

NATIONAL INSTITUTE OF TECHNOLOGY CALICUT

NIT CAMPUS POST, CALICUT, KERALA - 673 601, INDIA

Information Brochure for M.Sc. Programmes 2015-16

ABOUT THE INSTITUTE

National Institute of Technology Calicut (NITC) is one of the premier national institutions for technical education in India. NITC is a technical institution of national importance set up by an Act of Parliament, namely, the National Institute of Technology Act 2007. NITC offers academic programmes leading to B.Tech., B. Arch., M.Tech., MBA, M.C.A, M.Sc. and Ph.D. degrees in the appropriate disciplines. NITC has well-qualified faculty and dedicated supporting staff. Apart from teaching, NITC is engaged in a wide spectrum of activities covering research and development, industrial consultancy, continuing education and faculty & staff development.

VISION

International standing of the highest caliber

MISSION

To develop high quality technical education and personnel with a sound footing on basic engineering principles, technical and managerial skills, innovative research capabilities and exemplary professional conduct to lead and to use technology for the progress of mankind, adapting themselves to the changing technological environment with the highest ethical values as the inner strength.

LOCATION

Set in a picturesque landscape at the foothills of the Western Ghats, NITC is located about 22 km north-east of Calicut City in the state of Kerala, India. It stretches over a length of about 1.5 km along the Calicut-Mukkam road, extending over an area of approximately 120 hectares. The nearest airport is Calicut which is about 45 km away from the campus.

INFRASTRUCTURE FACILITIES

The Institute has well equipped library, computer centre, seminar halls, lecture hall complexes, various laboratories in different departments, workshops, hostels for accommodating more than 4000 students, health care centre and adequate facilities for sports, games and co-curricular activities. The Institute has a state-of-the-art library consisting of digital library, "NALANDA" (Net work of Automated Library AND Archives) and a conventional library of books, journals and bound volumes. The main computer centre, which is open 24 hours a day, has all the relevant software packages and latest computers with internet facilities. To provide service to the campus residents, State Bank of India, Post Office, Canteen & Co-operative Store are also functioning in the campus.

CO-CURRICULAR ACTIVITIES

Students' chapter of many professional bodies such as Computer Society of India (CSI), Indian Society for Technical Education (ISTE), Institute of Electrical & Electronics Engineers (IEEE) and Institution of Engineers (India) are functioning at NIT Calicut. The Centre for Value Education provides students, a unique opportunity to engage in activities that promote human values. Social work is a part of curriculum. Students get opportunities to take part in cultural and other activities through a number of Clubs such as Literary & Debating Club, Industrial & Planning Forum, Nature Club, etc. operating under the Students Council. Students annually organize cultural festival *Ragam* and technical festival *Tathva* in which students from all over India participate.

STUDENT SUPPORT SERVICES

The Institute has Training and Placement department that looks after the training needs of the students, their placement of jobs on graduation and for partnership in industry. An Entrepreneurship Development Cell promotes the students for self-employment. A Technology Business Incubator (TBI) with the assistance from Department of Science and Technology, Government of India is being established. TBI helps in incubating knowledge based start-ups into sustainable business with single window system.

DISTINGUISHED ALUMNI

A vast majority of the former students have made immense impact in the professional areas such as academics, administrative services, research laboratories, government and private industries. A strong network of alumni thrives in India as well as in foreign countries and is known as RECCAA.

HOW TO APPLY?

The application can be submitted ON-LINE through the institute website www.nitc.ac.in on or before 01.05.2015. The printed data sheet obtained after uploading the application should be send to the **Chairperson PG Admissions, National Institute of Technology, Calicut, NIT Campus P.O., Calicut - 673601** to reach on or before 11.05.2015 with the necessary enclosures along with the demand draft of Rs 600/- for Open & OBC and Rs 300/- for SC/ST Candidates drawn in favour of THE DIRECTOR NIT CALICUT and payable at Calicut. Applications which are incomplete/ defective /received late will be rejected summarily and no correspondence will be entertained on such applications. The instructions for online submission of application are available in the online admission portal.

WITHDRAWAL/ DISCONTINUATION OF PROGRAMME

Withdrawal/ Discontinuation of admission for all programmes during the process of Counselling will be as per the guidelines issued by the Institute from time to time. On joining the courses the student will be governed by the Institute rules for withdrawal/discontinuation. As per the rule in force, the fees paid by the students for their current and previous semesters of the programme will not be refunded and the caution deposit will be adjusted against the processing fee, after clearing the liabilities if any.

M.Sc. PROGRAMMES OFFERED

Department	Code	Programme	Programme Code
Mathematics	MA	M.Sc. Mathematics	MA62
Physics	PH	M.Sc. Physics	PH62
Chemistry	CY	M.Sc. Chemistry	CY62

ELIGIBILITY FOR ADMISSION TO M.Sc. PROGRAMMES

M.Sc. Degree in Mathematics: B.Sc. Degree in Mathematics/ Applied Mathematics/ Statistics or Three-main-system with Mathematics as one of the subjects with at least 60% marks (CGPA 6.5/10 or equivalent score). [For SC/ST candidates, 55% marks (or CGPA 6.0/10 or equivalent score)]

M.Sc. Degree in Physics: Bachelor's degree with at least 60% marks/ CGPA 6.5/10 or equivalent score, with **Physics** as main and **Mathematics** as a subsidiary subject **Or** Physics and Mathematics among the main subjects. [For SC/ST candidates, 55% marks or CGPA 6.0/10 or equivalent score].

M.Sc. Degree in Chemistry: Bachelor's degree with Chemistry (Main) with Mathematics as one of the subsidiaries **Or** Bachelor's degree through Physics, Chemistry, Mathematics (three-main-system), with at least 60% marks (CGPA 6.5/10 or equivalent score). [For SC/ST candidates, 55% marks (CGPA 6.0 /10 or equivalent score)].

Students appearing for final semester/year Bachelor's degree during the academic year 2014-15 can also apply provided their final semester/year marks are made available by 15th September 2015. Such candidates may be considered for **provisional admission**. HIGHLIGHTS OF THE M.Sc. PROGRAMMES

The four semester (Two year) M.Sc. programmes based on the credit system comprise several core and elective courses and project work. The highlights of various M.Sc. programmes offered by different departments are given in the following section:

MATHEMATICS DEPARTMENT

M.Sc. Degree in Mathematics

The focus of the programme would be to generate mathematics graduates with strong fundamentals, who are confident of applying their knowledge to practical/ research problems in mathematics and related areas. The curriculum and syllabi maintains an appropriate balance between pure and applied mathematics by providing familiarity with a wide range of mathematical tools on the one hand and at the same time giving enough importance for developing analytical skills, thus keeping career option in academia, R&D organizations and industries open.

CHEMISTRY DEPARTMENT

M.Sc. Degree in Chemistry

The aim of the M.Sc. programme in Chemistry is to prepare students for a research career in academia or industry, with strong basics in fundamental aspects of chemistry and exposure to the latest research trends. The programme curriculum and syllabi is designed to cover all major branches of chemistry with regular revisions to incorporate the latest developments in each area.

PHYSICS DEPARTMENT

M.Sc. Degree in Physics

The objective of this two year M.Sc. programme in Physics is to prepare students for a career of research and academics, in basic or applied sciences. The programme focuses on building a strong base of fundamental principles on which modern Physics is built. This would enable the students emerging from this programme to compete with the best of talent available at the entry point to Ph.D. programmes anywhere in the country or abroad.

FORMAT OF COURSE COMPLETION CERTIFICATE

(To be submitted by candidates appeared/appearing for final semester/year degree exam during the academic year 2014-15)

This is to certify thatstudying/studied in
.....Discipline/specialization# has completed/
will be completing the semester/year regular full time programme from the
(Name of the Degree)
UGC/AICTE recognised institute
on..... and has passed with an aggregate mark of percentage/CGPA up to and
includingsemester/year.

His/Her Character and Conduct are

Place.....

Date...../...../.....

Office Seal

Signature of the Head of the institute with seal

Please specify the discipline/specialization and will be any one of the following: Mathematics, Applied Mathematics, Physics with Mathematics as subsidiary, Chemistry with Mathematics as subsidiary or (Mathematics, Physics, Chemistry three main system)

HOW TO APPLY?

1. Apply online. The link for the online submission of application will be available in the Institute website. Please logon to **www.nitc.ac.in**
2. Before you start filling-in the online application form, keep the following documents ready with you
 - Demand Draft towards application fee
 - Softcopy of your recent PHOTOGRAPH for uploading in the online application (Maximum size of 120 KB)
3. The online application form is best viewed with Internet Explorer 9 or lower version. On submission of online application, a recent PHOTOGRAPH (Maximum size of 120 KB) of the candidate is to be uploaded on the online application. Finally, a printout of the application is to be taken. To view 'the application to be printed', you require an Adobe Acrobat Reader 6 or higher.
4. *Six copies of the same photograph (uploaded in the application) and one stamp size photograph should be produced at the time of counselling/admission.*
5. **Demand Draft towards application fee (Rs. 600/- for Open and OBC candidates, Rs. 300/- for SC/ST candidates) drawn in favour of "Director NIT Calicut" payable at State Bank of India, NIT Calicut Branch (Code No. 2207) is to be enclosed.**
6. The following documents arranged in the order given below should be enclosed along with the application (whichever is applicable):
 - i. Self attested copy of proof of date of birth.
 - ii. Demand draft towards application fee as per the category of the candidate.
8. **Printout of the Application with all the above enclosures should be sent (in A4 size cover) by Post so as to reach the following address on or before 11-05-2015.**

**Chairperson – PG Admissions,
National Institute of Technology Calicut,
NIT Campus PO, Calicut - 673 601, Kerala.**

9. The status regarding the test and/or interview for the admission to the M.Sc. programme will be available in our website in due course. **Candidates will be able to download the Admit Card for test from our website from 01st June 2015 onwards. No separate call letter for test will be dispatched.**

IMPORTANT DATES (Tentative)

Events	Dates
Availability of online application form	16 th March 2015 to 01 st May 2015
Last date for receipt complete Application form	11 th May 2015
Date of entrance examination	14 th June 2015
Date of admission	24 th July 2015
