Rajiv Gandhi University, being one of the member institutes of National Knowledge Network (NKN)-a state-of-the-art multi-gigabit pan-India network for providing a unified high speed network backbone for all knowledge related institutions in the country, has laid down the timeline for the commissioning of the NKN 1gbps link. Soon the University would be actively participating in the areas of content generation and resource sharing from its pool. This would enable the university to showcase the knowledge base available with the university. Besides being the member of consortiums like DeLCON, INFLIBNET, the university has got privileges to access several globally renowned e journals. VSAT Facility would very soon be introducing mail and messaging services as part of the e-governance initiatives, creating wireless hotspots, application repository and various other intranet services.

VSAT Facility also provides internet connectivity through a 2mbps leased line link and 1mbps DAMA VSAT link from ERNET India, New Delhi. Both the links supplement each other in case of failure of one thereby rendering 24/7 internet access to the university community. 1gbps connectivity under NKN has already been extended to the university by National Informatics Centre (NIC), Itanagar using the leased line circuit from BSNL.

- (iii) Every open elective course offered by all Departments/Centres/Institutes shall have 4 credits uniformly, whatsoever.

5. Grade Point

It is a numerical weight allotted to each letter grade on a 10-point scale. Each degree programme shall have a minimum specified credit requirement. The minimum credit requirements shall also be specified separately for different categories of courses, i.e., Core Courses, Department/Centre/Institute Elective and Open Elective Course.

6. Semester Grade Point Average

It is a measure of performance of work done in a semester. It is ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester shall be expressed up to two decimal places.

7. Letter Grades and Grade Points

% of Marks	Grade Point	Division	Letter Grade
90-100	10	First	O (Outstanding)
80-less than 90%	9	First	A+ (Excellent)
70- less than 80%	8	First	A (Very Good)
60- less than 70%	7	First	B+ (Good)
50- less than 60%	6	Second	B (Average)
45- less than 50%	5	Pass	P (Pass)
44 and less	0	Fail	F (Fail)
Absent	0		Ab (Absent)

This table is applicable for those courses with 45% marks for passing a course.

8. Computation of Semester Grade Point Average and Cumulative Grade Point Average

- (i) The Semester Grade Point Average (in short it shall be abbreviated as SGPA) is the ratio of sum of the product of the number of credits with the grade points scored by a student in all courses and sum of the number of credits of all courses undertaken by a student shall be calculated in the following manner:
- (ii) $SGPA (S_i) = \frac{\sum(C_i \times G_i)}{\sum C_i}$
Where C_i is the number of credits of the i th course and G_i is the grade point scored by the student in the i th course.

6.01 Cancellation of Admission/Examination: The University may cancel the Admission/Examination of a candidate if it is found that he/she is not eligible for admission/appearing in the examination or has obtained admission through mis-representation or by concealment of facts.

6.02 Medium of Instruction and Examination: The medium of instruction and examination shall be in English only. However, in the language and literature courses medium of instruction shall be the respective languages.

7.0 REGULATION FOR PRIVATE APPEARANCE IN EXAMINATIONS

Private appearance of examination to few courses is offered. Separate notification to such effect is notified in the months of August-September every academic year. For further detail, may contact the office of the Controller of Examinations and the Examination branch of the university.
