- (xxvii) Without prejudice to the above aims and objectives and for effectively carrying out the same, the society / association shall also have the powers to frame rules and regulations under the constitution.

## J.N. Kapoor DAV Centenary Dental College, Yamuna Nagar

The Dayanand Anglo Vedic society made a tryst with destiny 117 years ago for the spread of education in India. Since then it has opened schools, colleges and technical institutions in all parts of India, from the metros to the remotest corners of the country.

The D.A.V. Trust entered the field of medical education and health care in 1986 when it established Maharishi Dayanand Maternity and General Hospital and the J.N. KAPOOR D.A.V. (C) Dental College at Yamuna Nagar in 1987. This historic decision gave a new direction to the D.A.V. fraternity and the D.A.V. movement has now achieved new heights in the field of medical education and health delivery.

The college had a good start with its first batch of 40 students admitted in the session 1987-88 in the B.D.S. Course and all the students passed out with flying colors in December, 1992 after completion of one year rotating internship. The College is presently affiliated to Pt B D Sharma University of Health Sciences, Rohtak, and is recognized by the Dental Council of India.

The college gained its strength and started MDS course with 18 seats per year, 3 seats each in the speciality of Oral and Maxillofacial Surgery, Prosthodontics including Crown and Bridge and Implantology, Conservative Dentistry and Endodontics, in 1998 and 3 seats each in the speciality of Orthodontics, Periodontics, Pedodontics & Preventive Dentistry in 2000 and till today all Students who have passed out are well settled and are working in different capacities in dental colleges throughout India.

DAV Dental College has an excellent Library and is well equipped with books and journals pertaining to all the specialties of Dentistry and other allied medical and general subjects. The library has been carefully planned to have more space and natural lighting for the comfort of the users. The library is fully air-conditioned and is well equipped with modern facilities and resources in the form of e library, online databases, video cassettes, Facilities such as photocopying, fax, access to internet resources, online journals.

The college has its own 100 bedded multispeciality hospital inside the campus and being situated in the heart of the city there are always enough patient's for teaching purposes.

Adequate hostel accommodation for both boys and girls is available inside the campus.

Much is happening in the campus both from the infrastructure and academic point of view and in a very short period of time the college has grown in leaps and bounds gaining recognition nationally as well as internationally. Academically the college has been bagging the top positions in the university since its inception thanks to the efforts of the fulltime dedicated faculty.

This process of gradual evolution that the DAV brings about is not just limited to students, but to all those associated with it, be they teachers, administrators, staff or parents.

DAV Dental College today is more than just an institution or an organization. Here students are instilled not only with excellent education, training on patients but also on the core values to help them become good individual's and pay their debt to the nation and humanity

## Sri Govind Tricentenary Dental College, Hospital and Research Institute. Budhera, Gurgaon.

Administrative and Academic Block

The foundation of Shree Govind Tricentenary Dental College was laid in August 2000, with the avowed objective of following and spreading the message of Sri Guru Gobind Singh, according to whom the highest service to mankind is through spread of knowledge and skills. The management of the college, therefore, aims to achieve academic excellence and provide health care facilities to all through this institution. The first academic session of the college commenced from 2002-03.

The college has been recognized by the Union Ministry of Health & Family Welfare. Permission to start the MDS courses has been given by the Union Ministry of Health & family Welfare from the academic session 2008-09. Presently, the college is affiliated to Pt. B.D. Sharma University of Health Sciences, Rohtak, with an intake capacity of 100 students per annum for the BDS I year course and 22 students for the MDS 1st year course in nine specialties. The college is located in a sprawling campus of more than 12 acres with lush green pastures. The environment in the campus is conducive to development and excellence in the sphere of academics, sports, cultural and extra curricular activities. To complement the serene atmosphere and ambience, the management has established necessary infrastructure at par with institutions of repute.

The college engages services of eminent professors in the field of dentistry to impart quality education and technical skills to students. Each and every department is having its own individual audio-visual seminar room and latest equipments required. The clinical material (patients) is abundantly made available by the management through their innovative free transport service which gives students an opportunity to put their skills into practice.

Class in Progress

The lecture halls, examination hall and auditorium are not only put to regular use but also for organizing seminars, symposiums, guest-lectures, etc. by prominent personalities in the field of dentistry. The college is also having an academic affiliation with the School of Dentistry, University of Detroit Mercy, Michigan, U.S.A., to avail their services in the form of seminars and guest lectures in the college. The students of the college have the option of an exchange program for a limited period with the said university at a reasonable cost.

Sri Gobind Tricentenary Dental College, Hospital & Research Institute proudly announces its preparedness to catapult students into first rate professionals.

The college has a plethora of doctors, dental surgeons and auxiliary staff who are highly competent in their field of work and well-versed in the latest clinical skills. Continuing dental health programmes are regularly held for education & motivation of the rural people pertaining to dental problems and complete oral health care. The students of this college have topped in the university examinations and got medals in different subjects. They have won awards and trophies in inter college sports and competitions. The institution has won laurels in all fields and stood second to none. As a result, the college has been acclaimed as one of the pioneer dental institutions in the northern India.

The hospital in the college has an OPD which caters to the needs of 200-250 patients every day. There is an indoor convalescing facility consisting of 300 beds & 2 operation theatres wherein minor and major surgeries, Cancer treatment & Gynaecological operations are performed. To have maximum reach amongst the patients in the rural area, the hospital is running 6 buses giving free service to bring patients from 50 villages. The hospital is not only catering to the day to day medical needs of this remote rural area, which is not adequately covered by medical facilities, but also providing preventive health counseling by conducting regular free medical camps. Under Social & Preventive medicine, the hospital is distributing free medicines in 50 neighbouring villages. Apart from this, the college has got a Physiotherapy Clinic, Rehabilitation Centre Workshop, ICU & an ambulance for any emergency. The hospital provides 24 hrs. emergency care.

All in all, the institution provides friendly practical medical environment for students.

Broadband Connectivity

### Department of Oral Medicine & Radiology

H.O.D.: Dr. Vishal Dang

It is a diagnostic department with latest facilities viz. Intra Oral X-Ray Machines, Intra Oral Camera and a full body X-Ray unit. X-Ray rooms are well protected and manned by a team of trained radiographers.

### Department of Periodontics

H.O.D.: Dr. Sharn Pal Sandhu

The department diagnoses and treats all types of gum diseases. The treatment starts from routine oral prophylaxis (scaling) to advanced surgeries such as flat surgery, bone grafting etc. Oral prophylaxis is routinely done with Ultrasonic scalars.

### Department of Orthodontics & Dentofacial Orthopedics

H.O.D.: Dr. M.S. Sidhu

The department deals with the correction of irregular protruded (malaligned) teeth. The diagnostic criteria involve taking study models, cephalograms, OPG and photographs and these records are meticulously maintained. The correction of malaligned teeth and jaws is done using various types of advanced orthodontic systems such as Straight Wire Appliance and Myofunctional Appliances.

### Department of Oral & Maxillofacial Surgery

H.O.D.: Dr. Sunil Yadav

The department is well established to undertake routine extractions, minor surgeries within OPD. The department also undertakes major surgeries such as fracture of jaws, removal of cysts & tumours of the jaws under General Anaesthesia. The post operative care is done in the wards adjacent to the OT Complex.

### Department of Prosthodontics

H.O.D.: Dr. Harish Yadav

The department undertakes rehabilitation of the edentulous patients i.e. patients with missing teeth either complete or partial. The department has state of the art Induction Casting Furnace and a Ceramic Lab. Hence, fixed prosthesis (crown & bridge) work is being done at extremely low charges.

### Department of Conservative Dentistry

H.O.D.: Dr. Suman Yadav

This is a restorative department which deals with restoring all types of carious & damaged teeth. The restorations are not only done with Silver Amalgam but also with new age materials such as light cure Composites, Glass Inomers, etc. The procedures such as Root Canal Treatment are being routinely done.

### Department of Pedodontics

H.O.D.: Dr. Kalpana Bansal

This is a child friendly department which has an ambience to relax a child. It deals with all diseases of teeth in children. The pedodontic faculty ensures lot of comfort to the children.

Students in Library

Clinical Practice

### Department of Oral Pathology & Microbiology, Dental Anatomy

H.O.D.: Dr. Deepak Bhargava

This is an extremely important non clinical department which takes care of two subjects viz. Dental Anatomy & Histology and Oral Pathology. The students are taught about various diseases of teeth, jaws and related structures. The department is well equipped to process biopsy samples from other departments and give pathological diagnosis. It has a well equipped laboratory to handle 50 students with individual microscopes. The department has large number of specimens, slides & charts for the students.

### Department of Community Dentistry

H.O.D.: Dr. Haridevaraya C. Vettikonda

It has a dedicated faculty which holds regular camps in the villages and schools to spread awareness about dental hygiene, dental diseases and their prevention. It has tied up with Civil Hospital, Gurgaon and holds regular camps. The college has adopted 50 villages where medical and dental teams regularly visit to examine patients and refer them to College for further treatment.

### Department of Oral Implantology

This department is a new branch of dentistry, jointly managed by the Departments of Prosthodontics, Periodontics and Oral Surgery. S.G.T. Dental college is the first one to establish this relatively new branch to organize latest technology at no extra cost. As the name suggests the department literally implants lost or broken teeth.

### Departments of Medical Sciences

All the departments of medicine required to be taught in the BDS course are well equipped with adequate labs, museums and other paraphernalia. The faculty of medical sciences is also of high caliber and credited with abundant publications of their own in their respective field.

Operation under progress in the Campus Hospital

<b>Security</b>	Private security guards for 24x7 security.

## SUDHA RUSTAGI COLLEGE OF DENTAL SCIENCES AND RESEARCH, FARIDABAD

Sudha Rustagi College of Dental Sciences and Research, has been established under the aegis of Lala Bhagwan Dass Educational Trust (Regd.), a Charitable Trust registered under the Societies Registration Act, 1860, by Shri Dharamvir Gupta, its Founder President, to perpetuate the memory of his illustrious grandfather Lala Bhagwan Dass- a renowned social worker of his time, who propelled his children into the freedom struggle and social work for the benefit of society. The college owes its name Sudha Rustagi College of Dental Sciences and Research to Sudha Rustagi (sister of Shri Dharamvir Gupta), a beaming teenager, prematurely snatched away by the cruel hand of fate, who lives in the hearts of the family

and the college.

Shri Dharamvir Gupta- a known educationist carries with him vast and rich experience of managing educational institutions in engineering, medical, dental and allied fields. A co-trustee of Lala Nemi Chand Educational Trust (Regd.), established in the name of his father, a renowned freedom fighter who had suffered inhuman torture and solitary confinement in the condemned cells of the British jails; the Trust has a deep commitment to education which, it believes, is the key to social upliftment and empowerment. The trust runs N.C. College of Engineering, Panipat, which has earned reputation as one of the best engineering colleges in the country. After the dawn of freedom, Lalaji launched himself into social work in true Gandhian spirit and was responsible for setting up a number of educational institutions. It is with this objective and in continuum of the lofty ideals of his father that the trust later established a number of quality educational institutions as a tribute to Lalaji by the heirs of his legacy. The engineering college of the Trust with world-class infrastructure on a plot admeasuring 30 acres at Israna near Panipat has produced thousands of Engineering graduates, who have secured lucrative jobs both at home and abroad through campus placements

### Vision :

To impart quality education to all our students, so that they can excel in life and serve the country.

### Courses offered

1. Bachelor of Dental Surgery (BDS)- 5 years course - 100 seats
2. Master in Dental Surgery (MDS)- 3 years course

Regulatory Approvals:

### BDS Course

1. Recognized by Ministry of Health & Family Welfare, Govt. of India and Dental Council of India.
2. Affiliated to Pt. B.D. Sharma University of Health Sciences, Rohtak.

### MDS Course

1. Approved by Ministry of Health & Family Welfare, Govt. of India and Dental Council of India.
2. Affiliated to Pt. B.D. Sharma University of Health Sciences, Rohtak.

## Facilities

### Campus

Located in a pollution-free, serene, stimulating, and natural environment - away from the hustle and bustle of the city, just 10 kms. away from Delhi in New Faridabad (forming part of National Capital Region - Delhi), Sudha Rustagi College of Dental Sciences and Research offers an ideal atmosphere for learning, research and scholastic pursuits. As against the Dental Council's requirement of 5 acres of land, the college has a sprawling plot admeasuring more than 10 acres housing the academic, clinical and administrative blocks; hostels for boys and girls, faculty/staff accommodation; playgrounds, canteen, laundry and other facilities. All these provide a homely atmosphere away from home to students and academia and foster a community life within the campus. As in academics, the institute lays equal emphasis on imbuing in its students high regard for moral and ethical values. It provides the best education possible to enable the students get the most from all aspects of life at the institute. It believes that there is a symbiotic relationship that exists between the institute and its students, as they have come together for the fulfillment of a common objective. The students are expected to realize this and respect the responsibilities inherent in this partnership.

### Dental OPD, clinical and non-clinical laboratories

There are separate dental clinics & laboratories for each specialty. Each clinic is equipped with the latest state-of-the-art instruments and equipment, teaching tools and paraphernalia, beyond the curricular requirements. Many of the instruments and equipments are imported and of reputed international make. These keep the students abreast with the latest technological innovations and advancements in the application of technology to medical practice throughout the world. At the same time, adequate safety measures are taken in setting up these laboratories to prevent accidents and radiation hazards etc. All these equipments are subjected to preventive maintenance and calibrated regularly to ensure proper working for accurate results.

### Library

The library has been set up for meeting the information requirements of the academic community of the college for collection, organization and dissemination of information. With its rich collection of more than 4100 books and continuous additions, the library has built up a huge collection on all branches of dental and medical sciences. At the same time, books of general interest in various subjects are not neglected either. The library also subscribes to a large number of national and international journals and periodicals. The college has also set up a user-friendly library management system facilitating access to bibliographic record of books, journals and thesis in the library.

### Digital library

The digital library of the college has a huge reservoir of information converted into the digital format that can be accessed by the students and faculty through internet. The information updated on a regular basis incorporates the latest developments in the medical, dental and healthcare arena thereby keeping its users abreast with the latest advancements across the globe. The digital library also helps in reprographics and creation of bibliographies for further study and research. The information on this portal is systematically classified subject-wise facilitating easy referral. This feature makes our information resource access facility a unique system. The users also have the liberty to access other medical journals and periodicals available in the digital format.

### Hostel facilities

Separate hostel accommodation is available for boys and girls. A home away from home- the hostels make the students' stay comfortable within the campus. Each hostel is manned by separate wardens available round-the-clock. Admission to hostel is open to full-time regular students admitted to a regular course of study in the college. Accommodation in the hostel is limited to the duration of the course to which the student is admitted. No one is eligible for accommodation in the hostel for taking supplementary examinations.

Application forms for admission to college hostels are made available to the students seeking hostel accommodation at the time of their admission to the college.

### 100 Bedded Multispeciality Hospital

Shanti Devi Memorial Hospital A 100 bedded multispeciality hospital is in the campus. It has got state of the art infrastructure, latest equipments and all the modern facilities. The Hospital has a Medical, Surgical, Gynaecology, Orthopedic, Eye, ENT, Pediatrics & Radiology Department alongwith a well equipped Physiotherapy department. These facilities are under the care of highly qualified fulltime specialists. There are two well equipped major OTs in addition to one gynae OT. We have a fully equipped ICU. 24 hours emergency services with ambulance services is available. The medical facilities been provided by the Hospital is a boon to the residents of New Faridabad and 85 villages around us.

Something to smile about

The college has state-of-the-art infrastructure that include:

- Custom-designed buildings, dental OPD of various specialties, laboratories, and class rooms.
- Modern instruments and equipment in all clinics and laboratories; latest radiological / pathological diagnostics instruments; surgical tools and tackles.
- Well-maintained library, having a rich collection of curricular / referral books, national / international journals and periodicals.

- An air-conditioned digital library.
- Free access to computer terminals with internet connectivity.
- Latest teaching tools and methodologies of course delivery, supported by multi-media aids.
- Has its own 100-bedded multi-Specialty hospital, in the campus itself.
- Two fully equipped and Air-Conditioned Mobile Dental Ambulance.
- On-campus canteen / mess and laundry facilities.
- Separate hostels for boys & girls.
- Accomodation for faculty staff members.
- College transport for day scholars from Faridabad area.
- Un-interrupted power supply with own back up generation.
- Separate academic, administrative and clinical blocks.
- Well guarded round the clock security.
- Well-maintained library, having a rich collection of curricular / referral books, National / international journals and periodicals.

**PRINCIPAL**

Dr. Niraj Rampal VSM, BDS, MDS, FICD, FADI has 40 yrs of experience in dentistry. He carried out number of research projects under Armed Forces Medical Research Committee (AFMRC-ICMR). He has presented large number of papers at various conferences at national & international level. Dr. Rampal represented India & Srilanka in "International College of dentists" meet held on 10th October 1994 at Vancouver Canada. Dr Rampal did extensive training on cast partial dentures & bridge work in year 2000 at Bremen, Germany. Dr Rampal's professional services were recognized by president of India by awarding Vishisht Seva medal on 26 January 1988.

**FACULTY**

The eminent faculty is headed by Principal Dr. Niraj Rampal professor & head dept. of Prosthodontics. The details of faculty is as below :-

Professors	Associate Professors / Readers
Dr. Niraj Rampal, Principal , MDS	Dr. Vineeta Gupta, MDS
Dr. Indu Shekhar MDS	Dr. Sangeeta Dhir, MDS
Dr. Madhumani Kumra, MDS	Dr. Deepak Rai, MDS
Dr. Sudesh Kataria, MDS	Dr. Avinash. J., MDS
Dr. C.S. Baiju, MDS	Dr. Meenu, MDS
Dr. C M Marya, MDS	Dr. Amit Gupta, MDS
Dr. Gurkeerat Singh, MDS	Dr. Bhanu Madan, MDS
Dr. Ashish Gupta, MDS	Dr. Rahul Sood, MDS
Dr. Yulia Mathias. MDS	Dr. Himanshu Khashu, MDS
Dr. Salil Pawah, MDS	Dr. Bhavna Gupta Saraf, MDS
Dr. A.K. Kela, MD	Dr.Parashant Gupta, MDS
Dr. Rajib Kumar, M.Ch.	Dr. Ashima Garg, MDS
Dr. P.K. Jain, Ph.D.	Dr. Rakesh Verma, MDS
Dr. Manish K. Wadhwa, MD	Dr. Arpana Arora, MDS
Dr. Arvind Minz, MD	Dr. Vishal Juneja, BDS

**DENTAL DEPARTMENTS:**

The dedicated Professional & Para medical staff at Sudha Rustagi College of Dental Sciences and Research work as a team in providing the best dental care to the patients. The speciality services provide at Dental hospital caters to all different individual needs of dental health care. Each department is equipped with modern diagnostic & treatment facilities such as programmable electrical dental chairs, RVG units, & intraoral cameras along with other department specific equipments.

The following departments are set up in Sudha Rustagi College of Dental Sciences and Research which carry out highly specialize clinical work.

1. Prosthodontics including Crown Bridge & implantology
2. Department of Orthodontics
3. Department of Conservative & Endodontics
4. Department of Periodontics
5. Department of Pedodontics & Preventive Dentistry
6. Department of Oral & Maxillofacial Surgery
7. Department of Oral Pathology
8. Department of Community dentistry
9. Department of Oral medicine & radiology

**Academics**

Our students have always performed excellently in academics. They have brought laurels to the college by being amongst the Ten top performers in the University examinations.

**Conclusion**

Sudha Rustagi College of Dental Sciences and Research is certainly an excellent option for a successful Dental career.

## JAN NAYAK CH. DEVI LAL DENTAL COLLEGE, SIRSA

The Jan Nayak Ch. Devi Lal Dental College is fast developing to be a premier institute of Dental Sciences in the Country. The infrastructure of College is being developed to meet the requirements of modern dentistry and the dental surgeons produced by the College would prove to be excellent professionals in coming times. The College has been granted approval by the Dental Council of India, New Delhi and Ministry of Health & Family Welfare, Govt. of India and

academic affiliation of the BDS course (from the session i.e. 2008-09 the BDS course is of five years duration) to Pt. B.D. Sharma University of Health Sciences, Rohtak. The College is inspected by Dental Council of India and the affiliating University every year for ascertaining the requirements and standards being maintained by the college for the forthcoming classes. The development activities and policy decisions are taken care of by a Governing Body specially constituted for the purpose as per guidelines required by the Pt. B.D. Sharma University of Health Sciences, Rohtak. The Governing Body is headed by the Chairman Shri Ajay Singh Chautala, M.P. and it has eleven members including renowned academicians, acclaimed professionals, industrialists and social workers.

### Facilities

#### Library

The central library of JCD Dental College is housed in the centre of Dental College building on the ground floor with total space of 8500 sq. ft. and seating capacity of 400 persons. The library complex is quite spacious, well-ventilated and with plenty of natural light. Separate room for the librarian and a personal property counter is located on either side of the entrance to the library. The library has convenient issue and returns counters with computer facility. A separate journal section is available on one side of the library with attached staff reading room. Facilities of volume binding and photocopying are available within the library.

In reading area a separate enclosure is available for newspaper reading. A nicely built Carroll for the faculty members including six cabins is available for the use of senior faculty. Total no. of 4530 text books and 45 journals (National and International) are available in the library for the use of students and the faculty, good number of magazines and newspapers have been subscribed to for the benefit of the students and the staff members, 370 CD titles on various dental topics are also available in the library.

Complete computerization of library is being done, keeping in mind the online use of library in future. A separate section of internet library with 20 Desktop Computers and LAN Server is also available within the library complex with the facility of high speed Broadband connection.

A special video conferencing studio with 3 point video conferencing facility is also being developed for teleconferencing with other Dental / Medical teaching institutions of India and abroad.

#### Faculty

Highly qualified and learned teaching faculty has been engaged to teach and train the BDS students. The College has 13 Professors, 16 Readers, 21 Lecturers (Medical), and 41 Lecturers (Dental). The faculty is involved in teaching of students and treatment of patients with all latest facilities.

### Building

The 2nd floor of the college houses non-clinical medical teaching departments and laboratories, whereas the 1st floor is meant for Clinical Dental Department. The ground floor has been allocated for general OPD's, Administrative, Block and Clinical Departments etc. All the departments have ample space and provision for future expansion including provision for postgraduate (MDS) courses and other courses which would start in the college in next 3 to 4 years. A large examination hall with 500 seating capacity is also available on the 2nd floor. The college has four large Lecture Theaters and four Demonstration Halls with latest audio-visual facility. Ultra modern auditorium with latest audio-visual facilities is getting ready within the Dental College complex with 500 seating capacity. A separate well furnished cafeteria is available within the college campus which remains open throughout day and night for the convenience of the students and the staff.

### Hospital services

The OPD services for routine and specialized dental treatments are available in a well equipped and modern Dental Hospital consisting of clinical departments where the specialists from all the branches of dentistry are available for attending the patients in the morning and evening sessions on all working days. The college has following clinical departments and non-clinical departments including laboratories:

- 1) Department of Oral Diagnosis and Radiology
- 2) Department of Oral Pathology and Microbiology
- 3) Department of Prosthodontics, Crown & Bridge
- 4) Department of Oral & Maxillofacial Surgery
- 5) Department of Pedodontics
- 6) Department of Orthodontics
- 7) Department of Conservative Dentistry
- 8) Department of Periodontics
- 9) Department of Community & Preventive Dentistry
- 10) Department of Dental Implantology

Keeping with the fine tradition that fosters professional education, institute has distinguished and experienced faculty. Each member of the faculty has extensive academic experience ensuring that education imparted to the students is of the highest professional standard.

At the institute there are following departments, all of which are efficiently planned, organized independent units.

### Department of Oral Medicine & Radiology

A vital department of institute, this is where patients first come for diagnosis and are subsequently suggested treatment. Apart from having extremely qualified faculty, the department has acquired sophisticated equipments. A separate radiology section has been developed which has advanced Imaging System, Radiovisiography (RVG), Full body X-Ray, IOPA X-Ray, Cephalostat & Orthopantomography for study and diagnosis of disease of teeth and the surrounding bones.

### Department of Oral Pathology & Microbiology

A training and research oriented department with several top notch professionals imparting quality training to students, includes a modern histopathology laboratory equipped with an array of latest diagnostic microscopes, a microbiology section, a pathology museum, sophisticated audio-visual aids, slide transparencies, research microscopes and CCTV, which amplify the quality training imparted to the students.

### Department of Prosthodontics Crown & Bridge

This department is taking care of the patients for replacement of teeth which are congenitally absent or have been lost due to disease, ageing, accidents, etc. This department is run by highly efficient and trained faculty. The department also has an ultramodern and advanced ceramic laboratory.

### Department of Oral & Maxillofacial Surgery

This department is specialized in surgical treatment for acquired, congenital, traumatic and developmental diseases of teeth, jaws and facial areas. A highly trained team of professionals conduct advanced surgical procedures with highly sophisticated, computerized surgical equipments. To serve patients and to train students, an ultramodern operation theatre with latest surgical and life supplementing gadgets has been set up along with separate male and female wards for indoor patients. The department is also attached to the hospital and medical research centre.

### Department of Pedodontics

The department has taken on the challenge of fulfilling the task of ensuring good dental hygiene and care among children. The aim here is to prevent dental caries, gingivitis, and periodontal diseases etc.

A novel recreation room, where children are oriented to brushing techniques and taught the dental hygiene by innovative educational toys & tools.

### Department of Orthodontics

This department is dealing with the treatment of irregularly placed teeth and destructive oral habits. The main objective of this department is to diagnose, prevent and intercept developing mal-occlusions. This department also provides students with an extensive range of research and training facilities. All this is backed by a dedicated teaching staff and qualified professionals.

### Department of Conservative Dentistry & Endodontics

This department is driven by the motto 'increasing the life span of teeth by preservation and restoration'. This department caters to the entire gamut of patient's needs from Restoration, Endodontics surgeries as well as Aesthetic Dentistry. Modern dental unit / chairs and laboratory with casting facility enhance the professional ambience of the department. Sophisticated equipments such as Radiovisography (RVG), Intra-oral camera and Ultrasonic hand pieces, Obtura, Ti-Auto Zx Endo System, Spartan Kit, X-Ray Unit expose students to the cutting edge quality education. The department is fully computerized and also has a pre-clinical laboratory with dummy dental training units having phantom heads for simulation exercise that are part of the under graduate curriculum.

### Department of Periodontics

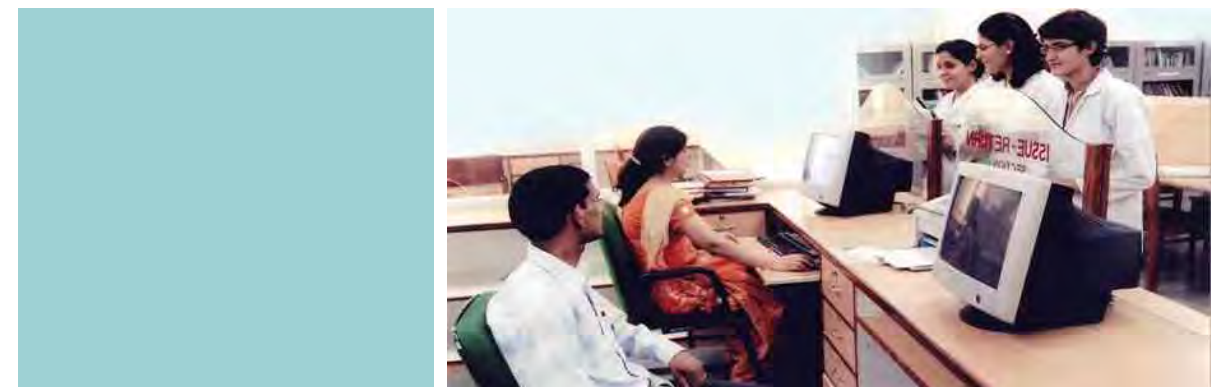

This department stresses the importance of dental care and hygiene. The department deals with common problems associated with gums and poor oral hygiene. A highly skilled staff trains the students in clinical methodology and other procedures. A special tooth whitening system (plasma bleaching) with ultra modern technique being operated by the highly qualified staff is the main attraction of the department.

### Department of Community Dentistry

This upcoming branch of dentistry has been a subject of under graduate dental education and identifies the need for preventive and curative clinical services that is concerned with early diagnosis and prevention. This socially active department communicates through a multitude of mobile dental clinics, charts, posters and audio-visual aids and renders dental care in rural areas through trained staff by conducting regular dental check-ups and treatment camps. The result has been an increased awareness in rural areas. Two fully equipped mobile dental vans are regularly serving the patients in rural areas. Centralized compressed air facility is available on the dental chairs besides emergency care facilities which are available in the OPD even on holidays.

### Department of Dental Implantology

A new department for Dental Implantology is being developed with Ultra Modern Facilities for providing Dental Implant at a very reasonable cost.

## MANAV RACHNA DENTAL COLLEGE

Manav Rachna Dental College is one of the flagship institutions of Manav Rachna Educational Institutions (MREI), one of India's leading educational institutions, producing some of India's most employable professionals. MREI is the brain child of renowned educationist and philanthropist, Dr. O.P. Bhalla, President MREI. MREI is an innovative, global class educational entity, with its heart in the city of Faridabad. It has a reputation for excellence in work-relevant education and high quality research, which is engaged with the needs of industry and community. The student strength continues to grow at MREI campuses in Faridabad and Gurgaon. A vibrant alumni community stretches all across. An ever

expanding number of higher education and vocational education programmes are offered across a broad range of areas. Many specialized programmes are regarded as among the best of their ilk in India. MREI has grown to become one of the preeminent institutions in the country and has carved a niche of its own for excellence in professional education and research. At MREI, the spirit of innovation defines us. Our professors create the new ideas that are transforming the future over all. And they bring that into classroom, so our students take the lead in innovating new ideas of the future. MREI has specialized faculty in all the courses, it offers. They know how to prepare students for tomorrow needs because they're working directly with those issues, every day. Manav Rachna Dental College is situated in Faridabad at a distance of less than 10 KM from Delhi border. The sprawling campus includes the college and an associated hospital. The primary aim of this institution is to produce competent dentists, specialists, and super specialists. It has endeavored to create all facilities conducive to learning and furtherance of knowledge by contribution towards national health care delivery system by providing efficient and expert medical services through the associated hospitals. Not to mention, establishing routine and specialized laboratories of excellence and other investigative facilities, pursuance of objectives of medical education by improving the course contents, continuing education and strengthening of research activities and extending medical support to the local authorities for health care programmes.

Manav Rachna Dental College has well-established special clinics in Dental Implant, Advanced Dental Centre and Rural Health Centres. Moreover, many Rural Dental Health Camps and school children Dental Health Camps are routinely undertaken by the College. The public response to MRDC Dental Camps, held at various places for the welfare of needy people, has been very encouraging. The ultimate aim is to bring this Institute at par with the best in the world, so that our trained doctors become the global players of tomorrow.

The following Faculty Development Programmes have been conducted in Manav Rachna Dental College:

- Conducted a clinical seminar on "Towards Continuing Dental Education"
- A circular/note titled "Academic Integrity" was circulated to all faculty members
- Arranged Guest Lecture on "Reconstruction of the Face" by Col (Dr.) S.S. Pandey, for students and faculty
- Six faculty members were sponsored to attend a seminar of "Cast Partial Dentures" conducted at ITS Dental College, Muradnagar (UP)

### Course conducted:

Bachelor of Dental Surgery (BDS)- 5 years course (incl internship) - 100 seats

### Regulatory approvals:

- 1.Approved by Ministry of Health & Family Welfare, Govt. of India and Dental Council of India, for the year 2009-10 vide Government of India letter No. V.12017/116/2005-DE dated 22nd June 2009.
- 2.A ffiliated to Pt. B.D. Sharma University of Health Sciences, Rohtak.

### Academic Excellence:

Commitment, Sincerity, and Integrity are the qualities that drive the institute and its staff and students forward, because only by possessing these sensibilities can one begin to achieve the true potential.

Manav Rachna Dental College is committed to conduct high quality dental education programs at the undergraduate level. The College's academic environment fosters the acquisition of knowledge in the basic, behavioral, and clinical sciences. Independent thinking and life-long learning are encouraged through various and interactive sessions. A high standard of professional and personal ethics, as well as technical skills catapult its graduates to enter the general practice of dentistry, the dental specialties, dental allied health fields, research, and teaching in a wide variety of settings essentially devoted to serve the mankind.

### Academic Results 2008-09:

In the Annual Examinations conducted by MDU Rohtak for the academic session 2007-08, held in August 2008, Bhuvan Nagpal, a student of 2nd Year BDS at MRDC repeated the feat of standing FIRST in the University amongst all Dental colleges and 5 out of 10 merit positions were bagged by students of MRDC. In the First Year examinations conducted in Aug 2008, Ms Neetasha Naphray, Ms Loveleen Kaur and Ms Priyanka Sihag of MRDC bagged FIRST, SECOND and THIRD positions in the University and 8 out of 10 merit positions in the University were secured by students of MRDC. These exemplary academic results are attributable to the commitment of faculty and students and a distinct academic work-culture.

#### Batch 2006-07

University Topper in 1st & 2nd Year

Bhuvan Nagpal

#### Batch 2007-08

University Topper in 1st Year

Neetasha Naphray

### Research:

The faculty and students generate new knowledge in the basic, applied, and clinical sciences, with an emphasis on the promotion of oral health and hygiene. The acquired knowledge is disseminated through presentations at general dental & specialty conferences, workshops, seminars and publications at both national and international levels.

### Dental Camps:

The dental outreach camps are arranged as part of community service by MRDC, for creating an "awareness" of good oral health in community setting. Regular camps are held for the economically backward people. The camps are of two types: Diagnostic & Educational Camps and Procedure & Treatment Oriented Camps. Diagnosis and treatment is done by the interns under the supervision of the teachers. This serves to inculcate in every student his/her responsibility to be equally concerned with patients who are not visiting

the precincts of his clinic, and to face the challenges of modern technology in a community setting. At the camps, the priority is pain and its immediate relief. Minor surgical procedures and coronal fillings are undertaken at the camps. For full medicinal treatment, the patients are asked to visit the main hospital, where they are charged a nominal fee. The facility of free dental checkup has also been extended to some of the schools around the Manav Rachna Campus.

### Laboratories:

Every department has their separate Laboratories, which are well equipped with latest diagnostic and clinical equipments, advanced Medical & Dental care infrastructure. Excellent and fully equipped laboratories are basic requirement for imparting good training and quality education and producing knowledgeable professionals. Keeping this in mind, the College has spacious, well-ventilated and lighted laboratories equipped with all modern amenities, instruments, surgical equipment, chemicals etc.

The Institute has Prosthodontics Laboratory, Anatomy Laboratory, Physiology Laboratory, Bio-Chemistry Laboratory, Pharmacology Laboratory, Pathology Laboratory, Microbiology Laboratory, and X-Ray Laboratory, to name a few.

### Library:

The Library of MRDC is fully air-conditioned, spacious and well furnished. Besides having adequate books, the library has a good number of journals of national and international repute. A separate section with internet facility is also functional, which is advantageously used for getting updated with the latest literature in the field of dentistry. The College has also made provision to provide rare and expensive books to the needy students through the 'Book Bank' of the College library.

### Lecture Theatre & Seminar Hall:

The Institution's building is fully air-conditioned and is very well equipped. The main Lecture theatre is spacious, well ventilated & lighted. It has the latest audio visual aids with adequate seating capacity. Each of the department has its own seminar hall attached to it for group discussions. Separate cabins are provided for Professors and Heads in each department.

### Patient care at OPD:

MRDC provides patient care for all types of dental problems. It includes Extractions, Fillings, Root Canal Treatment, Artificial Dentures, Crown and Bridge, Orthodontic treatment and other surgical care. Most of the treatments are absolutely free, while for some a nominal fee is charged from the patients and the remaining expenses are borne by the institution.

### On Campus Hostel:

Well-furnished hostel facility is available on the campus separately for boys and girls. Each hostel is provided with a common room having telephone and a cable connection, Carrom, Chess, Table Tennis and a Gym. Two, three and four bedded rooms are available on first-come-first-served basis. Regular monthly checkup is also arranged for the inmates of the hostel.

### PRINCIPAL

Dr. (Prof) A.K. Kapoor, MDS (Orthodontics), Director-Principal, Manav Rachna Dental College joined the Institute of Medical Sciences, Banaras Hindu University, Varanasi, Department of Dental Surgery as a Senior Demonstrator and got promoted to Lecturer in the same department. Dr. Kapoor represented India in a World Symposium in Maxillofacial trauma at Detroit (U.S.) in 1981. He was Associate Professor in 1983 and proceeded to Arab Medical University at Benghazi, Libya as Professor in 1987. Dr. Kapoor joined Santosh Dental College in 1998 as Vice Principal and was promoted as Principal. Presently he is working at Manav Rachna Dental College as Director-Principal. Dr. A.K. Kapoor has the following achievements to his credit:

- More than 30 years of teaching experience both National and International
- More than 35 Publications and Presentations in Conferences
- Supervised M.D.S., M.S General Surgery students
- Been Examiner to Universities, both in India and abroad

### Message from Director-Principal of Manav Rachna Dental College

Dr. A.K. Kapoor  
Director Principal

Career in Dentistry is quite challenging and rewarding. Like any other health sciences, it satisfies your zest for serving suffering humanity with compassion, dedication and devotion. It provides you the chance to show your soul satisfying skill by treating the mouth and face of the suffering person. The science of Dentistry has advanced technologically and incorporated many new bio-acceptable materials as well as numerous specialties. It also incorporates the creative skills in producing the best esthetic results. It provides you lifetime pursuit of revealing nature's mysteries. If you have the desire for a challenging career, this is for you. In this journey, the selection of the institution is of paramount importance. May I invite you to the lifetime endeavor at Manav Rachna Dental College & Hospital, at Sector 43, Aravali Hills, Surajkund Badkhal Road, Faridabad (Haryana).

### FACULTY

The eminent faculty is headed by Principal Dr. A.K. Kapoor, Professor & Head of the Department of Orthodontics. The details of senior faculty are as below:-

S. No.	Name	Designation
1.	Dr. A.K. Kapoor	Director-Principal
2.	Dr. Pankaj Dhawan	Professor
3.	Dr. Arundeeep Singh	Professor
4.	Dr. Shivani Aggarwal	Professor
5.	Dr. Pooja Palwankar	Professor
6.	Dr. Ashim Aggarwal	Associate Professor
7.	Dr. Garima Sharma	Reader
8.	Dr. Rajiv Sharma	Reader
9.	Dr. Pankaj Madhukar	Reader
10.	Dr. Manish Gupta	Reader
11.	Dr. Sarika Kalra	Reader
12.	Dr. Sheo Sevak Pandey	Reader
13.	Dr. Vandana Srikrishna Chadha	Reader
14.	Dr. Kapil Arora	Reader
15.	Dr. Dr. Renuka Dhingra	Reader

S. No.	Name	Designation
16.	Dr. Rohit Malik	Reader
17.	Dr. Vineeta Garg	Reader
18.	Dr. Saras Chadda	Reader/Senior Lecturer
19.	Dr. Charu Madan	Reader/Senior Lecturer
20.	Dr. Aval Luthra	Senior Lecturer
21.	Dr. Piyush Tandan	Senior Lecturer
22.	Dr. Aaruti Lalit	Senior Lecturer
23.	Dr. Anupama Raheja	Senior Lecturer
24.	Dr. Nisha Garg	Senior Lecturer
25.	Dr. Deepak Chaudhary	Senior Lecturer
26.	Dr. Amit Garg	Senior Lecturer
27.	Dr. Dimple Grover	Senior Lecturer
28.	Dr. Sumira Sharma	Senior Lecturer
29.	Dr. Vivek Mehta	Senior Lecturer
30.	Dr. Neeraj Bali	Senior Lecturer

### Conclusion:

Manav Rachna Dental College is an irresistible option for a successful career in Dentistry / Dental Surgery.

## PDM DENTAL COLLEGE & RESEARCH INSTITUTE

To give impetus to higher technical education, to meet futuristic global standards, to instil high patterns of discipline and character building, to make students technically strong, in short to improve the total quality of life is what PDM is all about.

With this core goal in mind, the Prabhu Dayal Memorial Religious and Educational Association (PDMREA, popularly referred as PDM) came up with its first Institution named PDM Polytechnic in 1995-96. And then came up PDM College of Engineering in July 1999, PDM Public School in 2003, PDM College of Pharmacy in 2004, PDM Institute of Engineering & Technology at Karsindhu, Safidon (Jind) in 2005, PDM College of Education & Ultra modern PDM Dental College & Research Institute in 2006. A new Institute, PDM College of Engineering for Women will open its gates for the students in the coming session 2009-10. Today, it is a well established institution spread over 65 acres of land in absolutely pollution free surroundings. The Association has achieved astounding success in the field of education in a short span of time and it plans to add new educational courses every year so that quality education in every field becomes available under one roof for the convenience of the student.

### On Campus Hostel:

Well-furnished hostel facility is available on the campus separately for boys and girls. Each hostel is provided with a common room having telephone and a cable connection, Carrom, Chess, Table Tennis and a Gym. Two, three and four seater rooms are available on first-come-first-served basis. Regular monthly checkup is also arranged for the inmates of the hostel.

### VISION

To be the premier educational institution of the country, a student focused learning community recognized for its research, teaching and multicultural dynamic learning environment.

### MISSION

To chase perfection following quality education process - To improve thinking process. To impart technical education and training through the creation, initialization and dissemination of knowledge with special focus on professional development of students.

## Message from the Pricipal

(Prof) Dr. Meenakshi Sood  
M.D.S. (PERIODONTICS)

Last two decades have seen a surge in dental education. The number of dental professionals is increasing exponentially in the present years. This surge has brought quality of Dental Education to the country and this has been possible because of improvements in financial status of the country, availability of modern technology at affordable prices and above all the willingness of the population to accept the advanced picture of dentistry.

PDM Dental College & Research Institute was conceived with a viewpoint to introduce the uppermost crust of Dental education and an aim to provide Dentistry with state of the art technology to the people of Bahadurgarh vicinity who have been deprived of such excellence. This budding Institution was established in the year 2006 with the permission of Haryana Govt., Govt. of India & is affiliated to the prestigious Pt., B.D. Sharma University of Health

Sciences for BDS course. The college has created a large & impressive infrastructure and has completed the building requirements up to fourth year. The lecture theatres are ultra modern providing ease of teaching with touch screen & interactive board. The fully equipped labs are spacious for comfortable functioning. The Dental clinics are providing dental care on fully loaded electronic dental chairs and latest know-how. The faculty is experienced & efficient specially chosen and hand picked for this Institution which intends to make a mark in dental education in the country.

The Association has achieved astounding success in the field of education in a short span of time. Being conscious of the fact that Jhajjar region is lacking from health care facilities since ages, it was the farsightedness of this Association, which thought of providing health care facilities to the rural masses of the region, that world class PDM Dental College & Research Institute to offer Bachelor Degree in Dental Surgery has been established with an initial intake of 100 students per year. The Dental College is duly approved by Ministry of Health, Govt. of India, Dental Council of India (DCI) & is affiliated to Pt. B.D. Sharma University of Health Sciences, Rohtak. The college is equipped with most modern facilities in the area of Dentistry. All the dental and medical departments have highly qualified and experienced faculty of high academic background. Various laboratories of the college are very well furnished and spacious to facilitate the students to work independently. The building of the college is an unique architecture and is nicely constructed in the scenic and healthy environment of the campus.

### PD Memorial General Hospital

PDM General Hospital is the most modern 100 bedded hospital of the region. Specialists in Medicine, Surgery, Urology, Gynaecology, Orthopaedics, Eye, Critical care medicine, Emergency medicine, ENT, Pediatrics, Radiology, Anaesthesia and Community medicine are available for quality patient care. 24 Hours Emergency and Critical Care Services with Ambulance facility are available. The Hospital has World class Operation Theatres with Air conditioned Labour room, General Ward & Air Conditioned Private rooms. Facilities like X-Ray, Ventilator, NICU and PICU, Ultrasound, Color Doppler, Echo, TMT facilities. Laparoscopic surgery, Endoscopy are available here.

### LIBRARY

The library plays a vital role in supporting teaching and learning activities and provides the main source for individual research at PDM Dental College & Research Institute. All the PDM institutes have got separate libraries with thousands of books and extensive collection of journals and periodicals making them a readers paradise. The reference section of the libraries consists of encyclopedias, handbooks, manuals, dictionaries and atlases etc.

### HOSTELS

The college maintains eight furnished hostels (4 for boys and 4 for girls) with all the modern facilities like water coolers, geysers, television, telephone and air coolers for students of the Dental College.

### CANTEEN

Air conditioned canteen with modern facilities has been provided where fresh and hygienic eatables are served.

### TRANSPORTATION

45 buses are available for movement of students as well as faculty from Delhi, Gurgaon, Rohtak and Bahadurgarh.

### LABORATORIES AND CLINICS

The laboratories of PDM Dental College & Research Institute have modern furnishing. The college has more than 200 dental chairs, each equipped with the most modern, state of the art equipment. Each department is equipped with its own preclinical laboratory and clinic. Students learn sophisticated dental procedures on simulated models of the human head before handling patients.

### BACHELOR OF DENTAL SURGERY

BDS Course is of five years duration. The course is governed by the rules and regulation of Pt., B.D. Sharma University of Health Sciences Council of India.

## PDM DENTAL COLLEGE & RESEARCH INSTITUTE

Approved by Dental Council of India, Ministry of Health, Govt. of India.,  
Govt. of Haryana & Affiliated to Pt., B.D. Sharma University of Health Sciences, Rohtak.

## Chapter 2. Participating Institutions with Sanctioned Intake

The following Institutions will participate in the Central Counselling being conducted by the  
**ASSOCIATION OF HARYANA STATE SELF FINANCING DENTAL COLLEGES:**

S. No.	Name of the College with address	Sanctioned Intake	NRI Seats	General Seats
1	DAV (C) Dental College, Model Town, Yamuna Nagar, Haryana	40	6	34
2	SGT Dental College, Hospital & Research Institute, Farukh Nagar Road, Budhera, Gurgaon, Haryana	100	15	85
3	Sudha Rustagi College, of Dental Sciences & Research, Kherimore, Vill. Bhopani, Faridabad, Haryana	100	15	85
4	Jan Nayak Ch. Devi Lal Dental College, Barnala Road, Sirsa, Haryana	100	15	85
5	Manav Rachana Dental College, Sector-43, Delhi-Surajkund Road. Faridabad.	100	15	85
6	PDM Dental College & Research Institute, Sarai Aurangabad, Bahadurgarh, (Distt. Jhajjar) Haryana	100	15	85

Duration of the BDS Course: 5 Years

Out of the total sanctioned intake, 15% of the seats are reserved for NRI candidates. If no eligible candidates for NRI seats are available, all such vacant seats will be treated as general seats.

Admissions shall be made in the participating institutions only after obtaining the permission of Govt. of India and the approval from DCI and the affiliating University.

Admission brochure-cum-application form shall be available from the following places on or before 28th Aug 2009 upto 12noon on payment of Rs. 1000/= in cash:-

The application form may be deposited in person or through registered / speed post only at any of the above offices to be reached on or before 28th Aug 2009 up to 4.00 P.M. In case application form is submitted in person, the candidates or their parent/ guardian must obtain a receipt confirming having deposited application form.

### Chapter- 3.Minimum eligibility criteria

#### A person seeking admission in BDS programme must fulfill the following eligibility criteria:

i)He/She will attain the age of 17 years or more on 31-12-2009. The age shall be determined as per entry in the Matriculation/Higher Secondary or its Equivalent Certificate:

ii)Senior School Certificate Examination (10+2) of Board of School Education Haryana or an examination recognized as equivalent thereto with atleast 50% marks in Physics, Chemistry and Biology taken together and must have passed in the subjects of Physics, Chemistry, Biology and English individually in qualifying examination.

iii)The candidate must have come in the merit list prepared as a result of the Competitive Entrance Examination by securing not less than 50% marks in Physics, Chemistry and Biology taken together in the Competitive Examination.

However, Financial Commissioner & Principal Secretary to Govt. Haryana, Health & Medical Education Department-cum-Member Secretary, State Admissions Committee vide their letter no. 9-SAC-05 dated 17.06.2009 have permitted the Member Institutions to fill-up the seats/ remaining vacant seats on the basis of merit in qualifying examination after exhausting the merit list of Combined Pre-Medical Test (CPMT-2009) conducted by Pt. B.D. Sharma University of Health Sciences, Rohtak and All India Pre-Medical Test (AIPMT-2009) conducted by CBSE in that order.

Note: 1)In respect of candidates belonging to Scheduled Castes / Scheduled Tribes / Other Backward Class the marks obtained be read as 40% instead of 50% (both at qualifying and competitive examinations).

2)The candidates passing qualifying examination from National Open School shall be eligible provided they fulfill the conditions laid down at ii.

3) Any Candidate who has not passed in the qualifying examination i.e. 10+2 or equalent, at the time of 1st counseling held by Pt. B.D. Sharma University of Health Sciences, Rohtak, shall not be eligible for admission.

## Chapter - 4. Admission Procedure and Schedule.

### (a) Admission procedure and preparation of merit list.

- (I) The Seats shall be filled up on merit in a fair and transparent manner.
- (ii) Admission shall be made on the basis of merit in Combined Pre Medical Test (CPMT-2009) conducted by Pt. B.D. Sharma University of Health Sciences, Rohtak, as 1st Preference.
- (iii) For the Seats remaining vacant, admission shall be made on the basis of All India Pre-Medical Test (AIPMT-2009) conducted by CBSE, as 2nd preference.
- (iv) Further seats remaining vacant, admission shall be made on the basis of merit of qualifying examination i.e. 10+2 as 3rd Preference. However, merit list of qualifying examination shall be drawn based upon marks obtained in Physics, Chemistry, Biology and English only. In case there is tie between two or more candidates, preference shall be given to the candidate(s) older in age.
- (v) The counseling shall be conducted by the association on 30th August 2009, and the venue of counseling will be at the Government Post Graduate College, Sector 14, Karnal (on G.T. road) from 11.00 A.M. onwards. Candidates who have submitted their application form within the stipulated date and time must report up to 10:00 AM and mark their attendance at the Registration Desk. A combined merit list of the applicants shall be prepared and candidates shall be called in order of merit for allotment of seat in the participating Institutions. If a candidate reports late than the stipulated time, he / she may be considered by the Common Admission Committee for allotment of seat available at the time of his / her reporting to the Chairman, Common Admission Committee.
- (vi) State Admission Committee may appoint Observer(s) to oversee the process of admission in the participating Institutions, who will submit their report to the State Admission Committee and / or Pt. B.D. Sharma University of Health Sciences, Rohtak. The observers appointed by SAC will verify the Documents of the candidates and sign the list of admitted candidates.
- (vii) The participating Institutions shall submit the list of the admitted candidates in the format prescribed by State Admission Committee / Pt. B.D. Sharma University of Health Sciences, Rohtak, duly signed by the Common Admission Committee on the 3rd September 2009 before 4:00 PM.
- (viii) In case, the seats remains vacant in any one or more participating Institution(s), the same shall be filled up out of the waiting list of the combined final merit list on a date to be determined by the Association with the permission of the State Admission Committee. An advertisement in this regard shall be issued in the Newspapers of repute and no individual notice shall be served. ### Note:-

1. Additional fee if any, decided by the State Fee Committee/University shall be final and binding upon the students as well as the institutions.

2. Those candidates who withdraw their admission up to 15th September 2009, in writing to the Director/Principal of the participating Institution after having the receipt of the withdrawal application would be refunded the fees within two weeks through cheque after deducting Rs. 5,000. No fee shall be refunded if a candidate withdraws his / her admission after 15th September 2009.

## Chapter- 6- IMPORTANT INSTRUCTIONS

1. The cost of prospectus-cum-application form will not be refunded under any circumstances.

2. Any attempt on the part of a candidate, his parents or relatives to canvass or bring influence to bear upon the competent authority, directly or indirectly, for securing admission will lead to disqualification.

3. Application which are incomplete or without enclosures will not be considered.

4. The candidate is admitted on the basis of information submitted by him / her and if, at any subsequent stage, it is discovered that any portion of this information is incorrect, the students will be removed from the institution and all fees and other dues paid / liable to be paid up till the date of such removal shall be forfeited. Any further action, as deemed suitable, may also be taken by the institution against such student / parent / relative.

5. The concerned authorities shall have the power to ask for any documents from the candidate in support of his / her claims and reject any certificate not considered valid. The decision of the State Admission Committee, Govt. of Haryana in this regard shall be final.

6. The application form should be filled carefully in block and legible letters and signed by the candidate. All the claims made in the application must be supported with documentary proof. Applications which are incomplete in respect of the required particulars will be rejected.

7. In case of any ambiguity in the rules the interpretation by the Chairman, State Admission Committee shall be final and binding.

8. Objection, if any, about the entries / condition of the eligibility mentioned in the Admission Brochure can be raised in the form of a representation to the competent authority.

9. The Admission Brochure is meant for admission against Seats to be filled up at Institute level including Lapsed / Vacant Seats in the Colleges for the academic session 2009-10 and for general information. The contents of the Admission Brochure are subject to change without prior notice; however such change/s shall be posted on the website of the Association.

10. Application form received after the due date will be summarily rejected. Application form received after the due date and time due to any reason including postal delay will be rejected without any intimation to the candidates.

11. The Association shall have the right to change the dates of admission process due to unavoidable circumstances with prior approval of State Admission Committee. However, the admission process will be completed by 30.09.2009 as per the Hon'ble Supreme Court of India directions.

12. Any change shall be notified in newspapers of repute through public notice, and such change/s shall be posted on the website of the Association.

13. The admission will be treated as cancelled if a selected candidate does not join within three days from the start of classes without written approval of the Director/Principal of the participating Institution concerned.

14. If a candidate fails to attend the first counseling he / she will not be allowed to attend any subsequent counseling.

15. In case of ambiguity in the rules, interpretation of the same by the competent authority with the prior approval of the State Admission Committee shall be final.

16.All disputes pertaining to admission under the domain of Admission Brochure are subject to the jurisdiction of Gurgaon only.

17.If the University / College Authorities are not satisfied with the character, past behaviour and antecedents of a candidate, they may refuse to admit him/ her in the University / College. In order to ensure academic standards, discipline and peaceful atmosphere in the University/ College.

**18.Instructions for curbing ragging:- Ragging in an educational Institution is banned and any one indulging in ragging is likely to be punished appropriately, which may include expulsion from the Institution, suspension from the Institution or classes for a limited period or fine with a public apology. The punishment may also take the shape of (i) withholding scholarships or other benefits, (ii) debarring from representation in events, (iii) withholding results, (iv) suspension or expulsion from hostel or mess, and the like. If the individuals committing or abetting ragging are not/ cannot be identified, collective punishment can be awarded to act as a deterrent.**

**The following will be termed as the act of ragging:-**

**Any disorderly conduct whether by words spoken or written or by any act, which has the effect of teasing, treating or handling with rudeness any other student(s), indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in fresher or junior student(s) or asking the student(s) to do any act or perform something, which such student(s) will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.**

**Moreover, DCI has take a very serious view of incidents of ragging in Dental Colleges and directed to incorporate the following provision in the Admission Brochure vide their letter no.**

**DE-167-2008/A- 3441 dated 29.07.2008:-**

**“If any incident of ragging comes to the notice of the authority, the concerned students shall be given liberty to explain and if his explanation is not found satisfactory, the authority would expel him from the institutions”.**

**The candidates who are admitted in the College would be required to follow all rules and regulations in letter and spirit, conduct themselves in an orderly manner and maintain the best decorum, failing which suitable penal action would be taken against them.**

\*(It is not recognized by the UGC. However, stay has been granted by Civil Judge Hawallee (J.D.). Lucknow. The issue regarding Fake Universities is in Court).

Note:- Before finalizing the admissions, the up-dated lists of recognized examinations of Haryana School Education Board, Bhiwani / Other Boards/Universities is /are also required to be consulted.

\* Bhartiya Shiksha Parishad is a fake institution functioning in contravention of the UGC Act, 1958. The Hon'ble Civil Court (JD) Lucknow has granted interim stay to the Parishad and has restrained UGC from calling it as fake or treating it fake till the final decision in the matter. The UGC has initiated action to get the stay vacated. However, in compliance of the order of the Hon'ble Court the UGC has for the time being decided to exclude the name of the Bhartiya Shiksha Parishad from the list of fake institutions.

Note:- The name of fake university/ board will be considered as published by the concerned apex bodies on the day of verification.
