The policy of refund of the fee, in case of withdrawal, should be clearly notified:

The Policy of refund of fee is in accordance with the Government of India rules.

XI. CRITERIA AND WEIGHTAGES FOR ADMISSION

Describe each criteria with its respective weightages i.e. Admission Test, marks in qualifying Examination etc.

NITIE intake is confined to Engineering graduates only with a minimum of 60% aggregate marks (with 5% relaxation for SC/ST/PD category).

(a) Shortlisting for Group Discussion and Personal Interview (for PGDIM/PGDISEM)

Candidates meeting the following section-wise cut-off percentile criteria are called for Group Discussion and Personal Interview in the order of their ranks based on the ratio decided for categorywise availability of seats.

PG Programme	Category	Sectionwise CAT Score cut-off		Total CAT Percentile
		Quantitative Percentile	Verbal Percentile	
PGDIM	General/OC	92	92	97
	ON/PD	67	67	85
	SC/ST	44	44	57.5

PGDISEM	General/OC	91	91	95
	ON/PD	60	60	78
	SC/ST	44	44	57.5

(b) Shortlisting for Group Discussion and Personal Interview (for PGDIE)

From among the eligible candidates, top scorers of GATE Score equal to or above 650 score are called for GD & PI based on the ratio decided for category-wise availability of seats, under General Category.

Concession is offered to candidates belonging to SC/ST/OBC/PD categories. Additional concession in percentile is offered to SC/ST candidates to get the sufficient number of candidates from these categories as per the ratio of seats to no. of candidates to be called for GD/PI.

(c) Preparation of Final Merit List

All candidates who attend the GD and PI are considered for preparing the final merit list according to the total weighted score obtained by each candidate in the order of merit.

The total weightage amounting to 100 is distributed among the seven components as per the score of the candidate viz., (i) Aggregate CAT Score (for PGDIM/PGDISEM/ PGDMM/PGDPM) or Aggregate GATE Score (for PGDIE), (ii) Class X Marks, (iii) Class XII Marks, (iv) Graduation Marks, (v) Experience, (vi) Group Discussion and (vii) Personal Interview.

Based on the total weighted score out of 100, the category-wise merit lists are prepared and admission offers are issued to the top rankers in order of merit according to the category-wise availability of seats.

Mention the minimum level of acceptance, if any : **Same as above**

Display marks scored in Test etc. and in aggregate for all candidates who were admitted.

NITIE LIBRARY : A Brief Note

The National Institute of Industrial Engineering (NITIE) Library is a learning and knowledge resource centre for the academic community since 1965.

The NITIE Library is enriched with intellectually stimulating collections of Technical Books, Reference books, Journals (including online) and Electronic databases in the fields of Industrial Engineering and its allied subjects. Since the Institute is with a residential campus, the library plays a key role in providing information to our staff, officers and students, in a great extension.

The objective of NITIE library is to facilitate the creation of new knowledge through acquisition, organization and timely dissemination of knowledge resources and providing value added services. The total collection of library is 80,628 books which include reference books, bound volumes of Journals, Light reading books, Hindi, Marathi and complimentary books.

Library subscribes 230 technical Journals. Out of which 82 are Online, 68 Print+Online and 80 are Print subscriptions. Apart from technical journals, it also subscribes 40 Light reading journals and magazines. Library also has a rich coverage of newspapers. Along with English newspaper it also subscribe regional language newspapers such as Hindi, Marathi, Gujarati, Tamil & Telegu.

Library subscribes important related databases as well as E-Journals. Library also provides "Discovery Service", EDS which brings together the most comprehensive collection of the entire subscribed journal's database as well as library collection at one platform. From the year 2014 Library is involved in the procurement of educational software such as Turnitin (Plagiarism software), Conjoint Based Choice, MATLAB etc. It has also started providing HBSP case service.

NITIE is a core member of INDEST consortium (an initiative of MHRD) since its inception along with all the IIT's, IIM's and NIT's. Through INDEST, Library gets electronic journal databases (ABI / Inform Complete (Proquest) & IEEE (ASPP+POP))

Library provides above resources through wide network including Library catalogue OPAC (Online Public Access Catalogue) 24 X 7 within the campus. Library uses the *LIBSYS* software package for library management. Library has Bar code technology with 3M security system.

Keeping in view the increasing collection and services, library is now in the process of shifting to the new premises at "Academic cum Library Building" with more space and facilities at three floors. The complete library area will be centrally air-conditioned with all modern amenities.
