Chairman of the Audit Committee, Stakeholders Relationship Committee and the Nomination and Remuneration Committee of the Board to answer the queries. He also acknowledged the presence of Shri Vikaramjit Singh, Dy. Secretary, Union Ministry of Power, the Authorised Representative of the President of India, the statutory and secretarial auditors and the scrutinizer for e-voting and polling at AGM.

He also stated that Shri Anil Kumar Singh, Director could not attend the meeting due to his pre-occupation.

3. In accordance with Article 33 of the Articles of Association of the Company, Shri A.K. Jha, Chairman & Managing Director took the Chair. Since quorum as per the Companies Act, 2013 i.e. 30 members were present in person, the Chairman & Managing Director declared the meeting open. He welcomed the Members to 39th Annual General Meeting.
4. The Chairman & Managing Director stated that the statutory and proxy registers were available during the Meeting for inspection of the Members.
5. With the consent of all the Members present, the Notice convening the meeting, Directors' Report alongwith annexures, the Audited Standalone and Consolidated Financial Statements, the copies of which were with the shareholders, were taken as read.
6. The Chairman & Managing Director then delivered his speech. The printed copies of the Chairman's Statement were also distributed to the Members. The brief of his speech was as under:

He stated that Indian economy has shown an upswing trend despite global downswing. IMF had stated that 'India is a bright spot in the global economy'. Indian economy has strong fundamentals and is driven primarily by domestic demand. Infusion of new direction and energy through programmes like 'Make in India', 'Digital India' and expediting of critical infrastructure projects through 'Pragati' and many such measures augur well for the growth of Indian economy.

Power sector performance reached higher trajectory through higher generation output and other performance indicators and Govt's upgraded mission of providing 24X7 power for all by 2019.

He then highlighted the growth of India on parameters like electricity generation, coal production, capacity addition, transmission lines, sub-station capacity, energy deficit, capacity addition through renewable sources, investment in sub-transmission & distribution, increase in per capita power consumption.

He then highlighted NTPC's robust performance as follows:

- Generation of ~25% electricity in the country by NTPC group, over 16% share in the national capacity, underlining high productivity.
- Highest PLF in the country at 80.23% against an all India average PLF of 64.46%; State sector's 59.83%, Private sector's 60.58% and other Central sector companies' PLF of 73.96%.
- Highest ever capex of Rs. 23,239 crore, exceeding the target of Rs. 22,400 crore.
- Commencement of hydro power generation, with commissioning of 2 units of 200 MW at Koldam hydro project in March 2015. (*the remaining 2 units were commissioned in April 2015*).
- Recorded total income of Rs. 75,362.37 crore with net Profit after Tax (PAT) of Rs. 10,290.86 crore.
- Rewarding shareholders by issue of a non-convertible, secured, redeemable bonus debenture of face value of Rs. 12.50 each for each equity share of Rs. 10, aggregating to Rs. 10,307 crore - the largest by any Indian company.
- Dividend of Rs. 2.50 per share (total Rs. 2,061.38 crore) comprising interim dividend of Rs. 0.75 per equity share paid in February 2015 and recommendation of final dividend of Rs. 1.75 per equity share for the year 2014-15
- Achieved 100% realization of its current bills for twelfth consecutive year.
- Reallocation of the coal blocks which were de-allocated earlier bringing the total coal reserves to 5.2 billion tons.
- Excellent MOU rating by the Government of India for FY14 and poised to retain 'Excellent' MoU rating for FY15 also.
- Ranked as # 1 Independent Power Producer in the world in the 2014 rankings brought out by Platts, a part of the prestigious McGraw Hill group.

He then stated that Company has crossed the 45,000 MW capacity mark and its present installed capacity was 45,548 MW. The Company had made the single largest thermal capacity addition (8,445 MW) in the country during the 12th Plan so far and is well on course to achieve its Plan target.

He specially mentioned about commissioning of first unit of 250 MW at Bongaigaon, heralding presence in the North Eastern region, declaration of commercial operation of 800MW of hydel capacity in Koldam in July'2015, marking its impressive debut in hydro space, commissioning of 13th unit of 500 MW at Vindhyachal(Madhya Pradesh), making it the largest power station in India with 4760MW capacity.

Towards the achievement of long term target of 128GW by 2032, NTPC has over 23,000 MW capacity under construction and nearly 9,500 MW capacity is under bidding. The Company had signed an MoA with Government of Jharkhand to form a JV Company for performance improvement and expansion of Patratu Thermal Power Station with proposed capacity expansion of 4,000 MW.

He then touched upon measures adopted by NTPC for ensuring fuel security like coal swapping agreement with GSECL for imported coal of Sipat with domestic coal of GSECL, rationalisation of coal linkage with CIL, creation of coal transportation infrastructure with Indian Railways, reallocation of mines with estimated reserves of 5.2 billion tons and recent allocation of another coal block, 'Mandakini-B', with estimated reserves of 1.2 billion tons.

The Company has been enjoying high credit rating not only from domestic rating agencies but also from international rating agencies and has ability to raise large amount of debts from national and international markets.

The Company is amongst the cleanest among fossil fuel power generators due to adoption of super critical technology and ultra super critical technology. Further, 90% of the under construction coal based capacity is based upon super and ultra super critical technology. Initiatives have been taken by R&D wing NETRA with a view to promote efficiency, improve plant availability, reduce cost and look for innovative, futuristic energy solutions and climate change studies.

The Company has taken up extensive renovation and modernization of its old power generating units for sustained and more environment friendly performance.

In line with the Company's approach of increasing the share of non-fossil energy in the long run and reducing carbon foot prints, there is a new thrust on developing renewable power, with special focus on Solar power generation. 110 MW Solar capacity had already been made operational by your Company at 8 locations across the country. Solar capacity of 250 MW was under construction in Andhra Pradesh and 1260 MW was under bidding.

The Company had been engaged in community development activities, including infrastructure development, providing civic amenities, healthcare support and skill development. The Company also contributed to national endeavours in the area of social responsibility. Under the 'Swachh Vidyalaya Abhiyaan', a component of 'Swachh Bharat Mission', launched by Hon'ble Prime Minister, the Company had completed the herculean task of building more than 24,000 toilets in schools in far flung areas within

a short span of time, and had achieved the targets assigned to it under the national mission.

The Company had signed an MoU with Ministry of Skill Development and Entrepreneurship. This would help in developing a large number of multi-skill centers and providing vocational training to ~30,000 youth to help them become employable.

The Company has a robust corporate image which is an outcome of outstanding accomplishments which have been achieved through fair and transparent means. Openness and accountability are fundamental to the structures and processes of the Company. The Company lays special emphasis on strengthening its culture of utmost integrity based upon clearly stated core values. However, for the Company, governance is more than mere compliance. Corporate governance is an article of faith for your Company. It is demonstrated in the fact that several governance measures had been adopted by your Company long before they became mandatory under different laws and guidelines. This is a demonstration of the Company's proactive approach to corporate governance.

The Company had been adjudged as the 'Best Company to Work for 2015' in a study conducted by 'Economic Times' in Energy, Oil and Gas Industry Category. The employees have ensured that NTPC consistently figures among best employers in prestigious surveys. He then acknowledged the contributions of 'Team NTPC', working with pride in 'powering India's growth'.

The Chairman & Managing Director concluded his speech by thanking the Government of India, especially the Ministry of Power, the State Governments, valued customers, all the authorities and agencies who provided unstinted support to the Company. He conveyed his thankfulness to the colleagues on the Board for their invaluable contribution in strengthening the Company. He also thanked to the investors for their sustained support to the Company.

7. The Chairman & Managing Director thereafter requested Company Secretary to read out the Auditors' Report. It was agreed that the Annexure to the Auditors' Report would be taken as read.

The Auditors' Report dated May 29, 2015 was read by the Company Secretary. There were no qualifications, observations or comments in the Statutory Auditors' Report. In the Secretarial Audit Report, the observation was related to Composition of the Board of Directors of the Company, which was not in compliance with the Companies Act and the Listing Agreement. The observation of the Secretarial Auditor had been adequately explained in the Board's Report by the Management.

8. The Chairman & Managing Director stated that the Company had provided electronic voting facility to its members to exercise their right to vote in respect of items proposed to be transacted at the Annual General Meeting by electronic means from September 15, 2015 (9.00 A.M.) to September 17, 2015 (5.00 P.M.) in pursuance of Clause 35B of the Listing Agreement executed with NSE and BSE and in pursuance of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014. The voting rights of the Shareholders were in proportion to the paid-up share capital of the Company as on the cut-off date which was September 11, 2015.

He further stated that the members who could not exercise their vote through e-voting process were provided facility to vote at the Annual General Meeting by way of polling instead of voting by show of hands. The ballot papers were available at counter.

He also stated that as per the Clarification issued by the Ministry of Corporate Affairs, those Shareholders who had cast their vote through electronic mechanism can take part in the Meeting but were not allowed to vote again at the Meeting.

He then stated that Shri P.K. Mittal, Advocate, M/s PKMG Law Chambers was appointed as a Scrutinizer to scrutinize the e-voting process as well as voting at the AGM. He had already submitted the Report on e-voting.

Thereafter, he explained the procedure for polling.
