MEMBERS OF RESEARCH ADVISORY BOARD

Fostering research has always been a priority at SRM University. The research activities in the University include academic research and funded research projects in the Faculties of Engineering and Technology, Science and Humanities and Medical and Health Sciences. SRM University values research and innovation in almost all streams.

Research Advisory Board has been constituted to fulfill the following requirements:

- To promote Academic Research Guidance
- To bring in Funded Research Projects from outside Agencies
- To encourage Student Research Initiatives
- To bring in Healthy Research Environment mirroring those prevalent in internationally reputed Universities

INTERNATIONAL RELATIONS

The Office of the International Relations helps the international students adjust to and fully participate in the SRM University campus community. It deals with the following:

- Admissions of NRI and Foreign students to various programmes in the faculties of Engineering and Technology, Medicine and Health Sciences, Science and Humanities, and Management
- Recruitment of visiting professors from foreign Universities
- Facilitating the accommodation and other needs of the international students and faculty staying in the campus
- Student exchange and faculty exchange programmes
- Building relationships with foreign Universities and Organisations exploring new areas of cooperation, and facilitating MoUs and collaboration
- Organising orientation programmes and socio-cultural programmes for the international community

With regard to students, International Student's Office (ISO), a subsidiary of the Office of the International Relations, functions as the nodal office. ISO provides new student orientation prior to the start of the academic year. The ISO provides counseling on personal, academic and financial matters, advice on immigration procedures, programmes for social and cultural exchange, information about international employment and need-based English classes for the international students. The Counselors of the ISO help international students adjust to life at SRM University. They also help new students through orientation and registration and are available at all times to assist in case of any problem.

Visiting Faculty on Long Tenure

Visiting faculty from foreign Universities are a boon to our University as they help to

- promote international education

- enhance the quality of research
- build exposure to different cultures and international trends

A few faculty from foreign Universities are teaching at SRM University on long tenure. Many more visit the campus for academic and research purposes on an ongoing basis. This gives both the students and the faculty greater opportunities for mutual interaction and learning. The visiting faculty currently at SRM are:

- Dr. Seshagiri Rao Nimmagadda, UK
- Dr. Subodh Dave, UK
- Dr. Thilak Rathnayake, UK
- Dr. Walid Sarhan, Jordan
- Prof. Yasuhiro Hayakawa, Japan
- Ms. Yun Hee Kang, Korea
- Dr. Ian Ferguson, USA
- Dr. Edward Y. Chang, Taiwan
- Dr. Hiroya Ikeda, Japan
- Dr. Biswanath Mukherjee, USA
- Dr. Ananda K. Pandurangi, USA

ABOUT THE INSTITUTE

Sri Ramasamy Memorial Engineering College (SRMEC) was started in the academic year 1985–86 at Kattankulathur, Kancheepuram District, Tamil Nadu. This is one of the first of a few engineering colleges started under the self financing scheme of the Tamil Nadu Government to meet the increasing demand for technical education.

After the birth of SRM Institute of Science and Technology (SRM University) in the year 2002, the Faculty of Engineering & Technology (Engg. & Tech.) was carved out which now contains all the Schools and Departments related to Engineering & Technology, Management and Architecture. SRM University is one of the top ranking Universities in India functioning in four campuses located at Kattankulathur, Ramapuram and Ramapuram part (Vadapalani) in Tamil Nadu besides a fourth campus at Modi Nagar, National Capital Region (NCR) Ghaziabad, near Delhi, with over 37000 students and 1,600 faculty, offering a wide range of Undergraduate, Postgraduate and Doctoral programs in Engineering, Management, Medicine and Health Sciences, and Science and Humanities. The main Kattankulathur campus is located in a sylvan campus skirting the National Highway (NH45), about 15 kilometres from Tambaram, Chennai. The campus occupies a total area of 250 acres.

The campuses consist of buildings with a built-up area of about 8 million square feet with a various facilities, state-of-the-art laboratories, libraries, Wi-Fi, knowledge centre, 100 online smart classrooms, Hostels for boys and girls with premium facilities. Endless convenience on campus include banks with ATMs, post office, bookstores, dining options, cafeterias, gymnasium, indoor game centres, prayer halls, staff quarters, guest house and other facilities.

Further, the University has a multipurpose Dr. T. P. Ganesan Auditorium having a seating capacity for 3100 persons. In addition, there are two fifteen storey buildings – Tech Park and University Administrative Building, which houses the University Library.

SRM added a feather to its already glorious cap by hosting The Indian Science Congress 2011 where the distinguished delegates including six Nobel Laureates and other celebrated Scientists, Academicians and Philosophers participated and delivered their thoughts. The launching of SRMSAT satellite is another milestone which other Universities across the country are yet to reach. SRM University has added another jewel to its crown. It is accredited by NAAC with 'A' Grade in the year 2013.

Foreign faculty, flexible and dynamic curriculum, exciting research and global connections are the features that set SRM apart. Every year over 150 students are sponsored to more than 35 foreign universities such as MIT, Carnegie Mellon, UC Davis, Warwick, Western Australia etc. Fifty members from top Universities across the world including MIT, Stanford, UC Berkeley, Cambridge and NUS help set global standards. Over 60 top executives from leading corporate institutions constantly interact with faculty and students to help in formulating academics and research activities, thus enabling SRM to be one among the world class Universities in India.

SRM University is run by the Trust SRM Institute of Science and Technology. The motivating force behind it is our dynamic Founder Chancellor Dr. T. R. Paari Vendhar. The Management has been rendering yeoman service to the cause of education in our country.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

In pursuance of the National Action Plan of the National Assessment and Accreditation Council (NAAC), Bangalore, for performance evaluation, assessment and accreditation and quality upgradation of institutions of higher education, the NAAC proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of an institution's system and work towards realizing the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of institutions. The IQAC will make a significant and meaningful contribution in the post-accreditation phase of institutions. During the post-accreditation period, the IQAC will channelize the efforts and measures of an institution towards academic excellence.

Strategies

IQAC shall evolve mechanisms and procedures for:

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks
- The relevance and quality of academic and research programmes
- Equitable access to and affordability of academic programmes for various sections of society
- Optimization and integration of modern methods of teaching and learning
- The credibility of evaluation procedures
- Ensuring the adequacy, maintenance and functioning of the support structure and services
- Research sharing and networking with other institutions in India and abroad.

Functions

Some of the functions expected of the IQAC are:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of an institution
- Dissemination of information on various quality parameters of higher education

- Organization of workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes / activities leading to quality improvement
- Acting as a nodal agency of the institution for quality-related activities
- Preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters.

Benefits

IQAC will facilitate / contribute:

- a heightened level of clarity and focus in institutional functioning towards quality enhancement and facilitate internalization of the quality culture.
- To the enhancement and integration among the various activities of the institution and institutionalize many good practices.
- To provide a sound basis for decision making to improve institutional functioning.
- To act as a change agent in the institution.
- To better internal communication.

Recent contributions by IQAC to Faculty of Engineering and Technology

- Accreditation of five engineering programs at Kattankulathur campus by Engineering Accreditation Commission and Computing Accreditation Commission of ABET (<https://www.abet.org>)
- Development of regulations and curriculum
- Participation in media conducted surveys
- Preparation of reports for submission to UGC/MHRD/AIU
- Participation in QS/Times Higher Education ranking surveys

Faculty members in charge of the IQAC

- Prof. G. Augustine Maniraj Pandian, (Principal Coordinator)
- Mrs. F. Ezhil Mary Arasi

UNIVERSITY LIBRARY

The University Library, spread across 1.5 lakh sq.ft. occupying the ground and the three floors above in the University Administrative Block, is constructed in modern and functional lines. The fully air-conditioned library, automated with Radio Frequency Identification (RFID) Technology, has a collection of **130000** books and **16609** titles of e-books in Engineering and Technology, Computer Science, Sciences, Humanities, Life Science and Architecture. It also subscribes to **253** printed journals/magazines.

To cater to the ever-growing needs of students, staff and research scholars, the library has a collection of electronic resources like 4599 online journals including **IEL Online (INDEST)**, ACM Digital Library, Springer link, Science Direct, SCOPUS, EBSCO Management Database, ASME, ASCE, and **16609** e-books from publishers like M/s John Wiley Publishers, M/s Elsevier and Springer Publications. Students can access these resources throughout the campus.

The library has sections like Stack Area, 200-seater Reading Halls in each floor, Conference Hall, SC/ST Book Bank Section, Technical Section, Library Office and Seminar Hall. There is a separate library for School of Architecture and there is even a Braille Library.

To meet the changing and growing needs of its members, the library has facilities like a well furnished Video Hall containing of **700** video programmes and a Digital Library and **5988** CD-ROMs.

SRM University is a member of the Regional Level Network of Madras Library Network (MALIBNET) and National Level Network of Developing Library Network (DELNET) that enable the staff and students to have access to all the major participating libraries in India. The library also facilitates Inter Library Loan (ILL) and 'Contents' pages service, and Xerox copies of the articles of the journals from any of these libraries, at nominal cost. In addition, the library has facilities such as Internet browsing centre.

The Library Council, represented by members from various departments, discusses the developmental activities of the library.

SRM University has become a Life Member of the Institution of Engineers, Kolkata and Institutional Member of British Council Library, Chennai, American Information Services Centre, Anna University and Madras University to facilitate our members to borrow journals/magazines and video programmes that are not available in our institution.

To access and benefit from these facilities, the students, research scholars and faculty have to follow some rules and regulations listed below. They are intended to regulate the use of library resources and they are reviewed periodically to meet the changing needs.

1. MEMBERSHIP

Membership is open to all the faculty, staff, research scholars and students and of SRM University.

2. WORKING HOURS

The working hours of the University Libraries are as follows:

- A. Central Library
 - All days (Including Sunday) 8.00 a.m. to 12.00 Midnight
 - Summer Holidays 9.00 a.m. to 5.30 p.m.
- B. Architecture Library

 - Monday to Friday 8.15 a.m. to 9.00 p.m.
 - Saturday & Sunday 10.00 a.m. to 5.00 p.m.
- D. Holidays
 - All Government / University Holidays

3. MEMBERSHIP CATEGORY

Category	No. of Books Issued	Duration
Faculty	6	Full semester
Supporting Staff		
Programmers	4	15 days
Lab Assistants	2	15 days
Student Members		
Under Graduate	3	15 days
Post Graduate	4	15 days
Research Scholars	4	15 days

Note: Additional two books are issued to those students who secure a CGPA of 8.5 and above. The HoD can recommend the list to the library through the Director.

Members are responsible for all the books borrowed on their cards.

All final year student members should get 'No Dues Certificate' from the University Library. The Course Completion/Mark Sheet, Degree Certificate will be given only on production of the No Dues Certificate from the University Library.

Similarly, the staff members who intend to leave the University should settle all the dues including the ID cards and obtain a 'No Dues Certificate' (NOC) from the University Librarian.

4. LOSS OF ID CARDS

- Loss of ID cards (Smart Card 4K) should be reported immediately to the University Library so as to block the account.
- Duplicate ID cards will be issued by the Dept. of ITKM on payment of Rs.1000/- for all members on giving an undertaking that they will continue to be held responsible for any loss arising from the inadvertent use or misuse of the card lost.

5. LENDING OF BOOKS

- Books other than reference books will be issued to student members for a period of only 15 days. For teachers, the loan period is one full semester.
- Reference Books, Encyclopaedias, Hand Books, Dictionaries, Periodicals, Student Project Reports, Dissertations, Theses and Back Volumes will not be issued and THEY ARE ONLY FOR REFERENCE.
- Two renewals will be permitted if there are no reservations against these books. For renewal, books have to be produced at the library counter.
- The member can also renew the same through the website <http://emanager.srmuniv.ac.in/elibrary/> using their log in.
- Members, before leaving the counter, must check whether the books they intend to borrow, are in good condition; any damage/markings should be immediately reported to the Librarian failing which the member to whom the book was issued will be held responsible.
- Books that are in special demand shall be lent for shorter periods as may be necessary and books lent may be recalled at any time, if required.
- Absence will not be accepted as an excuse for the delay in the return of books.

6. OVERDUE CHARGES

CAMPUS FACILITIES

PLACEMENT CELL

SRM University, over a period, has earned a name for itself in campus Placement. The Placement Cell, headed by the Dean is very active in attracting the best of companies to the campus. New recruiters as well as recruiters in niche segments visit the campus for recruiting fresh talents from the Faculty of Engineering and Technology.

The Placement Officer and his team along with the HoDs and Placement Coordinators of various departments strive to impart the necessary training to the students so that they are well-prepared for campus recruitments.

Continuous feedback from the industry helps in shaping up the Placement process.

TRAINING

Training is designed to aid students in preparing them for recruitment. All students go through personality development course to enhance their communication, verbal and logical reasoning abilities.

Students from different states and backgrounds find this very useful as this bridges the gap between their academics and employability. Students take a psychometric test and a detailed report gives them an analysis of their employability traits and areas for improvement. This enables the students to focus on their strengths and helps them to improve on areas for growth.

Basic sessions on aptitude and personality development are conducted along with academic curriculum from First semester onwards. Special training to prepare students for CAT, G-MAT, TOEFL is also available in the campus.

COUNSELING SERVICE

When students move from School to College, many of them find the environment very difficult. SRM University has students from different cultural backgrounds. With less control, with more decisions about self to be made and with less guidance from home, students sometimes encounter issues that they are unable to resolve on their own.

Some common concerns that confront students include anxiety due to exams, loneliness, change in culture, low confidence level, problems in relationships and hostel life, decision making dilemmas, academic problems, lack of self assurance or difficulty in adapting to the new environment.

Counseling gives the students a chance to talk their minds. It enables them to understand the cause of anxiety more rationally and helps them to cope and deal with difficult situations. There are counselors available in the campus for this purpose. All the matters discussed during the counseling are kept confidential.

STUDENT AFFAIRS

SRM University is the first of its kind to have a full fledged student affairs department to help students develop their personalities, resolve conflicts, develop leadership skills through various initiatives. In co-operation with the faculty and administrators, the department provides specific educational services and programmes that facilitate the achievement of students' educational, personal and career goals. Services like counseling and various other programmes provide growth enhancing environment.

Graduation is a major transformation period in one's life. Several changes happen in the student's attitude and personality. The student engagement activities aim at developing his/her intellectual, social, emotional and spiritual cores. Students become more self-responsible through interactions and initiatives and thus become aware of their own strengths and weaknesses. The various clubs, committees and celebrations provide opportunities to showcase their unique talents, teamwork, leadership qualities and thus they develop their managerial skills. This maturity helps them to be better individuals in terms of thinking and feeling and they become confident individuals with high self esteem.

The major extravagant activities are:

- Aaruush** : National Level Intercollegiate Techno Management Fest & Competition
- Milan** : National Level Intercollegiate Cultural Fest & Competition

Besides, several other literary, sports and cultural competitions are held with great enthusiasm.

INDIAN SOCIETY FOR TECHNICAL EDUCATION (ISTE) CHAPTER

The Indian Society for Technical Education (ISTE) is a national, professional, non-profit Society having headquarters at New Delhi. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians. SRM University is an Institutional Member of ISTE with an ISTE Staff Chapter and an ISTE Student Chapter. SRM University ISTE Chapter facilitates programmes sponsored by ISTE and engages in conducting Short-Term Training Programmes, Faculty Awareness Camps on Entrepreneurship, and Entrepreneurship Awareness Camps for Students. This Chapter also assists in bringing recognition and ISTE awards for outstanding students and staff.

ALUMNI ASSOCIATION

The Alumni Office acts as the link between the alumni chapters, alumni and the University. The patrons of the Alumni Office are the Chancellor, Vice Chancellor and Pro Vice Chancellor. The Chairman of the Alumni Office, Prof. R. Venkataramani; the Secretary, Prof. A. N. Parameswaran; the Treasurer, Mr. Wordsworth Manivannan and the Principal Coordinator take care of the functions of the office. The major objectives of the Alumni Office are to enhance coordination between SRM University and its alumni, to improve the interaction of alumni with the students and the faculty members, to establish alumni chapters in India and abroad, to create the database of alumni and to look after the interests of SRM alumni.

The webpage of the Alumni Association was setup and went online in January 2009, enabling the registration of alumni. The URL for the site

is <http://www.srmalumni.com>. Discussion, chat and internal email, job links, search facilities for alumni to contact their friends are some of the provisions available for the registered alumni. Five alumni chapters have been inaugurated both in India and abroad. The alumni chapters are fully independent and the Alumni Office facilitates their smooth running. The chapters are at Singapore, US East Coast (New Jersey), US West Coast (California), Bangalore and Chennai. One of the major activities of the office is to invite the alumni to visit the campus and host them during their visit. Alumni are also invited to meet the students, interact with them and guide them on their future. Another initiative of the office is to conduct reunions of groups of alumni at the campus. The future plans are to increase the number of chapters, set up an Alumni Centre and to increase the involvement of alumni through their contributions such as sponsored labs, joint research collaborations, donation of books to the library and offering of internships.

PHYSICAL EDUCATION

Department of Physical Education was established in the year 1987. Faculty of Engineering & Technology teams participated in many of the major tournaments like, Basketball, Cricket, Football, Tennis, Volleyball and Indoor games like, Badminton, Table tennis and Chess.

The Directorate of sports was established in the year 2007 at SRM University and conducted Inter University tournaments in many of the major games. Our University teams participated in the Inter University tournaments and brought laurels to the University at the Zonal and All India level. Our University Chess, Basketball, Volleyball, Ballbadminton, Cricket, Tennis, Table Tennis and Hockey Teams won the championship in the Inter University competitions. Besides, that our SRM University organized many Inter University zonal and National level competition. This academic year 2015-2016 our university is hosting 4 Inter University Zonal and National level competitions, Basketball (Men & Women), Ball Badminton (Women) and Tennis (Men). The Directorate of Sports, SRM University is giving admission under Sports quota for the top level achievers in sports. Around 300 students are enjoying free boarding and lodging and waiver of tuition fees under Sports quota. Last year (2014-2015), eleven of our University teams

qualified for the National Inter University competitions from South Zone, out of which 4 teams secured 1st position 3 team Secured 2nd position and one team secured 3rd Position in the National level Inter university competitions

NATIONAL SERVICE SCHEME (NSS)

NSS was commissioned in SRM University in the year 2003. The activities of NSS mainly focus on Community Development Services, Social Service, Environmental Awareness Programmes, Health Awareness Programmes and Technology Transfer Programmes. The NSS at SRM University has brought out guidelines to conduct various Regular and Special Camping activities. This certainly ensures uniformity in the organisation and conduct of the programmes. The NSS volunteers definitely benefit from the NSS activities as they get exposed to the sensitive issues of the down trodden, need of the hour remedies, team work, time management and health issues. As a result of all this, they develop self-confidence, compassion, commitment, leadership, positive attitude and above all they turn out to be better individuals to survive in the 21st century.

The National Service Scheme (NSS) aims to involve the youth in serving the community through education. Students give their time, talent and energy for social work. As a result they get a feeling of being useful to the community. It trains them to fulfill their social responsibilities as citizens. The experience of coming into close contact with the poorer section of the society enables our volunteers to get moulded in the best way to face reality. A few students opt for such programmes out of their personal interest. Awarding one credit for NSS ensures that all students participate and benefit from it thus drawing every individual to learn to serve mankind with humility.

In order to render service to the community, the NSS volunteer undertakes various activities inside the campus and also outside in the adopted villages and slums. These activities are normally conducted during weekends.

The Regular Activities are conducted with the help of the concerned Department Heads and the faculties interested in social service. A programme close to the heart is the adoption of a village or an area as a whole. The

volunteers exhibit a greater sense of responsibility when they serve in an adopted village. These activities are mainly a part of the Community Service and Health Awareness Programmes. The Regular and Special Camp activities carried out are listed below:

- i) Environment Enrichment Programmes
- ii) Health Awareness Programmes
- iii) Educational Programmes
- iv) Women Empowerment Programmes
- v) Social Service Programmes
- vi) Production Oriented Programmes
- vii) Relief & Rehabilitation work during Natural calamities
- viii) Creation of Durable Assets

Independence Day and Republic Day are celebrated by NSS Student volunteers every year on behalf of our University in the campus. One of our 2nd year students participated in the Republic parade in New Delhi on 26th January 2013.

Special Camping Programme is a camp for Seven days in the adopted places and it provides unique opportunities for the students. They learn to live in groups thereby gaining a collective experience of sharing responsibilities and basic requirements. They address various developmental issues of regional and national importance because of their constant interaction with the community. A minimum of 50 NSS volunteers participate in these camps.

NATIONAL CADET CORPS (NCC)

The objective of National Cadet Corps is to develop character, comradeship, and capacity for leadership among the youth in India. The NCC at SRM motivates the students with the best training and the ideals of selfless service. The training inculcates team spirit, a sense of nationalism and it also helps in developing the overall personality of an individual. The SRM NCC

(Senior Division-SD) under 1 (Tamilnadu) Signal Company NCC [1 (TN) SIG COY NCC] was started in August 1996. The first and the second year students are enrolled for a duration of three years. We also enroll girls in the NCC since 2005, and the total allotted strength including girls is 83. The Obstacle Area was established in the year 2009 to train the cadets. NCC parades are regularly conducted in Dr. T. P. Ganesan Auditorium Ground every Saturday from 7.00 to 11.00 a.m. as per Parade Schedule. Pre-parade meeting is also conducted in front of the NCC Office every Friday from 4.30 to 5.30 p.m.

The NCC cadets actively participate in the Independence Day and Republic Day celebrations in the campus. Annual Training Camp, Republic Day Camp (RDC–New Delhi), Inter Group Competitions (IGC), National Integration Camp (NIC) and special camps like Trekking Camp, Firing Camp are held periodically. The NCC cadets also get the opportunity to visit various countries like Singapore, Srilanka, Bangladesh, Maldives and Taiwan through Youth Exchange Program (YEP) to represent our country. SRM NCC cadets also organize social service events like Anti-Drug Rally, Blood Donation Camp, Anti-Plastic Rally, visiting orphanages and old age homes and tapping the public consciousness regarding Consumer Awareness, Cancer & AIDS awareness, etc. The Cadets are encouraged to complete "B" and "C" certificate examinations and to join Defence Services like Army, Navy and Airforce.

CULTURAL ASSOCIATION

This has been formed to motivate and encourage students of the Faculty of Engineering and Technology to take part in various cultural events which are held round the year in several educational institutions as well as to conduct such festivals in our institution every year. The Department aims to bring out the latent talents of the students in all spheres.

There are 15 plus Clubs led by Students conducting one activity every month. The students can choose to be in two or more clubs:

The various kinds of clubs are: Adventure, Dance, Debate (English & Tamil), Dramatics, E-Cell, Social, Environment, Festival, Innovation, Karate, Literary, Music, Movie and Dramatics, Aeromodelling, etc.

The students are divided into eight houses and several competitions such as Dance, Music, Debate etc. are held between them throughout the year. The eight houses are: AAKASH, AGNI, PRITHVI, TRISHUL, ASTRA, BRAHMOS, SHOURYA & NAAG (named after the Indian missiles).

Apart from the events mentioned earlier, we also conduct other annual events such as

1. Shuru – 1 year students showcasing talent
2. Jhalak – Inter House Cultural Competition – odd semester.
3. Tarana – Inter House Cultural Competition – even semester.
4. Khel – Inter House Sports Competition
5. Butterflies – School Children Competition (Govt. Schools)
6. Jeet – Inter SRM group Sports Competition
7. Josh – Faculty Cultural Competition
8. Gratitude day – Senior students thanking and motivating the Junior students

SCHOLARSHIPS AND AWARDS

SRM University offers several scholarships, fee waiver schemes, teaching and research assistance to meritorious and deserving students. A large number of students greatly benefit from such schemes. In 2014–15, nearly 2173 students benefited from various schemes with a total of Rs.23 crores distributed as scholarship.

SCHOLARSHIP

To encourage and support students of exemplary talent, several scholarships are instituted to recognize excellence in academics, sports and other deserving areas. The quantum of scholarship and the number of scholarships are subject to change from time to time.

SRM FOUNDER'S SCHOLARSHIP

It is the most prestigious scholarship with a full waiver of tuition, hostel and mess fees. A stipend of Rs. 1000 per month is also awarded in addition to this.

It is offered to:

- Top 50 rankers in B.Tech. Entrance Examination (SRMJEEE)
- Top State rankers in Higher Secondary Examination
- Top rankers in IIT - JEE
- Top rankers in each district of Tamil Nadu
- Exemplary Sports persons at National & International levels
- Special Merits

This is provided throughout their degree program subject to their meeting set performance norms.

SRMJEEE MERIT SCHOLARSHIP

This Scholarship has two categories: SRMJEEE Rank 51 to 250 – 75% waiver of tuition fee and SRMJEEE Rank 251 to 500 – 50% waiver of tuition fee.

UNIVERSITY SCHOLARSHIP SCHEMES

Merit Scholarship

Students who have secured 95% and above in PCM or PCB in the qualifying examinations and also ranked amongst the top 15000 in SRMJEEE are offered this scholarship having a value of up to 50% of tuition fee waiver in the branch they are eligible for at the time of counseling. The quantum and number would vary from time to time.

Performance based Scholarship

A scholarship of 5% to 25% tuition fee waiver is offered to students based on their performance in the University examinations at the end of each academic year. The quantum and number would vary from time to time.

Scholarship for Minority Community

A scholarship of 25% to 100% tuition fee waiver is offered to students of minority community based on their performance in the qualifying examination and the economic condition of the family.

Scholarship for Physically Challenged/Differently-abled

A Scholarship upto full tuition fee waiver is offered to selected students who are physically challenged/differently abled.

Scholarship for Special Merits

Scholarship with a tuition fee waiver upto 100% is offered to selected students possessing exemplary skills in literary debating, fine arts and other fields.

Merit-Cum-Means Scholarship (Socio-economically disadvantaged)

A scholarship of 25% to 100% tuition fee waiver is offered to students who are economically challenged based on their performance in the qualifying examination.

Scholarship Program: International Students

A sum of US\$ 200,000 is earmarked for more than 100 academic merit scholarships to high performers among International Students of foreign origin, NRI and sponsored NRI, joining undergraduate (UG) programs in Engineering and Science & Humanities in SRM University.

The Scholarship program is a transparent merit based process, with a scholarship, upto a concession of 25% tuition fee, beginning in the first year, on joining the University as a full-time degree-seeking student. In case of first year, this would be adjusted in the second year fee. In subsequent years, the renewal of scholarship is subject to consistent high performance as per the norms set by the University from time to time. An appropriate allocation of scholarships would be made to cover different faculties and countries in the case of foreign students.

Teaching Assistantships (TA) for Masters and Research Assistantships (RA) for PhD are available each year and are awarded through the departments based on the candidates' academic excellence. Separate applications must be submitted by the candidates for them to be considered for assistantship.

In all matters relating to Scholarship, the decision of the SRM University

Scholarship Committee would be final & binding. Further information can be had at <http://www.srmuniv.ac.in/admission/admission-international/scholarships>.

SELECTION PROCEDURE

Applications in the prescribed form for the award of fresh scholarship will be received in August/September every year. Processing will be done by the

scholarship office and selection of awardees will be done by a committee consisting of SRM University officials and invited academicians from other Universities.

NORMS FOR RENEWAL OF SCHOLARSHIP

All the above scholarships are renewed every year subject to meeting set performance norms.

SRM Founder's Scholarship and Merit Scholarship

Scholarship can be renewed based on the performance in the University examination, attendance and character and conduct certified by the Head of the Department.

Performance : 9.0 CGPA every year

Attendance : 75% in each semester

Renewal of scholarships in Other Categories (Except Sports)

In the categories of scholarship on Special Merits, Need Based Scholarship, Minority Community Scholarship and Scholarship for Physically Challenged, can be renewed based on the performance in the University examination, attendance and character and conduct certified by the Head of the Department.

1. Performance : 7.0 CGPA with no arrear

2. Attendance : 75% in each semester

Sports Scholarship

International and National level sports persons are exempted from Tuition fee, Hostel accommodation and mess fee.

RULES AND REGULATIONS

The students must be aware of the Vision and Mission of the University. They should be familiar with their Departmental goals. Students should take all efforts to enable their Department to achieve these goals.

The students shall be thoroughly familiar with the regulations which are available at the University website www.srmuniv.ac.in. The curriculum and syllabus of various programs are also accessible at the website.

Some important aspects of the rules and regulations based on the present University Regulations are reproduced here for strict compliance. These are subject to changes effected by the Institution from time to time.

1. Punctuality and Attendance

Attendance is the physical presence of the student in the class. It is a well-observed fact that the students who score good grades are those who attend classes regularly. Therefore, the students must strive to attend all the classes without fail.

- ◆ A student must maintain an attendance record of at least 75% in individual courses. Without the minimum attendance of 75%, in any course, students become ineligible to write the end semester examination in that course.
- ◆ The students must strive to attend all the classes without fail. However, the minimum attendance requirement of 75% allows a student the facility to use the balance 25% to account for illnesses, permitted assignments such as job interviews, inter-university sports meets, inter-collegiate/inter-university competitions, accidents, unforeseen emergencies etc. An attendance of 75% in a course is considered to be the minimum required for a student to get just enough input on the course syllabus through classroom contact hours to make him/her eligible to appear in the end semester examination for that course.

- ◆ Students should be punctual for lecture and practical classes and submit assignments, records, homework etc. in time.
- ◆ Attendance in tests and model examinations is compulsory and leave of absence will be granted only in rare cases (for pressing/valid reasons, such as admission in hospital etc.)
- ◆ Staff members will take attendance for each period at the commencement of the class. Attendance once recorded will not be corrected later to include those students who report late.
- ◆ Students should equip themselves with approved drawing materials, instrument boxes, record notebooks and standard notebooks as and when necessary.

2. Leave Rules

- ◆ It is compulsory that a leave letter in an approved format should be submitted for every day/period of absence. Repeatedly failing to submit leave letter could result in suspension from classes for a period of time.
- ◆ Leave letters should be signed/counter signed by parents/guardians/ Hostel Warden. Medical leave letters should be accompanied by medical certificate for availing leave. Prior permission must be obtained for availing leave. A fitness and medical certificate should be submitted while rejoining the classes.
- ◆ Leave on Medical ground will be accepted only for genuine reasons. HoDs should use their discretion in treating such requests. Once a medical leave application is rejected by the Hod, it will be treated as ordinary leave and will be covered by the previous clause.
- ◆ Leave on medical grounds will not be normally permitted during class tests and model tests, unless the students are admitted in the hospital or for similar reasons.

- ◆ It is important that all students are present on the enrolment day as well as on the last working day. Absence will be permitted only for unavoidable reasons. Suitable fine will be levied for absence on the course enrollment day and the last working day of the semester.

3. Ragging

Ragging in any form is strictly forbidden and severe action will be taken against those who indulge in such activities as per the Tamil Nadu Prohibition of Ragging Act No.7 of 1997.

4. Discipline

- ◆ Every student is required to maintain discipline and decorum both inside and outside the University campus and not to indulge in any activity that will bring down the prestige of the University.
- ◆ Any act of indiscipline of a student is first to be considered by the Discipline and Welfare Committee of the Department/School for necessary action. If the issue demands more serious consideration, the act of indiscipline will be reported to the Director (Engg. & Tech.), and he will refer it to the Discipline and Welfare Committee of the University, constituted by the Vice Chancellor.
- ◆ The Committee will enquire into the charges and recommend suitable action if the charges are substantiated. The Director (Engg. & Tech.) will take appropriate action on the recommendation of the Discipline and Welfare Committee.
- ◆ Director (Engg. & Tech.) may suspend a student pending inquiry depending upon the prima facie evidence.
- ◆ Appeal: The student may appeal to the Vice Chancellor whose decision will be final and binding.

5. Dress Code

Students are required to wear their identity cards (in an easily noticeable way) when they are in the Faculty of Engineering and Technology campus and also when they travel using the Faculty of Engineering and Technology transport. Not wearing the identity card will be considered as an act of indiscipline.

Laboratory Dress code

No loose garments are permitted in the workshop/laboratories. Gentlemen and Lady Students have to wear leather shoes in the workshops. In the workshops, the uniform for Lady Student is grey overcoat and for Gentleman student it is grey trousers and grey shirts. In Physics and Chemistry laboratories all students have to wear white overcoats.

On play-fields, the standard attire is shorts and vests or jerseys. Footwear used on the field should be securely strapped at the heel. In case of violation of the dress code the student concerned will be asked to leave the academic session.

Visiting students are also expected to observe the dress code. All students will wear presentable dress which is neat, clean and pressed.

Students are strictly instructed to adhere to the following dress code while attending the college for Lectures/Practicals/Library/Laboratories and formal functions of the Departments/Institution.

Boys	Girls
Trousers and Collared Shirts/ T-Shirts	Formal Wear: Chudidhar, Salwarkameez, Sari, Trousers and Collared Shirts or T-Shirts
Shoes and socks	Formal Footwear
Neatly trimmed hair	Hair beyond shoulder length to be tied up

Prohibited for Boys	Prohibited for Girls
Tight fitting jeans, low waist trousers, trousers with too many (multiple) pockets, shorts and folded pants	Tight fitting jeans and leggings, low waist trousers skirts/shorts and Folded pants
Short shirts , T-shirts with round collars	Short tops, Sleeveless tops, round collared T-Shirts and Deep-neck tops.
Clothes depicting illegal drugs, alcohol, profane language, racial comments etc.	Clothes depicting illegal drugs, alcohol, profane language, racial comments etc.
Chappals, pony tails, ear Rings	Loose hair

6. Cell Phones

Students are not allowed to use cell phones in the campus.

7. Overall Progress

- ◆ Students should maintain good academic progress on a continuous basis.
- ◆ Students should maintain satisfactory progress on all fronts.
- ◆ Corrective actions proposed by the Department to maintain academic excellence should be strictly adhered to by the students.
- ◆ Unsatisfactory performance will also make the students ineligible to appear for University Examinations.

8. History Cards/Certificates

- ◆ All the students are expected to fill the students' personal and performance record which will be supplied to them after they join the Faculty of Engineering and Technology. These cards will form a record of their progress and achievements throughout their stay in the Faculty of Engineering and Technology.

- ◆ The original certificates submitted by students at the time of admission to the Faculty of Engineering and Technology will be returned within a year. They will be returned on production of a clearance certificate indicating that the student has no dues to the Faculty of Engineering and Technology. The course completion/conduct/extra-curricular/certificates will also be issued when the students leave the Faculty of Engineering and Technology.

9. Hostellers

- ◆ Students admitted to the University hostel shall abide by the rules and regulations of the hostel as existing at the time of admission and as amended from time to time.
- ◆ A student dismissed from the Institute shall automatically cease to be a member of the Hostel.

Apart from the rules and regulations prescribed above, following exhortations are made to the students aimed at their well being:

- ◆ Chennai and nearby areas have long beaches. Students are firmly advised not to take bath in the seawaters as unpredictability of killer currents and monster waves may lead to untowards of tragic accidents.
- ◆ The students are advised to be extremely cautious while crossing the busy National Highway adjacent to the campus. Students are warned not to walk across or along the railway tracks in front of the campus or anywhere else. Carelessness on the part of students has led to many unfortunate fatal accidents.
- ◆ Students are strictly forbidden to smoke/consume alcoholic drinks/take drugs inside the campus or for that matter anywhere else - the habits of which invariably wreck irreparable damage to the career of the students.

Any amendment issued by the University will be binding on the concerned students. Students are expected to know the mode of internal assessment from their respective academic regulations.

GOVERNMENT ORDER ON RAGGING

IMPORTANT NOTE: You must be aware of the serious dimensions that the ragging activities in colleges have risen to and the resultant menace and detrimental social consequences of such activities. We at SRM University are fully cognizant of the problem and are determined to enlist the cooperation of the parents of the students to tackle the menace. We are consequently addressing this amply to the students of the University and their parents.

The Tamil Nadu Government has passed an act, ACT No.7 of 1997 in the Legislative Assembly. A copy of the same is available in the official website www.tndte.com. The Extract of the above Act is as follows:

Extract of Act No. 7 of 1997

1. Prohibition of Ragging
Ragging within or outside any educational institution is prohibited.
2. Penalty for Ragging
Whoever directly or indirectly commits, participates in, abets or propagates "ragging" within or outside any educational institution, shall be punished with imprisonment for a term which may extend to two years and shall also be liable to a fine which may extend to ten thousand rupees.
3. Dismissal of Student
Any student convicted on an offence under this section shall also be dismissed from the educational institution and such student shall not be admitted in any other educational institution.
4. Suspension of student
Without prejudice to the foregoing provisions, whenever any student complains of ragging to the Head of an educational institution or to any other person responsible for management of the educational institution he/she shall inquire into the same immediately and if found true shall suspend the student, who has committed the offence, from the educational institution.

FORMAT OF DECLARATION ON RAGGING

(To be given by the parent)

The Director/Dean
Faculty of Engineering & Technology
Kattankulathur / Ramapuram / Ramapuram – Part Vadapalani/Modinagar
SRM University

Sir,

I hereby declare that I have read "THE ACT No.7 OF 1997 TAMIL NADU GOVERNMENT GAZETTE EXTRA-ORDINARY – THE TAMILNADU PROHIBITION OF RAGGING ACT 1997". I am fully aware of the consequences and punishments that are stipulated in the above act and I undertake to make sure that my son/daughter..... studying in in SRM University/SRMEC will not indulge in any form of Ragging activity directly or indirectly within the campus or outside.

Yours sincerely
