

## STATE BANK OF BIKANER & JAIPUR

SBBJ has brought a new hassle free solution for investment in IPO called e-Invest. Under the instructions of SEBI, Bank has introduced this supplementary process for applying in public issues. ASBA facility can be used for Initial and Follow-on Public Offers(IPO and FPO), Right Issues, and debt Issues. Under ASBA, funds will continue to earn interest during the application processing period, if held in an interest bearing account. Bank will mark a lien on the deposit account of the investor to the extent of the application money. The Lien will be removed immediately after finalization of the basis of allotment. If bid is successful, the Deposit account will be debited and the allotted shares will be transferred to the applicant's Demat account.

An Investor can apply through ASBA, provided he/she:

- is from any of the approved category eligible to apply in IPO as per SEBI guidelines.
- maintain a Savings Bank or Current Account with SBBJ.
- has Demat account with any of the DPs along with Permanent Account Number (PAN).
- has sufficient clear credit balance in his/her Savings Bank or Current account for application money. ASBA facility is not available on any type of overdraft or loan accounts.

### **Important Points**
