The ICAI Cloud Campus provides education for the CA Course at the doorsteps of students and at the same time provides One-Stop-Window to all their administrative, examination, enrolment and other requirements. The ICAI Cloud Campus has been designed as an education system to be pursued along with their Practical/ Articled Training. The Students can learn anytime and from anywhere (at the click of a button) using Video Lectures, e-Lectures, Audio Lectures, and Online Mentoring. Students are advised to consider whether it is worthwhile spending huge sums of money, efforts and travel time, when a completedistance education package is available FREE of Cost, that enables them to learn at their own pace, at their doorsteps along with their Article / Practical Training. The Cloud Campus also integrates / links six portals for easy access - (a) e-Learning LMS, (b) BoS Knowledge Portal, (c) Webcasts, (d) Online Registration Portal for GMCS / OP / ITT, (e) Examination Portal and (f) Articleship Placement Portal.

e-Learning DVDs Available for CPT, IIPC & Final Courses

The e-Learning DVDs enable students to learn at their convenience without the need for Internet, downloads, waiting and costs thereto.

Board of Studies
The Institute of
Chartered Accountants of India
Set up by an Act of Parliament

About the Institute of Chartered Accountants of India

The Institute of Chartered Accountants of India (ICAI) is a statutory body established on 1st July, 1949 by an Act of Parliament, viz., The Chartered Accountants Act, 1949, for regulating the profession of Chartered Accountancy in the country. The Institute functions under the administrative control of the Ministry of Corporate Affairs, Government of India and has 5 Regional Councils, 148 Branches covering the length and breadth of the country and 26 Chapters abroad. Founded 66 years ago with just seventeen hundred members, the Institute has grown to cross the mark of 2,35,000 members and more than 8,59,225 active students. It is the premier accounting body in the country and the second largest in the world.

The ICAI is managed by a Council consisting of 40 members out of whom 32 members are elected by Chartered Accountants and 8 members nominated by the Central Government. The Board of Studies is responsible for administering the CA education and training and also all activities relating to the CA students.

Chartered Accountancy as a Profession

Chartered Accountancy - A Challenging Profession, offers practice or job opportunities in the areas of accounting, auditing, corporate finance and other business laws, taxation and corporate governance. The multi-faceted knowledge a Chartered Accountant enjoys through unique academic programme blended with practical training is what the business and industry need in the advent of globalization of Indian economy. A globally acclaimed profession capable of offering new vistas to young talents, a vision to build a career and a new idea to blossom - invites you to join the CA course and be a proud member of the glorious profession.

Career Opportunities for Chartered Accountants

Independent Professional Practice

As practitioners of public accounting & auditing, CAs may start professional practice as a proprietor or join any existing firm as a partner or staff member. A CA provides compliance and review services and expert advice in Direct and Indirect Taxations. He also acts as a business advisor by providing all kinds of services including the preparation of financial reports, restructuring of finance options, preparing financial projections, etc.

Management Consultancy Services

CAs play a vital role in assisting business and industry to improve the use of their resources. The range of management advisory services rendered by CAs reflect their expertise in diverse areas like financial management, strategic management, planning, financial policy determination, etc. As direct & indirect tax planners, advisors, CAs help business and individuals in tax planning and tax compliance and represent their clients before government agencies.

Opt for Industry/Government Organisation

A CA may prefer to join an industry or government department and ultimately hold responsible positions. Many Chartered Accountants hold responsible positions in business or industrial firms such as CEOs, CFOs, COOs, Managing Directors, etc.

Opportunities in Global Arena

Today, Indian Chartered Accountants have an impressive presence throughout the globe holding eminent positions. Many MNCs as well as KPOs prefer Indian CAs for their expertise in IFRS, International taxation, International Trade Laws and Accounting in IT environment.

Recognition of CA Qualification

- + For pursuing PhD programme by 98 Indian Universities plus six Indian Institutes of Management and IIT Madras.
- + For appearing in Civil Services Examinations conducted by UPSC.
- + Special weightage by IIM, Bangalore for admission for PGDM.

MOUs and MRAs

- + Entered into MOU with IGNOU for pursuing Under Graduate and Post Graduate courses.
- + Entered into MRAs with leading International Accounting bodies co-recognizing the courses of one another.

To Qualify as a Chartered Accountant

1. CPT Route

- + Enrol with the Institute for Common Proficiency Course (CPC) after passing class 10th examination.
- + After completion of specified period (60 days) from the date of registration for CPC with the Board of Studies and after appearing in 10+2 examination, appear and pass in CPT.
- + Enrol for Group I or Group II or for both Groups of Intermediate (IPC) Course.
- + Complete Orientation Course of one week spanning 35 hours, necessarily before joining the Practical Training.
- + Complete 100 hours Information Technology Training (ITT) necessarily before joining the Practical Training.
- + Appear in Intermediate (IPC) Examination on completion of 8 months of study course as on first day of the month in which the examination is to be held
- + Join Practical Training after passing either Group I or both groups of Intermediate (IPC) Course.
- + Complete General Management and Communication Skills (GMCS-I) course (15 days) during the first year of practical training.
- + Complete General Management and Communication Skills (GMCS-II) course (15 days) during 19 to 36 months of practical training but before completion of practical training.
- + Clear Group II of Intermediate (IPC) Examination if not done earlier.
- + Register for CA Final Course and prepare for CA Final Examination.
- + Complete Advance Information Technology Training during the third year of practical training but before appearing in the Final Examination.
- + Complete Practical Training of three years.
- + Appear in the Final examination on completion of the practical training or while serving last six months of practical training on or before the last day of the month preceding the month in which the examination is to be held.
- + Pass Final examination.
- + Enrol as a member of the ICAI and be designated as "Chartered Accountant".

Students who want to pursue the Accounting Technician Course (ATC) have to enroll for Group I of Inter (IPC) Course. After successfully completing 35 hours Orientation Course, 100 Hours ITT and eight months of Study Course, he/she can appear for ATE. After passing ATE, he/she needs to undergo one year of work experience under a CA to get the certificate of Accounting Technician.

 - + Enrol with the Institute for Intermediate (Integrated Professional Competence) Course either for Both Groups or Group I.
 - + See bullet point 4 onwards of 1 above (CPT route) for rest of the scheme.

"Over the years ICAI and its members have made a name for themselves in the development of discipline as well standards of accounting. One of the national challenge is: How do we get maximum economic benefit for the given investment? I believe this is your core competence. The CAs have an integrated experience of auditing, financial advice, financial management and providing leadership to certain industries and establishment."

Spoken by Dr. A.P.J. Abdul Kalam, Past President of India, 2005 at the inauguration of ICAI's "International Conference on Accounting Profession: Adding Value to New Horizons of Economic Growth", at New Delhi on 1st Sep '05.
