## THE INSTITUTE

National Institute of Technology (Institution of National Importance), Kurukshetra (erstwhile Regional Engineering College, Kurukshetra established in 1963, a joint and cooperative enterprise of the Government of India and the State of Haryana) earned its current status on **June 26, 2002**. The Institute has the objective of imparting instructions and research facilities in different disciplines of Engineering and Technology for the advancement of learning and dissemination of technical knowledge and to provide continuous industrial interaction. ***The Institute is financially and administratively controlled by the Govt. of India, MHRD, New Delhi.*** It is registered under the Societies Act managed and governed by an autonomous Board of Governors vested with full powers for administration and management of affairs of the Institute. At present, it offers courses of study leading to the 4-year B.Tech. degrees in Civil Engineering, Computer Engineering, Electrical Engineering, Electronics & Communication Engineering, Mechanical Engineering, Production & Industrial Engineering and Information Technology; 2-year M.Tech. Degrees in all the above mentioned disciplines (except Information Technology) and also in Instrumentation, Nanotechnology, VLSI Design, Embedded System Design, Renewal Energy Systems, Biomedical Engineering, Material science and Nanotechnology; Ph.D. Degree in all above departments and in the various fields of Applied Sciences and Humanities. The institute also offers master's program in Computer Application and Business Administration (MCA & MBA).

Kurukshetra, steeped in history and mythology, is a place of great spiritual significance where Lord Krishna delivered the divine message of *Shrimad Bhagwad Gita*, and from where knowledge spread far and wide. The place was aptly chosen as his capital by King Harshawardhana.

Kurukshetra is located on the Delhi-Ambala section of Northern Railway, at about 160 km from Delhi. The Institute campus is 6 km from Kurukshetra Rail Junction and about 10 km from Pipli, a well known road junction on National Highway No.1 (Sher Shah Suri Marg).
