

○ 2015 - 2016 ○

Dear Students, Parents, Staff and Community Partners,

On behalf of Chicago Public Schools (CPS), and the Board of Education, we welcome you to the 2015-2016 School Year, which promises to be an exciting, productive time for our school communities. This calendar provides many useful tips and other information about the upcoming school year and we hope that it will be a useful resource for you.

We are honored to lead this District at a time when CPS students are raising the bar for academic excellence. Our students are improving because they have the support of their families and school communities, and because our educators have dedicated their professional lives to helping children achieve their dreams.

We have much to be proud of as a District, including a \$10 million expansion of our arts programs, more than 20,000 of our students participating in Advanced Placement courses, and our seniors earning more Gates Millennium Scholarships than any school district in the country. Our teachers and principals are eager to build on this momentum, and we are committed to supporting and empowering them at every turn.

We are grateful to our staff, our families, and our community partners for their continued support, especially Peoples Gas, which once again funded the production of this calendar. The CPS Calendar is also available at cps.edu.

Thank you for choosing CPS and for supporting this District in shaping the next generation of thinkers, innovators and entrepreneurs to lead our city.

Sincerely,

Forrest Claypool
Chief Executive Officer
Chicago Public Schools

Frank M. Clark
President
Chicago School Board

Dr. Janice K. Jackson
Chief Education Officer
Chicago Public Schools

On the cover:
Kindergartners at 2015 South Loop Elementary School graduation ceremony
celebrate their successful transition to first grade.

Charles Matthews
President, Peoples Gas
and North Shore Gas

Peoples Gas is pleased to join Chicago Public Schools in extending a warm welcome to all new and continuing CPS students, parents and faculty as we start the 2015-2016 school year. We are proud to sponsor the 2015-2016 Chicago Public Schools Calendar & Directory, an excellent resource guide to the upcoming school year for parents, students and everyone in the neighborhood. As you turn the pages, please take the time to read the monthly tips that provide important natural gas safety information.

At Peoples Gas, we are committed to supporting the communities we serve and share your passion for success. We are partners in programs that support CPS initiatives, such as *After School Matters* and *Rahm's Readers Summer Learning Challenge*. Peoples Gas is pleased to offer students opportunities to earn community service learning hours by participating in two of our largest volunteer programs, *Team H.E.A.T. (Home Energy Assistance Together)* weatherization project in the fall and *Peoples Gas Commitment to Community Day* in the spring. To learn more about how you can get involved, visit peoplesgasdelivery.com/community.

This fall, Peoples Gas is celebrating 165 years of delivering safe and reliable natural gas service to Chicago. Our employees are committed to being the people you can trust for energy you depend on. You can find more information about natural gas safety, energy efficiency and other energy-related topics at peoplesgasdelivery.com.

I encourage all students to make every effort to start each school day with the confidence and inspiration to succeed. On behalf of Peoples Gas, best wishes for a safe and successful school year!

Sincerely,

A handwritten signature in black ink that reads "Charles Matthews". The signature is written in a cursive style and is positioned above a faint, light-colored rectangular background.

◦ AUGUST 2015 ◦

Students participate in an art class at **Mahalia Jackson Elementary School** where the walls are draped with paintings created by their peers. The CPS arts department offers arts education in various forms including Dance, Drama, Music and Visual Art for students of all ages throughout the District. Learn more about arts programs at cps.edu/arts.
