased to inform that the Government of Uttar Pradesh has also notified our Second University in the name of Shobhit University, Gangoh, District Saharanpur in consonance with section 2(f) of the University Grant Commission (U.G.C.) Act, 1956 and under the Shobhit Vishwavidhaylaya, Uttar Pradesh Adhiniyam,2011 (U.P. Act No.3 of 2012) as passed by the Uttar Pradesh Legislature and assented to by the H.E. the Governor of Uttar Pradesh in March 2012.

Admission Invitation

Dear candidate,

Thanks for choosing Shobhit University as your career destination...

Some universities are rooted in the past. At Shobhit University, we look to the future and believe in innovation; a vibrant, forward-thinking University with a reputation for high achievers among students, academics and researchers. And as you make the big decision as to where you would like to spend your university years, there are specific things you might like to know about us..

1 We're not an ' ancient' University and won't want to be. What excites us is to provide quality teaching and research that makes a difference to the world – today and tomorrow.

2 Across all our departments, we have a reputation for 'being pragmatic by equipping and orienting you with practical approaches to face emerging challenges'. Our courses are geared towards delivering genuine practical value and our close links with the business provide you with excellent opportunities to get your careers take off with a great start. We think globally but act locally.

3 Our priority is to help you develop the skills that employers truly value. Whichever course you choose to study, these skills will include information management, problem-solving, communication and teamwork. These are the skills that will give you a genuine edge in your future career. It's this focus that sets us apart from many other universities; in particular our International Skills Development Centre Initiatives (ISDC).

4 We invest heavily in our teaching and learning facilities so that you can make the most of your university experience. We have been in teaching for more than 23 years, but our faculty is much more senior. With us, well-known experts, media gurus, scientists and leading business figures will be mentoring programs for you and provide you with support and guidance throughout your studies. To cap it all our Ignited Minds Lectures Series will provide you with the opportunity to interact with the best minds of the country and abroad.

5 All our students have access to excellent IT resources and latest audio visual aids. We have a number of computer laboratories with the latest hardware and software support. We provide network connectivity throughout the campus. There are also hot-spots across the University allowing Wi-Fi network access when and where you need it.

6 Students who enjoy sports and body fitness will love the facilities at Shobhit University. Our Centre for Sport and Recreation includes a cardio-vascular suite and numerous other facilities including squash, badminton, weight training and fitness classes. For lovers of outdoor sports, facilities ranging from athletics to football are available to choose from. It doesn't end there. There are a number of clubs, adventure sports and volunteer opportunities to join in– making new friends is never difficult at Shobhit University.

7 The University enthusiastically looks into the immediate & future needs of its students. Academic, training, placement, project and psychological needs of the students are carefully perceived, action plans formulated and implemented by the University Training & Placement Centre. We understand that active engagement of the industry with the academia is vital for developing the required skills in future professionals. Recognizing the current scenario of the 'skills gap' and to help industry to overcome it, we have launched the "Industry Engagement Initiative".

8 Shobhit University has mutual recognition, validation and partnerships with a range of reputed universities and research institutes globally. This has enabled it to pass through a rigorous process of mapping and matching required for mutual accreditation of programs and associated facilities, besides firmly securing for it a place on the global map.

9 Shobhit University believes that one good move makes all the difference. As an initiative to recognize the merit and hard work of our young aspiring professionals, we have instituted a number of Scholarships and Research fellowships for your benefit.

Adarsh Vidyadhan Samman Scholarship

A student shall be evaluated for academic performance in a course through tutorials, homework, assignments, quizzes and mid semester tests and final theory examination. Scholarship Evaluation of a course is based on the weightage assigned to various components of the course examination scheme (without practical marks). Components are designated as under:

CWM   Class Work Marks will be awarded on the basis of attendance (10%), assignments, quizzes taken in the class and workshops attended, paper presented/published in national / international conferences/journals (10%).   (Weightage: 20%)

MSM   Mid Semester Examination Marks (Two tests will be conducted during the semester and the average of the two will be considered to finalize the marks).   (Weightage: 20%)

FTM   Final Theory Examination Marks   (Weightage: 60%)

All students are normally expected to have attendance of 100% in each subject (Lectures, Tutorials and workshop conducted by University). The attendance can be condoned upto 25% for genuine reasons. The concerned Program Coordinator may give further relaxation up to 10% on account of illness and other pre-approved occasions. Vice Chancellor may further condone attendance shortage up to 5% on genuine grounds.

Marks Evaluation based on Attendance:

Attendance	Marks
100%	10
Below 100% or 95%	9
Below 95% or 90%	8
Below 90% or 85%	7
Below 85% or 80%	6
Below 80% or 75%	5
Below 75%	0 (NIL)

If a student has less than 75% attendance, then no placement assistance will be provided by the University. Such student will have to do the internship/placement by his/her own.

SUMMER SCHOOL

The University has taken the lead in organizing Summer School for unsuccessful students in different subjects to save their year/career by providing extra opportunity to supplement their learning. If a student has missed mid-semester/semester-end examination due to valid reasons like illness, injury, death of an immediate relative etc., he/she may be allowed to appear in a summer school examination (Rs.1000/- per paper) for the missed paper provided he/she was eligible for the examination of that paper.

Students who have been awarded 'F' grade and have no other option than to repeat the course. However, interested students having 'D/E' grade may also be allowed to take the course, if so desired by the student, after paying prescribed fee as mentioned below to the University :-

Examination Fee per paper	Summer Semester Fee per subject
Rs.1000/- per paper	Rs.10000/- per subject
NOTE- Hostel fee for the duration of Summer Semester is Rs.10,000/- (Rupees Ten thousand only)
