Application Form.

Appendix-I : Sponsorship Letter for Full Time Sponsored candidates.

Appendix-II : Relieving Letter in case of Full Time Sponsored candidates.

Appendix-III : Sponsorship Letter for Part Time External candidates.

Appendix-IV : Relieving Letter for Part Time External candidates.

Appendix-V : Relieving Letter for candidates joining on Study Leave.

Appendix-VI : Under taking certificate.

Appendix-VII: Certificate to be produced in case sponsorship letter is not available

Appendix-VIII: Certificate to be produced in case sponsorship letter is not available
(Employees of Government of Gujarat)

Appendix-IX: Current Fee Structure of Ph.D. programme.

IMPORTANT INSTRUCTIONS

Ph.D. PROGRAMMES

- (a) The application should be submitted only **OFF LINE** after downloading application form through Institute Web site www.svnit.ac.in. The application form duly filled in all respect should be sent to -

‘ The Registrar, SVNIT, Ichchhanath, Surat - 395 007 ’

- (b) Candidates must submit the application and processing fee, Rs.1000/- (for Open/OBC) and Rs.500/- (for SC/ST) in the form of demand draft drawn in favour of “Director, SVNIT Surat” payable at Surat and required certificates as envisaged in the information brochure at the time of application. The original documents are to be shown at the time of counseling. In the absence of these documents, candidates will not be interviewed. Application and processing fee will not be refundable.
- (c) Applicants can apply throughout year after downloading the application form from the Institute website. These applications will be processed twice in a year. The applications received till June 30 and November 30 shall be processed in July and December respectively for admission in each year. The schedule for interviews of those applicants will be notified separately on the Institute website in the month of July and December.
- (d) No separate interview call letter shall be sent to individual candidates.
- (e) Policy of reservation will be adopted for the Admission as per the guide lines of the MHRD released from time to time.

1. THE INSTITUTE:

The Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat is one of the twenty higher Institutes of Technology in the country set up with the objectives of making available facilities for higher education, research and training in various fields of Engineering and Technology.

The Institute campus is spread over 100 hectares of land on the Surat – Dumas Road. The Institute was established in 1961 as one of the Regional Engineering Colleges for imparting Technical Education in Civil, Mechanical and Electrical Engineering. Subsequently the UG programmes in Electronics Engineering, Computer Engineering, Production Engineering and Chemical Engineering were respectively introduced in the year 1983-84, 1988-89 and 1995-96. At present, the Institute is offering six UG programmes, seventeen PG programmes and three MSC integrated programmes, in relevant academic departments of the Institute. The Institute offers following PG programmes in the academic departments.

Applied Mechanics Department:

- (a) Structure Engineering
- (b) Soil Mechanics & Foundation Engineering

Civil Engineering Department:

- (a) Environmental Engineering
- (b) Transportation Engineering and Planning.
- (c) Water Resource Engineering
- (d) Urban Planning

Chemical Engineering Department:

- (a) Chemical Engineering

Computer Engineering Department:

- (a) Computer Engineering

Electrical Engineering Department:

- (a) Power Electronics and Drives.
- (b) Power Systems

Electronics Engineering Department:

- (a) Communication Systems.
- (b) VLSI and Embedded Systems.

Mechanical Engineering Department:

- (a) Turbo Machines
- (b) Mechanical Engineering
- (c) Manufacturing Engineering
- (d) Thermal Systems Design
- (e) CAD - CAM

The Ph.D. programmes are offered in the following academic departments of the Institute.

1. Applied Mathematics & Humanities Department (Mathematics, Management & English)
2. Applied Chemistry.
3. Applied Physics.
4. Civil Engineering.
5. Applied Mechanics (Structural Engineering & Geotechnical Engineering).
6. Chemical Engineering.
7. Mechanical Engineering.

8. Computer Engineering.
9. Electronics Engineering.
10. Electrical Engineering.

2. RESEARCH FACILITIES:

All Departments of the Institute are well-equipped with experimental and computational facilities. In addition, there are few central facilities, which include Computer Center, Central Library and Workshop. The Central Library has a large collection of books, back volumes of periodicals, standards and other literature. The Library has now more than 1.25 lacs books and volumes and subscribes to over 1500 latest journals in Engineering and Applied Sciences. Further, the Institute has received grant under Technical Education Quality Improvement Programme of World Bank. Institute has very high level infrastructure including Sophisticated Instrumentation Laboratory, Centre for Water Resources and Flood Management wherein the experimental and Computational facilities are being developed to tackle the challenging problems of Water Resources Engineering. The media Laboratory, CAD Laboratory where most recent softwares have been procured for high end research.

3. STUDENT AMENITIES:

The Institute is fully residential and hostels are available to the students as per the Institute regulation. Each hostel is an independent entity with its own mess facilities, recreation areas, etc. Extra-curricular activities are supported through Students' Council of the Institute. The activities include sports, cultural programmes, and national level technical symposium for the students MINDBEND etc.

4. Ph.D. PROGRAMMES:

The Institute offers research programmes leading to Ph.D. degree in various disciplines. The aim of the programme is to train the candidates in high-level theoretical and experimental expertise that enables them to tackle practical complex problems of design and development in the industrial fields as well as pursue further academic achievements through research. Enough flexibility is

provided in the structure of the programme to help the candidates achieve the above mentioned aims. The Departments are equipped with sufficient facilities for these purposes. The Institute offers programme of minimum three years for the full time candidates and part time candidates. The maximum period allowed for full time candidates and part time external candidates is seven years.

Every stream of specializations in the programme will have a curriculum and syllabus of the courses approved by the Senate. The full-time research scholars have to earn 12 credit requirements by taking theory courses and / or delivering credit seminars in first two semesters. This requirement is applicable to the part time scholars as well. For directly admitted students, after their Bachelor's degree, the credit requirement is 30 credits. The continuation in the Ph.D. programme will be subjected to fulfillment of these initial course credit requirements.

5. MINIMUM QUALIFICATIONS FOR ADMISSION:

The eligibility for the admission to a Ph.D. Programme in faculty of Engineering, Science, Humanities and Social Science as well as Interdisciplinary areas are as follows:

- (a) A candidate shall possess Master Degree in relevant area of research and should have passed with at least second class with minimum 50% (CGPA=5.5) or equivalent in respective Engineering faculty and 55% in other cases, like programmes related with Humanities and Sciences.
- (b) If a student of full time M. Tech. Programme at the Institute willing to change over to a Ph.D. Programme of the Institute, he may be permitted to do so in the beginning of the second year provided:
 - (i) He / She has obtained a CGPA of 9.0 or above after having registered for the full credits of course work in each of the first and second semester of M. Tech. programme.
 - (ii) Once a student changes to Ph.D. programme, thereafter, he / she is governed by the Regulations of the Ph.D. programme of the Institute.

(iii) Course credit requirements for such candidate should be the same as those being admitted in Ph.D. programmes after their Master degree.

(c) Candidates, who have qualified for award of Bachelor's degree in Engineering/Technology with exceptionally good academic record (CGPA 9.0 / equivalent marks or higher) in prescribed discipline, will also be considered for direct admissions to a Ph.D. programme subject to the following conditions:

(i) He / She should be eligible for admission to a M.Tech. / M.E. programme in relevant stream by virtue of his excellent valid GATE score. He / She should be top 10% scorer of his/her related branch.

(ii) He /She will be registered as full-time research scholar with minimum 4 years of duration.

6. CATEGORIES OF PH.D. PROGRAMMES:

The status of the candidates admitted to the **Ph.D.** programmes will be as follows:

(a) Full-time Institute Research Scholars (**FIR**).

(b) Full-time Research Scholars and Paid by Government/Semi-Government Organization / QIP / EFIP (**FRS**).

(c) Full-time Sponsored Candidate (**FSC**).

(d) Part-time Institute Faculty and Staff (**PIS**).

(e) Part-time Project Staff (**PPF**).

(f) Part-time External candidates (**PEC**).

(g) Full-time Self-Financed candidate (**FSF**).

(h) Full-time Study Leave candidate (**FSL**).

There shall be provision for 2 categories of registration to the candidates willing to register for Ph.D.

- I: Full-time: Students, who are willing to pursue research on full time basis
- II: Part-time:
- (a) Institute faculty, Staff and Project Staff.
 - (b) Faculty staff and Project staff working in any technical institute duly approved by competent authority namely **AICTE/UGC**.
 - (c) Candidates working in any Public/Private sector organization or Research Laboratory / Organizations, who are willing to pursue Research on part time basis.

Note:

- Full-time Institute Research Scholars are recipients of the Institute scholarships and are governed by the Scholarship rules.
- Full-time Research Scholars (FRS) paid by Government/Semi-Government organization, i.e. **CSIR, UGC, QIP, DAE, AICTE, TEQIP-II**, etc. will receive their stipend and contingency grants from their respective supporting organizations.
- Full-time sponsored (FSC) candidates are recipients of complete financial support including stipend, contingency grants and project expenses from the sponsoring organizations. The sponsorship letter for full time sponsored (FSC) candidate should be strictly as given in **Appendix-I** which is to be produced at time of interview / test etc. They have to produce the reliving certificate at the time of registration as given in **Appendix-II**.
- Part-time Institute Faculty/Staff, (PIS) Project Staff (PPF) are expected to work for their Ph.D. programme while fulfilling their normal duties.
- Part-time External candidates (PEC) are allowed to carry out their Research work at the Institute or at their parent organization (subject to fulfillment of other requirements, rules and regulations laid down by the Institute Senate) after fulfilling certain pre-requisites at the Institute. They are not entitled to the Institute scholarship. The external candidate should produce a relevant sponsorship certificate strictly as per the format given in **Appendix-III** at the time of interview/written test/ presentation. They have to produce reliving certificate

from their Organization at the time of registration, strictly as per **Appendix-IV**, while fulfilling their one semester compulsory study in the Institute (SVNIT). The Part-Time external candidates are required to spend minimum a semester of the first year of the enrolment like the full-time research scholars of the Institute.

- Full-Time Self financed candidates (FSF) are expected to work full-time and are subject to the rules of the Institute.
- Full-Time study Leave Candidates (FSL) is expected to work full time at the Institute. They are not entitled to the Institute scholarship. Such candidates are required to produce sponsorship/relieving certificate from their organizations and submit it along with the application for admission. The format for relieving certificate for FSL candidates is given in **Appendix-V**.

In case the FSF, PEC and FSL candidates are not able to submit the requisite sponsorship certificates at the time of interview, a certificate in the prescribed format as per **APPENDIX VII (APPENDIX VIII for candidates with Govt. of Gujarat)**, is to be submitted at the time of interview. Without such certificate, the candidates will not be permitted for appearing test/interviews for the PhD admission.

7. ADMISSION CRITERIA FOR Ph.D. PROGRAMMES:

I: NON-SPONSORED CANDIDATES:

(a) GENERAL CATEGORY:

- * Master's degree in Engineering / Technology or Equivalent with a minimum of 50% marks in all semesters/ years at Master's level (CGPA = 5.5).
- * Master's degree in /Science/Management/Humanities with a minimum of 55% marks in all semesters / years at Master's level (CGPA = 6.0)
- * Preference will be given to GATE/ NET/ Any National Level Competitive Examination qualified Candidates.

(b) RESERVED CATEGORY:

- * Master's degree in Engineering / Technology or Equivalent with a minimum of 45% marks in all semesters/ years at Master's level (CGPA = 5.0).
- * Master's degree in /Science/Management/Humanities with a minimum of 50% marks in all semesters / years at Master's level (CGPA = 5.5)
- * Preference will be given to GATE/ NET/ Any National Level Competitive Examination qualified Candidates.

In case of the candidates whose M.E. / M. Tech. results are not declared, their CGPA / % marks at the time of interview/written test / presentation will be decided based up to 3rd semester marks (aggregate). However, such candidates have to submit their final M.E. / M. Tech. results by Sep.15 / Feb.15, for admissions in Autumn / Spring Semesters respectively. Such candidates are required to give an undertaking as prescribed in **Appendix – VI**.

II: SPONSORED CANDIDATES:

(a) GENERAL CATEGORY:

- * Master's degree in Engineering / Technology or Equivalent with a minimum of 50% marks in all semesters/ years at Master's level(CGPA = 5.5).
- * Master's degree in /Science/Management/Humanities with a minimum of 55% marks in all semesters / years at Master's level (CGPA = 6.0)
- * Preference will be given to GATE/ NET/ Any National Level Competitive Examination qualified Candidates..

(b) RESERVED CATEGORY:

- * Master's degree in Engineering / Technology or Equivalent with a minimum of 45% marks in all semesters/ years at Master's level (CGPA = 5.0).
- * Master's degree in /Science/Management/Humanities with a minimum of 50% marks in all semesters / years at Master's level (CGPA = 5.5)
- * Preference will be given to GATE/ NET/ Any National Level Competitive Examination qualified Candidates.

Note:

- (i) In addition to the above criteria, the eligibility for admission to Doctorate programme will also be governed under Clause 5 ‘**ELIGIBILITY FOR ADMISSION**’.
- (ii) The final selection to Doctoral programme under all categories will be strictly subjected to the performance of the candidate in interview / written test / presentation before respective selection committees.

8. APPLICATION PROCEDURE:

The candidates have to submit application and processing fee (non-refundable) of Rs.1000/- (for OPEN/OBC) and Rs.500/- (SC/ST) with the application. The fee has to be submitted in the form of crossed Demand Draft in favour of “The Director, SVNIT, Surat” payable at Surat.

The list of candidates called for the interview shall be put on the Institute website <http://www.svnit.ac.in> in the month of July and December.

The following considerations are kept in mind while filling up the application form:-

- (a) After carefully reading the instruction given in the brochure, fill in the application form.
- (b) Candidate should complete the application form in all respects. Incomplete application forms available to be rejected.
- (c) Forms should be filled neatly and cleanly.
- (d) For SC/ST candidate Fresh Caste Certificate must be attached with application form.
- (e) For OBC candidates, if applicable, the certificates will be required to be produced as per the decision of the appropriate authority.

Note: Application form is a part of this information brochure before the Appendices of the information brochure.

9. SELECTION PROCESS:

Admission to eligible candidates may be offered on the basis of their performance in interview/written test/ presentation to be held at respective departments, the interview / presentation may be supplemented with written test if necessary.

10. FEES AND DEPOSITS:

The complete fee structure is given in Appendix-IX.

11. FINANCIAL SUPPORT:

The Full-time Institute research Scholars will be paid scholarship at a rate in accordance with the directives from the appropriate authorities. They are eligible to receive scholarship for a maximum period of three years, which may be extended for four years with approval of competent authority.

12. REGISTRATION FOR Ph.D. CANDIDATES:

The candidates offered for Ph.D. admission, are required to register for their Ph.D. programmes within stipulated date as notified in schedule for Ph.D. admission and displayed on Institute website.

13. RULES & REGULATIONS:

All the research scholars shall be governed by the rules and regulations laid down by the Institute from time to time.

All Admitted and registered Ph.D. candidates have to carry out research at least for a period of three years from the date of registration before submission of thesis. The above duration is inclusive of the course work and credit seminar. Detailed academic regulations are available on website of the Institute

SARDAR VALLABHBHAI NATIONAL INSTITUTE OF TECHNOLOGY, SURAT – 395 007,

Note: In case for results of final Semester of PG programme is awaited, for those candidates seeking admission in Autumn / Spring semesters, the result up to pre-final semester be intimated, and final results must be submitted by September 15 / February 15 of relevant academic year.

12. Name of Institute / Department last :
Attended and Year.

13. If employed, name and address of :
The present employer (Sponsorship
Certificate from the Employer should
be attached).

14. List of publications, if any :
(Re-prints should be produced before
The interview committee. Attached
Separate sheet if necessary).

15. Experience, if any:

(i) Research and Development (Brief description of any specific research and
Development work carried out along with the supporting documents.
Attached separate sheet if required).

(ii) Teaching at Post Graduate level: Duration in year -

Subjects taught –

16. The following details to be filled in by the candidates of Part-Time External category:

(i) Name of the PG course currently offered in the proposed area of research, if any,
at your institute/organizations and it's year of starting:

(ii) Major infrastructure research facility in the proposed area of research available at

your Institute/Organizations:

17. Declaration by the applicant:

I, Mr. / Ms. _____ hereby declare that all the particulars stated in my application and enclosures attached by me, are true to the best of my knowledge and belief. I have read the Information Brochure and I shall abide by the terms and conditions therein. I understand that my admission will be provisional and in event of being found not eligible at a later date, I will be denied admission and, if already admitted, my admission will be cancelled. I also declare that I have fully understood the implication of scheme of Doctoral Program and I shall devote time to my Doctoral Program studies. I also understand that in all matters concerning the admission, the decision of the Institute Authority is final and I should abide by it.

Note:

1. Candidate must fill correct CGPA/ Aggregate percentage of B.E. / B. Tech. or Equivalent Examination (All Semester) and M.E. / M. Tech. or Equivalent Examination (All Semesters). Application without aggregate percentage or incorrect and misleading data will be rejected without assigning any reasons for the same.
2. Attach authenticated transcript of Grades/Marks of all semesters leading to qualifying examination.
3. If results are not declared, give likely date of announcement of result. In such cases, the aggregate marks of up to 3rd semester must be mentioned.
4. Candidates are required to attach all relevant certificates, including experience and sponsorship certificates.

The Sponsorship Letter for Full-Time Sponsored Candidates.

(This should be typed on Letter Head of the Sponsoring Organization)

To,
The Director,
Sardar Vallabhbhai National Institute of Technology,
Surat 395 007.

**Sub.: Sponsoring of an Employee for Ph.D. Programme in
FSC category.**

Dear Sir,

We hereby sponsor candidature of Shri/Kum/Smt. _____,
Who is an employee in our Organization, for joining Ph.D. programme in _____
at your Institute as a FULL - TIME candidate in FSC Category.

We shall bear the total expenses of his/her studies, we shall fully relieve him/her of his/her duties in the Organization for the complete duration of Ph.D. programme to enable him/her to devote full time to the studies (minimum three years).

**Signature of Head of Organization
with Seal and Date.**

The Relieving Letter in case of Full-Time Sponsored Candidates.

(This should be typed on a Letter Head of the Organization)

To,
The Director,
Sardar Vallabhbhai National Institute of Technology,
Surat 395 007.

Sub.: Relieving an employee as Full Time Sponsored Candidates (FSC).

Dear Sir,

We hereby relieve Shri/ Smt./ Kum. _____, an employee of this Organization, on Full pay leave for joining Ph.D. Programme at SVNIT, Surat for a period of _____ years (at least three years).

**Signature of Head of Organization
with Seal and Date.**

The Sponsorship Letter for Part-Time External Candidates.

(This should be typed on Letter Head of the Sponsoring Organization)

To,
The Director,
Sardar Vallabhbhai National Institute of Technology,
Surat 395 007.

Sub.: Sponsoring of an Employee for Ph.D. Programme in PEC Category.

Dear Sir,

We hereby sponsor and have no objection to the candidature of Mr. /Ms. _____, who is an employee in our Organization, for joining Ph.D. programme in _____ at your Institute as a PART-TIME External Candidate.

We shall fully relieve him/her of his/her duties in the Organization for one semester during the first year of Ph.D. programme to enable his/her to devote full time to the studies.
