AOC's NOTE

1. Every individual after a life of sweat and toil dreams of a relaxed retired life, with the help of his retirement/ pensionary benefits. AFRO is committed to help all retiring Airmen/NCs (E) in getting their Pensionary benefits within a reasonable time. However, Pension is a team game and for timely release of Pension to the individual, all players (Individual, Unit, AFRO, JCDA (AF) and the payee Bank) have to play their role. AFRO, JCDA (AF) and the Banks understand the entire ambit of pension; however, a lot of scope exists for educating the individual and the Units on this matter. This handbook on Pensionary benefits is an effort in this direction.

2. This revised handbook has been completely restructured and improved to ensure transparency and ease of understanding. This handbook not only provides relevant information on Pension but also provides explanation regarding the various issues and procedures involved in sanction/disbursal of pensionary benefits. Besides pensionary benefits, this revised handbook also provides comprehensive information on Ex- Servicemen Contributory Health Scheme and other Post Retiral Assistance provided by AFRO and *Zila Sainik Boards*.

3. **This book is only a guide and not an authority for claiming pension or any other benefits.** The information available in this book has been updated, till the printing of this book.

A PIECE OF ADVICE

When an airman is in service, his complete focus is centered on his profession, his postings, his annual assessments, his promotions, and his recognition (commendations/ honorary commission etc). However, it is surprising to know that how little planning and foresight is displayed by an average airman/NC (E) towards the second innings of his life, which starts after retirement. This handbook aims to help an airman/NC (E) in understanding the rules of the game in this second innings of his life, so that he can emerge as a winner.

CHAPTER- I

INTRODUCTION

A BRIEF ON PENSION

1. An employee governed by the Pension Scheme gets a recurring monthly payment for life and a lump sum gratuity at the time of his retirement, both determined with reference to the length of his service and the last pay drawn by him. For the PBOR who has spent all his active life in the service of the nation, pension is not only compensation for loyal service rendered in the past, but it also has a broader significance. Pension is a measure of social economic justice which provides economic security even in that stage of life when physical and mental prowess are ebbing out corresponding to the ageing process and therefore, one is required to fall back on savings. The term 'pension' has been judicially defined as a stated allowance or stipend made in consideration of past service. Thus, the pension payable to a Defence Personnel is earned by rendering long and efficient service and therefore can be said to be a deferred portion of the compensation for service rendered. In the event of his death, his spouse gets a monthly payment for life. Other beneficiaries get such payment for limited periods or for life subject to certain conditions.

2. A pension has in essence the character of a conditional entitlement and the root of the idea of pension lies in a long term relationship between the employer and the employee of a service normally spanning over employees whole working life, followed by the annuity for the rest of his life. Pension is an objective and a cherished goal one works up to and looks forward to. It is the culmination of the long journey in one's service career. Once a man has earned his pension after hard labour of several years, he can afford to relax and start enjoying the fruit as long as he is gifted to live. Pension is valuable in the sense that it is secure. The Courts will not allow refusal, reduction, forfeiture of pension unless there are genuine grounds for doing so and the employees can also seek redress in the Courts of Law, whenever, they feel that justice has been denied to them. Only misconduct of the gravest nature can lead to forfeiture of pension once sanctioned. Pension is also secure against attachment, seizure or sequestration by process of any civil court at the instance of a creditor or in satisfaction of a decree or order of any civil Court of Law (Pension can however be attached on orders of a criminal court for maintenance under sec-125 of Cr PC). Amounts owed by the pensioner to Govt, though undisputed cannot be recovered by deduction from pension except with his express consent. Pension is thus a sacrosanct and protected possession and is therefore, greatly valued.

TYPES OF PENSION

3. The various types of pensionary awards admissible to Airmen/NCs (E) are as follows: -
 - (a) **Service Pension** (Min qualifying service **15 years** for Airmen & 20 yrs for NCs(E).
 - (b) **Invalid Pension** (If not eligible for Service/disability pension & qualifying service is ten yrs or more).
 - (c) **Disability Pension** (If disability is attributable to or aggravated by military service & disability percentage is 20% or more).
 - (d) **Family Pension** (The widow / Next-of-Kin will get Ordinary, Special or Liberalized Family Pension depending upon the circumstances of death).
 - (e) **Gratuity** (The amount of gratuity will differ as per length of service and the circumstances of discharge i.e. Retirement with pension / without pension, Medical Invalidment, Death etc.)
 - (f) **Ex-gratia payment** (One time lump sum payment for families of Defence service personnel who die during the performance of their bonafide official duties).

- (g) **Constant Attendance Allowance** (Given on Medical Board Recommendation for 100% disabled ex-airmen drawing disability pension)
 (h) **Special Pension and Gratuity** (As decided by Govt).

AN OVERVIEW OF AFRO

4. Pension and Welfare Wing of AFRO is directly responsible for all pensionary matters of Personnel Below Officer Rank (PBOR). However, Pension and Welfare Wing works as a team with other wings of AFRO. It has to be understood that if everything else (during the service period) has gone off well, only then the pension settlement will also go through smoothly. However, if there are any problems with qualifying service, authorized entitlement of leave, promotion dates and correctness of critical data in the RCSR etc, it will adversely affect the pension.

5. Since AFRO will be the most important organization in the post retired life of Airmen / NCs (E), therefore, it is desirable for airmen/NCs (E) proceeding on retirement to have a brief overview of AFRO:

- (a) Record Office was formed in 1939 at Ambala. Thereafter it moved to Walton, Lahore in 1941.
 (b) However in 1942 it moved again and was merged with Base Personnel Office at Bombay.
 (c) In 1945 it was re named as IAF Record Office.
 (d) In 1947 it was moved to New Delhi. In the year 1958 it was merged with Dte of Personnel Airmen & Civilians at Air HQ.
 (e) In Aug 1966 an independent Unit (Called as AFRO) was formed at Subroto Park, New Delhi and till date this office is operating from Subroto Park.
 (f) The complete spectrum of personnel management of Personnel below Officer Rank (PBOR) right after recruitment till death and thereafter the release of family pension is handled by AFRO.
 (g) For serving Airmen activities like Postings, Promotions, Placements, Extension of Service, Discharge, Grant of Hony Commission, Issue of various medals, detailing for courses within India and abroad, Maintenance of service records etc. is routinely done at AFRO. In addition, the Pension and Welfare Wing of AFRO actively looks after the Pension and Welfare aspects of our PBOR after retirement.

ROLE OF OTHER AGENCIES

6. Besides internal co-ordination within the AFRO, the Pension and Welfare Wing co-ordinates with other agencies like JCDA (AF) Subroto Park, PCDA (P) Allahabad, AFGIS, AFCAO, IAFBA etc. After retirement there could be a requirement for an ex Airman/NC (E) to ask queries on Pension and other NE benefits. For appropriate response, the query must be addressed to the concerned agency, which has jurisdiction over the subject matter of query to ensure effective correspondence after retirement. Subject matter and the name of concerned agencies are as given below: -

CHAPTER – II

SERVICE PENSION

INTRODUCTION

1. Oxford dictionary defines Pension as a regular payment by the government/pension fund. The terms and conditions for eligibility to Service Pension are different for airmen and NCs (E). Though pension has a very old history however for every individual who is going out of service, getting his own pension is his first experience. For the purpose of Pension, AFRO is basically a front end processing agency for Airmen/NCs (E) however the financial power to issue Pension Payment Order (PPO) for Defence, vests with the financial watchdogs of the Government i.e. Controller General of Defence Accounts/ his representatives. For IAF the pension is issued by Joint Controller of Defence Accounts (JCDA) Air Force, Subroto Park, New Delhi-110010. If AFRO & JCDA are satisfied on the eligibility conditions of an airman then a PPO will be issued by JCDA (AF). This PPO will be in **six** copies. AFRO will dispatch one copy to the individual (With Pension Book), One copy to the Pension Disbursing office (Bank/ Treasury Office/ Defence Pension Disbursing Office) and one copy is filed in the individual's Record copy of sheet roll (RCSR) at AFRO. Fourth & fifth copy of PPO is retained by the Office of JCDA (AF) and the sixth copy is forwarded to Office of PCDA (P) Allahabad (Principal Controller of Defence Accounts (Pension)) for record purpose. The Pension Disbursing office (PDO) is a financial authority in itself and therefore it has the power to satisfy itself on the identity of the pensioner and the genuineness of the PPO. It is therefore very important that each and every Airman eligible for Service Pension (SP) understands the salient aspects of the SP and avoids injecting inadvertent mistakes into his Pension papers and service documents. It must be remembered that any mistake in pension papers/ service documents will invariably results in audit objection and consequent delay in the release of Service Pension.

ELIGIBILITY TO EARN SERVICE PENSION

2. The terms and conditions for eligibility to Service Pension are different for airmen and NCs(E). Everyone who joins as an airmen & NCs (E) in IAF can become eligible for Service Pension if he meets the following service conditions as laid down in Para 121 of Pension Regulation 1961(Part – I) for airmen and in regulation 145 of pension regulations for Army (part-I) {for NCs(E)}:

- (a) **Eligibility for Airmen** : A minimum of **15 years of qualifying service.**
- (b) **Eligibility for NCs (E)** : A minimum of **20 years of qualifying service.**

ADDITIONAL PENSION ON ATTAINING THE AGE OF 80 YEARS

3. An additional pension/family pension to the pensioners has been introduced **with effect from 01.01.2006 vide, the Circular No. 397 & the GOI MOD Letter dated 18 Nov 08 & 11 Nov 08** respectively. The additional quantum of pension/family pension, on attaining the age of 80 years and above, **would be admissible from the 1st day of the month in which his/her date of birth falls.** The quantum of additional pension/ family pension available shall be as follows: -

Age of pensioner/ family pensioner	Additional quantum of pension
From 80 years to less than 85 years	20% of revised basic pension/ family pension
From 85 years to less than 90 years	30% of revised basic pension/ family pension
From 90 years to less than 95 years	40% of revised basic pension/ family pension
From 95 years to less than 100 years	50% of revised basic pension/ family pension
100 years or more	100% of revised basic pension/ family pension

The amount of **additional pension** as per entitlement **will be paid by the PDA automatically, where the date of birth of the pensioner/family pensioner is available** in the PPO/Descriptive Roll and shown separately in the pension payment scroll/ pension payment voucher/schedule/journal.

In cases where the **date of birth** of the pensioner/ family pensioner is **not available** in the PPO/ PDA/Bank records, the same shall be **forwarded** by the pensioner to the Records Office along with **attested photocopy of discharge book and proof of the date of birth of surviving spouse**. The authenticity of the age declared by the pensioner/ family pensioner shall be verified by the Records Office and forwarded to the Pension Sanctioning Authority (PSA) for notification of date of birth through a Corr PPO. A format of application for additional pension on attaining 80 years of age and above is attached as **Appendix 'A'** to this book, which is to be submitted to this Office by the pensioner.

ROLE OF UNIT IN ENSURING THE CORRECTNESS OF PENSION PAPERS

4. **As a first agency responsible for initiating and verifying the pension claim, the role of the parent unit becomes important.** The activity chart for the unit is attached as **Appendix 'E'** to this book. The following ambiguities / irregularities in finalization of the cases can be checked at unit level:

(a) At times the Airmen / NCs (E) are not briefed clearly about the difference between qualifying service and total service for eligibility to pension. This understanding is crucial for exercising the option of unwillingness for further extension of service.

(b) Airmen / NCs (E) are not routed for final clearance in time. The importance of final clearance at AFRO for clearing visible/invisible Pension related complications of the individual is sometimes not understood at unit level.

(c) Delay by unit in obtaining CFA sanction for regularization of abnormal leave, will delay the release of Pension.

(d) Non qualifying periods as given below are not mentioned correctly in column no-17(a):

- (i) **AWL (If punished)**
- (ii) **Detention by Court Martial**
- (iii) **Period under civil custody**
- (iv) **Extra ordinary leave due to AWL**

(e) Incorrect promulgation of entries in NE POR and late despatch of the same by the unit.

(f) At times wrong issue of service details in discharge certificate with special reference to airmen proceeding on discharge on own request/SNLR/Medically invalidated out etc causes subsequent complications in their Pension.

(g) Typed / handwritten signature block of Adjutant (Commissioned Officer) / CO / Stn Cdr / AOC is not to be made but Rubber Stamp is to be affixed at all places in pension papers.

5. The units are required to forward the following documents to O i/c RW (Co-ord) AFRO within three weeks of receipt of discharge order: -

(a) Updated CTC of unit copy of Sheet Roll (UCSR) duly countersigned by Adj/CO.

(b) Appx 'B' to AFO 40/89 (Application cum sanction for encashment of leave in triplicate)

(c) Requisite information as called for vide Appendix 'A' to AFRO letter No RO/2901/1/Pen Wel (Adm) dated 05 Feb 99 is appended as **Appendix- 'F'** to this booklet.

(d) The Adjutant is to review the UCSR for accuracy and completeness in all respect and bring it upto date. (Refer Appx 'A' SI No. 01 to AFO 133/98 and para 9 of AFO 40/89).

Note: - Leave availed and leave encashed vide a, b & c should tally.

6. The units are required to despatch certain documents to O i/c Pen & Wel Wing, AFRO eleven months before the date of discharge. Specimen of these documents is attached in this booklet as **Appendix-‘G’**. The list of these documents is as follows:

- | | | | |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|--------------|
| (a) | IAFF (P) 28 (Descriptive Roll) | - | Two copies |
| (b) | AFF (P) 61 (Roll of airmen) | - | Two Copies |
| (c) | Annexure ‘A’ to Govt of India, MoD Letter A/47226/GPS 4/(b)/2095/B/D/Pen/Ser dated 03 Aug 84) (Details of family) | - | Two copies. |
| (d) | Form ‘A’ (Nomination Form) | - | Three copies |
| (e) | Form of Application for commutation alongwith Declaration | - | Two copies |
| (f) | Medical Certificate –In original, as per Air HQ letter No Air HQ/26481/Med-7 dated 24 Jun 2002. | - | Two copies |
| (g) | Joint Photograph duly attested by Commissioned officer at front in civil clothes | - | Four copies |
| (h) | Single Photograph in Uniform duly attested with Service Particulars on reverse | - | Two copies |
| (j) | One Copy of the ECHS form to be purchased from AFRO (ECHS) Section during final clearance at AFRO. The form is available in AFRO website www.afro.nic.in and Army HQs website www.indianarmy.nic.in/arechs.htm the same can be downloaded. | | |

7. On receipt of pension claim/papers, AFRO processes the case for award of pension and maintains close liaison with Pension Sanctioning Authority (Audit) and other agencies concerned with the pensionary aspects. AFRO monitors the movements of documents through its Liaison cell and clears the audit objections expeditiously so that Pension Payment Order (PPO) is issued by PSA within the specified time limit. The combined effort (Parent unit, individual, AFRO, AFCAO and JCDA) finally culminates in the issue of Pension Payment Order (PPO).

8. **Certain important documents/papers must be preserved by a Service Pensioner.** Pensioners are advised to preserve the under mentioned service documents/papers, for revision of pension/family pension claim at a future date:-

- (a) **Pension Book.**
- (b) **PPO/Corr PPO.**
- (c) **Discharge Book**
- (d) **Ex-servicemen Identity Card issued by Zilla Sainik Board (ZSB)**
- (e) **Retired Officers Identity Card (Applicable only for HFO/HFL)**
- (f) **AFWWA membership Card**
- (g) **PRIC (Post Retirement Insurance Certificate) issued by AFGIS.**
- (h) **Last Pay Certificate (LPC)**
- (j) **Photocopy of Unit Copy of Sheet Roll.**
- (k) **ECHS Smart card**

POINTS TO BE CHECKED IN SERVICE DOCUMENTS, DURING ANNUAL PERUSAL/FINAL CLEARANCE AT AFRO

9. Every Airman is required to check his documents annually. During this annual perusal he must look at the correctness of following details:

- (a) Correctness of Name/ Initials/date of birth for self, wife and children.
- (b) Date of enrolment should be correct.

- (c) Correct record of all movements on posting and attachment.
- (d) Record of Additional Pay to which you are entitled such as GCB, PJI, FPA, officiating allowances, Gratuity and Annuity for awards.
- (e) Correctness of entries pertaining to various reclassifications, promotions including restoration of former rank during service career and their effective dates.
- (f) Record of Attestation in the IAF.
- (g) Record of various examinations, courses and tests passed.
- (h) Correctness/updation of Educational qualifications.
- (j) Record of admissions/Discharges to and from SSQs/Hospitals.
- (k) Correct record of AWL (Commencement/Cessation) in Section II and disposal thereof in Section IV or VI, if any.
- (l) Correct particulars of Next-of-Kin, names of heir to estate and family Pension.
- (m) Correctness of all the leave entries recorded in the documents and accumulation of leave for encashment.
- (n) Correct Permanent home address.
- (o) Noticing and rectifying any other anomaly.
- (p) Any period spent in civil custody must be regularized to avoid the problems which may arise during finalization of pensionary benefits.

COMMON ERRORS IN FILLING UP PENSION CLAIM FORMS

10. The following common errors which can result in delay /subsequent problems in grant of Revision of Pension/ Family Pension should be avoided by all airmen while filling up their Pension papers:

- (a) Submission of incomplete pension papers/ non-submission of pension papers by due date.
- (b) Non submission of the joint photographs (husband & wife) of the individual by the unit/ individual along with pension papers.
- (c) Incorrect records of leave accumulation, non-adherence to approved copy of Appendix 'B' to AFO 40/89.
- (d) Incorrect reflection of Non - Qualifying Period of service and delay in obtaining CFA sanction for regularization of leave related abnormalities. These results in audit objection and delay in release of pension
- (e) Incorrect promulgation of various entries in NE POR and also late despatch of the same to AFRO/AFCAO.
- (f) Opening of Pension bank account (as per name in discharge order in an authorized Pension Disbursing Bank), is a must for service pension. However, withdrawal of pension from joint account is permitted.

(g) Pension account is not opened in the authorized bank/link branch as recommended by AFRO through a handbook containing state wise address of banks authorized for pension disbursement. This handbook has been issued to all units of IAF. Opening of Pension account in a bank which is not authorized to disburse pension will result in dishonoring of PPO at the time of first pension collection.

(h) As far as possible, pension account number once submitted should not be amended later on. If it is amended later on, then Pension can get delayed.

(j) While filling up pension papers, individuals are writing different addresses in different forms i.e. (IAF (P) 61, Nomination, Commutation form and IAF (P) 28. At times, the permanent home address is mentioned in column No 7 of IAFF (P) 61. This address should be the same where the individual wants to receive his PPO. Correct information on address will rule out any possibility of non-receipt of PPO/Pension Book by the individual.

(k) Incomplete bank details are given in pension papers i.e. individual not mentioning Bank name and branch clearly. At times individuals are mentioning different branch names in pension papers. Full details of PDO (Bank name, branch, Distt & State) are not mentioned. If a new district/ state is formed, the individual should also mention old district/state in his PDO details. Pensioners desiring to get their pension credited to a joint account are required to submit an application to the branch bank, from where they wish to draw pension. The pensioner's spouse in token of having accepted the terms and conditions laid down in GOI, Min of Finance Office Memorandum No, would also sign this. CPAO/Tech/Amendments/Sch.Book/2005-06/69 dated 09 Jun 2005. (Format of application is given at **Annexure 'C'**)

(l) Joint photograph should be attested in front and not at the back. Service Number and Date of Discharge should be clearly written at the back of the photograph. Joint photographs (self and wife only) should be affixed in the place for details of family. However in most cases individual submit joint photograph with children included, which is not correct. Only passport size and latest photograph should be submitted, Photograph should be developed from the negative and should not be a photocopy/Scanned photograph.

(m) Individuals are submitting extracts/amended medical certificate instead of original medical certificate with pension papers. Since medical certificate is a must for calculation of commutation for all airmen/NCs(E), therefore original medical certificate is a mandatory audit requirement. Extract/ amended medical certificate will get rejected in audit.

(n) Normally, page-6 of Form IAFF(P)-28A (Revised) does not contain thumb impression, whereas the same is required and has been clearly mentioned in page-3 of Form IAFF(P)-28A (Revised).

(p) Overwriting/using of whitener and illegible writing in the pension papers increases their vulnerability to Audit objections and consequent delay in pension

(q) Pension papers should not be submitted in mutilated forms or in a bad condition. Such pension claims are liable to rejection by AUDIT.

(r) Airman who are Bachelors are submitting joint photographs along with their parents in place of own single photograph. Only single photograph is required.

(s) Unit must ensure that all the pension papers must be signed in ink and not with carbon. Only commissioned officer's signatures (as Adjutant) in pension papers is valid in Audit.

(t) Unit must ensure that individuals discharged on compassionate grounds at own request, must give an undertaking along with their pension claim that they will not claim their NE benefits for one year from their DOD, because that is the normal processing time required to release Pension.

(u) At times the spouse does not sign the pension papers for joint notification of pension. This can cause delay in release of pension. In case of any serious marital discord/divorce proceedings etc where the wife does not cooperate and refuses to sign pension papers /pose for joint photograph, then the individual can submit a certificate to this effect countersigned by his commanding officer. Thereafter his Pension will be processed without his wife's name. However, it must be understood that in such a case, if he expires before legal divorce from court of law, his wife will still get family pension after fresh audit of her case.

(v) In many cases, name of self as per discharge order and names of wife and children as per service records are not mentioned in pension papers. Also in some cases details of date of birth of wife is not mentioned. Mentioning of correct Date of Birth of wife is a mandatory requirement.

(w) Cause and clause of discharge are not mentioned correctly in column No 18 of IAFF (P) 61.

(x) Three specimen signature of individual are not attested by competent authority at column NO 22 of IAFF (P) 61. The signature of witnesses is not found completed in form 'A'.

(y) Medical certificate (as per Air HQ letter No. Air HQ/26481/Med-7 dated 24 Jun 2002) not submitted in original. Extract/Xerox copy of medical certificate is not accepted in audit. Therefore, medical certificate in original is mandatory for sanction of commutation of pension. Cutting / overwriting / amendments in medical certificate (for commutation) is not accepted in audit. Date of discharge must be shown on the day on which the individual served last (A/N) and not SOS date (F/N).

(z) In some pension papers it is seen that Commutation / Declaration forms are addressed to PCDA (P), Allahabad. It should be addressed to the Addl CDA (Air Force), New Delhi – 10 only.

ROLE OF AFRO, AFCAO, JCDA (AF) AND THE TIME FRAME OF ACTIVITIES

11. The Pension and welfare Wing (P&W Wing) of AFRO is basically responsible for all pensionary matters. The P&W Wing primarily acts as a processing agency, which receives the pension claims and forwards it to JCDA at D minus 8 (discharge date minus eight) months along with the individuals Record Copy of Sheet Roll (RCSR), through AFCAO (for financial details). The pension claim forms are forwarded from P&W Wing along with LPC – DS (last pay certificate/data sheet). Before forwarding of updated RCSR to P&W Wing, the Recording Wing (RW) gets every RCSR scrutinized by the concerned airman, for any possible error, during his final clearance visit at AFRO.

12. After audit at JCDA, the PPO is issued by JCDA (normally at D minus 6-8 weeks) and AFRO dispatches the same to the individual and the payee bank. For airman who is superannuating, the individual copy of PPO is dispatched to the CO/AOC of parent unit for handing over to the retiring airman on the last day of his service. Similarly for superannuating airmen, the bank copy of PPO is dispatched at least one month in advance. For airmen who are proceeding on discharge after expiry of regular engagement, the PPO is dispatched from AFRO only after receipt of a signal from the parent unit that the airman has actually become non-effective. This extra precaution is due to the fact that some airmen eventually become eligible for extension and continue in service. The advance dispatch of PPO in such situations can lead to financial frauds at banks etc. For airman who proceeds on discharge at own request, the normal advance processing time of 9 months after receipt of pension papers is not available. Therefore such airmen are likely to get their pension at discharge date plus 10-12 months (9-months after receipt of pension paper at AFRO). To reduce avoidable correspondence, it is mandatory for an airmen going out of service at own request, to submit a certificate that he is willing to accept 12 months delay in pension and that he will not represent on this count.

13. After payment of service pension the **RCSR** of an airman is forwarded to Disability Pension Section for issue of PPO and endorsement (in case of accepted cases only) and later to Recording Wing for updating with Non Effective POR received from the parent unit. Thereafter, the RCSR moves to AFCAO for payment of Leave Encashment (LE) and IRLA balance. Leave Encashment being a large

amount, is more attractive to the pensioner that is why it is given immediate priority after issue of PPO. Payment of LE and IRLA balance by AFCAO normally takes D+4-6 months. Rank revision (normal promotion /HFO, HFL) is undertaken after the receipt of RCSR from AFCAO (after payment of leave encashment at D+4-6 Months). The processing/audit time for rank revision is 4-6 months. Therefore the corrigendum PPO for rank revision can only be issued at D +8-10 months. However, in case of normal promotion (D+7Months and more), if the promotion POR (acting unpaid and paid both) reaches AFRO up to D minus 5 months also, then it is possible to give higher rank Pension by D (discharge date).in such cases there will be no requirement for revision after discharge.

COMMUTATION OF PENSION

14. Following are the salient aspects of the Commutation of pension: -

- (a) Personnel can commute a portion of their service pension not exceeding **50%** of their pension. Relief with pension is not commutable.
- (b) Pension may be commuted at any time after retirement/ release/ Invalidment. It can also be commuted more than once provided the overall commuted pension is within the maximum limits of **50%**.
- (c) Individuals who apply for commutation of pension within one year of date of discharge are exempted from civil medical examination and the medical certificate issued at the time of release medical examination is accepted by the Pension Sanctioning Authority.
- (d) Age of pensioner for commutation purpose is taken as the age he will attain on the next birthday **following the date on which the commutation becomes absolute**. Commutation table is attached as **Appendix-‘B’**.

Note 1: The individual is paid residual pension after the commutation. However, he is entitled for DR on full Basic Pension (including the commuted amount).

Note 2: Commuted portion of pension will be restored by Pension Disbursing Office (PDO) on completion of 15 years from the date of actual commuted value of pension paid/deduction of commuted portion of pension. PDOs are to restore the commuted portion of pension automatically in terms of **PCDA(P) circular No 28/GI/C/4/Vol-IX/Tech dated 13 Jun 2002**. However, it is prudent on the part of the pensioner to remind his PDO in writing to restore the commuted value of pension. A format of application for restoration of commuted portion of pension after 15 years is attached as **Appendix-‘C’**.

DEATH CUM RETIREMENT GRATUITY (DCRG)

15. Airmen who are discharged from the service and who earn a pension are entitled to DCRG while those who do not earn pension get service gratuity and DCRG, both. The rate of DCRG is half months emoluments, for each completed year of service, subject to a maximum of 16.5 months emoluments. DCRG limit is Rs. 10 lakhs as per **Govt of India, MOD letter No. 17(4)/2008(2)/D (Pen/Policy) dated 12 Nov 2008**. The formulae for calculating Service Pension, DCRG and Commutation are given as **Appendix-‘D’**.

NON-QUALIFYING PERIOD FOR COUNTING OF SERVICE FOR THE PURPOSE OF PENSION.

16. The following periods do not qualify towards counting of pensionable service as laid down in para 111 of Pension Regulation 1961 (Part – I): -

- (a) **Period of absence without leave.**
- (b) **Period under civil custody.**
- (c) **Detention period awarded by court-martial.**
- (d) **Period of absence regularized as EOL.**

PROVISIONS OF CONDONATION OF DEFICIENCY IN SERVICE FOR SERVICE PENSION

17. **As per Para 114 of Pension Regulation 1961 (Part – I) and Govt of India, MOD letter No 4684/Dir (PEN)/2001 dated 14 Aug 2001** deficiency in service, for eligibility to service pension or reservist pension or gratuity in lieu may be condoned by AOC, AFRO upto six months and deficiency upto 12 months can be condoned by Air HQs in each case, under the provisions of Govt of India MOD letter No 4684/DIR (Pen) 2001 dated 14 Aug 2001 except in the case of: -

- (a) **An individual who is discharged at his own request, or**
- (b) **An individual who is eligible for special pension or gratuity, or**
- (c) **An individual who is invalided out of service with less than 15 years of service.**

PENSION DISBURSING AUTHORITIES

18. Pension can be paid through any of the following pension disbursing offices:

- (a) **Defence Pension Disbursing Office (DPDO)**
- (b) **Treasury Office (TO)**
- (c) **Post Master (PM)**
- (d) **Public Sector Banks (PSBs)**
- (e) **Private Sector Banks such as ICICI, IDBI, HDFC and Axis Bank Ltd.**

Note: The individual in person must collect the first pension along with commuted value of pension and DCRG.

PAYMENT OF PENSION THROUGH JOINT ACCOUNTS

19. **GOI, MOD, Deptt of Expenditure, Central Pension Accounting Office vide their office memorandum PAO/Tech/Amendments/Sch. Book/2005-06/69 dated 09 Jun 2005** has permitted crediting of pension into joint account operated by Pensioner with his/her spouse in whose favour an authorization for family pension exists in the Pension Payment Order (PPO). The joint account of the pensioner with the spouse will be operated by 'Former or Survivor' basis subject to certain conditions -

- (a) Once pension has been credited to a Pensioner's joint bank account, the liability of the Govt/Bank ceases. No further liability arises even if the spouse wrongly draws the amount.
- (b) As pension is payable only during the life of a Pensioner, his/her death shall be intimated to the bank at the earliest and in any case within one month of demise so that the bank does not continue crediting monthly pension to the joint account with the spouse after the death of the Pensioner. If however, any amount has been wrongly credited to the joint account, it shall be recoverable from the joint account and/or any of the account held by the pensioner/spouse either individually or jointly. The legal heirs, successors, executors etc. shall also be liable to refund any amount, which has been wrongly credited to the joint account.

PROCEDURE OF SUBMISSION OF ALIVE CERTIFICATE

20. Every year in the month of November, pensioners are required to submit "Alive Certificate" (a certificate to the effect that the pensioner is alive) duly signed by a Gazetted Officer to his PDO. For those proceeded abroad, their alive certificate will be signed by Indian Embassies abroad. The pension, if not drawn for three years, becomes time barred and requires sanction of the competent authority.

In cases, where pension is not drawn within one year, the pensioner has to approach his PDA with explanation for delay, non re-employment and non-conviction certificates. PDAs have the powers to make payment of arrears upto 3 years. O/o PCDA (P), Allahabad can sanction arrears claims beyond 3 years. In this case the matter will be reported to the O/o PCDA (P), Allahabad by the PDA alongwith the following documents:

- (a) Form 'A' (IAF (CDA) 651) duly completed in all respect.
- (b) Copy of PPO.
- (c) Copy of Pension certificate showing the last date of payment.
- (d) Calculation sheet in duplicate duly signed by PDA.
- (e) Copy of IAFF (P) 28'A' (Descriptive Roll)
- (f) Non-conviction certificate issued by civil (Local Police) authority.
- (g) Reasons for not claiming pension for such a long time.
- (h) Reasons for non-payment of pension by the PDA.
- (j) A certificate to the effect that arrears are still due and not paid earlier.
- (k) Re-employment / Non employment certificate.
- (l) Alive certificate.

CHANGE OF PENSION DISBURSING OFFICE

21. Change of PDO involves transfer of vital pension papers from one PDO to another or from one PDO to another PDO. AFRO has no direct role in this change. This is the matter between the two PDOs who are involved in the transfer. For the purpose of transfer a simple application to the PDO should be adequate. However based on our experience at AFRO we would like to advise that change of PDO should be a well considered decision because at times the pension papers are despatched by the old PDO but are not received by the new PDO. This results in discontinuation of pension for 6-8 months before the situation can be resolved and the pension can be re-started through a fresh PPO.

PROCEDURE FOR DRAWING PENSION FOR THOSE RESIDING ABROAD

22. For airmen residing abroad, a Non Resident Indian account can be opened in any branch of a nationalized bank. The bank thereafter collects pension, if given power of attorney on pensioner's behalf. With power of attorney, the bank normally collects individual's pension once a year only. Should there be any query on this matter, OIC Audit / PSB Cell, O/o PCDA (P), Allahabad can be approached. Based on our experience we would like to caution here that any casual attitude in handling pension matters while residing abroad can lead to stoppage of pension. Once pension is stopped it is a very cumbersome and time-consuming process to re-start it.

OCCASIONS WHEN PENSION CAN BE STOPPED

23. Though pension is the right of a Govt. employee; it can be stopped on following occasions as laid down in para 108 of Pension Regulation 1961(Part – I): -

- (a) **Grant of pension is subject to future good conduct:** Future good conduct shall be an implied condition of every grant of a pension or allowances as per Para 4 of Pension Regulation for the Air Force 1961 (Pt-I).
- (b) **Pensioners convicted of serious crime or guilty of grave mis-conduct** The pension of a pensioner, who is convicted of a serious crime by a Court of Law or is guilty of grave misconduct, shall be liable to be withheld in whole or in part as per para 108 of Pension Regulation for the Air Force 1961 (Part-I). It is advisable for a pensioner to obtain quick bail / anticipatory bail if he is arrested / likely to be arrested and thereafter defend his case in the Court of Law.
- (c) In case the pension is not drawn for more than five years; pensioners name is likely to be struck-off from pension establishment.
- (d) Pension is liable to be forfeited if a pensioner is found guilty of grave, misconduct of a Political or other nature under the provisions of Pension Regulations for the Air Force 1961.
- (e) If a pensioner has changed his / her Nationality and has become a citizen of a foreign state, then his/her pension is required to be immediately stopped by his Pension Disbursing Office (PDO). Thereafter, the pensioner is required to apply to PCDA (P), Allahabad through his

PDO alongwith copy of new nationality certificate for restoration his pension. PCDA (P), Allahabad will take appropriate decision on this matter based on the merits of each case.

PROCEDURE FOR CONDUCTING OF BELATED RME/RMB

24. All ranks of the armed forces are to be medically examined by a duly authorized medical board / medical officer prior to their release / retirement / discharge / dismissal. In case the Release Medical Examination is held before retirement / discharge and approved by competent authority after actual date of retirement / discharge or RMB is not held before retirement / discharge, due to various personal or administrative reasons, the authority to regularize such delay is GOI MoD letter No. 10/(1)/87/D/Pen-C dated 13 Nov 1987 (as amended) which is as under: -

(a) Regularization of cases where release medical examination is held before retirement / discharge and approved by competent authority after actual date of retirement / discharge.

<u>Type of Cases</u>	<u>Period of Delay</u>	<u>Authority to regularize Proceedings</u>
PBOR (All medical categories)	Up to 1 year from date of discharge / Retirement	CDA (Air Force)
	More than 1 year from date of discharge / Retirement	ACAS (PA & C)

(b) Regularization of cases where release medical examination is not held before actual date of retirement / discharge.

<u>Type of Cases</u>	<u>Period of Delay</u>	<u>Authority to regularize Proceedings</u>
PBOR in medical category 'AYE'	Up to 2 years	AOC AFRO
	More than 2 years	ACAS (PA & C)
PBOR in low medical category	Up to 2 years	DPA
	More than 2 years	ACAS (PA & C)

However before submitting such cases to Officer-in-charge Record Office or Air HQ, the SOC must be raised and five copies (ink signed) should be annexed with RME/RMB proceedings.

FREQUENTLY ASKED QUESTIONS

Q.1. I have proceeded on discharge two months back however I have got my copy of PPO, the bank has not received its copy of PPO therefore my pension is held up. Please do something.

ANS All PPOs are dispatched through Registered post therefore the chances of transit loss are very less. As per the existing procedure, the PPOs are despatched through link bank, from where the PPO is redirected to payee branch after making necessary records. The despatch of the PPO from the link bank to the payee branch is a weak link and a lot of delay can take place, if the link bank is not giving it due priority. The pensioners must resolve the issue with this link bank, to payee branch transfer through representation/liasion with the bank. If after all efforts the bank states that they haven't received the PPO, then the bank will be required to send a 'Loss Certificate' to AFRO. Based on this loss certificate AFRO will initiate necessary action for issue of duplicate PPO by JCDA. It must be remembered that a loss certificate is a precaution against double payment of pension/ fraud. Therefore without loss certificate, duplicate PPO will not be issued by the financial watchdogs i.e. Office of JCDA (AF).

Q.2. How many period of deficiency in service can be condoned by the AOC, AFRO?

ANS Deficiency in service, for eligibility to service pension or gratuity in lieu may be condoned by the AOC, AFRO up to six months in each case. However AIR HQ can condone deficiency in service up to 12 months. This condonation, however, cannot be given in following cases:

- (a) An individual who is discharged at his own request
- (b) An individual who is eligible for special pension or gratuity
- (c) An individual who is invalided out of service with less than 15 years of service.

Q.3. Can a pensioner open his pension account in any bank near to his hometown?

ANS No, a pensioner has to open his Pension account in an authorized bank as listed in PDA address book (or any other branch under the authorized link bank) already supplied to all the Air force units by AFRO. This aspect is also briefed at the time of Final Clearance at this office.

Q.4. My name is correct as per my pay slip, then how can it be wrong as per service documents?

ANS The master/ legal/Audit document for correctness of name is the enrolment form (P-5) kept with RCSR. Every other source of entry for name has to match P-5.

Q.5. In which cases the Endorsement of Family Pension is required, please brief?

ANS Endorsement of Family Pension is required in the under mentioned cases:

- (a) If an airman is discharged prior to 01 Jan 1986 and his family name is not endorsed in his PPO.
- (b) If an airman has married after post 1986 discharge
- (c) If an airman has legally divorced his first wife and re-married after discharge from the service.
- (d) If first wife of an airman has died and the airman has re-married after discharge from service.

IGNORANCE OF TRUTH IS THE CAUSE OF ALL MISERIES.

CHAPTER – III

DISABILITY PENSION

INTRODUCTION

1. When an airman or NCs (E) is recruited in the Indian Air Force (IAF), he is medically examined and allowed to join IAF only after he is found to be 100% medically fit (Cat 'A4G1'). During the course of his service with the IAF an individual can sustain an injury or pick up a disease thereby reducing him to a low medical category. Depending upon the individual facts of the case, an injury or a disease may or may not be attributable to or aggravated by military service. In injury cases, the Injury Report/Court of Inquiry (COI) & the Medical Board (MB) will consider all aspects and report its findings on the attributability / aggravation aspect. Generally the findings of the COI / medical board are binding on the pension sanctioning authority. Similarly, a disease can be either attributable to or aggravated by the military service or can be purely constitutional/ genetic in nature or can be due to ageing factor and may have nothing to do with military service. The decision as to whether the disease is attributable to or aggravated by the military service or is constitutional / genetic in nature will be taken only by the competent medical authority i.e. Release Medical Board (RMB) or Invalid Medical Board (IMB).

ELIGIBILITY

2. As per para 153 of Pension Regulations for IAF, 1961 (Part-I), the primary conditions for the grant of disability pension are as follow:-

“Unless otherwise specifically provided, a disability pension may be granted to an individual who is invalided / discharged from service on account of a disability which is attributable to or aggravated by Air Force service and is assessed at 20% or over.”

In other words, disability pension is granted to those who fulfill the following 02 criteria simultaneously:-

- (a) **Disability must be either attributable to or aggravated by service.**
- (b) **Degree of disablement should be assessed at 20% or more.**

Note 1: The above (b) criteria is not applicable to post – 96 Medically Boarded Out (MBO) retirees. In such cases, **an individual who is invalided out from service solely on medical grounds and percentage of disablement is even 1% is also eligible for disability pension.** Authy : Para 7.2 of MOD letter No. 1(2)/97/D(Pen-C) dtd 31 Jan 2001.

Note 2: An airman or NC(E) who was discharged **at own request or on administrative ground after earning four or more red ink entries is not eligible for disability pension** even if he fulfills both the criteria stated above. Authy : Para 2 (c) of Notes of DPP&R letter No. Air HQ/24229/SOP/PP&R 3(i)/CL/40/06 dtd 31 Oct 06.

INVALID PENSION

3. Whenever an individual is invalided out from service under the following clauses on completion of minimum 10 years of qualifying service and his disability pension claim is rejected then he is eligible for Invalid Pension. The minimum rate of Invalid Pension is **Rs. 3500/- pm + DA. wef 01 Jan 2006** as per recommendation of VIth CPC.

- (a) **On having been found medically unfit for further service in IAF.**
- (b) **Being medically unfit for present trade and unwilling to remuster to other trade.**

DISABILITY PENSION

4. Disability pension normally has two elements i.e. **Disability Element and Service Element**. An individual (Post – 96) who is invalided out from service (before completion of pensionable service i.e. **Airman – 15 years and NC(E) – 20 years** under clause 3 (a) & (b) above and his disability pension claim is **accepted**, becomes eligible for both elements. However, if an individual who is discharged from service under clauses mentioned below and his disability pension claim is accepted, is eligible for disability element of disability pension only as service pension in such cases is termed as service element.

- (a) **On fulfilling the conditions of his enrolment.**
- (b) **On superannuation.**
- (c) **Transfer to pension establishment otherwise at his own request.**
- (d) **S N L R (having less than 04 red ink entries)**

RANK FOR ASSESSMENT OF DISABILITY PENSION

5. The rank for the purpose of assessment of disability element shall be the rank held by an individual as follows:-

In Invaliding cases: The rank held by an individual on the date of invaliding from service. Authy: Para 159 of Pension Regs for IAF 1961 (Part-I).

In Discharged cases: The rank held by an individual on the date on which he sustained injury or picked up the disease for which he becomes eligible for disability pension. If any individual has more than one disability and all are attributable to or aggravated by service then the rank held by him at the last time he sustained injury or picked up the disease will be considered. Authy: Para 160-A of Pension Regs for IAF 1961 (Part-I).

ROUNDING OFF PROVISION TO MBO PERSONNEL

6. Where an individual is invalided out under clause 3 (a)&(b) above and his disability is attributable to or aggravated by service, the extent of disability or functional incapacity shall be determined in the following manner for the purposes of computing the disability element:-

<u>% of Disability as assessed by IMB</u>	<u>% to be reckoned for computing of Disability Element</u>
Less than 50	50
Between 50 and 75	75
Between 76 and 100	100

Authy: Para 7.2 of MOD letter No. 1(2)/97/D (Pen-C) dtd 31 Jan 2001.

Note: ***This provision is applicable to Post-96 MBO cases only and not admissible for an individual who is discharged under any clause mentioned in para 4 (a – d) above even his disability pension claim is accepted by authorities.***

RATES OF DISABILITY ELEMENT

(a) **Pre-06 Retirees** : The maximum rates of disability element for 100% disablement for various ranks are given below :-

Rank	Amount p.m.*
(i) Honorary Commissioned Officers	Rs. 5,880/-
(ii) Warrant Ranks	Rs. 4,300/-
(iii) Other ranks	Rs. 3,510/-

****Rates for 100% disability. Less than 100%, the amount shall be proportionately reduced.***

(b) **Post-06 Retirees** : The rates of disability element for 100% disability for various ranks shall be **30% of reckonable emoluments last drawn** subject to minimum of Rs. 3,100/- p.m. **for 100% disability**. For disability **less than 100%**, it shall be **reduced proportionately**. In case of disability pension where permanent disability is not less than 60%, the disability pension (i.e. total of service element plus disability element) shall not be less than 60% of the reckonable emoluments last drawn subject to minimum of Rs. 7,000/- p.m.

RECKONABLE EMOLUMENTS : Pay means pay in the pay band, grade pay, MSP, 'X' Group Pay where applicable and classification allowance, if any, last drawn by the individual. (Ref SAI 1/S/08, SNI 1/S/08 and SAFI 1/S/08)

CONSTANT ATTENDANT ALLOWANCES (CAA)

8. For 100% disabled individual, the CAA is admissible **if the competent medical board has recommended it**. It is admissible at a uniform rate of **Rs. 3,000/- pm, irrespective of the rank**. Further this rate be increased by 25% every time the dearness allowance payable on revised Pay Band goes up by 50%.

WAR INJURY ELEMENT OF WAR INJURY PENSION

(a) **Pre-06 Retirees** : The maximum rates of War Injury Element for 100% disablement for various ranks are given below :-

Rank	Amount p.m.*
(i) Honorary Commissioned Officers	Rs. 11,760/-
(ii) Warrant Ranks	Rs. 8,600/-
(iii) Other ranks	Rs. 7,020/-

***Rates for 100% disability. Less than 100%, the amount shall be proportionately reduced.**

(b) **Post-06 Retirees**

The rates of War Injury Element for 100% disability for various ranks shall be **equal to the reckonable emoluments last drawn** which would be proportionately reduced where disability is less than 100%. However, in no case aggregate of service element and war injury element should exceed the emoluments last drawn.

RECKONABLE EMOLUMENTS : Pay means pay in the pay band, grade pay, MSP, 'X' Group Pay where applicable and classification allowance, if any, last drawn by the individual. (Ref SAI 1/S/08, SNI 1/S/08 and SAFI 1/S/08)

INVALID GRATUITY AND DCRG

10. Those airmen and NCs(E) who are invalided out of service **with six months or more service but less than ten years of service** and whose disability pension claim is **rejected**, are entitled for Invalid Gratuity. In addition those who are invalided out with **five years of service or more** are entitled for Death Cum Retirement Gratuity (DCRG) irrespective of fact as to whether the disability is accepted or rejected.

IMPORTANCE OF RELEASE MEDICAL BOARD (RMB), INVALID MEDICAL BOARD (IMB) AND RE ASSESSMENT MEDICAL BOARD (RAMB) IN DECIDING DISABILITY PENSION

11. Release Medical Board (RMB) is carried out for the airmen / NCs (E) who are proceeding on **normal discharge or superannuation with low medical category or on being medically unfit for present trade and unwilling to remuster to other trade**. Invalid medical board (IMB) is carried out for those airmen/ NCs(E) whose retention in the IAF is not possible due to the **unacceptable adverse effect of their disease/injury on discharge of their duties**. RAMB is carried out to re-assess the percentage of disability in respect of those individuals who are out of service through RMB or IMB and are in receipt of a disability element for a **specific period**. Normally there will be only one RAMB for an individual and there after as per the medical opinion, DP will be decided for the lifetime.

12. It has to be understood by the Ex-Airmen/NCs (E) that the opinion of the medical board is most important and by and large other agencies are not in a position to **interfere with the opinion of the medical board**. The Ex-Airmen/NCs (E) have to appreciate that the eligibility to Disability Pension is directly linked with the opinion of the medical board. Therefore, the medical opinion (as per existing guidelines to Medical Officers) should be respected and accepted gracefully by all. All LMC/MBO personnel are advised to clarify about their eligibility for disability pension from Medical Boards/Officers at station/unit itself. **Individuals are also advised to check all the copies of their IMB/RMB, whether all the required columns are filled and nowhere whitener is applied before signing on all the pages of IMB/RMB.**

ROLE OF AFRO, JCDA (AF), AIR HQ AND MOD IN DISABILITY PENSION

13. In pursuance of the new policy on adjudication of disability pension claims as mentioned in MoD letter No. 1(2)/2002/D(Pen-C) dated 01 Sep 05, major changes have been incorporated in processing of disability pension claims. Now disability pension claims and appeals are processed as under: -

(a) **Role of Medical Advisor at AFRO.** The Release Medical Board/Invaliding Medical Board proceedings, duly completed and approved from Command HQs are received by Medical Advisor at the AFRO. Med Advisor scrutinizes the RMB/IMB proceedings and submits to AOC, AFRO for **approval/adjudication**. After approval/adjudication of claim, he dispatches two copies of IMB/RMB along with approval/adjudication letter to O i/c Pen & Wel Wg (DP).

(b) **Role of P&WW (DP) at AFRO in RMB cases.**

(i) **Rejected cases** : In a rejected case, Pen & Wel Wg (DP) makes necessary endorsement in the Record Copy of Sheet Roll and communicates to the concerned airman about rejection of his disability pension claim alongwith an original copy of RMB. Communication is sent to the individual's last unit, if not retired/discharged. In case the individual is already discharged, the same is forwarded to his home address. In the rejection letter, the Individual is advised to prefer an appeal, if he so desires, within 06 months from the date of issue of the rejection letter.

(ii) **Accepted cases** : In an accepted case, after endorsement in RCSR, one copy of RMB is sent to individual. Further, for issuance of PPO of disability pension, P&WW (DP) forwards RCSR alongwith the adjudication letter, RMB/IMB copy, Injury Report*, Attributability Certificate* & copy of COI*, if held, to JCDA (AF). It is noted that PPO for disability is issued after the PPO for service pension is made. This obviates the requirement of filling separate pension papers for disability as well as preparation of LPC-Data sheet. On receipt of PPO, P&WW (DP) despatches it to the individual's PDO under intimation to him.

(*in injury cases only)

(c) **Role of P&WW (DP) at AFRO in IMB cases.** On receipt of IMB proceedings from Medical Adviser, firstly, the case is taken up for the service pension/ invalid pension, if he is eligible. Further steps are taken to process the case as per RMB cases given in Para (b) above.

(d) **Role of JCDA(AF), Subroto Park, New Delhi.** CDA is the Pension Sanctioning Authority. After thorough check of IMB/RMB, Addl CDA (AF) issues PPO for Disability Pension and endorses the same in the RCSR. RCSR is then sent back to the Disability Pension Section along with the PPO. PPOs are despatched to the individual's Pension Disbursing Office (PDO) under intimation to him by Registered Post. A photocopy of PPO is also dispatched to individual.

(e) **Provision for Appeal against Rejection of DP.** In order to abide by the principles of natural justice, there is a provision for **two appeals** against the rejection of disability pension claim. An individual is required to apply on a plain paper (in duplicate) against the rejection of Disability Pension. He is to mention the reasons as to how he feels that his disability is attributable to or aggravated by service. First appeal is to be addressed to AFRO and the Second appeal is to be sent to DPA (Air HQ) directly. The first appeal is considered by the Appellate Committee on First Appeals (ACFA) at Air HQ and the second appeal by the Defence

Minister's Appellate Committee (DMAC) at MOD. The members of these appellate committees are as follows :-(Authy: Para 25 of GOI, MOD Ltr No. 1(1)/81/Pen-C) dated 22 Nov 83).

- (i) **ACFA.** Chairman – ACAS (PA&C)
Members – Dy DGAFMS, Deputy Financial Advisor (Pensions)
- (ii) **DMAC.** Chairman – RM/RRM
Members – URM, CAS, Defence Secretary, Financial Advisor
(DS), DGAFMS & JAG

(f) **Appeal Medical Board** : During consideration of appeals, if the opinion of appellate committees **differ with the opinion of IMB/RMB**, an individual is required to be brought before a fresh appeal medical board under the provisions of DGAFMS letter No. 16036/DGAFMS/MA(Pens)/12 dated 16 Mar 05. DDG (Pen) issues necessary sanction for conducting the appeal medical board. The physical examination is held at Base Hospital Delhi Cantt. Free Railway Warrant is not admissible to attend the Appeal Medical Board to personnel if already discharged. The decision of the Appeal Medical Board is considered final and no further review is entertained.

PROCESSING TIME FOR DISABILITY PENSION

14. Processing of Service Pension claim starts at D-11 and by the DOD individuals get their PPOs (in normal cases). In case of RMB, it takes few days to get the PPO issued for disability pension after issuance of Service Pension PPO. In case of invalidment since the process itself starts after the DOD, it takes about **6 months from the date pension papers and RCSR are received at P&WW** to finalize the Service Pension (in observations free cases). Thereafter accepted disability pension claims are sent to Addl CDA (AF) with RCSR and other documents for issue of disability PPO.

Note – “D” indicates date of discharge.

PROCESSING TIME FOR APPEAL FINALISATION

15. In case of First Appeal against rejection of Disability Pension (DP), it is sent to Air HQ for consideration by Appellate Committee on First Appeals. It takes about **6-8 months to finalise** the first appeal. The Second Appeal is forwarded to MOD by Air HQs for consideration by Defence Minister's Appellate Committee. It takes about **9-12 months to finalise** the second appeal.

IMPORTANT ASPECTS OF DISABILITY PENSION

16. There are certain important aspects of Disability Pension, which must be known by all personnel who are in **low medical category**. These aspects are: -

- (a) The entire disability pension is exempted from income Tax.
- (b) The disability pension is granted for the rank held by an individual at the time of onset of last attributable/aggravated disease/injury and not for the rank held by him at the time of his discharge from service in RMB cases. However, if an individual invalided out of service under clause mentioned in 3 (a) or (b) above is granted disability pension for the rank in which he is invalided out.
- (c) Like other pensions, merging of 50% DA as Dearness Pay + DA on total is admissible on disability pension also.
- (d) Disability pension normally consists of two elements: -
 - (i) Service element of disability pension and
 - (ii) Disability element of disability pension

(e) Both disability and service elements (**together**) are entitled only when the individual is discharged under clause mentioned in Para 3 (a) & (b) above.

(f) For those individuals who are invalided out of service on medical grounds by an IMB and who fulfill the primary conditions for grant of disability pension as per Para 153 of Pension Regulations, their disability pension will consist of disability element as well as service element. However those individuals who **discharge before 15 years (airmen) / 20 years (NC(E)) of service but were not invalided out of service on medical grounds, are not eligible for disability pension** as per Para 153 of Pension Regulation, such individuals will not be entitled for service element of disability pension and will only get disability element of disability pension.

(g) For those individuals who were initially given Service Pension/ Invalid Pension and who subsequently become eligible for disability pension, they will get only Disability Element of disability pension in addition to their SP/IP.

(h) Personnel are entitled to get commuted portion of Service Pension / Invalid Pension / Service Element / Disability Element. However, this provision on disability element is available only if the disability is accepted first time for life and not through RAMB at a later date.

(i) The deficiency in service for eligibility to Service Pension/Invalid Pension cannot be condoned if an individual is **invalided** (IMB case).

(j) The personnel who are invalided out of service solely on medical grounds under Med Cat "ApGp", with a **minimum of 20% disability with at-least one year of service** are entitled to get disability benefit **PAYABLE FROM AFGIS** that is worked out as follows:

$$\text{Disability Benefit} = \frac{\text{Insurance Cover} \times \text{Disability \%}}{2} + \text{Survival Benefit}$$

NOTE- 1. Cases of Alcoholism, Drug Addiction, self-inflicted Injury (Disability arising out of attempted suicide or intentional acts resulting in criminal conviction) are not eligible for this Disability Benefit from AFGIS.

2. This benefit is also not admissible to an individual who discharge under clause mentioned in Para 3 (b) above.

ADVISE ON DISABILITY PENSION TO INDIVIDUAL CLAIMANTS

17. This office is receiving a series of representations and claims from ex-airmen/NCs (E) on account of disability pension. A large number of representations are sent to VIPs like President, Prime minister, Defence Minister, CAS etc. with strong emotional appeal to grant disability pension. A large number of court cases are being fought in the courts of law on the issue of eligibility of disability pension. Since the **rejection rate of disability pension** is in the region of **90%**, therefore, almost all the representations are forwarded by those individuals who feel that they should have got the disability pension but their case for disability pension has been rejected. We would like to clarify here that eligibility to disability pension is not an emotional issue. The eligibility of disability pension is based on the existing rules and regulations on the matter. Therefore, we would like to advise the individuals who are expecting to get the disability pension on following lines: -

(a) If you have been invalided out or have been discharged / superannuated with medical category lower than "**Cat A4G1**" then eligibility to disability pension concerns you.

(b) You must take pains to understand as to what disability pension is and why and how it is given. If the rule position is not clear in the mind of the individual then harping on an emotional issue does not help in getting disability pension.

(c) It must be clearly understood that disability pension is **not meant as a compensation for all disabilities** acquired by an individual during his service career. It is primarily meant as a

compensation for those disabilities only, which are **attributable** to or **aggravated** by military service.

(d) Eligibility to Disability Pension purely depends upon **specialist medical opinion of initial Medical Board**. Therefore, the findings of COI/Injury Report, in case of injury and the recommendations of IMB/RMB/RAMB in case of disease are very critical.

(e) While traveling on leave (to and from) with FRW / CV, without FRW/CV, on Annual Leave or Casual Leave, if any injury is met during journey period (starting from duty station and reaching upto leave station and vice versa through main route) then the injury is **attributable to service**. Any injury sustained **at the leave station is not (R) not attributable to service**. **Any leave cannot be treated as 'duty'**. The term 'duty' has been defined in detail in the "Entitlement Rules for Pensionary Awards to Defence personnel, 1982".

CONCLUSION

18. Disability Pension is basically **compensation to an individual for a disability, which has been caused due to Military Service**. It is **not a compensation for all other kinds of disability**, which have no direct relation with Military Service. As per the rules given in Pension Regulations a very fair decision is given on this matter by the concerned agencies. Disability Pension primarily depends upon the specialist medical opinion of the released/invalid medical board. Therefore, there is a need to understand the **eligibility conditions** of disability pension. There is also a need to understand the importance of specialist medical opinion on this matter. Our experience indicates that **over 90% of cases**, which are considered for disability pension, **are rejected** on the basis of specialist medical opinion as given by RMB/IMB. It is, therefore, important that the concept of disability pension is clearly understood by the retiring airmen and NCs (E) clearly.

THINK IT OVER

**ONLY A FOOL KNOWS EVERYTHING AND ONLY A FOOL
DOES NOT REALISE HOW LITTLE HE KNOWS.**

FREQUENTLY ASKED QUESTIONS

Individuals who are either getting disability pension or are expecting to get disability pension ask various kinds of queries and questions. Some of the common questions on this matter are given below:

Q.1. When I was selected in the IAF I was fit therefore whatever disease/disability I have picked up in service is because of the hard nature of Military Service. Therefore, why is my disease/disability categorized as not attributable to/aggravated by the military service?

ANS A disability can creep in a fully fit person either through an injury or through a disease. If the disability is due to injury, then the COI/Injury Report will comment on the circumstances under which the injury took place. If the injury has taken place while discharging an Air Force duty, only then, it will be attributable to the service, not otherwise. Similarly, a disease can emerge due to constitutional / genetic reasons or due to situation created by the Military Service. The Specialist Medical Officers in IMB/RMB have clear guidelines (IAP 4303) on how to distinguish between the two. The specialist Medical opinion will be considered as final for the purpose of deciding attributability to / aggravation by Military Service.

Q.2. What is RAMB? My disability was initially assessed as 60% but now in the RAMB it has been reduced to 20%. Why?

ANS The disability percentage initially granted to the individual by IMB/RMB can reduce with time bound improvement. However certain other disease/disability can increase in percentage with time bound deterioration. The purpose of RAMB (Re-Assessment Medical Board) is to reassess this disability and reduce/increase the disability percentage as per specialist medical opinion. Accordingly the RAMB has the powers to reduce the disability percentage from 60% to 20% or even less. Similarly RAMB can increase disability percentage from 60% to higher figures. However, even if disability percentage is reduced to less than 20%, still the service element (where applicable) with DA continues.

Q.3. What is OTRAMB in respect of Pre – 96 retirees?

ANS The earlier system was that the disease /disability were reviewed periodically every two to three years or less after discharge /superannuation by RAMB. This system was causing a lot of inconvenience to pensioners who were old and disabled. The Govt, therefore, decided to conduct one last and final, One Time RAMB for Pre-96 disability pensioners. The recommendations of the RAMB on the disability percentage were to be treated as final and for life.

Q.4. When I have discharged (LMC) at a higher rank why am I getting disability pension for lower rank?

ANS Disability Pension is given for the rank, which was held at the time of the onset of the disease/injury. It has nothing to do with the rank holding at the time of discharge. However, in medically boarded out (IMB) cases an individual get disability pension for the rank held by him on the date of invaliding from service.

Q.5. Am I entitled for DA / Family pension on Disability Pension?

ANS Merging of 50% DA as Dearness Pay and admissible DA on total is entitled on disability pension. Family pension is entitled on service element of disability pension as well as on Invalid Pension. However those pensioners who are not in receipt of Invalid pension/ service elements of disability pension are not eligible for FP.

Q.6. I am a case of RMB. Why my disability is not rounded off to higher figure like IMB cases?

ANS The special provision of rounding off disability percentage to higher figure is only applicable for individuals who are invalided out of service solely on medical grounds through an IMB or discharged being medically unfit for present trade and unwilling to remuster to other trade (post-96 only). It is not applicable for normal discharges through an RMB.

Q.7. I am a pre – 96 IMB case. Why my disability pension is not rounded off like Post – 96 IMB cases?

ANS The provision of rounding off disability percentage to specified higher figure for IMB cases has been introduced on the recommendations of Vth Pay Commission. Therefore, it is applicable for Armed Forces personnel who were in service on 01 Jan 96 or join/joined service thereafter. It is regretted to say that the provisions of rounding off are not applicable for Pre-96 IMB retirees also.

Q.8. I have gone out of service at own request. Why am I not eligible for Disability Pension?

ANS As per Note at Para 8.3 of MOD letter No. 1(2)/97/D(Pen-C) dated 31 Jan 2001 and Note 2 (b) of Air HQ letter No. Air HQ/24229/SOP/PP&R 3(i)/CL/40/06 dtd 31 Oct 06, a person going out of service at his own request is not eligible for disability pension.

Q.9. I am an SNLR case. Why, I am not entitled for service element in disability pension?

ANS As per interpretation of Audit Authorities, service element in disability pension is only authorised when an individual is invalided out of service on medical grounds i.e IMB Discharges. Since individuals who go out on SNLR grounds do not fit the category of invalidation out of service on medical grounds therefore, those individuals (SNLR case), who are low in medical category and are eligible for disability pension, are only given disability element of disability pension and not the service element.

Q.10. I am a pre-1964 retiree with low medical category. Why I am not entitled for invalid pension like post – 1964 retiree?

ANS The provision of invalid pension is applicable only for Post – 64 retirees as per the Govt orders in this matter. Please refer Para 171 of Pension Regulations for IAF, 1961 (Part-I) for more clarification.

Q.11. Who is supposed to revise/What is the procedure for revising my disability pension rates as per the new pay commission?

ANS In case of Pre-06, if an individual is already drawing the pension, then the onus of revising his disability pension and DA as per new pay commission/New DA rates lies with the Pension Disbursing Office (Bank, DPDO, Treasury Office). To implement this, PCDA(P), Allahabad has already issued instructions to all PDAs vide Circular No. 410 dated 13 May 09. AFRO has no direct role in this revision. However, in case of problems, pensioners can contact AFRO who will issue an advisory to the PDA on this matter. However, in case of Post – 96 pensioners, the disability pension will be revised by JCDA (AF).

Q.12. My husband/ son is invalided out of service. He is mentally un-sound/in a vegetable states and can not get up from the bed. Can I draw his pension as his wife/father/mother/ NOK?

ANS. As per Para 9 and 38 of Pension Payment Instructions 1973 Edition, there is a provision to collect pension by next of kin on behalf of an individual who is not mentally fit (i.e. insane cases etc). However in this procedure there are checks and balances to protect the interest of the pensioner. Such cases can be referred to Pension disbursing office (bank etc) or AFRO for advice on the procedure given in the PPI.

Q.13. My RMB/IMB has recommended a very high percentage of disability (50 %, 80%, 100% etc.) then why am I not eligible for disability pension?

ANS To become eligible for disability pension, besides the disability percentage, the injury/disease should also be attributable to /aggravated by Military service. Therefore, despite high disability percentage an individual will not be eligible for disability pension, if his medical board (IMB/RMB) has given opinion that the injury/disease was not attributable to/aggravated by the Military Service.

Q.14. Can I get a copy of the COI and RMB/IMB/RAMB proceedings? How will I know my disability percentage and whether my disease/ injury is attributable to/ aggravated by service?

ANS Yes. After adjudication of disability pension claim, P&WW (DP) sends an original copy of IMB/RMB to individual alongwith letter communicated regarding rejection/acceptance of disability pension claim. To know your disability percentage and whether your disability is attributable to / aggravated by service, you can find it while signing on the pages of IMB/RMB. Airmen/NCs(E) are advised not to sign on blank forms. Regarding a copy of RAMB, it may be send to individual if he demands.

Q.15. How frequently and at what interval RAMB is required to be carried out?

ANS As per present policy, wherever possible (for disability of permanent nature), the medical board will recommend the disability pension for lifetime. For other cases based on medical opinion one RAMB will be carried within two to five years or less and a final decision on lifetime disability will be given. There will normally be no requirement for a second RAMB.

Q.16. What is Invalid Gratuity?

ANS In case an individual is invalidated out of service, on account of causes, which are neither attributable to nor aggravated by Air Force Service and his actual qualifying service is more than five years but less than ten years, then he is eligible for grant of invalid gratuity and DCRG. In case service of an individual is less than five years and more than six months, he is eligible for invalid gratuity only. The quantum of invalid gratuity is equal to one month's pay of the rank last held, for each year of service rendered. The pay means the pay last drawn. Invalid gratuity is exempted from Income Tax.

Q.17. What is the Appeal Medical Board and where is it conducted?

ANS In all cases at the appeal stage, where the Appeal Medical Authority disagrees with the awards of the Invaliding Medical Board/Release Medical Board (**IMB/RMB**), a fresh Physical Examination is held, for which sanction is issued by DGAFMS. The physical examination is held at Base Hospital Delhi Cantt. Free Railway Warrant is not admissible to attend the Appeal Medical Board. The decision of the Appeal Medical Board is considered **final and no further review is entertained**. (Authy : O/o DGAFMS letter No. 16036/DGAFMS/MA(Pens)/12 dated 16 Mar 05.)

Q.18. What is Review Medical Board?

ANS (a) At the time of conducting IMB/RMB, if IMB/RMB accepts the disability of any individual as attributable to / aggravated by service but assessed it at less than 20%, then the concerned individual has right to ask for Review Medical Board, if he so desired.

(b) Further, those personnel who are granted Disability Element (DE) of Disability Pension for specific period and later on their disability has been assessed at less than 20% for life through RAMB and a result of which their Disability Element has been discontinued.

In case the disability is re-assessed at less than 20% by RAMB then the individual is not satisfied with the assessment of the RAMB then he is given an option to submit an application to this office for Review Medical Board. The application forwarded to higher authority (i.e. DGAFMS). On acceptance of the application by DGAFMS, the Review Medical Board is conducted for which the individual has to report to hospitals, zone wise as mentioned below, at their own expense after receiving call up letter from the Hospital. Free Railway Warrant is not admissible to attend the Review Medical Board. The decision of Review Medical Board is considered **final and no further appeal/representation is entertained against the decision**.

The Review Medical Board is being conducted at the following two hospitals only:-

- (i) For North Zone - Army Hospital (R&R), New Delhi – 10
- (ii) For South Zone - AFMC, Pune

Q. 19. I am not aware about my disability's attributability aspects and degree of percentage assessed by RMB/IMB. How can I know the same?

ANS. As per para 12 of DGAFMS letter No. 16050/DGAFMS/MA(Pens) dtd 25 Jan 07, signature of the individual on all pages of AFMSF-16 are obtained by RMB/IMB at the time of conducting board. That time individuals can know their attributability aspects and degree of percentage of disability written by board in the AFMSF-16. Further, after adjudication of their disability pension claim by AOC AFRO, a copy of approved AFMSF-16 is despatched to them for their reference. Individuals are advised not to sign on blank pages of AFMSF-16 at the time of conducting their medical board.

CHAPTER IV

FAMILY PENSION

INTRODUCTION

1. Family Pension is authorised to the legally wedded wife/next of kin (NOK) of those airmen who die while in service. It is also authorized to the legally wedded wife/NOK of those ex-airmen who die after retirement and were drawing pension. Highest eligible heir for family pension is the legally wedded wife (For a bachelor airman, it is nominated eligible heir). Thereafter, the next eligible heirs are the children of the servicemen/pensioner below 25 years of age (unmarried and unemployed). However, the age restriction of 25 Yrs is not applicable for physically and mentally handicapped children who are unable to earn their livelihood in terms of GOI, MOD Ltr No. A/49601/AG/PS-4(C)/1243/B/D(Pen/Sers) dated 25 May 92, for widowed/divorced daughter in terms of GOI, MOD Ltr No. 1/19/03/P&PW (E) dated 22 Aug 2004 and for unmarried daughter above 25 Yrs of age in terms of GOI, MOD, No. 1(3)/2007-D(Pen/Policy) dated 25 Oct 2007 subject to the other conditions being fulfilled. Dependent parents are the third highest eligible heirs to receive Family Pension for married airmen. Between the parents, the mother is entitled for pension before the father. While there is no restriction on the income of the wife, if the combined income of parents is more than Rs. 3,500/- plus admissible Dearness Allowance per month then they are not eligible for ordinary family pension. However, they could become eligible for Special / Liberalised Family Pension. For ex-airmen who were not eligible for pension after release / retirement, the wife /NOK are also not eligible for family pension.

TYPES OF FAMILY PENSION

2. The types of Family Pension are categorized as per the amount of Family Pension, which will be paid to the widow/next-of-kin. The various types of family pension are as follows: -

(a) **Liberalised Family Pension (LFP)**. - It is granted in case of death of an Armed Forces Personnel due to acts of violence/attack by terrorists, anti social elements, enemy action in international war, action during deployment with a peace keeping mission abroad, border skirmishes, etc. It is granted @ 100% of reckonable emolument + admissible Dearness Relief applicable from time to time. The minimum rate of LFP specified as per VI CPC is **Rs. 7000/- pm + admissible dearness relief. It continues even after re-marriage of the widow.**

(b) **Special Family Pension (SFP)**. - It is granted in case of death of an Armed Forces Personnel due to causes which are accepted as attributable to or aggravated by military service as determined by the competent medical authorities. Disease contracted because of continued exposure to hostile work environment, subject to extreme weather conditions or occupational hazards resulting in death. It is also granted in case the death is due to accidents in the performance of duties such as accidents while traveling on duty in Government Vehicle or public/private transport, accident during air journeys, mishaps at sea while on duty, electrocution while on duty, etc. It is granted @ 60% of reckonable emolument + admissible Dearness Relief applicable time to time. The minimum rate of SFP specified as per VI CPC is **Rs. 7000/- pm + admissible dearness relief. It continues even after re-marriage of the widow.**

(c) **Ordinary Family Pension (OFP)**. - OFP is granted when the death of Armed Forces Personnel is not considered as attributable to or aggravated by the military service. In other words the death which is not covered at para 2 (a) and (b). The minimum rate of OFP specified as per the VIth CPC is Rs. 3500/- pm + admissible dearness relief. The following two types of rates for OFP is applicable:-

(i) **Enhance Rate (ER)**. It is applicable @ **50%** of reckonable emolument + admissible Dearness Relief applicable from time to time or at the rate not exceeding the Service Pension authorized to the deceased after the death. It is granted for **10 years** from the date of death in case of **service death** and there is no upper age limit. However in case of death of a pensioner, it is granted for a period of **seven years** or till the pensioner would have attained the age of **67* years** of age (*applicable to those retired

on or after **13 May 1998**), whichever is earlier. The minimum qualifying service for grant of enhance rate of Family Pension is **seven years**. It is granted to the widows and children. However, ER is not applicable in respect of parents of deceased personnel.

(ii) **Normal Rate(NR)**. It is applicable @ **30%** of reckonable emolument + admissible Dearness Relief applicable time to time of reckonable emoluments. It commences soon after termination of the ER.

Note: *Reckonable emolument is the pay in Payband + Grade pay + MSP + (X group pay where applicable) of the deceased airman / NC (E).*

3. In addition to the above the following financial benefits are available to family pensioners beside family pension: -

(a) **Ex-Gratia Payment** - An ex-gratia of **Rs. 10 Lakhs, 15 lakhs and 20 lakhs** are granted to the NOK of deceased personnel who died while performing **bonafide official duty, killed in action by militants/terrorist and killed in international war** respectively as per VIth CPC.

(b) **Death cum Retirement Gratuity (DCRG)**. It is payable to the widow/NOK of the deceased Airmen who die in harness as per the following details.

<u>Length of qualifying service</u>	<u>Rates of death gratuity</u>
(i) Less than one year	Two times of reckonable emoluments at the time of death.
(ii) One year or more but less than 5 Yrs	Six times of emoluments
(iii) 5 Years of more but less than 15 Yrs	12 times of emoluments
(iv) 15 Years or more	Half of emoluments for every completed six monthly period of qualifying service subject to maximum of 33 months of emoluments provided that amount does not exceed Rs. 10 Lakhs as per VIth CPC.

(c) **Pending Enquiry Award (PEA)**. The processing and settlement of Family Pension case is a prolonged one. There are many agencies that play their role for settlement of a Family Pension case. In the process, the cases are often delayed. Considering the above fact, the Govt has made provision to grant PEA to cater the day-to-day requirement of a widow. It is granted to the wife of deceased airwarriors who die in harness. It is granted @ **30%** of reckonable emolument + admissible Dearness Relief till the finalization of the case.

ADDITIONAL FAMILY PENSION TO OLD FAMILY PENSIONERS

4. The quantum of family pension available to the old family pensioners shall be increased as follows:

<u>Age Of Family Pensioner</u>	<u>Additional Quantum Of Family Pension</u>
From 80 years to less than 85 years	20% of basic family pension
From 85 years to less than 90 years	30% of basic family pension
From 90 years to less than 95 years	40% of basic family pension
From 95 years to less than 100 years	50% of basic family pension
100 years or more	100% of basic family pension

BASIS OF DECIDING THE TYPE OF FAMILY PENSION

5. For all deaths of a retired ex-airman drawing his service pension, only Ordinary Family Pension is admissible. However in certain circumstances, the widow of an Airman, invalidated out of service with disability, attributable to service, when died within **10 yrs** of service, could become eligible to SFP on fulfilling the prescribed criteria. For death of serving airman if the death is not attributable to or aggravated by Military service then the widow /NOK will get **Ordinary Family Pension (OFF)**. However, if the death is considered as attributable to or aggravated by Military Service then the widow /NOK will get **Special Family Pension (SFP)**. Further, if an airman dies due to direct enemy action on the border or is killed by militants or is killed by anti social elements while in pursuit of his duty, then the widow/NOK will be entitled to **Liberalised Family Pension (LFP)**. The decision as to what kind of family pension is to be given is taken by the pension sanctioning authority based on the following reports:

- (a) Findings of Court of Inquiry (COI) which is based on factual picture, which emerges out of circumstances of death, statements of eyewitnesses and medical reports. The COI also has the recommendations of the Commanding Officer and other senior officers in the chain of command.
- (b) Opinion of Specialist Medical Officer and the medical aspects emerging in Fatal Medical Documents.

OTHER SALIENT ASPECTS OF FAMILY PENSION

6. The salient aspects of family pension are as follows: -

(a) When a death takes place while in service, AFRO establishes the legality of the wife and forwards family pension claim forms to her. Within one week of receipt of completed family pension claim forms, AFRO releases **Pending Enquiry Award (PEA)**, which is equivalent to Ordinary Family Pension. Thereafter, once the court of inquiry and fatal medical documents etc. are received at AFRO, they are forwarded to Pension Sanctioning Authority (PSA) for deciding the type of family pension. For Armed Forces, the Pension Sanctioning Authority is the Controller General of Defence Accounts/ his representative offices. These agencies are audit agencies, which act as financial watchdogs of the Govt. The pension sanctioning authority decides on the type of pension and issues the relevant pension orders to the widow/NOK. In addition to family pension, the IAFBA provides family assistance of **Rs. 3000/- per month for 15 years (Rs. 2000/- per month for 08 yrs in case of death after retirement) to the widow**. Besides these financial benefits there are certain other kinds of assistance (scholarship for children, help in daughters' marriage etc) which is provided by AFWWA (C) and IAFBA to the widow of **airman/NC(E) who dies while in service**.

(b) Since 1986 joint notification is being carried out for all the retiring airmen. This joint notification basically means that besides the name of the airman who is proceeding on retirement, the name of the legal wife is also notified in the **Pension Payment Order (PPO)** of the airman. Thus, after the death of an airman after retirement, the widow can approach the pension disbursing bank with death certificate and certain other documents which are demanded by bank and her family pension would automatically commence from the concerned bank on the same PPO on which her husband was drawing pension. It is pertinent to mention that joint notification can only be done **in respect of wife**. There is no provision for joint notification in respect of parents / children. In addition to Family Pension. If the lady has her AFWWA membership card / the card number, then AFWWA (C) will pay her a lump sum of **Rs. 5,000/- (One time payment only)**.

(c) Children are normally not eligible for family pension after **25 years** of age/employment/marriage whichever is earlier. However, there is a special provision of **life long pension to Handicapped children** who are not capable of earning their livelihood. Based on the required medical certificates and verification report, Ordinary Family Pension can be released to handicapped child after the death of widow when his/her turn comes. Besides above, there is a provision for family pension **beyond 25 years** of age in respect of **widowed/divorced/unmarried daughters** provided other conditions are fulfilled as above.

(d) Any second marriage, when the first wife is alive and not divorced through a court of law, is null and void. Such marriage is illegal and the second wife is not entitled to family pension. Even after the first wife has died subsequently, the second marriage will continue to remain null and void and the mere death of first wife does not make the second marriage legal. All 'WILLS' on family pension are null and void because, a will can be written only on own property, whereas Family Pension is Govt money (Supreme Court Judgement).

ADVISE ON MATTERS ON FAMILY PENSION

7. The airmen who are proceeding on retirement should ensure the following: -

(a) That the name of his wife and date of marriage is correctly endorsed in his service documents and that his wife is aware of her name as recorded in his service documents. Particular attention is to be paid to the **correctness of surname of the wife**.

(b) The correctness of the name of children vis-à-vis the name as appearing in school certificate should be checked.

(c) The correctness of the date of birth of the children should be checked and any inadvertent exchange of date of birth between two children should be guarded against. Correctness of date of birth Vis – a – Vis school certificate should be checked.

(d) The photocopy of UCSR with updated family details (Matching PORs etc) should be kept after retirement.

(e) Retired airmen must make it a point to take his wife/ eldest child to his Pension disbursing office at least two to three times a year for familiarization.

(f) Retired airman must ensure that suitable POR action is completed before their retirement in respect of physically handicapped and mentally retarded children.

(g) Keep updating your post retirement occurrences like divorce, death of wife, re-marriage, birth of children etc.

PROCEDURE FOR PROCESSING OF FAMILY PENSION CASES FOR CHILDREN BELOW 25 YRS OF AGE

1. The following documents/certificates are required for processing the family pension cases of children **below 25 Yrs** of age: -

(a) Certificate of present marital status of claimant obtained from **First Class Gezatted Officer/Village Sarpanch**.

(b) Income certificate of claimant issued by **Revenue Officer/Tehsildar** stating monthly and annual income from all the sources

(c) Studentship Certificate obtained from school/college in which claimant is studying OR Unemployment Certificate obtained from competent authority.

(d) Guardianship certificate from **competent court of law** in respect of minor children only.

PROCEDURE FOR PROCESSING OF FAMILY PENSION CASES FOR HANDICAPPED CHILDREN

2. Earlier, during the lifetime of the pensioner and his spouse, family pension endorsement was not being notified in the PPO in favour of disabled son/daughter. The pensioner or his spouse can now apply for the same on the proforma provided overleaf alongwith the following documents:-

(a) A medical certificate (in original) from a doctor not below the status of **civil surgeon** or medical officer of the rank of **Brigadier and equivalent rank of Navy/Air Force** stating out the disability certifying that the individual is unable to earn his/her livelihood throughout his/her life.

(b) An affidavit (in original) sworn before a first class magistrate stating out as far as possible the exact physical/mental condition of the child and inability of the child to earn his/her livelihood throughout his/her life. Percentage of disability is also required to be mentioned. Affidavit is to be submitted in original.

NOTE: *Every possible effort must be made by the pensioner to get the POR promulgated while in service.*

3. For processing the Family Pension case for handicapped children after the demise/disqualification of other eligible heirs, the following documents are required to be produced by the guardian of the handicapped child if POR has been promulgated and endorsement has been made in the service records of the pensioner. Documents mentioned at Para 1(a) and (b) are also required in case no POR has been promulgated: -

(a) Income certificate stating monthly and annual income of the claimant from all the sources issued by Revenue Officer/Tehsildar.

(b) Certificate of Marital status of the claimant obtained from First Class Gazetted Officer/Village Sarpanch.

(c) In the case of mentally handicapped children, the family pension shall be payable to person nominated by the Armed Forces personnel or pensioner, as the case may be, and in case no such nomination has been furnished by the Armed Forces personnel or pensioner during his life time, to the person nominated by the spouse of the deceased personnel or pensioner. In case service personnel, pensioner or family pensioner fails to nominate guardian during his/her life time, a Legal Guardianship Certificate obtained from a competent Court of Law under Guardianship and Ward Act 1890 would be mandatory.

PROCEDURE FOR PROCESSING OF FAMILY PENSION CASES FOR WIDOWED/DIVORCED DAUGHTER

4. The following documents/certificates are required for processing the family pension cases of widowed/divorced daughters: -

FREQUENTLY ASKED QUESTIONS

Some common questions, which are received by this office: -

Q.1. I am the mother of the late airman, why should the wife get the pension when my son was not happy with her. Why can't I get the pension?

ANS: As per Pension Regulation, wife is the highest eligible heir for receiving family pension. How happy / un-happy your son was with your daughter in-law could have been an issue for divorce, had your son been alive. However, after his death the only issue is the legality of marriage, your son's happiness/ un-happiness has no direct bearing on her legal eligibility to Family Pension. Mother is the highest eligible heir only for a bachelor airman (incase of married airman when wife and children become disqualified for FP).

Q.2. Since the first wife is dead, why can't I get the pension as second wife?

ANS: When you married, the first wife was alive, therefore in legal terms, your marriage had become null and void ab-initio and will remain null and void through out. The mere death of first wife does not change the null and void status of your illegitimate marriage.

Q.3. My husband and his first wife were under the process of mutual divorce; I met the first wife and took her clearance for my marriage. After six months of my marriage legal divorce was granted between the first wife and my husband. Therefore, I fail to understand as to what the problem is and why I am being denied my family pension?

ANS: Your actions may appear to be socially correct but they are wrong from the legal point of view. You should have married only after divorce of first wife. Till the divorce order by a court of law was issued to the first wife she continued to be the legal wife of your late husband. Since you married six months before the date of divorce, therefore, your marriage has become null and void and will remain so. The consent of first wife does not provide legality to your marriage. Since your marriage is null and void ab-initio, you are not eligible for family pension.

Q.4. I am the mother of the late airman. His minor children from first wife are with me. After the death of his first wife my son had married another lady who does not look after the children born from my first daughter in law. Can I get pension on behalf of minor children of my first daughter in law?

ANS: Pension Regulations provide for division of pension between the children of first legal wife and the second legal wife (i.e. marriage after legal divorce / death of first wife). If after verification it is proved that you had been keeping the minor children with you from the first wife of the late airman then you can produce a guardianship certificate and as a legal guardian of the minor child you will get 50% of the entitled pension till the child is 18 years of age thereafter the child himself can receive his pension. The other 50% will go to the legal second wife. After the first child from first wife attains the age of 25 years of age then the pension will go to the second child till he/she attains the age of 25 years of age. After both the children have reached 25 years of age (in case of daughters' when they get married) full pension will be restored to the second legal wife.

Q.5. My daughter in law is suspected of murdering my newly married son in connivance with her lover. She is pregnant and in police custody. She is a blot on the name of woman-hood. Please make sure that no pension is paid to her and I am paid pension as mother.

ANS: As per Pension Regulations when an eligible heir is suspected of murder she will not be paid with any pensionary benefits till the final decision of the court. However, as per law every accused is innocent till proved otherwise in the court of law. Therefore, as per Pension Regulation family pension will remain frozen and will not be paid to any other eligible heir including you till the final court judgement. Even if your daughter in law is convicted, since she is pregnant her child will be the next highest eligible heir for family pension. Since you are alleging that the child belongs to the lover and not to your son, you are at a liberty to request for a DNA test and get a suitable order from a court of law in this matter. No family pension will be disbursed in this case till the court gives an order on either convicting or releasing your daughter in law. Further, in case the daughter in law is convicted the onus of proving your allegation that the child belongs to her lover and not to your late son squarely rests on you. If you fail to get a suitable court order the pension will go to the legal guardian of the child.

Q.6. My husband has died recently and I went to collect my Family Pension to the bank as per joint notification. However, there is a difference of my name in the joint notification and the account I have with the bank. The bank has refused to pay me Family Pension. Please advice me and help me.

ANS: Family Pension has a history of conflict between the legal and the illegal wife for grabbing family pension. Since only the legal wife is entitled for Family Pension therefore, the checks and balances at every Govt agency in terms of correct name of the widow and her correct identity are very critical for commencing Family Pension. Your husband should have been very careful in ensuring that your name has been written correctly in his service records. We have instances of widows who have fought for ten to twenty years in a court of law to prove their status as a legal wife. Now we will carry out an investigation through our Air Force Police and thereafter, based on the emerging facts we will give you a suitable advice on future course of action.

Q.7. My husband left Air Force as a bachelor and married me after two years of retirement. Since you have written that as per the records at AFRO he was a bachelor. Please advice me and help me.

ANS: Your husband was drawing pension and therefore he must be aware that his wife will be entitled for family pension. Not informing about his marriage and birth of children after his discharge to this office was a grave error on his part. Now you will have to satisfy certain legal and procedural formalities to prove that you are his legally wedded wife and that your children were born out of marriage with him. In addition, we will do our own enquiry on this matter. Please wait for our detailed letter.

Q.8. My husband has been declared as a deserter and dismissed from service. However, I feel that he is missing and has probably died in un-fortunate circumstances. I have no money and no one is there to look after me. Please advice and help me.

ANS: Desertion is a serious offence for any fighting force. Therefore, till your husband is a deserter no financial benefits can be given to you. Since you feel that he is not a deserter and he might have died under un-fortunate circumstances. We will write to the last parent unit of your husband to carry out a fresh Court of Inquiry into this matter in accordance with Air HQ letter No. Air HQ/40295/PA-III dated 08 Sep 99. If based on this inquiry, it emerges that your husband is not a deserter but a missing presumed dead person then your case for Family Pension would be considered. In addition to this provision, you also have the option to go to a court of law (after seven years of your husband presumably being missing) under section 108 of Indian Evidence Act. If the court declares your husband as a missing presumed dead person, then again your case for Family Pension could be considered. However, please be informed that any deliberate attempt by you for wrongful financial gains by willfully hiding the fact of his desertion can subsequently result in criminal proceedings against you.

Q.9 I am an employed lady with State / Central Govt, my husband has expired, since I am earning a handsome salary, will I get family pension or not?

ANS: Yes, you are entitled for Family Pension of your deceased husband alongwith applicable rate of Dearness Relief irrespective of your pay scale. This is a privilege given to all legally wedded wives.

Q.10. What is the procedure for withdrawing pension of an insane /physically handicapped pensioner?

ANS: The procedure for such an eventuality is given in PPI Para 38. In order to protect the interest of the pensioner certain checks and balances are there in this procedure. Please write to AFRO for a detailed advice on this matter.

Q.11. If 50 % DA is merged with basic pay or a new pay commission is implemented then will my pension get revised?

ANS: The decision as to whether the pension is to be revised or not has to be taken by the Govt. If the Govt decides to revise the pension, then going by the past experience it is expected that revision orders with revision table (old rate versus new rate) will be forwarded to Pension Disbursing Offices (Banks, Treasury and DPDO) who will be responsible for automatic revision of pension. This office will have no direct role on this matter, however, if a representation is received at this office, suitable advice will be given to pensioners.

CHAPTER V

GRATUITY

1. All personnel are entitled to various types of gratuity on their discharge depending on their qualifying service and cause of discharge. Next of kin of the personnel who die while in service are also eligible for death gratuity. The details of various types of gratuity are enumerated below: -

(a) **Death Cum Retirement Gratuity (DCRG)** DCRG is applicable in case of personnel retiring with Service Pension {15 /20 years of qualifying service for airmen/ NCs (E)}. The rate of DCRG is half months emoluments for each completed year of service subject to a maximum of 16.5 months emoluments.

(b) **Service Gratuity/Death Cum Retirement Gratuity (SG/DCRG)** SG/DCRG is admissible to airmen discharged with a qualifying service of :-

- (i) Five years or more but less than 15 years in the case of airman.
- (ii) Five years or more but less than 20 years in the case of NCs(E).

The SG/DCRG shall be admissible only when one has not rendered the minimum qualifying service to earn service pension.

The SG Is admissible at a rate of :

One month's pay in pay band + Grade pay + MSP + (X Group pay where applicable) + DA (last drawn) for each completed year of qualifying service actually rendered.

The pay means, the pay last drawn by the individual.

The SG/DCRG is calculated on the basis of **actual qualifying service** rendered by an individual and no weightage is permissible. There shall be no deduction in the quantum of SG/DCRG so arrived at in the case of those who are allowed premature discharge on compassionate grounds or for other personal reasons.

Individuals enrolled before attaining the age of 17 years, their entire service (from the date of enrolment to the date of discharge) shall count towards payment of NE Benefits.

Individual dismissed from the service under the Air Force Act/discharged due to misconduct, corruption, lack of integrity or moral turpitude, is neither eligible for pension nor gratuity. However, in exceptional circumstances, he may, at the discretion of the President, be granted either pension or gratuity or both, either in full or in part at a rate not exceeding for which he would have normally qualified.

(c) **Invalid Gratuity/DCRG** In case an individual is invalided out of service on account of causes which are neither attributable to nor aggravated by Military Service and his actual qualifying service is more than five years but less than ten years, then he is eligible for grant of invalid gratuity and DCRG. In case service of an individual is less than five years and more than six months, he is eligible for Invalid gratuity only. The quantum of invalid gratuity is equal to one month's pay of the rank last held, for each year of service rendered and that of DCRG is half month emoluments (Basic Pay + DA) for each completed years of service. The pay means the pay last drawn.

(d) **Death Gratuity** Death gratuity at the following scale is admissible to the families of personnel, who die while in service: -

(i) Service less than 1 year : 2 times of (Last Basic Pay +DA)

(ii) Service 1 Year or More but Less than 5 Years : 6 times of (Last Basic Pay + DA)

- (iii) Service 5 Years or More but Less than 15 years : 12 times of (Last Basic Pay + DA)
- (iv) Service 15 years or more : (Last Basic Pay +DA)X ½ of total six Monthly periods.
(Max. six monthly periods will be 66).

Note: Maximum DCRG admissible is Rs. 10 lakhs.

FREQUENTLY ASKED QUESTIONS

Q.1. I was discharged from training Institute under the clause “ UN LIKELY TO BECOME EFFICIENT AIRMAN” (ULMEA). I have not got my Service Gratuity so far. Please advice me if I am eligible for the same?

ANS The minimum Qualifying Service (QS) to earn Service Gratuity (SG) is five years. Since you have served for less than five years, therefore you are not entitled for SG.

Q.2. I was discharged from the IAF after completion of ten years of QS under clause “SERVICE NO LONGER REQUIRED”(SNLR). Am I entitled for Pro-rata pension?

ANS As per Pension Regulations for the Air Force, minimum QS to earn Service Pension is fifteen years. Further, it is also clarified that there is no provision in the IAF for grant of Pro-rata pension for those who have served for less than fifteen years. Therefore, you are not entitled to any pension. However, you are entitled for SG and DCRG.

Q.3. I was dismissed from IAF by sentence of Court-Martial after completion of 15 years of total QS. Now, more than one year has passed I have not got my pension. Please guide me whether I am eligible for my pension or not?

ANS As per the Pension Regulations for the Air Force those who are dismissed from the IAF under the provision of Air Force Act 1950 are not entitled for gratuity/pension for the service rendered by them. Since you were dismissed from the IAF, you are not entitled for Service Gratuity/Service Pension. However, those discharged from service due to mis-conduct, corruption, lack of integrity or moral turpitude are not normally eligible for gratuity but they may be sanctioned gratuity in exceptional cases at the discretion of the President, at a rate not exceeding that for which they are normally qualified.

CHAPTER VI

WELFARE

INTRODUCTION

1. The relationship of an ex-airman with AFRO continues throughout his life. The welfare section of Pension and Welfare Wing at AFRO is like an orderly room for retired personnel. The ex-airmen / NOK need continuous help from AFRO on many matters like counting of former service with IAF for new employment, fixation of pay with new employer, pension related problems, issue of various welfare related certificates and employment under indigent circumstances to widows/NOKs (of those personnel died while in service) etc. As a record office, all actions at AFRO can only be initiated on the basis of the records of ex airmen available at AFRO. Thus the preservation of service records is a major task at Pension and Welfare Wing of AFRO. The policy on maintenance of records (RCSR/ medical documents) at AFRO is that **medical records of an airman are destroyed after 15 yrs and his RCSR is destroyed after 25 yrs from the date of his discharge**. Certain essential details of the individual are however copied in one page of a register before destruction of RCSR. This page is called LONG ROLL. A long roll is preserved indefinitely. As on date, there is no policy / timeframe for destruction of long rolls. Besides welfare related assistance from AFRO, a lot of other benefits / facilities can be availed by an ex-airman/NOK through the Director General of Resettlement and Zilla Sainik Boards.

DEFINITION OF EX-SERVICEMEN

1. The eligibility of the retired defence personnel to the status of ex-servicemen is governed by the definition as laid down by Department of Personnel and Training. The definition has been undergoing changes from time to time.

Authy: Govt of India, Min of Personnel Public Grievances & Pensions Memo No. 36034/5/85-Estt (SCT) dated 14 Apr 87.

Following is the broad categorization:-

- (a) **Those released before 01 Jul 68.** Any person who had served in any rank, (whether as combatant or not) in the Armed Forces, and has been released there from otherwise than by way of dismissal or discharged on account of misconduct or inefficiency.
- (b) **Those released on or after 01 Jul 68 but before 01 Jul 79.** Any person who had served in any rank (whether as combatant or not) in the Armed Forces, for a continuous period of not less than six months after attestation and released there from otherwise than by way of dismissal or discharged on account of misconduct or inefficiency.
- (c) **Those released on or after 01 Jul 79 but before 01 Jul 87** Any person who had served in any rank (whether as combatant or not) in the Armed Forces of the union for a continuous period of not less than six months after attestation, if discharged for reasons other than at his own request or by way of dismissal or discharged on account of misconduct or inefficiency, and not less than five years of service if discharged at own request.
- (d) **Those released on or after 01 Jul 87** Any person who had served in any rank (whether as combatant or not) in the Armed Forces of the union **and was released/retired with any kind of pension from defence budget or released on completion of specific terms of engagement** with gratuity other wise than own request or by way of dismissal or discharged on account of misconduct or inefficiency.

Note: *In all cases recruits were not being covered under the category of Ex-Servicemen including those recruits who were in receipt of disability pension. The policy however has been revised. As per MoD (Deptt of Ex-servicemen Welare) Memo No. 12/1/2005/D (Res) dated 01 Feb 06, it has been decided with the approval of Raksha Mantri that such recruits who were boarded out / released on medical grounds and granted medical / disability pension will also be covered under the category of ex-servicemen for all practical purposes.*

PRIVILEGES FOR EX-SERVICEMEN

3. All ex-service personnel are entitled to certain service privileges. They are enumerated below: -

(a) **Use of Air Force Rank.** Apart from serving personnel of the regular Armed Forces, only MWOs / WOs granted Honorary Commission while in service or on retirement, may use their Air Force ranks with their names. The recognized method of doing so after retirement/release is indicated below: -

Honorary Flying Officer A (Retd)

Honorary Flight Lieutenant B (Retd)

(b) **Retention of Retired Officers' Identity Cards (IAFZ-2015A).** Retired officers' Identity Cards (IAFZ-2015A) can be retained by MWOs / WOs granted Honorary Commission. Officers whose service have been terminated under the provisions of Air Force Act Section 18 or those who have been released / retired on grounds of security / moral turpitude, even if they are allowed pensionary / terminal benefits, will **not** be issued Retired Officer's Identity Cards (IAFZ-2015A).

(c) **Wearing of Uniforms.** Ex-airmen may wear service uniform on special occasions, when attending ceremonials and functions of military nature and on other occasions when the wearing of uniforms would appear appropriate.

Authy: Regulations for the Air Force 1964 {Para 422(a)}.

(d) **Liability of Air Force Act and Official Secret Act After Retirement.** Liability to Air Force Act ceases immediately when an individual is placed on the retired list. However, for finalization of pending disciplinary cases / cases detected within six months of his discharge, Air Force Act Section 123 is invoked. A retired person is liable to be punished for communicating classified information which he might have acquired during the period of his service under section 5 of the Indian Official Act 1923.

(e) **Right To Enter Politics After Retirement.** There is no bar for military pensioners taking part in lawful political activities including contesting elections. However, pension is liable to be forfeited if found guilty of grave misconduct of a political or other nature under the provisions of the Pensions Regulations for the Air Force Act (1961).

RESETTLEMENT ASPECTS

4. The resettlement of these Ex-servicemen is the next priority after the timely grant of service pension. The following resettlement avenues are available to ex-servicemen: -

(a) A placement cell has been opened at AFRO. Retiring airmen can register their names for better re-employment opportunities.

(b) All retired airmen must register their names with their respective Zila Sainik Board for availing the benefits of employment under reserved vacancy category.

(c) Defence Security Corps (DSC) provides avenues for re-employment as JCOs and ORs to retiring / retired airmen. Desirous and eligible individuals may contact the DSC regimental centres / recruiting offices for the said purpose. **Application forms can be obtained from Army HQs (GS Branch) DDG, DSC, West Block – III, Wing – IV, RK Puram, N D – 110 066.**

(d) Director General Re-settlement (DGR)} is the frontline organization for re-habilitation of released / discharged personnel. It is located at RK Puram, New Delhi. A host of re-employment / self-employment opportunities are available through DGR. The desirous individuals can have the details on the various self employment opportunities in farm and non farm sector from the respective ZSB or they can log on to DGR web site: **www.dgrindia.com**

WELFARE RELATED ASSISTANCE BY AFRO

5. A welfare section functions at Pension and Welfare Wing at AFRO. This section exclusively caters to matters of ex-PBOR / widows / NOK. The welfare section primarily caters to the following requirement of ex-PBOR: -

(a) **Publication of NE PORs** The documents of retired PBOR are maintained at AFRO for 25 years from their date of discharge and after that required information is maintained in the form of a Long Roll (LR) for lifetime. It is incumbent upon the PBOR to get the NE POR published for occurrences after their retirement. They are required to take up their cases through respective Zila Sainik Boards alongwith the requisite documents as mentioned against each occurrence: -

Authy: AFO 134/98 and Para 81 of AFO 113/77.

<u>Occurrence</u>	<u>Relevant documents required by this office</u>
Birth of Children	(a) A personal application. (b) Affidavit from Notary (Name of the mother of the child should be clearly mentioned in the affidavit) (c) Birth certificate issued from the Registrar or Head of the School/Institution.
Death of Wife	(a) A personal application. (b) Death certificate issued from the Registrar.
Marriage or Re-Marriage and Change of Next-of-Kin	(a) A personal application. (b) Marriage certificate issued from the Registrar. (c) Affidavit issued by 1 st class Magistrate regarding marriage. (in original). (d) Joint Photograph in two copies duly attested by respective ZSB.
POR for Divorce	(a) A personal application. (b) The copy of divorce decree from Court duly attested.
Change of Name/ Surname	(a) Personal application for change of name/surname. (b) Publish the change of name /surname in Central/ State Gazette Notification and submit the same in two copies (original/attested) . (c) Publish the change of name/surname in a national and a local newspaper and submit the concerned pages of the same in original . (d) Major children/dependents will be deponent in the newspaper and Gazette Notification.
Change of Permanent Home Address	(a) A personal application. (b) Declaration form (available with Zila Sainik Board) along with original discharge certificate through Zila Sainik Board.

(b) **Issue of Duplicate Discharge Book.** Discharge book is a very important document and needs to be preserved forever. On loss / mutilation, a duplicate discharge book may however be issued by AFRO on specific recommendations by ZSB. The individuals are required to forward the requisite documents mentioned below: -

(i) **In case of Loss of Original Discharge Certificate:**

(aa) A personal application along with attested copy of **First Information Report (FIR)** stating the circumstance under which the loss had occurred and the individual is not in possession of the same and in case of recovery of it, the same will be surrendered to AFRO.

(ab) An affidavit from notary

(ac) Joint/single Photograph in two copies duly attested by respective ZSB.

Authy: Air HQ/40722/5/PA(RC) dated 22 Nov 90.

(ii) In case of Mutilated/Defaced Discharge Certificate:-

- (aa) A personal application
- (ab) Mutilated/Defaced discharge certificate
- (ac) Joint Photograph in two copies duly attested by respective ZSB.

Authy: RO/2902/P&WW (Wel) dated 15 May 95.

Note: All photocopies of certificates/documents submitted are to be attested. Any affidavit should be in original only.

(c) **Counting of former service.** Ex-airmen who are re-employed in any Govt or Semi Govt organisation / PSUs may opt for counting of their former service rendered in Indian Air Force under the provision of Rule - 19 of CCS rules 1972. To avail this benefit, the individual has to surrender his service gratuity / DCRG, Commutation and cease to draw pension wef the date of re-employment. However, he can retain the pension amount drawn from the date of discharge to the date of his re-employment. The individual will have to approach his re-employer within one year of his confirmation in the re-employed post. The case for counting of former service is required to be referred to pension and welfare wing through the re-employer.

(d) **Re-Fixation Of Pay In The Re-Employed Organization.** Re-employed pensioners are eligible for re-fixation of their pay in re-employed organization. The subject matter is governed by **Govt of India, Min of PP&G (Dept of personnel and Trg) OM No. 2/1/86/Est Pt – II dated 31 Jul 1986.** For this purpose, the re-employed pensioners may approach AFRO through their re-employer.

(e) **Issue of NOC for grant of Family Pension From Civil Organisation.** The policy on payment of pension envisages that Family Pension can be paid from one Govt Organisation only. However if the family pension scheme in re-employed service falls in the contributory Family Pension scheme of 1971 and 1995 (schemes where Family Pension is not paid out of Govt Fund), then a second family pension can be paid from the defence side also. In case of retiring married airmen, the name of wife is jointly notified in the PPO of the pensioner. In case the individual wishes to draw his family pension from civil, he needs to give an option to this effect through his re-employer and PDO. On receipt of the option, AFRO takes up the case with PSA for issue of a new PPO reflecting cancellation of Family pension from Defence. NOC for grant of family pension from civil is issued by AFRO to the re-employer on receipt of cancellation PPO from PSA i.e. JCDA (AF).

Authy: Govt of India, Min of Defence letter No. 10(6)/92/D (Pen/Ser) Dt 28 Sep 92.

(f) **Issue of Certificates.** Various certificates like trade certificates and Graduation certificates etc are issued to retiring airmen by their **parent unit** to enhance their re-employability in the civil. Individual is expected to maintain and preserve them meticulously. However, AFRO issues duplicate certificates in case the original is lost or mutilated. The, pensioners can also approach AFRO for issue of extract of PORs / posting detail certificate for admission of their wards in Kendriya Vidyalaya (KV) or any other certificates on need basis. In case of death of pensioners a certificate called Service Particular Certificate (SPC) is issued to the wife / NOK of the deceased airman/NC (E).

Authy: AFO 133/98, RO/2907/P&WW (W) dated 20 Nov 98 and RO/2916/P&WW(W) dated 14 Jun 95.

(g) **Employment Assistance under Indigent Circumstances.** There is a provision for employment assistance (in Group C&D) under indigent circumstances for dependants of service personnel who:

- (i) **Died while in service; or**
- (ii) **Are Killed in action; or**
- (iii) **Are medically boarded out from service and are unfit for civil employment.**

Authy: Gol,Mod, DOP&T letter No.14014/6/94{Estt(D)} dated 09 Oct 99.

NOTE-1: The dependants of service personnel who die after discharge from service are not covered under the scheme.

NOTE-2: The object of the scheme is to grant immediate financial assistance to the bereaved family to overcome the financial destitution caused by the sudden demise of the head of the family. It may be noted that only 5% of direct recruitment vacancies are reserved under this category. The cases are decided on its merits by the competent authority at Air Headquarters for GP 'C'. However for GP 'D' this decision is taken at the Command HQ of the late Airmen/ NCs (E).

(h) **Issue of Dependent Card.** Dependant card can be issued/renewed from **any nearest Air Force units** on production of discharge book/old dependent card.

(j) **Issue of provisional Diploma certificate** Provisional certificate will be issued by the **last unit** of the individual on receipt of discharge order from AFRO.

CERTAIN OTHER BENEFITS TO EX-SERVICEMEN

6. Beside the above-mentioned assistance/benefits, certain other benefits which are given to ex-servicemen are as follows: -

(a) **Weightage For The Wards of Ex-Servicemen In Selection As An Airman** There is no reservation for the wards of Ex-servicemen in their selection as an airman. However, in case they are selected on their individual merit, then Central Airmen Selection Board (CASB) gives 10% weightage to the wards of ex-serviceman in the final merit list.

(b) **Age Relaxation.** All ex-servicemen are allowed to deduct their Military Service + Three years from their actual age. The resultant age should not cross the upper age limit prescribed for a post or vacancy (Group 'C' and 'D')

Note: 1. The concession in age for appointment to vacancies in Group 'A' and Group 'B' service filled by direct recruitment on the basis on an All India Competitive Examination held by UPSC is however, limited to five years only.

Note :2. In some jobs like in Nationalised Banks, the upper age limit is 45 years.

(c) **Free Telephone for Gallantry Award Winners** Ministry of Communications, Dept of Telecom Services has granted full exemption from payment of registration charges for telephones to War Widows, disabled soldiers and gallantry award winners.

(d) **Exemption from Income Tax** DCRG, Commuted value of pension and amount of encashment of Annual Leave are not taxable except when invested, whereupon the income thereof is taxable.

Authy: Income Tax Act Section 10 (10)(i), 10(10) (ii) and 10(10A) (I).

THE WELFARE ROLE OF ZILA SAINIK BOARDS (ZSBS)

7. As an ex-servicemen, you will be required to interact with your Zila Sainik Board frequently. It is considered appropriate for an ex-serviceman to know the responsibilities of ZSB. In all states, the Zila Sainik Boards (ZSBs) work under the guidelines of Rajya Sainik Board (RSB). With regards to the charter of duties of ZSB, it is stated that all ZSBs/RSB function under the guidelines of Kendriya Sainik Board which is an inter service organisation under MOD. The ZSBs/RSBs however function under the direct control of state governments. The Chairmen of RSB is Governor/Chief Minister and the Chairmen of ZSB is usually the DC of the District. The RSB/ZSB has meetings once in a year to discuss the affairs / problems of ex-servicemen and introduce and implement new schemes. The ZSBs are field units and are responsible for following:

(a) Disseminating information to the general public regarding the Armed Forces in the country and constantly endeavoring to promote and maintain a feeling of goodwill between civilian and service personnel and ex-servicemen.

(b) Looking after the welfare of families of servicemen and of ex-servicemen and assisting them in representing their cases to the local administration and/or to the defence authorities.

- (c) Giving information to the general public on the conditions of service personnel in the armed forces, to assist intending candidates in approaching the appropriate recruiting authorities for the purpose of enlistment.
 - (d) Keeping a watch on the adequacy of the number of pension payee branches, post offices and analyzing if there is a need for more such offices.
 - (e) Investigating applications for relief from various military and civil charitable funds and making suitable recommendations.
 - (f) Granting financial relief to ex-servicemen and their dependents from funds at their disposal.
 - (g) Registration of ex-servicemen and issue of ex-servicemen/widow /War widow Identity Card.
 - (h) Placement of ex-servicemen as per the reservation policy of State Government and placement in Corporate Sector including Government Banks.
8. In addition to the duties of ZSBs mentioned above, the ZSBs also extend certain other help to the ex-servicemen and their widows. The details of such helps are as follows: -
- (a) Issue of Medical entitlement card where the ex-servicemen / widows are not members of ECHS.
 - (b) For those ex-servicemen/widows who have gone on discharge/died prior to 01 Apr 2003, the ZSBs assist /advise them to become member of ECHS if they so desire.
 - (c) Vetting and recommending the applications of wards of ex-servicemen/widows for admission to Engineering/Polytechnic/Medical/Other Professional colleges for the seats reserved for Ex-servicemen quota.
 - (d) Grant of financial assistance in cases like Marriage of daughters, scholarship, one time grant/ex-gratia to war widows.
 - (e) Processes and recommends the application for sanction of loan to ex-servicemen for various self employment scheme like SAMFEX-I, SAMFEX-II, SAMFEX-III (Sena Se Gramodyog) and the project under Khadi Village and Industries Commission.
 - (f) Provisioning of legal aid.
 - (g) Allotment of land to the landless ex-servicemen/widows.

FREQUENTLY ASKED QUESTIONS

Q.1. After discharge, I have divorced my first wife and re-married to a divorcee having one child from previous marriage. Is this occurrence required to be reflected in my service records? If yes, what steps should I take?

ANS Any occurrence regarding divorce/death of wife and re-marriage including birth of child/adoption after discharge from service is required to be published in SUP NE-POR and be reflected in your service records. You have to forward the following documents to AFRO for each occurrence as given below: -

(a) **Divorce of Wife.** In case of divorce with first wife, you are required to forward the Court Decree called "**Divorce Decree Absolute**". Please understand that divorce decree absolute is granted after the court has passed the judgement on the case of divorce.

(b) **Remarriage After Discharge.** In case of re-marriage after discharge from service you are required to submit marriage certificate issued by the Registrar of Marriage and an affidavit to that effect alongwith joint photograph duly attested by Zila Sainik Board.

(c) **Adoption of Children.** There is **no provision for POR of adopted child** or endorsement of it in documents after the retirement.

Note : For more details on marriage after discharge / birth of child / Death of wife after discharge etc. Please refer Para 5 (a) of this chapter.

Q.2. I have lost my Discharge Book. Can I be issued with Duplicate Discharge Book ?

ANS Yes, you can be issued with a Duplicate Discharge Book. For this purpose you have to lodge an FIR and forward a copy of the FIR alongwith an affidavit stating the circumstances of loss and two copies of joint / single photograph duly attested by ZSB . It should also be mentioned in the affidavit that the original discharge book will be returned to AFRO in case it is found at a later date. For more details, please refer Par 5 (b) of this chapter.

Q.3. I have been discharged from the IAF with 20 years of service. How much age relaxation can I get for re-employment in civil post?

ANS As an ex-serviceman you are entitled to age relaxation as per the existing Govt rules. For more details please refer Para 6 (b) of this chapter.

Q.4. I intend to get my former AF service counted towards re-employed post. Will I cease to draw my pension from Air Force if my previous service is counted toward new service?

ANS Yes, In case your former service is counted towards re-employed post, you will cease to draw your pension from the date of your re-employment. Also you have to surrender the commutation and DCRG granted to you at the time of -the discharge from the IAF. However, you can keep the pension amount drawn from the date of discharge from the IAF till the date of re-employment in the civil post (Govt / PSUs/Semi Govt).

Q.5. This amount of commutation and DCRG is to be refunded to whom?

ANS The amount together with the interest thereupon as arrived at by your re-employer will have to be deposited with the Dy CDA (AF), Subroto Park, New Delhi by way of a Demand Draft payable in favour of Dy CDA (AF). This draft can be forwarded by your re-employer either directly to Dy CDA (AF) or through AFRO.

Q.6. I have been re-employed in civil after discharge from the IAF. I am not getting Dearness Relief (DR) on my pension. Please clarify.

ANS As per PCDA (P), Allahabad Circular No 07 dated 13 Aug 1999, the payment of DR has been authorised on pension for the re-employed pensioners also. However, to be eligible to draw DR on pension your pay should have been fixed at the minimum of the scale of pay in the re-employed post. In case you have got additional increments on re-fixation of your pay in the re-employed post, you are not

eligible for payment of DR on pension. (Authy : Para 14 of GOI MOD letter Dept of ESM Welfare, New Delhi No. 17(4)/2008/D(Pension/Policy) dated 11 Nov 2008).

Q.7. I have been discharged from the IAF. The name of my wife is Jointly Notified in my PPO. Now, I want that my family should draw family pension from my present employer. What action should I take?

ANS Your family can draw family pension either from Defence or from Civil Re-employer, whichever is beneficial to her. For details please refer Para 5 (e) of this chapter.

ACTIONS RECOMMENDED AS A “MUST DO” FOR PENSIONERS

1. At the time of retirement and during the preparatory phase of retirement, an average airmen /NCs(E) is very myopic and normally does not think beyond his timely payment of pension and other NE benefits. However, we at Pension and Welfare Wing of AFRO are dealing with over 1, 50,000 surviving pensioners and are therefore privileged to a lot of foresight on post retirement complications. We, therefore, recommend the following actions as a “**MUST DO**” for every pensioner:

(a) He must make sure that his own name, his wife’s name, his children’s name and their date of birth is correctly recorded in the Record Copy of Sheet Roll (RCSR) at AFRO. It must be borne in mind that name filled up in IAFF (P) 5 at column ‘What is your name?’ is taken for issuance of Discharge Order and Pension Payment Order.

(b) He must make sure that POR for all occurrences in general and financially affecting occurrences (Local Allowances, Leave encashment, GCB, Sterilisation Pay etc) in particular are taken and reflected in the UCSR and the UCSR is updated in all respects.

(c) He must collect all eligible certificates from his last unit and properly maintain them because they are extremely useful for re-employment and other purposes in future.

(d) He must collect first pension and amount of Death Cum Retirement Gratuity / Commuted value of pension, in person.

(e) He must get his name registered with his respective Zila Sainik Board (ZSB) and collect his Ex-serviceman Identity Card. It must be remembered that ZSB extends help only to those ex-servicemen who are registered with them.

(f) He must mention his full particulars (Ser No, Rank, Name, and Date of Discharge etc) while making correspondence with AFRO or any other agency. AFRO can not locate the RCSR of an ex-airman/ NC (E) without his service No and other details.

(g) He must preserve following documents after retirement: -

- (i) Last Pay Certificate (LPC).
- (ii) Copy of PPOs/Corrigendum PPOs.
- (iii) Photocopy of updated Unit Copy of Sheet Roll (UCSR).
- (iv) Discharge Book.
- (v) Retired Officer Identity Card (Applicable only for HFO/HFL).
- (vi) Ex-servicemen Identity Card Issued BY Zila Sainik Board (ZSB).
- (vii) Dependent Card for family members issued by his last unit.
- (viii) Post Retirement Insurance Certificate (PRIC) issued by AFGIS.
- (ix) AFWWA membership Card.
- (x) SMART Card for ECHS membership.
- (xi) Copies of all-important correspondence with AFRO.

NOTE: He must brief his wife to preserve these documents even after his death, for as long as the wife is alive and drawing pension.

(h) He must be clear about the procedure for treatment under ECHS. He must know his nearest ECHS hospital (Polyclinic/MH/empanelled hospitals).

(j) He must anticipate old age related problems, which happen after retirement i.e. Dental Care/Artificial Dentures/ vulnerability to Cataract, prostrate, high BP, Diabetes, Arthritis etc. Besides taking preventive measures he must make full use of ECHS facilities for regular check up and treatment.

CHAPTER IX

EX SERVICEMEN CONTRIBUTORY HEALTH SCHEME (ECHS)

INTRODUCTION

1. Ex servicemen Contributory Health Scheme (ECHS) is a tri-services project which came into effect on 01 Apr 2003 vide Govt of India letter No 22 (1)/01/US (WE)/D (Res) dated 30 Dec 2002. The scheme is functioning under an integral staff with its Central Office located at Army Headquarters and thirteen Regional Centres located at various major cities. ECHS will cater for Medicare of all Ex-servicemen (ESM) in receipt of pension including disability and family pension. This would also include wife/husband, legitimate children and wholly dependent parents. There are a total of 227 Polyclinics functioning in the country. Out of these, 123 polyclinics are at non-military stations and balance 104 Augmented Armed Forces Clinics are at Military Stations. The scheme is being implemented in a phased manner. Every service person retired/retiring after 01 Apr 2003 will compulsorily have to become member of ECHS by contributing one time his/her share of amount towards the membership. Similarly all those retired prior to 01 Apr 2003 can opt to become an ECHS member by payee the contribution in lump sum. There would be no restriction on age or medical condition for this scheme. This is Govt funded scheme through public money (Authy 22(1)/01/US/(WE)/D(Res) dated 30 Dec 02).

2. ESM/Pensioners are presently not authorised for treatment in MH as a right, they are only entitled for treatment i.e. subject to availability of bed space, doctors and medicines. By joining the ECHS scheme, they come in the authorised category of treatment. The only difference is that his/her initial out patient handling/treatment will be by the ECHS polyclinic rather than the staff surgeon at MH. In case the ESM requires further reference/ treatment, it can be provided to him in the nearest MH or can be referred to an empanelled civil hospital of the patient's choice. ECHS treatment philosophy is out patient treatment by polyclinics and in-patient treatment by MH (Subject to availability) and from empanelled hospitals in the station.

ORGANISATION

3. ECHS scheme is a tri service organisation with its central organisation located at New Delhi and headed by Adjutant General of the Indian Army. He is assisted by the Director General Discipline, Ceremonials and Welfare and a Managing Director (Major General). In Air Force, Director of Personal Services, Air HQ (VB) under AOA coordinates. There are thirteen Regional Centres located all over the country headed by Regional Directors. Postal address of the Central Organisation and the Regional Centres are placed at **Appendix-'H'**. The scheme would cater for medicare through 227 polyclinics out of which 104 Military Polyclinics already existing along side service Hospitals and the balance 123 Non-Military polyclinics are set up in various towns in a phased manner (List placed at **Appendix-'J'**) (Authy 22(1)/01/US/(WE)/D(Res) dated 30 Dec 02). The addresses of ECHS polyclinics are also available ECHS web site ww.indianarmy.nic.in.

ELIGIBILITY

4. The following are eligible to become members of ECHS:

- (a) Ex-Servicemen (ESM) drawing pension /disability pension and their family members.
- (b) Widows drawing family pension.
- (c) Ex-servicemen drawing disability pension.

5. Family members means and include the spouse, unemployed son(s) below 25 years, unemployed and unmarried daughter(s), dependent parents whose combined income is less than Rs. 3500/- p.m. plus amount of dearness relief on the basic pension of Rs 3500/- as on the date of consideration mentally/physically challenged children (unfit to earn livelihood) can be ECHS members for life (Air HQ/24135/31/PC-5 dated 13 Oct 04) and widowed/divorcee daughter who are dependent on the ESM and their income from all the sources is less than 3500/- + Dearness Relief p.m. (no age restriction) (Authy B/49701-PR/AG/ECHS dated 24 Feb 09).

MEMBERSHIP

6. All Officers, Warrant Ranks, SNCOs, Airmen and NCs (E) retired on or after 01 Apr 2003 are compulsorily required to become members of ECHS scheme. Presently the ECHS contribution is being deducted through the PPO. All those pensioners retired prior to 01 Apr 2003 can exercise their option to become member of the scheme. All pensioners (ESM) joining the scheme will forfeit the medical allowance of Rs. 100/- p.m. presently admissible to them. Non-ECHS members will continue to get medical allowance and also treatment from existing MH/SMC as **entitled members** only, subject to availability of bed space, medicine, doctors etc. They cannot be treated at par with ESM pensioners (and their dependent) who have become ECHS members. ECHS members shall be given full range of treatment for all categories of diseases in MH and /or empanelled Hospitals.

7. One individual cannot become member of two Govt/PSU schemes (CGHS etc). He has to cancel membership of the other scheme in case opting for the ECHS. Strict action shall be initiated in case of concealment of facts.

COLLECTION OF APPLICATION FORMS

8. Application form for enrolment into ECHS is an unnumbered, self-explanatory form consisting of fourteen pages and is provided on payment of Rs. 2/- Ea at AFRO. (Specimen copy produced at Appx 'K'). These forms are also available at all Army Station HQs, all Air Force Stations, and Rajya Sainik Board Offices. The **DD is to be payable to Regional Centre (ECHS) Delhi Cantt.** with Service No., Rank, OName & DOD on the reverse of the DD.

Note: It is advisable to do one practice of filling up of ECHS form on a photocopied form, do all the corrections and then fair it on the actual form.

IMPORTANT INFORMATION ON SMART CARD

13. **Objectives of 'SMART Card Based System** The ECHS SMART card is expected to be similar to the normal credit card in looks. The SMART Card will have all the essential information on a chip inside the SMART Card. In addition basic information on the pensioner and his dependents will be printed in front of the card and behind the card. SMART CARD will basically operate at an ECHS centre (Polly Clinic/MH) with a SMART Card Compatible Computer. The objectives of SMART Card based system are: -

- (a) To ensure smooth running and security of the ECHS System so that no unauthorised person avails of medical benefits.
- (b) Positive and irrefutable identification of members using biometrics, to prevent fraud.
- (c) Inter-operability of the card at any of the Polyclinics located throughout the country, thereby facilitating members to avail medical benefits at all times irrespective of their physical location.
- (d) Assist ECHS in budget control and statistical analysis.

14. **Looks of SMART Card** Looks of SMART Card will be as follows: -

15. **Number of SMART Cards Which Can Be Issued:** At least one **SMART Card** is compulsory for all individuals. However, based on the split location of the family or the travel requirements of the individual, up to a maximum of three **ADD ON Cards** can also be demanded by each individual. **ADD-ON-CARDS** for Self and Dependent parents are not permitted. A bank **draft @ Rs 90/- per SMART Card/ ADD ON Card** is to be made out for "**Regional Centre ECHS Delhi Cantt.**" For example if an individual has demanded one 'SMART Card and three 'ADD ON CARD', then he will have to submit a draft for Rs. 90 X 4 Cards i.e. Rs. 360/-. Since a draft is valid for only for six months, therefore, all individuals are required to send their consolidated draft at Discharge date minus six months (D - 6) to ECHS section, AFRO (Pen & Wel Wing). Any change in the information,

regarding rank/family members can also be intimidated at this time. It must be remembered that any error in the SMART Card can only be corrected by making a new SMART Card. If a mistake is caused by the individual (wrong facts / spellings, not adhering to laid down instructions for filling up ECHS form etc), then the individual will have to bear the cost of this replacement SMART Card @ Rs. 90/- (Rupees ninety only) per SMART Card / Add on card. If the mistake is by the manufacturer of SMART Card, then the manufacturer will bear the cost of the replacement.

16. **Other Details Available inside the Chip of SMART Card** The following details will be available inside the SMART Card and can be retrieved with a matching computer at ECHS Centre:

- (ix) Fingerprint.

(c) **Day to Day Medical Transaction Details** At any point of time, last 50 transactions of the ECHS member will be available in the SMART Card. When the number of transactions increases beyond 50, the oldest transaction will be erased to make room for the new transaction.

(d) **Medical Data of Each Beneficiary** The following medical data will be maintained for each beneficiary in the SMART Card, so that in the even of emergency or otherwise, the data is available to the Polyclinic doctors: -

- (i) Chronic disease history.
- (ii) History of major surgery.
- (iii) Blood Group.
- (iv) Known drug allergy details.

(e) **Medical Referral Details** The beneficiaries data, whenever referred to a diagnostic centre/referral hospital/consultant specialist, will be captured in the database as well as on the SMART Card. These records will have the following information: -

- (i) Name of the doctor who referred the patient.

- (ii) Name of the Referral hospital/diagnostic centre/specialist.
- (iii) Description of tests to be done/opinion sought.
- (iv) Date on which referral is made.
- (v) Date on which the patient is attended.
- (vi) Date on which the reports/bills are received back from referral hospital.
- (vii) Amount claimed by the referral facility for services provided.
- (viii) Date on which bill is forwarded to Station Headquarters for payment.

(f) **First Time Registration & Activation of SMART Card** It is mandatory for members and dependants to report jointly, or singly, to nearest Polyclinic indicated in their Smart Card, along with SMART Card, for recording of fingerprint biometric data of the pensioner and each member of his/her family. This activity will be automatically undertaken at the concerned ECHS Polyclinic when the ECHS member or his/her dependent (s) go for treatment during their first visit after receipt of SMART Card.

(g) **Use of Polyclinic Facilities** When visiting a Polyclinic subsequently, it is mandatory for the pensioner or his / her dependant to carry the ECHS SMART Card as proof of eligibility. The Polyclinic may not accept the individual for treatment in its absence. Following sequence of action will take place at the Polyclinic: -

- (i) The operator will start the PC and log in to the system.
- (ii) Member comes to the Polyclinic Reception and hands over his SMART Card.
- (iii) If the beneficiary has come to the Polyclinic for the first time, his/her fingerprint is captured and written into the SMART Card.
- (iv) On all subsequent visits, fingerprint reader authenticates him/her.
- (v) Once authenticated, all personal information is read from the SMART Card along with his/her photograph, compared with the Polyclinic database, and is displayed on the monitor of the Receptionist.
- (vi) The Receptionist allots the doctor, puts the waiting list number and prints the medical examination slip.
- (vii) The patient meets and Polyclinic doctor with the medical examination slip and the doctor records the diagnostics and medicines.
- (viii) The patient comes back to the receptionist and the relevant details are respectively captured into the MIS and SMART Card.
- (ix) In case the patient is referred to a diagnostic centre for tests, or referred to an empanelled hospital, or to a specialist, a referral slip is generated by the receptionist and the relevant information is entered in the SMART Card, and the record is flagged for future update of financial input.
- (x) The patient goes to the Polyclinic Pharmacy store for collection of medicines and in the event of any referrals, visits the referral facility for treatment.

(h) **Action on Loss of SMART Card** : As per existing procedure, an affidavit is to be submitted in case of loss, and intimated to Regional Centre (ECHS) Delhi Cantt. or to the Regional Centre (ECHS) from where the card was issued. Consequent to reporting, a fresh SMART Card will be issued within 60 days. The issue of duplicate SMART Card would be on payment of Rs. 90/- for each card through Demand Draft in favour of the respective Regional Centre (ECHS). Safety of SMART Card(s) is paramount, as the ECHS member/dependant will be unable to use ECHS benefits till receipt of new card. On loss of second Smart Card, account of which will be kept by the system; the pensioner will cease to be a member of the Scheme (Authy : B/49711/AG/ECHS dated 10 Jan 05).

(j) **Interim Arrangements in lieu of SMART Card.** Till such time, issue of SMART Cards commences, any pensioner who has paid his contribution shall be permitted to use the Receipt provided to him by the Station Headquarters/Record office/Regional Centre where the application was deposited, as the authority for availing treatment under the ECHS, for himself/herself/authorised dependants. Orders to this effect have been passed to all Service Hospitals, and similar instructions will be passed to empanelled hospitals. However, along with the Receipt, the member shall be required to carry/produce some authentic document/identification of his/her own or dependant's identity. This is only temporary measure, and will be cancelled as soon as SMART Card issue commences.

DESPATCH OF SMART CARD

17. AFRO will collect the SMART Card/Add on card from ECHS regional centre at DELHI Cant. The same will be dispatched to the individual through Registered SDS along with a receipt slip to parent unit before DOD and to parent polyclinic after DOD. **The individual must MAIL BACK the receipt to AFRO promptly other wise AFRO will presume non receipt of card and will get the SMART Card de-activated through ECHS regional centre as a safety precaution.**

TREATMENT

18. The starting point for medical attendance will be the nearest Military/Non Military Polyclinic. All available treatment within the capabilities of the polyclinic shall be provided at the first instance. Medical and Para medical staffs are being hired/employed on contract for working at polyclinics. These polyclinics will be opened for eight hours during weekdays and shall remain closed on Sundays and Gazetted holidays. Patients requiring attention outside working hours will be handled by duty MO's of Service hospitals (in military stations) and by on call civilian doctors in non-military stations. One nursing assistant will be available in all clinics in non-military stations after working hours. Depending on the type (A, B, C, D) which has been decided on the number of ESM residing in that area, each polyclinic will have emergency bed with monitor, physiotherapy equipment, Laboratory with reagents, Digital ECG Machine, Dental chair, Ultra sound Machine, X-ray machine, Oxygen Concentrator, Nebulisor, Minor OT and BP machine etc.

19. ECHS 'A' & 'B' type of clinics will have medical officers, medical specialist, gynecologist and dentist on their establishment. Type 'C' & 'D' will not have the specialist staff. Patients will be referred to out-source Hospitals/Diagnostic Centers and specialist. List of 227 Military /Non-military Polyclinics is placed at **Appendix-'J'**. The list is as per the alphabetical order of ECHS Regional Centers. This list also indicates the State and the type of Polyclinic i.e. A, B, C etc. To avail medical treatment at any polyclinic/empanelled hospital, it is mandatory for pensioner/widows/dependents to first report to nearest polyclinic along with their ECHS membership SMART Card.

TREATMENT AT MILITARY HOSPITAL / EMPANELLED HOSPITALS

20. In case the required treatment is beyond the scope of the polyclinic, then the Medical Officer at the first stage will refer the patient to local MH (Where required facility is available). Should MH not have the desired treatment/speciality/bed space, the ECHS patient will have the choice of going to any empanelled hospital at the station. The choice of empanelled hospital will be of his and not of the doctor. In case the treatment is not available at that station the ECHS member can go to any empanelled hospital in India, however cost of transportation of going there is to be borne by the

individual. The list of all the hospitals recognized by ECHS and DGAFMS for empanelment (state wise) is appended at **Appendix-'K'**.

EMERGENCY TREATMENT

21. In case of emergency, the ECHS member can either report to the nearest service hospital or to the nearest empanelled hospital in which case the bills shall be paid by ECHS or even the patient can report to any nearest Non empanelled hospital, in which case, the ESM or his/her representative will have to pay the charges to the non empanelled hospital initially. In all the case where emergency treatment is availed and where the patient does not go through the polyclinic, it will be patient's responsibility to inform his Polyclinic/ECHS Central Organisation or Regional Centre within 48 hours of where he/she is admitted. The bills will be forwarded in original to the ECHS Central Organisation New Delhi, for reimbursement. The onus of informing the Polyclinic or ECHS regional centre and proving the medical emergency shall be that of the ESM patient.

REIMBURSEMENT OF MEDICINE/TREATMENT

22. The term "reimbursement" ceases to exist with the ECHS being put in place. No entitled ECHS membership card holder is required to pay any money for treatment/medicine at any ECHS/Polyclinic/MH or at an empanelled hospital/diagnostic centre to which he/she has been referred to by the polyclinic. All bills for treatment/medicine will be cleared directly by the ECHS organisation. The only exception is that, reimbursement will be made to an ESM for emergency treatment undertaken in a non-empanelled hospital.

FLOW CHART FOR PROCESSING OF ECHS APPLICATION FORM AT AFRO

Note: Airmen proceeding on discharge at their own request/Medical Invalidation and family pensioner (service death) are required to submit there ECHS Application Forms at Stn HQ/ECHS Regional Centre of the area of their re-settlement directly along with all requisite documents.

FREQUENTLY ASKED QUESTIONS

Q.1. I have retired after 01 Apr 2003, but my contribution for ECHS has not been deducted through the PPO. How can I become an ECHS member?

ANS AFRO has sent a letter to all its retirees after 01 Apr 2003, advising them on this matter. AFRO will take direct responsibility of ECHS membership only for those Ex-airmen/NCs (E)/ NOKs whose ECHS contribution have been deducted through their PPO (approximately wef Oct 2003). All other retirees will have to become ECHS member through their nearest Zila Sainik Board / ECHS Regional centres.

Q.2. What will happen to Medical Insurance Scheme (MIS) sponsored by AFGIS?

ANS MIS by AFGIS has been stopped wef 01 Apr 2003. One-year overlap (upto 31 Mar 2004) has been given to old MIS members so that they can become ECHS members. As we understand, AFGIS is refunding the MIS money to all such members who have not yet claimed any benefits from it. With effect from 01 Apr 2004, MIS will cease to exist.

Q.3. What is the procedure for obtaining medicines, which are not available either with the Polyclinic or with the empanelled hospital?

ANS Local purchases will be done through concerned SEMO, in military stations, and by the OIC Polyclinic/Medical Officer in non-military stations. They have been authorised certain LP powers. ECHS members are NOT required to purchase any medicines and, hence, will not be re-imbursed.

Q.4. What is the basis of location of Polyclinic and their range of treatment facilities being provided by them?

ANS ESM population of the area, as per ZSB reports, determines the type of Polyclinic, i.e. Type A, B, C or D. Each Polyclinic has different scales of manpower & equipment.

Q.5. What are the methods of Empanelment of hospitals and doctors with respect to each Polyclinic?

ANS Empanelment will be done by a Station Board of Officers, comprising of the Station Cdr/his rep, one Medical rep, a Medical Specialist and member of ECHS, and approved by Command HQs. List of empanelled Hospitals/Diagnostic Centres & Specialist Consultants will be available at each polyclinic will also be posted on ECHS website at a later date.

Q.6. How do the members intimate the change of residence, or change of status of dependents?

ANS Change may be intimated to Station HQs. However, each time the pensioner or his dependants visit a Polyclinic, the status of dependants will automatically be checked. ECHS members must provide accurate facts of status. In case it is discovered that change of status has been concealed (no matter what the reasons) the provisions of Para 9 of the Affidavit will be applied and membership of the ESM and all his dependants will be terminated without any relief. There is NO appeal in such cases.

Q.7. Can the members have the option to continue with more than one Govt/PSU Scheme?

ANS An individual cannot become a member of two Govt/PSU Schemes he/she has to cancel membership of the other scheme in case opting for the ECHS. For example, one cannot be a member of CGHS & ECHS at the same time Nor can one be a member of the ECHS and a PSU scheme at the same time. In case any concealment of facts is discovered at any stage, recourse will be taken as per provisions of Para 9 of the Affidavit.

Q.8. What is the medical coverage for those Ex-servicemen who do not join the ECHS Scheme?

ANS Existing facilities through MI Room and Service Hospitals will continue. This will be reviewed after five years.

Q.9. Why is re-imburement not allowed under ECHS yet, even though members have submitted forms and made payment of contribution.

ANS The procedures for Empanelment of hospitals/diagnostic centers/ consultants and payment to them are under consideration of the Government. There is NO payment to be made by an ECHS member under the scheme, hence, NO provision for re-imburement.

Q.10. Will all dependents of ESM be allowed Add-on SMART cards independently?

ANS Only three Add-on cards are being provided in the initial phase. However, the question of having more Add-on cards will be reviewed later, depending on demand. The cost of each Smart Card is Rs 90.00-cost of each Add-on Card is also Rs 90.00.

Q.11. Whether dentures will be authorized under ECHS?

ANS Yes. Details is issued through an ECHS Brochure by 31 Mar 2004.

CHAPTER X

IAF PLACEMENT CELL

INTRODUCTION

1. Placement Cell was established at AFRO on the occasion of 50th year of independence in the year 1997. The aim of the cell was to assist retired as well as shortly retiring PBOR to find a suitable job in corporate world. Similar cell was functioning at Air HQ for the benefit of Officers. As the **Hon'ble Raksha Mantri declared the year 2007 as the year of placement for the ex-servicemen**, on 18 Jun 07, both the placement cells were merged and IAF Placement Cell came into existence.

2. In order to reach the companies located in nook and corner of the country and to facilitate ex-Air Warriors, Regional Placement Cells have been set up at all Command HQ. Personnel residing in respective area of Commands can approach Regional Placement Cells for placement related assistance. The contact details of Regional Placement Cells are given below:-

<u>Command</u>	<u>Email ID</u>

MEASURES TAKEN TO IMPROVE EMPLOYMENT OPPORTUNITIES

3. The Placement cell has undertaken various innovative measures to improve placement opportunities, keeping pace with the changing technology and concepts. In this regard, five Placement fairs have been conducted at key locations within the country, having concentration of a large number of industry. Wide publicity has been given through leading newspapers all over the India before the commencement of all fairs. A large number of Air-warriors have been absorbed by the leading companies from all the sectors during such fairs. In order to generate more employment opportunities on a day to day basis constant liaison is made with various Govt/PSU/civil organizations all around the country and personal contacts are established with the HR Managers and Heads of major companies. Our concerted effort has made it possible to **sponsor more than 30,000 ex-Air Force personnel to various civil organizations** through old module. However, to increase the accessibility of IAFPC and provide online registration and sponsoring facility, in Jul 2008 a dedicated Website www.iafpc.co.in was launched in association with ICICI group. **Since then more than 10,000 Airwarriors have been registered on line, and for a total of 3450 vacancies more than 9300 Airwarriors have been sponsored online** to various leading companies from all the sectors. Presently a large number of our personnel are already on the pay roll of major companies like **Air India Express, ICICI, Reliance Communications, HAL, NTRCO, Intelligence Bureau, Godrej, Vatika Group, Vishal Retail Ltd, Wipro BPO, GMR Group, ICFAI, HCL Infosys, HCL Infinet and various other MNCs.**

REGISTRATION

4 **Registration can be done by individual online at www.iafpc.co.in** after receiving their discharge order and in case of already discharged; registration may be done any time. Data received through website are validated by IAF Placement Cell in respect of service No, rank, name, trade, DOB, DOE and DOD. After validation, approval is given and employee can log in on website. Simultaneously, confirmation e-mail goes to individual. Before approving, it is being ensured that the employee fulfils the following eligibility criteria.

- (a) Already retired.
- (b) DO has been issued or not, if not, then an individual can not register.
- (c) Dismissed /Court-martialled/Cashiered personnel are not to be registered.

SPONSORING

5. (a) The sponsoring activities are carried out through the website. The list of willing candidates who has applied for the posted vacancy online is taken out as per last date mentioned by the employer. Then profiles of the candidates are verified as per the QR or eligibility criteria mentioned by the employer for the post, and finally the list of eligible candidates is sponsored to the concerned employers.

(b) The following criteria are used to finalise the list of the candidates out of the total online willingness received for a particular vacancy before sending to the employer : -

- | | | | |
|-------|---------------------------|--------|----------------------------|
| (i) | Company QRs | (vii) | Recently retired personnel |
| (ii) | Qualification for the Job | (viii) | No of chances given |
| (iii) | Job Profile | (ix) | Salary range |
| (iv) | Experience | (x) | Age |
| (v) | Personnel already retired | | |
| (vi) | Location of the job | | |

Note: Though IAF Placement Cell make all efforts to facilitate a second career to Airwarriors, however, further negotiations pertaining to remuneration, contractual obligation, selection, continuation of job and any conflict between employee and employer will have nothing to do with IAF Placement Cell/RPCs.

INSTRUCTIONS

THUMB AND FINGER IMPRESSIONS AND SPECIMEN SIGNATURES

1. A small quantity of printers ink should be well rubbed on a tip slip until a very thin even layer is formed. The balls of the thumb and all the fingers of the left hand of the individual/after being wiped, should be laid on the inked slab and rolled from side to side (not rubbed) until sufficiently inked (this can be learned from experience) and then lightly and carefully rolled on the paper on which the print is to be taken in such a way that the pattern of the whole of the ball of the thumb and fingers from side to side is clearly impressed on it. It must be specially borne in mind that any side movement either at the time of applying or removing the thumb will cause a smudge and spoil the impressions.

2. The impression on page 3 is required for permanent record in the audit office that on page 6 is detached and retained by the pension disbursing office. In the case of family pensioners not with the unit the impression on the duplicate copy of IAFA-366 or A-368 will be removed therefrom and pasted on the space provided on pages 3 and 6 of this form.

3. However, the case of pensioners in respect of whom joint photographs in civil dress with the wife have been furnished and who are literate enough to sign their name in English, Hindi or any official regional language, instead of taking their thumb and finger impression as means of identifications they will be required to affix three specimen signatures on pages 3 and 6 of the Descriptive Roll.

Sub:- Payment of pension under PPO No..... through your bank branch.

Dear Sir/Madam,

I wish to receive my pension under PPO No. by getting it credited to the saving/current bank account no..... which is operated jointly in your branch by me and my spouse, Mr./Mrs..... In whose favour an authorization for family pension exists in the Pension Payment Order (PPO).

I have read and understood the contents of the Government of India, Ministry of Finance, Department of Expenditure, and Central Pension Accounting Office OM No. CPAO/Tech/Amendments/Sch Book/2005-06/69 dated 09.06.2005 which contains the following terms and conditions. Once pension has been credited to a pensioner's bank account, liability of the government / bank ceases. No further liability arises, even if the spouse wrongly draws the amount.

- (a) As pension is payable only during the life of a pensioner, his/her death shall be intimated to the bank at the earliest and in any case within one month of the demise, so that the bank does not continue crediting monthly pension to the joint account with the spouse, after the death of the pensioner. If, however, any amount has been wrongly credited to the joint account, it shall be recoverable from the joint account and / or any other account held by the pensioner / spouse either individually or jointly. The legal heirs, successors, executors etc.,
- (b) Payment of Arrears of Pensions (nomination) Rules, 1983 would continue to be applicable to the joint account with pensioner's spouse. Thus, if there is an 'accepted nomination' in accordance with Rule 5 and 6 of these Rules, arrears mentioned in the Rules will be payable to the nominee.

I accept the above terms and conditions. My spouse too, in token of having accepted those terms and conditions, has put his/her signature below.

1. Signaute of Pensioner
2. Signature of Spouse
