NIFT LATERAL ENTRY ADMISSION

NIFT lateral entry admission provides an opportunity of NIFT education to candidates who have completed their Diploma/ Degree in relevant / related fields of Fashion Technology for direct admission to the third semester of UG programmes of NIFT at NIFT campuses as listed in Annexure III.

The candidates who have acquired Diploma/Degree will compete at an All India Entrance Exam to get lateral admission in the 3rd semester of UG programmes of NIFT. The admission to these candidates will be strictly on merit which will be prepared based on the performance of candidates in written test, studio test/technology aptitude test, and a personal interview. The candidates selected through lateral entry will join the regular UG students of NIFT in their second year for seats listed in Annexure III.

ELIGIBILITY & PROCESS

The candidates should possess a minimum of 3 years of relevant education after 10th resulting in Diploma/Degree in courses related to Fashion / Apparel / Textile and Accessories / Home Science/ Handloom Technology / Products / Visual Communication / Graphic Design / Industrial Design / Interior Design / Multimedia Design / Apparel Technology / Leather or any other similar course from Central/ State Government institute or AICTE / AIU / UGC recognized Institute/ College/University or an institute whose courses in the opinion of Director General NIFT are well accepted in the industry as equivalent to above mentioned courses.

WHO SHOULD APPLY

Candidates having science background with a Diploma/ Degree in engineering may apply for Bachelor of Fashion Technology (Apparel Production) programme as well as Bachelor of Design Programme. Other candidates having aptitude for creativity / innovation / fashion design may apply for Bachelor of Design programme.

SCHEME OF EXAMINATION

All shortlisted candidates will appear in the qualifying tests and a personal interview. A merit list will be prepared based on marks obtained by the candidates in written examination, studio test/TAT and a personal interview as per following weightage:

Bachelor of Design (B.Des.)	Bachelor of Fashion Technology (B.F.Tech.)	Total
General Ability Test (GAT)	General Ability Test (GAT)	40
Studio Test	Technology Aptitude Test (TAT)	40
Interview	Interview	20

The candidates will be called for counseling regarding vacant seats in 3rd semester of different discipline across NIFT campuses as per merit.

The list of selected candidates will be uploaded on www.nift.ac.in and www.cmsnift.com. The selected candidates will be given admission to regular UG programmes of NIFT after successful completion of all mandatory formalities as per NIFT Lateral Entry Admission

(NLEA) Policy. Selected candidates will attend a NIFT Lateral Entry Orientation Programme at any of the NIFT campuses or the alloted NIFT campuses before commencement of the semester.

DESIGN	TECHNOLOGY

Studio Test (STD)	Technology Aptitude Test (TAT)
Interview	Interview

RESERVATION OF SEATS

Vacant seats for SC/ST/OBC (Non Creamy) have been indicated in the Annexure III.
The seats reserved for SC / ST / Physically Handicapped Candidates (PHP) in each programme are as under:

SC	15%
ST	7.5%
OBC (NON-CREAMY)	27%
Differently Abled Person (PHP)	3% Horizontal reservation for Differently Abled Person (with 40% or more disability) cutting across all sections i.e. SCs, STs, OBCs Non-Creamy and General category. Campus and programme will be allotted on rotation, at NIFT's discretion.
State Domiciles	20% (supernumerary)

Category once filled up in the application form will not be changed at any stage.
The qualifying candidates need to meet the eligibility and admission requirements of NIFT. During counselling, the candidate belonging to SC/ST/OBC/PHP would be asked to make a choice if he/she would like to be considered for a General Category seat in lieu of reserved category if choice of programme remains unchanged.
Requirements of each category are as follows:

SC/ST CANDIDATES
Candidates applying under this reserved quota will have to produce a Caste/Tribe certificate from the Competent Authorities of the respective States/Union Territories/ National Commission of Tribes.

OBC (Non-Creamy) Candidates

Candidates applying under this quota would have to satisfy the caste and creamy layer requirement details. Candidates applying under this quota will have to produce a caste certificate from the Competent Authorities of the respective States/Union Territories certifying that they do not belong to the creamy layer. The certificate should be current. This should have been issued in favour of the candidate not earlier than September 01, 2014. Failure to produce an appropriate certificate from a competent authority shall make the candidate ineligible for counselling, Such applicants will not be offered admission. Requests for provisional admisssion will not be entertained.

PHP CANDIDATES

Medical Certificate issuing Authority for Physically Handicapped Candidates(PHP):

At the time of submission of application, Physically Handicapped candidates will be required to necessarily attach a copy of Disability Certificate issued in Form II, Form III or Form IV as applicable to a person with disability as defined in sub-clause (t) of section 2 by a medical authority as defined under section- 4 of rules framed by Central/State Govt. in exercise of the powers conferred by sub-sections (1) and (2) of section 73 of the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 (1 of 1996).Such candidates are required to produce the original Medical Certificate both at the time of Counselling and at the time for Admission to the institute.

It is mandatory for the Differently Abled candidates to attend the Counselling for evaluation. The course will be allotted to the candidates after assessing the capabilities of the candidate. NIFT may consider applications from PHP students for providing external assistance during assessments, with the condition that the expenses for the same will be borne fully by the student/ applicant. It is however recommended that the student/ applicant arrange his/her own external assistant for this purpose as this will ensure a better fit for individual needs.

NIFT will assess the actual physical/psychological capability of a candidate selected for counseling of a particular programme/ course as per the specific requirements of that particular Programme/ course by a Board constituted at each campus by the Campus Director. The three members Board will consist of a Medical Officer/Psychologist, a Faculty from the concerned department (Design/ Technology/ Management) and an Administrative Officer. Candidates are advised to come prepared for such assessments at the time of counseling. NIFT may utilize its laboratories/equipment/test materials for making such assessment of the physical/psychological capability of a candidate for undertaking that Programme/ course and may tailor such test for each individual separately as decided by the Board. The assessment is compulsory for all candidates seeking reservation under this category.

The Board in its proceedings will recommend whether the candidate is capable or otherwise for undertaking the particular programme/course he has applied. A copy of such order will also be communicated to the candidate in writing under acknowledgement informing him that he can make an appeal against the order, in which case the appeal will be referred to another Standing Board at Head office (HO) whose recommendation will be final and no further representation will be accepted. NIFT reserves the right to disqualify the candidature in case of inability of the candidate to perform for a particular programme.

The table below indicates the type of assessment that may be conducted by a Board of NIFT for various categories of disability and programmes:

Program	Criteria / Method	Suitability / Capability				
Design	Drawing/ Sketching/ making models/ colour sense/ operating machines/ computer keyboard manually/ mobility	Visual clarity	Minor speech disability	Minor Hearing disability	No major locomotor disability in hand, legs, face & neck	Sound mental health
Technology	Operating Computer keyboard/ operation of machines manually/ mobility	Minor visual disability	Minor speech disability	Minor Hearing disability	No major locomotor disability in hand, legs, face & neck	Sound mental health
Fashion Management	Operating computer keyboard manually/ mobility	Minor visual disability	Minor speech disability	Minor Hearing disability	No major locomotor disability in hand, legs, face & neck	Sound mental health

NOTE:

1. The required certificate (s) for reserved categories / classes will be essential at the time of the counselling / admission and no provisional admission shall be granted for want of caste/category certificate from the local competent authority. Further, the caste/category certificate has to be in the name of candidate himself/ herself and not in favour of respective parents/ guardians.

2. In case of married women applying to any course under reserved category, she has to produce the caste certificate in her own name. Certificate in the name of husband / mother/ father is not acceptable.

FASHION DESIGN

The Fashion Design Department has been instrumental in bringing about a paradigm shift in design perception in India. It works closely with fashion professionals in order to evolve a unique fashion identity universally relevant and acceptable, for a global audience. With a three-pronged approach, the programme is strengthened with an increased relevance to the fashion industry in India and with a mission to create a global identity in design.

DEGREE: Bachelor of Design

TEXTILE DESIGN

Textile Design forms the core of the whole business of fashion.The rapidly expanding activities in the export and domestic sectors of the Indian apparel and home fashion industry demands professional inputs in design and development of textiles and raw material, which is responsible for 60-80% of the cost of the product. Textile Design today is that strategic value adding activity that can make all the difference in transforming a fashion business into an economically viable and profitable proposition

DEGREE: Bachelor of Design

KNITWEAR DESIGN

Knitwear Design is a fast-growing global industry across product categories such as garments, accessories, home fashion, industrial design and medical equipment. In terms of fashion alone, it represents the backbone for casual wear, sportswear, performance apparel and intimate apparel, creating opportunities much beyond the scope of woven fabric.

DEGREE: Bachelor of Design

LEATHER DESIGN

Leather Design Programme of NIFT is unique, as it offers advanced study in leather garments, goods & accessories, footwear and lifestyle accessories. The course is highly structured and extremely focused on the human resource requirement of the Indian leather industry, aiming at the development of a holistic professional

DEGREE: Bachelor of Design

ACCESSORY DESIGN

The one of its kind programme in the country, Accessory Design as a well-defined curriculum for developing integrated expertise in design methodology, materials and production processes, consumer behavior and market dynamics, trends and forecast interpretations, business practices and project management in the field of fashion and lifestyle accessories. A strong industry orientation is reflected in its credo "Design for Business", with the most successful industry education interface in student learning.

DEGREE: Bachelor of Design

FASHION COMMUNICATION

The Department of Fashion Communication concerns itself with the unique identity of a fashion brand. With a multitude of prêt and luxury brands mushrooming in the Indian retail scenario, it has become essential for each one of them to develop an identity for maximum impact in the domain of Fashion and Lifestyle, creating a demand for Fashion Communication. One of the newest and most exciting avenues in the industry, it integrates course study in areas such as Graphic Design, Fashion Journalism, Visual Merchandising, Styling and Photography, Advertising, Public Relations and Space Design, creating professionals who can offer the most effective and financially viable communication solutions for the fashion and lifestyle industry.

DEGREE: Bachelor of Design

APPAREL PRODUCTION

The four year Bachelor programme is multi-disciplinary, technology-oriented and is designed to meet the requirements of the ever-emerging challenges of the apparel industry. This programme has been designed keeping in mind the core apparel manufacturing technology, with best practices in Apparel Manufacturing. It prepares professionals who can significantly contribute to the fashion technology domain of the apparel industry.

Over the past 25 years, the Department of Fashion Technology has drawn its strength from industry responsive course curriculum, highly experienced faculty members, state-of-the-art infrastructure, and continuous interaction with the apparel industry.

DEGREE: Bachelor of Fashion Technology
