

NATIONAL INSTITUTE OF INDUSTRIAL ENGINEERING
MUMBAI

SUMMER PLACEMENT REPORT

CLASS OF 2016

MESSAGE FROM DEAN

NITIE has unexceptionally churned excellence in all domains of post Graduate education ever since its inception and certainly, summer placements for the class of 2016 were in line with rich tradition of the yesteryears. As the placements for this year wrap up with a flourish, I am overjoyed with the overwhelming reception for the students of NITIE by the industry and also with inclusion of several new recruiters in the fold this year.

As an institute, NITIE has never compromised on its mission of knowledge led productivity growth and the same has been upheld by the vast trust shown by recruiters in this season of placements. The unwavering spirit and continued endeavour of being a symbol of excellence has been the consistent reason for the institute being ranked among the elite business schools of the country.

On behalf of the entire NITIE community, I would like to show my gratitude to the recruitment partners for their participation and continued trust shown in our faculty and future leaders of the country.

**Prof. Ashok K. Pundir
Dean, Student Affairs &
Placement,
NITIE Mumbai**

MESSAGE FROM PROFESSOR - IN - CHARGE

As professor-in-charge of placements in NITIE, it gives me immense pleasure as yet another successful season of summer placements in NITIE for the class of 2016, comes to a close.

The summer placements for the class of 2016 was remarkable as NITIE saw a diverse mix of companies spread across various domains and functions, offering niche roles to the students. Yet again, NITIE remained the choice of recruiters for roles in Supply Chain and Operations. However, other domains of management, like Finance or Marketing also made their presence felt in the placement process.

This success couldn't have been achieved without the stellar performance of the class of 2016 batch who lived up to the high standards of NITIE. I would also like to express my gratitude to our Hon'ble Director and Dean, Student Affairs and Placements for their unwavering support. I sincerely thank all the new and past recruiters who showed their faith in the students of NITIE. Finally, I would like to appreciate the Student Placement Committee and entire staff of the Placement Office who strived hard to achieve this feat.

Prof. Vivek Khanzode
Professor In-charge,
Placements,
NITIE Mumbai

HIGHLIGHTS

National Institute of Industrial Engineering (NITIE) witnessed a stellar turnout during the summer placement process for the batch of 2016.

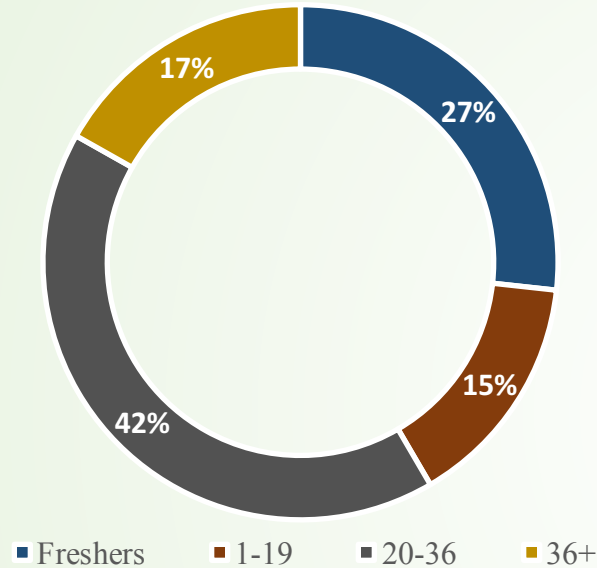

A wide spectrum of 125 companies belonging to different sectors ranging from FMCG, Manufacturing to Finance, E-Commerce and Consulting participated in the process.

Giants of the industry like Amazon, HUL, Deloitte, P&G, ITC placed their trust in the quality and calibre of students from NITIE.

*Stipend figures mentioned are for the entire period of internship

PROFILE – CLASS OF 2016

Work Experience

The students of Class of 2016 were a perfect blend of fresh graduates and experienced professionals. Students came from diverse engineering backgrounds belonging to prestigious institutes like IITs, NITs, BITS Pilani, NSIT

Students of Class of 2016 had prior work experience across various industrial sectors. IT and SCM/Operations were the dominant sectors but other sectors also had a fair share.
