1.5 About Open & Distance Learning (ODL)

Alternative learning systems are essential since the conventional classroom education system alone cannot achieve the goal of education for all. The ODL approach has come a long way from the old model of correspondence courses and distance learning. We now talk of open learning, flexi learning and now the ICT based learning (virtual learning). The ODL is essentially a student-centric approach rather than a teacher-centric one. YCMOU's motto of *Dnyanganga Gharoghari* (Taking the Ganga of knowledge to every home) is an apt statement of ODL. Education on demand, learning while working, need based and feasibility-based learning are the essentials of ODL. This enables optimal use of existing educational resources, and saving on costs and time. ODL reduces unit costs of education without compromising quality. Countries such as India will be able to make substantial gains from ODL in their pursuit of 'education for all'.

9. Student Welfare

Student aid

YCMOU offers financial aid for students from low-income strata on merit basis. YCMOU has made a pooled annual provision of Rs. 15 lakh for this purpose. YCMOU offers a 50% fee waiver in various programmes for students in low-income sections of the society. Students need to apply in specified format with suitable documents for eligibility.

Sports events

Annual events are organized to offer sports-opportunities for students at regional and university levels. This will enable them to qualify for sports events at intervarsity *Ashwamedha* (intervarsity event started by Hon Chancellor), state and national levels including AIU events.

Youth festival

Annual youth festivals are held for performing arts at regional and university level. The events include elocution, *ekankika* (one-act-play), music and dance. This qualifies them for participation in *Indradhanushya*—intervarsity event started by Hon Chancellor and also national level events including the AIU-event.

Avishkar

To promote research activity in the student community, Avishkar—an intervarsity event started by Hon Chancellor—is organized annually. A biannual research journal is published by YCMOU for students to carry the research papers.

Samvad : house journal

Samvad patrika is a monthly house journal for communication with thousands of students of YCMOU spread in the entire state. This carries educational articles and useful information. This is expected to promote self-learning and awareness about Open & Distance Learning.

Virtual learning

The Ahemadabad based ISRO has helped YCMOU to start a satellite based virtual learning centres network to assist learning. This networks 40 VLCs in the state where students can gather to interact with the counselors.

NSS

The National Services Scheme (NSS) has been launched at select YCMOU study centers for 800 students.

Subject : Recognition of Degrees awarded by Open Universities.

Sir/Madam,

There are a number of open Universities in the country offering various degrees/diploma through the mode of non-formal education. **The Open Universities have been established in the country by an Act of Parliament or State Legislature in accordance with the provisions contained in Section 2(f) of University Grants Commission Act, 1956. These universities are, therefore, empowered to award degrees in terms of Section 22(1) of the UGC Act, 1956.**

A circular was earlier issued vide UGC letter N.F.1-8/92(CPP) dated February, 1992 mentioning that the Certificate, Diplomas and Degrees awarded by Indira Gandhi National Open University are to be treated equivalent to the corresponding awards of the Universities in the country.

Attention is further invited to UGC circular No.F1-25/93(CPP-II) dated 28th July, 1993 (copy enclosed) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by students between the two types of universities so that the mobility of students from Open University stream to traditional Universities is ensured without any difficulty.

The UGC has specified the nomenclature of degrees under Section 22(3) of the UGC Act, 1956 to ensure mandatory requirements viz. minimum essential academic inputs required for awarding such degrees. A copy of Gazette Notification regarding specification of degrees issued vide No.1-52/97(CPP-II) dated 31st January 2004 is enclosed. The details are also given in UGC Web site : www.ugc.ac.in

May, I therefore request you to treat the Degrees / Diploma / Certificates awarded by the Open Universities in conformity with the UGC notification on Specification of Degrees as equivalent to the corresponding awards of the traditional Universities in the country.

Yours faithfully

(Dr. Mrs. Pankaj Mittal)
Joint Secretary
