Shortlisting Criteria for PGP 2012-14 Batch

70% weightage is given to the CAT/GMAT score and 30% weightage is given to the Application Rating Score.

Application Rating (AR): 2012-14

	Rating Score	1	2	3
(A)	Percentage score in 10th Std. Exam	<60	60-80	80+
(B)	Percentage score in 12th Std. Exam	<60	60-80	80+
(C)	Percentage score in Bachelor's Degree Exam	<60	60-80	80+
(D)	Percentage score in Master's Degree Exam	<60	60-80	80+
(E)	Work Experience	<1 Year	1-2 Years	2+ Years

- Percentages for incomplete Bachelor's Degree Applicants are based on their available marks.
- Only those with completed Master's Degree is considered. For those with more than one completed Master's Degree the highest percentage of marks obtained is to be used.
- For those candidates having cleared CA/ICWAI without having Bachelor's Degree, their average of inter and final levels marks will be treated as Bachelor's degree marks.
- **Application Rating Score: (AxBxC)+D+E** **Maximum Score for AR = 33**

It was decided that approximately three candidates per seat across all categories be called for Personal Interview. Based on the above criteria, the following candidates have been shortlisted for Personal Interview:

01 Top 561 General Category candidates. The minimum composite score in this category is 0.7050

02 Top 314 NC-OBC Category candidates. The minimum composite score in this category is 0.5950

03 Top 177 SC Category candidates. The minimum composite score in this category is 0.5210

04 Top 87 ST Category candidates. The minimum composite score in this category is 0.4530

05 Top 38 DA Category Candidates. The minimum composite score in this category is 0.4620

Calculation of composite score is as follows

$$\frac{\text{Obtained CAT score}}{450} \times 0.7 + \frac{\text{Obtained Academic Rating}}{33} \times 0.3$$

As for the overseas candidates, the following equivalent CAT scores for the GMAT scores were applied:

GMAT	Equivalent CAT Score
700	220
710	227
720	237
730	248
740	256
750	267
760	283
770	289
780	297

The composite score was calculated based on the equivalent CAT score and Application Rating as above.

* CAT refers to CAT-2011
* GMAT refers to GMAT administered within the last 24 months as on 15 December 2011
