MESSAGE

It gives me immense pleasure to release the calendar for **April-2015** Examinations. Dr.Radhakrishnan has rightly pointed out in his University Education Commission Report that among all the components of University Education System, it is the Examination component which needs immediate and intensive attention. As everyone is aware, evaluation remains the vital part of the Education Trinity. The conduct of Examinations becomes an important function of the University besides Teaching and Research Extension. To conduct Examinations in variety of subjects for a number of students in various colleges spread over four districts needs meticulous planning and careful implementation. I am very much confident that this calendar will ensure effective communication between the University, the Principals, staff and students of various affiliated colleges, and thus help the smooth conduct of examinations.

It is my earnest belief and hope that this kind of scientific planning, mutual consultations and effective co-ordination of all concerned will ensure that the **April-2015** Examinations will be conducted smoothly and the results published as per schedule. I appreciate the Controller of Examinations and all the Principals for their understanding and co-operation in this regard. I sincerely wish that more such steps be taken in future so that effective communication is ensured between the University and Colleges.

AN APPEAL

I am immensely happy to bring out the Calendar for **April- 2015** Examinations. The Examination Wing in our University has been effectively serving the student community thanks to the constructive support, meticulous planning and feed-back and active encouragement extended by our Hon'ble Vice-Chancellor, who is a renowned educationalist, fully aware of the importance of University Examinations System. By leaving no stone unturned for the total growth of the Institution in all its spheres, the Vice-Chancellor takes the right lead setting herself as an ideal role model for all the officers and employees of the University.

I take this opportunity to make an appeal to all the Principals and Staff-both teaching and non-teaching faculty of all colleges to ensure proper Co-ordination in planning and execution of all examination related work. I am optimistic that a careful analysis and strict adherence to the meticulous planning of this calendar by all concerned will certainly ensure smooth conduct of examinations at every stage thus making possible the publication of results in time and as per schedule.

It is my earnest request to all Principals to take a careful and meticulous note of the Instructions to CHIEF SUPERINTENDENTS, INVIGILATORS and SPECIAL INSTRUCTIONS and bring them to the notice of all concerned by taking sufficient Xerox copies

I shall be happy to receive constructive suggestions from all corners for possible improvement. Again I shall remain thankful if the errors, if any, are brought to my notice for rectification.

I would like to thank all the staff of the Examination Wing for all their committed work in the preparation of this calendar.
